Introduction

This Amendment No. 3 to Schedule 13D (this Amendment No.3) amends the Statement on Schedule 13D filed on December 28, 2009, as amended by Amendment No. 1 to Schedule 13D filed on February 26, 2010 and Amendment No. 2 to Schedule 13D filed on September 7, 2011, and is being filed by Rho Capital Partners LLC, a Delaware limited liability company (Rho Capital), RMV VI, L.L.C., a Delaware limited liability company (RMV), Rho Ventures VI, L.P., a Delaware limited partnership (Rho Ventures), Joshua Ruch, Habib Kairouz and Mark Leschly (together, the Reporting Persons) and relates to their beneficial ownership of shares (the Shares) of common stock, par value \$0.01 per share (the Common Stock), of Bluefly, Inc., a corporation organized under the laws of the state of Delaware (the Issuer).

**ITEM 4. Purpose of Transaction.
December 2009 Securities Purchase Agreement**

On December 21, 2009, Rho Ventures and the Issuer entered into a Securities Purchase Agreement (the December 2009 Purchase Agreement) pursuant to which Rho Ventures agreed to acquire from the Issuer (i) 2,786,337 shares of Common Stock at a purchase price of \$1.70 per share (the Initial Shares) at an initial closing on December 21, 2009 (the Initial Closing) and (ii) 6,037,192 shares of Common Stock at a purchase price of \$1.70 per share (the Remaining Shares) at a second closing (the Second Closing) scheduled to occur no later than three trading days following the requisite approval (the Stockholder Approval) of the issuance of the Remaining Shares by the Issuer's stockholders (the Second Closing Date). The Stockholder Approval occurred on February 23, 2010. The Second Closing occurred on February 25, 2010. The source of funds for the purchase at the Initial Closing and the Second Closing was the working capital of Rho Ventures.

September 2011 Securities Purchase Agreement

On September 7, 2011, Rho Ventures and the Issuer entered into a Securities Purchase Agreement (the September 2011 Purchase Agreement) pursuant to which Rho Ventures acquired from the Issuer 2,777,777 shares of Common Stock at a purchase price of \$1.80 per share (the 2011 Shares) at a closing that took place on the same date (the 2011 Closing). The source of funds for the purchase of the 2011 Shares was the working capital of Rho Ventures.

August 2012 Note and Warrant Purchase Agreement

On August 13, 2012, Rho Ventures and the Issuer entered into a Note and Warrant Purchase Agreement (the August 2012 Purchase Agreement) pursuant to which Rho Ventures purchased from the Issuer a secured convertible subordinated promissory note in an aggregate principal amount of \$1,500,000 (the Note) and a warrant to acquire 476,190 shares of Common Stock at an exercise price of \$1.05 per share (subject to adjustment in the event of stock splits, stock dividends, reclassifications and the like) (the Warrant), which Warrant may be exercised at the option of Rho Ventures for cash or on a cashless basis until August 13, 2019. The conversion of the Note and the exercise of the Warrant, in each case, into equity securities of the Company, is subject to the prior receipt by the Issuer and the effectiveness of the requisite approval of the Issuer's stockholders of the issuance of such equity securities (the 2012 Stockholder Approval). Pursuant to the terms of the August 2012 Purchase Agreement, each of the Investors party thereto (including Rho Ventures) has agreed to vote or cause to be voted all shares of the Issuer's voting stock that are beneficially owned by such Investor (or its Affiliates) or over which such Investor has or shares voting control in favor of the 2012 Stockholder Approval and has agreed to deliver a duly executed written consent of stockholders within ten days of the closing of the transactions contemplated by the August 2012 Purchase Agreement.

The August 2012 Purchase Agreement contains customary representations and warranties. In connection with the issuance of the Note, the Issuer, Rho Ventures and certain of the Issuer's other creditors entered into an Intercreditor Agreement, dated August 13, 2012 (the Intercreditor Agreement), whereby the parties thereto established lien priority, relative rights and other creditors' rights matters with respect to the Note and the Issuer's other outstanding indebtedness. The source of funds for the purchase of the Note and Warrant was the working capital of Rho Ventures.

