ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or the Board, and each such member, a Director) of Macquarie Global Infrastructure Total Return Fund Inc., a Maryland corporation (the Fund), to be voted at the Annual Meeting of Stockholders of the Fund to be held on **June 19, 2013**, at 9:00 a.m., local time, at the offices of the Fund, 125 West 55th Street, 22nd Floor, New York, NY 10019, and at any adjournments or postponements thereof (the Meeting). A Notice of Annual Meeting of Stockholders and a proxy card accompany this Proxy Statement, and are first being mailed to stockholders on or about **May 17, 2013**.

In addition to the solicitation of proxies by mail, officers of the Fund (the Officers) and officers and regular employees of Computershare Shareholder Services LLC (formerly BNY Mellon Shareowner Services) (Computershare), the Fund s transfer agent, and affiliates of Computershare, ALPS Fund Services, Inc., the Fund s administrator, or other representatives of the Fund also may solicit proxies by telephone, Internet or in person. The costs and expenses incurred in connection with the solicitation of proxies and preparing the Proxy Statement and its enclosures will be paid by the Fund.

COPIES OF THIS PROXY STATEMENT AND THE FUND S MOST RECENT ANNUAL REPORT, INCLUDING AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2012, ARE AVAILABLE UPON REQUEST, WITHOUT CHARGE, BY WRITING TO THE FUND AT 125 WEST 55TH STREET, NEW YORK, NY 10019 OR BY CALLING THE FUND AT 1-800-910-1434 OR VIA THE INTERNET AT WWW.MACQUARIE.COM/MGU.

At the Meeting, the person(s) named as proxy holders on the enclosed proxy card will cast all the votes they are entitled to cast pursuant to validly executed and timely returned proxy cards. Such votes will be cast in accordance with the instructions marked on the proxy cards. If no instructions are marked on a proxy card, the proxy holders will cast such votes **FOR** the election of Messrs. Baird and Hunersen for Directors (Proposal 1 and Proposal 2, respectively), and in their discretion as to any other business that may properly come before the Meeting. Any stockholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and casting his, her or its votes in person, or by submitting a letter of revocation or a later-dated proxy to the Secretary of the Fund at the above address prior to the date of the Meeting. A quorum of stockholders is constituted by the presence in person or by proxy of the holders of common stock, par value \$0.001 per share (the Common Stock), of the Fund entitled to cast a majority of the votes entitled to be cast at the Meeting. If a quorum is not present at the Meeting, the Chairman of the Meeting may adjourn the Meeting to permit the further solicitation of proxies to attain a quorum. If a quorum is present, the person(s) named as proxies will vote those proxies which they are entitled to vote **FOR** any proposal in favor of

such adjournment and will vote those proxies required to be voted **AGAINST** any proposal against such adjournment.

BROKER NON-VOTES AND ABSTENTIONS

The affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote thereon is required to elect Mr. Baird as the Class I Director, as described in Proposal 1, and Mr. Hunersen as the Class II Director, as described in Proposal 2.

Broker-dealer firms holding shares of the Fund in street name for the benefit of their customers and clients will request instructions from such customers and clients prior to the Meeting on how to vote their shares. The Fund understands that, under the rules of the New York Stock Exchange (the NYSE), such broker-dealer firms may, without instructions from their customers and clients, grant authority to give a proxy to vote on routine matters, including the uncontested election of directors, if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. However, the NYSE also provides that in non-routine matters a broker member may not authorize any proxy without instructions from the customer. Votes that, in accordance with the NYSE rules, are not cast by broker-dealer firms on those non-routine matters are called broker non-votes.

In the event that there are no routine matters to be voted on, there will be no broker non-votes and shares held in street name for which voting instructions have not been received will be treated identically to shares held by a record holder who does not appear at the meeting in person or by proxy, *i.e.*, the holder of those shares is not present for purposes of a quorum. Abstentions will be considered to be present at the Meeting for purposes of determining the existence of a quorum. Assuming the presence of a quorum, for the purpose of electing Messrs. Baird and Hunersen (Proposal 1 and Proposal 2, respectively), the failure to return a properly executed proxy card or otherwise authorize a proxy, an abstention or a broker non-vote, if any, will have the same effect as a withhold vote.

Stockholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report for the period ending May 31, 2013. The Board of Directors has fixed the close of business on **April 26, 2013** as the Record Date for the determination of stockholders entitled to notice of and to vote at the Meeting and all adjournments and postponements thereof.

The Fund has one class of stock: Common Stock. The holders of Common Stock are each entitled to one vote for each full share and a proportionate fraction of a vote for each fractional share held. As of the Record Date, there were 12,468,293 shares of Common Stock issued and outstanding.

