Section 7 Regulation FD

Item 7.01. Regulation FD Disclosure.

On August 27, 2014, Lear Corporation (the Company) entered into a Stock Purchase Agreement (the Purchase Agreement) by and among the Company, ESG Holdings, LLC, a Wisconsin limited liability company (Parent), and Everett Smith Group, Ltd., a Delaware corporation (Eagle Ottawa), whereby the Company has agreed to acquire from Parent all of the issued and outstanding shares of capital stock of Eagle Ottawa (the Acquisition). Eagle Ottawa is a supplier of leather for the automotive industry.

The purchase price is \$850 million in cash, payable at closing and subject to an adjustment for closing working capital. The Purchase Agreement contains customary representations and warranties, covenants, termination provisions and other agreements. In addition, the Company and the seller agreed to indemnify each other for certain losses. Under the Purchase Agreement, escrows have been established (i) to secure the seller's post-closing indemnification obligations under the Purchase Agreement and (ii) for closing working capital adjustment purposes.

The transaction is expected to close in the first quarter of 2015, subject to the satisfaction of customary closing conditions, including the receipt of U.S. and foreign antitrust regulatory approvals. The Company expects to fund the acquisition through a combination of cash on hand and debt. The Purchase Agreement is subject to termination if, among other things, the transaction is not completed within twelve months from the date of the Purchase Agreement.

On August 27, 2014, Lear issued a press release announcing the Acquisition. A copy of the press release is attached hereto as Exhibit 99.1.

The information contained in this Item 7.01 and Exhibit 99.1 hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by reference in such a filing.