The Note bears interest at an annual rate equal to 12% per annum, with interest accruing on a cumulative, compounding basis. The Note matures on the earliest to occur of (i) August 13, 2013, (ii) a change of control of the Issuer (as defined therein) and (iii) the date on which the Issuer consummates a debt or equity financing resulting in proceeds to the Issuer of at least \$7,500,000 (the Maturity Date). The Note is secured by certain assets of the Issuer and its subsidiaries as set forth under the Note and the Intercreditor Agreement.

Prior to the Maturity Date, immediately following the Issuer's consummation of the offer and sale for cash of its equity securities resulting in proceeds to the Issuer of at least \$7,500,000 (the Subsequent Financing), and subject to the prior receipt and effectiveness of 2012 Stockholder Approval, Rho Ventures has the right, at its option to convert all of the outstanding principal and interest of the Note (the Principal Obligations) into a number of fully paid and nonassessable equity securities sold in the Subsequent Financing equal to the quotient obtained by dividing the aggregate amount of Principal Obligations to be converted by the lowest price paid by any investor in the Subsequent Financing (the Subsequent Financing Securities). In addition, at any time and from time to time prior to the Maturity Date, and subject to the prior receipt and effectiveness of 2012 Stockholder Approval, Rho Ventures has the right, at its option, to convert all or any portion of the Principal Obligations into a number of fully paid and nonassessable shares of Common Stock equal to the quotient obtained by dividing the aggregate amount of Principal Obligations to be converted by \$1.05.

Events of default under the Note include, among others, payment defaults, covenant defaults, and certain bankruptcy-type events involving the Issuer. Upon an event of default, the outstanding Principal Obligations shall be accelerated and Rho Ventures shall, at its option, have the right, subject to the Intercreditor Agreement, to require the Issuer to pay the outstanding Principal Obligations.

Registration Rights Agreement

Shelf Registration Statement

In connection with the December 2009 Purchase Agreement, Rho Ventures entered into a Registration Rights Agreement, dated December 21, 2009 (the December 2009 Registration Rights Agreement), with the Issuer and certain existing holders of Common Stock (the Existing Holders). In connection with the acquisition by Rho Ventures of the 2011 Shares, Rho Ventures entered into an Amended and Restated Registration Rights Agreement, dated September 7, 2011 (the Amended and Restated Registration Rights Agreement). The Amended and Restated Registration Rights Agreement terminated all registration rights granted under the December 2009 Registration Rights Agreement and replaces the December 2009 Registration Rights Agreement in its entirety. Under the Amended and Restated Registration Rights Agreement, the Issuer was required to file a shelf registration statement (the Shelf Registration Statement) covering the Shelf Registrable Securities (which included the 2011 Shares) held by the Shelf Holders (as such terms are defined in the Amended and Restated Registration Rights Agreement) no later than November 15, 2011. The Shelf Registration Statement was filed by the Issuer on November 14, 2011 and was declared effective by the U.S. Securities and Exchange Commission on February 7, 2012. The Amended and Restated Registration Rights Agreement also obligates the Issuer to maintain the effectiveness of the Shelf Registration Statement and the previously filed shelf registration statement covering the Initial Shares and Remaining Shares until all securities covered by such registration statements are sold or otherwise can be sold pursuant to Rule 144 without any restrictions.

CUSIP No. 096227103

Page 10 of 16 pages

Piggy-Back Registration

Under the Amended and Restated Registration Rights Agreement, if the Issuer registers any securities in an underwritten public offering, Rho Ventures and the Existing Holders will have the right to include their shares in the registration statement, subject to customary exceptions. The underwriters of any underwritten offering will have the right to limit the number of such shares that may be registered.

