Item 2.02 Results of Operations and Financial Condition.

On March 18, 2013, the San Juan Basin Royalty Trust (the Trust) issued a press release, a copy of which is attached hereto as Exhibit 99.1, announcing, among other things, that it will not declare a monthly cash distribution to the holders of its Units of beneficial interest for the month of March 2013. Normally, a distribution would be made in March based principally upon production during the month of January 2013. However, this month revenues were less than expenses by approximately \$1.2 million, principally because of extraordinary capital costs in the amount of over \$5.7 million, and also due to winter weather conditions that resulted in lower production.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

99.1 Press release, dated March 18, 2013.
