Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth our ratio of earnings to fixed charges for the periods indicated:

For purposes of calculating these ratios, Earnings consists of (x) earnings from continuing operations, before income taxes, (y) fixed charges and (z) amortization of any capitalized interest, and Fixed Charges consists of (x) interest expensed and capitalized, (y) amortized premiums, discounts and capitalized expenses related to indebtedness and (z) an estimate of the interest within rental expense.

DESCRIPTION OF DEBT SECURITIES**General**

You can find the definitions of the terms used in the following summary under the subheading Certain Definitions. In this section entitled Description of Debt Securities when we refer to Alleghany, the Company, we, our or us referring to Alleghany Corporation, as issuer of the debt securities, and we do not include any of Alleghany's subsidiaries.

This prospectus describes certain general terms and provisions of the debt securities. The debt securities will be issued in one or more series under an indenture entered into between us and The Bank of New York Mellon, as trustee, as of September 20, 2010. The terms of the debt securities include those stated in the indenture and those made part of that indenture by reference to the Trust Indenture Act of 1939, as amended. When we offer to sell the debt securities, we will describe the specific terms of the debt securities being offered in a supplement to this prospectus. The prospectus supplement will also indicate whether the general terms and provisions described in this prospectus apply to the debt securities.

We have summarized certain terms and provisions of the indenture, which has been filed as an exhibit to the registration statement for these debt securities that we have filed with the SEC. The summary is not complete. We urge you to read the indenture in its entirety because it, and not this description, defines your rights as a holder of the debt securities.

The indenture does not limit the amount of debt securities we may issue and provides that debt securities may be issued under it from time to time in one or more series. We may issue debt securities of one or more series up to an aggregate principal amount as we may authorize from time to time. With respect to each particular series that we offer by this prospectus, the prospectus supplement will describe the terms of each series of debt securities being offered, including:

the title, the designation and aggregate principal amount, if any;

the maturity date;

the interest rate, if any, at which such debt securities shall bear interest and the method for calculating the interest rate;

the interest payment dates and the record dates for the interest payments;

any right to extend or defer the interest payment periods and the duration of the extension;

any mandatory or optional redemption terms or prepayment or sinking fund provisions;

Table of Contents

the place where we will pay principal and interest;

the denominations, if other than denominations of \$1,000 or multiples of \$1,000, such debt securities will be issued in;

the currency or currencies, if other than the currency of the United States, in which principal and interest will be paid;

any listing on a securities exchange;

any additional events of default or covenants;

whether and under what circumstances we will pay additional amounts on the debt securities of the series in respect of any tax, assessment or governmental charge; and

any other terms and conditions and any other deletions from, modifications or additions to the indenture in respect of such debt securities.

The debt securities will be our senior unsecured obligations and will rank equally with all of our other senior unsecured indebtedness.

Status

The debt securities of each series will constitute direct, unsecured, unconditional and unsubordinated obligations of Alleghany and will at all times rank equally among themselves and (subject to such obligations as are mandatorily preferred by law) with all other present and future unsecured and unsubordinated obligations of Alleghany. The indenture does not, and the debt securities of any series will not, limit other indebtedness or debt securities that may be incurred or issued by Alleghany. Alleghany conducts its business primarily through subsidiaries. Because the creditors of Alleghany's subsidiaries, and policyholders of Alleghany's insurance subsidiaries, generally would have a right to receive payment that is superior to Alleghany's right to receive payment from the assets of its subsidiaries, the holders of the debt securities of any series will effectively be subordinated to the creditors of Alleghany's subsidiaries and to the policyholders of Alleghany's insurance subsidiaries. If Alleghany were to liquidate or reorganize, the right of the holders of the debt securities of any series to participate in any distribution of the assets of Alleghany's subsidiaries would be subject to the claims of the subsidiaries' creditors, including the claims of policyholders of the insurance subsidiaries, and might also be subject to approval by certain insurance regulatory authorities having jurisdiction over the insurance subsidiaries.

Events of Default

An event of default with respect to debt securities of a series issued (an "Event of Default") is:

(i) a default in the payment of principal or premium, if any, on any outstanding debt securities of that series;

(ii) a default for 30 days in the payment of any interest with respect to outstanding debt securities of that series;

(iii) a default for 30 days in the deposit of any mandatory sinking fund payment;

(iv) a default in the performance or breach of any other covenant or warranty of Alleghany in the debt securities or the indenture with respect to any outstanding debt securities of that series for 90 days after written notice to Alleghany as provided in the indenture; or

(v) certain events involving bankruptcy, insolvency or reorganization of Alleghany.