This Proxy Statement is being provided to the holders of Common Stock of the Fund as of the Record Date. To the knowledge of the Fund, as of April 26, 2013, no stockholder or group, as that term is defined in Section 13(d) of the Securities Exchange Act of 1934, owned beneficially more than 5% of any class of the Fund's outstanding shares.

The Board of Directors knows of no business to be presented for consideration at the Meeting other than what is described in Proposal 1 and Proposal 2 in the Notice of Meeting. If any other matter is properly presented at the Meeting, it is the intention of the person(s) named in the enclosed proxy to vote in accordance with their discretion.

In order that your shares of Common Stock may be represented at the Meeting, you are requested to vote on the following matters:

PROPOSAL 1: TO ELECT ONE (1) CLASS I DIRECTOR OF THE FUND

Nominee for the Board of Directors

The Board of Directors is divided into three classes of Directors serving staggered terms of three-years and until their successors are duly elected and qualify. Generally, one class of Directors is nominated each year by the Board for Directors for election by the Fund's stockholders. The current term of the Class I Director expired in 2012, and the terms of the Class II and Class III Directors will expire in 2013 and 2014, respectively, and in each case when their successors are duly elected and qualify.

At the 2012 Annual Meeting of Stockholders, no Director received the required number of votes to be elected, and as a result the Fund's then-current Class I Director, Gordon A. Baird, continued to serve as the Class I Director as no successor was duly elected and qualified. For the 2013 Annual Meeting of Stockholders, Mr. Baird has been nominated by the Board of Directors to serve as Class I Director for the balance of the three-year term to expire at the Fund's 2015 Annual Meeting of Stockholders and until his successor has been duly elected and qualifies.

Unless authority is withheld, it is the intention of the person(s) named in the enclosed proxy to vote the proxy FOR the election of Mr. Baird. Mr. Baird has consented to serve as Director if elected at the Meeting. If Mr. Baird declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the person(s) named therein to vote in favor of a substitute nominee or nominees.

PROPOSAL 2: TO ELECT ONE (1) CLASS II DIRECTOR OF THE FUND

Nominee for the Board of Directors

The Board of Directors is divided into three classes of Directors serving staggered terms of three-years and until their successors are duly elected and qualify. Generally, one class of Directors is nominated each year by the Board of Directors for election by the Fund’s stockholders. The current term of the Class I Director expired in 2012, and the terms of the Class II and Class III Directors will expire in 2013 and 2014, respectively, and in each case when their successors are duly elected and qualify.

For the 2013 Annual Meeting of Stockholders, the Fund’s current Class II Director, Thomas W. Hunersen, has been nominated by the Board of Directors to serve as Class II Director for a three-year term to expire at the Fund’s 2016 Annual Meeting of Stockholders and until his successor has been duly elected and qualifies.

Unless authority is withheld, it is the intention of the person(s) named in the enclosed proxy to vote the proxy FOR the election of Mr. Hunersen. Mr. Hunersen has consented to serve as Director if elected at the Meeting. If Mr. Hunersen declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the person(s) named therein to vote in favor of a substitute nominee or nominees.

QUALIFICATIONS OF BOARD OF DIRECTORS

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of other Directors lead to the conclusion that each Director should serve in such capacity. Among the attributes or skills common to all Directors are their ability to review and to evaluate, question and discuss information provided to them, to interact effectively with other Directors, MCIM, other service providers, counsel and the Fund's independent registered public accounting firm, and to exercise effective and independent business judgment in the performance of their duties as Directors. Each Director's ability to perform his/her duties effectively has been attained in large part through the Director's business, consulting, public service and/or academic positions; experience from serving as a board member of the Fund, other investment funds, public companies or non-profit entities or other organizations. Each Director's ability to perform his/her duties effectively also has been enhanced by education and professional training. The charter for the Board's Nominating and Corporate Governance Committee contains certain other factors considered by the Committee in identifying and evaluating potential Director nominees. In addition to these shared characteristics, set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of each Director that support the conclusion that each person should serve as a Director.

Gordon A. Baird. Since December 31, 2012, Mr. Baird has been the Chief Executive Officer of Independence Bancshares, Inc. Previously, Mr. Baird had been an advisor to Thomas H. Lee Partners L.P., a Boston-based private equity firm. Prior to his involvement with Thomas H. officer and Senior Vice President of Marketing and Corporate Relations for First Bank System (now US Bank). She has served on many corporate and other boards, including more than eleven years on the board of the Legends Funds portfolio of mutual funds and its predecessor funds.

Brad Frishberg. Mr. Frishberg has been Managing Director and Chief Investment Officer of Infrastructure Securities of Macquarie Funds Group since December 2009. Prior to joining Macquarie Funds Group, Mr. Frishberg was managing director and U.S. equity portfolio manager at J.P. Morgan Asset Management, where over a period of 13 years he was responsible for managing portfolios and businesses in London, Tokyo and New York. Mr. Frishberg has more than 20 years of asset management experience.