Demand Registration

The Amended and Restated Registration Rights Agreement also provides that, at any time, subject to certain exceptions, Rho Ventures has the right to demand on no more than two occasions that the Issuer file a registration statement (a Demand Registration Statement) within 45 days, covering the offering and sale of the Demand Registrable Securities (as defined in the Amended and Restated Registration Rights Agreement). The Issuer is not obligated to effect more than two Demand Registration Statements at the request of Rho Ventures, effect more than one Demand Registration Statement in any six month period or effect any Demand Registration Statement if the aggregate offering price is less than \$10 million.

The Issuer may delay the filing of a Demand Registration Statement under specified conditions, such as for a period of time while the Issuer pursues an underwritten public offering if its board of directors (the Board) deems it advisable to delay such filing. Such postponements cannot exceed 120 days from the date of the notice from the Issuer.

The Issuer will pay all registration expenses, other than underwriting discounts and commissions, related to the Issuer's performance of the Amended and Restated Registration Rights Agreement. The Amended and Restated Registration Rights Agreement contains customary cross-indemnification provisions. The registration rights granted under the Amended and Restated Registration Rights Agreement have no expiration date.

Under the August 2012 Purchase Agreement, Rho Ventures is entitled to registration rights in respect of the shares of Common Stock or the Subsequent Financing Securities issuable upon conversion of the Note and the Common Stock issuable upon exercise of the Warrant, in each case, consistent with the registration rights granted pursuant to the Amended and Restated Registration Rights Agreement, as set forth in the August 2012 Purchase Agreement.

Voting Agreement

In connection with the December 2009 Purchase Agreement, Rho Ventures entered into an Amended and Restated Voting Agreement, dated December 21, 2009 (the Voting Agreement), with the Issuer and the Existing Stockholders (as defined in the Voting Agreement), pursuant to which Rho Ventures and the Existing Stockholders agreed to vote their shares of Common Stock to effect the restructuring of the Board such that the Board shall consist of ten members consisting of three classes with staggered terms, as further specified in the Voting Agreement (the Board Restructuring). The Board Restructuring was approved on February 23, 2010 and was implemented on the Second Closing Date. In addition, pursuant to the Voting Agreement, (i) Rho Ventures has the right to designate two designees to serve on the Board and the Issuer agreed to cause such designees to be nominated for election at meetings of the stockholders called for the purpose of electing directors (or in connection with any written consent of stockholders in lieu thereof) and (ii) the Existing Stockholders have the right to designate an aggregate of four designees, as specified in the Voting Agreement. The Issuer also agreed in the Voting Agreement to appoint the designees of Rho Ventures and the Existing Stockholders to certain committees of the Board. Pursuant to this right, Rho Ventures has designated Habib Kairouz as its representative on the Board.

Under the Voting Agreement, Rho Ventures and the Existing Stockholders agreed that at any meeting or action by written consent of stockholders at which or pursuant to which directors of the Issuer are to be elected, Rho

Ventures and such Existing Stockholders will vote all shares of the Issuer's capital stock owned by them in favor of the designees of Rho Ventures and the designees of the Existing Stockholders. In addition, Rho Ventures agreed that, if Rho Ventures disposes of its capital stock of the Issuer such that Rho Ventures owns less than the greater of (i) 28% of the stock owned by Rho Ventures after the Second Closing, or (ii) the minimum amount required under Nasdaq rules to allow Rho Ventures to designate two of its allotted Board designees, then Rho Ventures must cause one director designated by Rho Ventures to resign from the Board. Rho Ventures also agreed that, if Rho Ventures disposes of its capital stock of the Issuer such that Rho Ventures owns less than the greater of (i) 14% of the stock owned by Rho Ventures after the Second Closing, or (ii) the minimum amount required under Nasdaq rules to allow Rho Ventures to designate one of its allotted Board designees, then Rho Ventures must cause each of the directors designated by Rho Ventures to resign from the Board. The Existing Stockholders agreed to similar restrictions with respect to their Board designees.

In addition, Rho Ventures and the Existing Stockholders were subject to lock-up provisions pursuant to which they could not, without the Issuer's prior written consent, sell, hypothecate, pledge or otherwise transfer any shares of the Issuer's capital stock, directly or indirectly, including through any derivative transaction, or publicly announce an intention thereof, which lock-up period with respect to Rho Ventures expired on the one year anniversary of the date of the Initial Closing.