Directors Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Fund rests with the Board. The Board has appointed Mr. Thomas W. Hunersen, a Non-Interested Director, to serve in the role of Chairman. The Chairman presides over executive sessions of the Directors and also serves between meetings of the Board as a liaison with service providers, Officers, counsel and other Directors on a wide variety of matters, including scheduling agenda items for Board meetings. The designation as Chairman does not impose on the Chairman any obligations or standards greater than or different from other Directors.

The Board meets in-person at regularly scheduled quarterly meetings each year. Furthermore, the Board may hold special in-person or telephonic meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings. As discussed below, the Board has established a Nominating and Corporate Governance Committee and an Audit Committee and may establish ad hoc committees or working groups from time to time to assist the Board in fulfilling its oversight responsibilities. To assist Non-Interested Directors in evaluating matters under federal and state law, the Non-Interested Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with Fund counsel and MCIM's counsel. Counsel to the Non-Interested Directors, to the Fund and to MCIM have significant experience advising funds and fund directors. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

All of the Fund's Directors, other than Mr. Brad Frishberg, are Non-Interested Directors, and the Board believes they are able to provide effective oversight of the Fund's service providers. The three Non-Interested Directors interact directly with senior management of MCIM at scheduled meetings and between meetings as appropriate. Non-Interested Directors have been designated to chair the Board, the Audit Committee and the Nominating and Corporate Governance Committee. In addition, from time to time, Non-Interested Directors may be designated, formally or informally, to take the lead in addressing with management or their independent legal counsel matters or issues of concern to the Board.

The Board has determined that its leadership structure is appropriate in light of the Board's size and the cooperative and dynamic working relationship among the Non-Interested Directors. In addition, the Board's leadership structure is appropriate for the Fund because it

enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure, as well as its overall structure, composition and functioning, and may make changes at its discretion at any time.

The Fund's operations entail a variety of risks, including investment, administration, valuation and a range of compliance matters. Although MCIM and the Officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and any working groups. As part of general oversight, the Board and the Chairman regularly interact with and receive reports from senior personnel of service providers, including the Fund's and MCIM's Chief Compliance Officer and portfolio management personnel. The Board's Audit Committee (which consists of all Non-Interested Directors) meets during its regularly scheduled meetings and between such meetings, as needed, and the Audit Committee Chair maintains contact with the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. The Board also receives periodic presentations from senior personnel of MCIM regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation and credit. The Board's oversight function is facilitated by management reporting processes designed to provide visibility to the Board regarding the identification, assessment and management of critical risks, and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes at its discretion at any time. In addition, MCIM and other service providers to the Fund have adopted a variety of controls, policies and procedures designed to address particular risks to the Fund.

In performing its oversight function, at a meeting held on January 14, 2013, the Audit Committee of the Board reviewed and discussed with management of the Fund and the Fund's independent registered public accounting firm, PricewaterhouseCoopers LLP ("PricewaterhouseCoopers"), the audited financial statements of the Fund for the fiscal year ended November 30, 2012 and discussed the audit of such financial statements with PricewaterhouseCoopers.

In addition, the Audit Committee discussed with PricewaterhouseCoopers the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by PricewaterhouseCoopers required by Statement of Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as currently modified or supplemented. At the October 16, 2012 meeting of the Board of Directors, the Audit Committee received from PricewaterhouseCoopers the written disclosures and statements required by the Securities and Exchange Commission independence rules and the letter required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, formerly Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, delineating relationships between PricewaterhouseCoopers and the Fund and discussed the impact that any such relationships might have on the objectivity and independence of PricewaterhouseCoopers.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or PricewaterhouseCoopers. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions with management and PricewaterhouseCoopers referred to above, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended November 30, 2012.

Nominating and Corporate Governance Committee

The Board of Directors has a Nominating and Corporate Governance Committee composed of the three Non-Interested Directors who (a) are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act, (b) are independent as defined in the NYSE listing standards, and (c) meet any other applicable requirements of the SEC and other applicable rules and regulations. The members are Ms. Chris LaVictoire Mahai and Messrs. Thomas W. Hunersen and Gordon A. Baird. Ms. Chris LaVictoire Mahai is the chair of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board of Directors individuals it believes to be qualified to become Board members in the event that a position is vacated or created. While the Nominating and Corporate Governance Committee is solely responsible for the selection and nomination of the Fund's Non-Interested Directors, it may consider Director candidates recommended by stockholders as it deems appropriate.

Stockholders who wish to recommend a nominee should send nominations to the Fund's Secretary and include biographical information and set forth the qualifications of the proposed nominee. See Stockholder Proposals. The Nominating and Corporate Governance Committee

evaluates nominees from all sources using the same standards. The Board of Directors of the Fund has adopted a written charter for the Nominating and Corporate Governance Committee, a copy of which is available on the Fund's website at www.macquarie.com/mgu.

The Nominating and Corporate Governance Committee believes that it is in the best interests of the Fund and its stockholders to obtain highly qualified candidates to serve as members of the Board. Furthermore, the Nominating and Corporate Governance Committee believes that such Director needs to have the ability to critically review, evaluate, question and discuss information provided to him or her and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of his or her duties. The Nominating and Corporate Governance Committee shall evaluate each potential nominee to serve as a Director of the Fund, which evaluation shall include, at a minimum, to the extent required, compliance with the independence and other applicable NYSE listing standards, and all other applicable laws, rules, regulations and the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee's charter. In nominating candidates, the Nominating and Corporate Governance Committee shall take into consideration such factors as it deems appropriate, including: (i) educational background, business and professional experience, character and integrity; (ii) individual qualities and attributes, including gender, race or national origin; (iii) whether or not the person has any criminal convictions or convictions involving the purchase or sale of a security; (iv) whether or not the person has been the subject of any order, judgment or decree of any federal or state authority finding that the individual violated any federal or state securities laws; (v) whether the person is otherwise qualified under applicable laws and regulations to serve as a Director of the Fund; (vi) the nature of any business, charitable, financial or family relationships that might impair the individual's independence; (vii) whether the individual is financially literate pursuant to the listing standards of the NYSE; (viii) whether the person serves on a board of, or is otherwise affiliated with, competing financial services organizations or their related investment company complexes; (ix) the person's willingness to serve and ability to commit the time necessary to perform the duties of a Director of the Fund; and (x) whether the selection and nomination of the person is consistent with the Fund's retirement policy, if any.

The Nominating and Corporate Governance Committee held two meetings during the fiscal year ended November 30, 2012.

Required Vote

The election of Mr. Baird as the Class I Director of the Fund requires the affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote thereon. In the event no nominee for Class I Director receives the necessary vote, Mr. Baird will continue to serve as an elected Director until a subsequent Director election is held and he or another nominee qualifies and receives the necessary vote.

The election of Mr. Hunersen as the Class II Director of the Fund requires the affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote thereon. In the event no nominee for Class II Director receives the necessary vote, Mr. Hunersen will continue to serve as an elected Director until a subsequent Director election is held and he or another nominee qualifies and receives the necessary vote.

THE BOARD OF DIRECTORS, INCLUDING THE NON-INTERESTED DIRECTORS, UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ELECTION OF MR. BAIRD AS THE CLASS I DIRECTOR AND FOR THE ELECTION OF MR. HUNERSEN AS THE CLASS II DIRECTOR.

Other Board Related Matters

The Fund has no formal policy regarding Director attendance at stockholder meetings and does not expect Directors or nominees for election as directors to attend the Annual Meeting of Stockholders. None of the Non-Interested Directors attended last year's Annual Meeting of Stockholders.

The Board has established the following procedures in order to facilitate communications among the Board and the stockholders of the Fund and other parties.

Receipt of Communications

Stockholders may mail written communications to the full Board of Directors, to committees of the Board of Directors or to specified individual Directors in care of the Secretary of the Fund, 125 West 55th Street, New York, NY 10019.

Forwarding the Communications

All stockholder communications received by the Secretary will be forwarded promptly to the full Board of Directors, the relevant Board committee or the specified individual Director, as applicable, except that the Secretary may, in good faith, determine that a stockholder communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, board, officers, stockholders or other matters relating to an investment in the Fund or is purely ministerial in nature.

2012 Annual Meeting of Stockholders

At the 2012 Annual Meeting of Stockholders held on June 21, 2012, on the vote on the election of one Class I Director to serve until the 2015 Annual Meeting of Stockholders or until his successor is duly elected and qualified, (i) Mr. Baird received 4,191,821 For votes and 176,250 Withhold votes and (ii) Robert H. Daniels received 5,150,711 For votes and 52,234 Withhold votes. A quorum was present but neither nominee received a sufficient number of votes to be elected. As a result, Mr. Baird, the Fund's then-current Class I Director, continued to serve as the Class I Director as no successor was duly elected and qualified.

At the Meeting, a vote was held on a non-binding stockholder proposal requesting that the Board take the necessary steps to amend the Bylaws of the Fund so that when the Board elections are contested, with more nominees than open seats, plurality of the votes cast, rather than majority, will be sufficient for election. The non-binding proposal received 7,251,653 For votes, 2,209,564 Against votes and 109,888 Withhold votes, which represented a majority of the shares voted but less than a majority of shares outstanding. Subsequent to the Meeting, after due consideration, the Board determined to maintain the Fund's current voting provision based, in part, on the following: (i) the provision has been the standard to which each Director has been held since the Fund's inception, and (ii) the provision minimizes the risk that a minority group of stockholders can be in position to replace a Director without considering all stockholders.