Lock-Up Agreements

In connection with the 2011 Closing, Rho Ventures entered into a Lock-Up and Support Agreement, dated September 7, 2011 (the Lock-Up and Support Agreement), with the Issuer and the Stockholders (as defined in the Lock-Up and Support Agreement) pursuant to which Rho Ventures and the Stockholders may not, without the prior written consent of (i) the Issuer and (ii) each of the purchasers of Common Stock under the September 2011 Purchase Agreement (the Purchasers), sell, hypothecate, pledge or otherwise transfer any shares of the Issuer's capital stock, directly or indirectly, including through any derivative transaction, or publicly announce an intention thereof, which lock-up period with respect to Rho Ventures remains in effect until the one year anniversary of the date of the 2011 Closing. The Lock-Up and Support Agreement further provides that, in any circumstances upon which a vote, consent or other approval (including by written consent) is sought with respect to the Stockholder Approval Condition, each Stockholder will vote the shares of the Issuer's capital stock held by it, other than the shares acquired under the September 2011 Purchase Agreement, in favor of the ballot item necessary to satisfy the Stockholder Approval Condition.

Each director of the Issuer, including Habib Kairouz, and the Issuer's chief executive officer, chief financial officer and chief operating officer executed a Lock-Up Agreement, dated September 7, 2011 (the Lock-Up Agreement), in favor of the Issuer and each Purchaser, pursuant to which such directors and officers of the Issuer may not, without the prior written consent of (i) the Issuer and (ii) each Purchaser, offer, pledge, announce the intention to sell, sell, contract to sell, or otherwise transfer or dispose, including through any derivative transaction, any shares of the Issuer's capital stock, which lock-up period with respect to Mr. Kairouz remains in effect until the earlier of the one year anniversary of the date of the 2011 Closing or until he ceases to be a director of the Issuer.

The foregoing descriptions of the December 2009 Purchase Agreement, the September 2011 Purchase Agreement, the Amended and Restated Registration Rights Agreement, the Voting Agreement, the Lock-Up and Support Agreement, the Lock-Up Agreement, the August 2012 Purchase Agreement, the Note, the Warrant and the Intercreditor Agreement (collectively, the Agreements) do not purport to be complete and are qualified in their entirety by the terms of each such document, which are attached hereto as Exhibit 2, Exhibit 3, Exhibit 4, Exhibit 5, Exhibit 6, Exhibit 7, Exhibit 8, Exhibit 9, Exhibit 10 and Exhibit 11 respectively, and are incorporated herein by reference.

As a result of the arrangements described above, including, but not limited, to the Voting Agreement, the Lock-Up and Support Agreement and the August 2012 Purchase Agreement, the Reporting Persons and the Existing Stockholders may be deemed to comprise a group within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, although neither the fact of this filing nor any of the information contained herein shall be deemed to be an admission by the Reporting Persons that a group exists.

The Reporting Persons take no responsibility for any filings made by the Existing Stockholders or the completeness or accuracy of any information contained therein.

Except as set forth herein, the Reporting Persons do not have any contracts, arrangements, understandings or relationships with respect to any securities of the Issuer.

Additional Disclosure

The Initial Shares, Remaining Shares, the 2011 Shares, the Notes and the Warrants were acquired solely for investment purposes. Rho Ventures does not have any present plans or proposals that relate to or would result in any change in the business, policies, management, structure or capitalization of the Issuer. The Reporting Persons may engage in discussions from time to time with other stockholders of the Issuer, including the Existing Stockholders, regarding the acquisition by the Reporting Persons or others of shares of the Issuer's Common Stock held by such stockholders. Rho Ventures will continue to evaluate the business and prospects of the Issuer, and its present and future interest in, and intentions with respect to, the Issuer, and in connection therewith expects from time to time to consult with management and other stockholders of the Issuer.

Other than as described above and as set forth in the Agreements, the Reporting Persons do not have any plans or proposals which would result in any of the following:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;

- (i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or