If an Event of Default (other than an Event of Default described in subsection (v) above) with respect to any series of outstanding debt securities shall have occurred and be continuing, the trustee shall, at the written request of the holders of not less than 25% in aggregate principal amount of the then outstanding debt securities of that

Table of Contents

series, by notice in writing to Alleghany, declare the principal of all the debt securities of that series to be due and payable immediately, and upon any such declaration such principal and any accrued interest will become immediately due and payable. If an Event of Default specified in subsection (v) occurs and is continuing, the principal and any accrued interest on all of the debt securities then outstanding shall become due and payable immediately without any declaration or other act on the part of the trustee or any holder.

At any time after such declaration of acceleration with respect to debt securities of any series has been made but before a judgment or decree based on acceleration, the holders of a majority in aggregate principal amount of the then outstanding debt securities of such series may, under certain circumstances, rescind and annul such acceleration if sufficient funds have been paid or deposited with the trustee and all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in the indenture.

No holder of debt securities of any series will have any right to institute any proceeding with respect to the indenture or any remedy thereunder, unless such holder of debt securities of such series shall have previously given to the trustee written notice of a continuing Event of Default and also unless the holders of at least 25% in aggregate principal amount of the then outstanding debt securities of such series shall have made a written request, and offered indemnity, satisfactory to the trustee to institute such proceeding as trustee, and the trustee shall not have received from the holders of a majority in aggregate principal amount of the then outstanding debt securities of such series a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days. However, such limitations do not apply to a suit instituted by a holder of a note for the enforcement of payment of the principal or interest on such note on or after the respective due dates expressed in such note.

Governing Law

The indenture is, and the debt securities will be, governed by and construed in accordance with the laws of the State of New York.

Concerning the Trustee

The Bank of New York Mellon is the trustee under the indenture. The Bank of New York Mellon has performed and will perform other services for Alleghany and for certain of Alleghany's subsidiaries in the normal course of its business.

PLAN OF DISTRIBUTION

We may sell the debt securities from time to time in one or more of the following ways:

through underwriters or dealers;

directly to one or more purchasers;

through agents; or

through a combination of any such methods of sale.

The prospectus supplement with respect to the offered debt securities will set forth the terms of the offering, including:

the name or names of any underwriters or agents;

the purchase price of the offered debt securities and the proceeds to us from their sale;

any underwriting discounts or sales agents' commissions and other items constituting underwriters' or agents' compensation;

Table of Contents

any initial public offering price;

any discounts or concessions allowed or reallocated or paid to dealers; and

any securities exchanges on which those debt securities may be listed.

Only underwriters or agents named in the accompanying prospectus supplement are deemed to be underwriters or agents in connection with the debt securities offered thereby.

If underwriters are used in the sale, the debt securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase those debt securities will be subject to certain conditions precedent, and unless otherwise specified in the accompanying prospectus supplement, the underwriters will be obligated to purchase all the debt securities of the series offered by such accompanying prospectus supplement relating to that series if any of such debt securities are purchased. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

We may also sell debt securities directly or through agents we designate from time to time. Any agent involved in the offering and sale of the offered debt securities will be named in the accompanying prospectus supplement, and any commissions payable by us to that agent will be set forth in the accompanying prospectus supplement. Unless otherwise indicated in such accompanying prospectus supplement, any agent will be acting on a best efforts basis for the period of its appointment.

If so indicated in an accompanying prospectus supplement, we will authorize agents, underwriters or dealers to solicit offers by certain institutional investors to purchase securities, which offers provide for payment and delivery on a future date specified in such accompanying prospectus supplement. There may be limitations on the minimum amount that may be purchased by any such institutional investor or on the portion of the aggregate principal amount of the particular debt securities that may be sold pursuant to these arrangements.

Institutional investors to which offers may be made, when authorized, include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and such other institutions as may be approved by us. The obligations of any purchasers pursuant to delayed delivery and payment arrangements will only be subject to the following two conditions:

the purchase by an institution of the particular securities will not, at the time of delivery, be prohibited under the laws of any jurisdiction in the United States to which that institution is subject; and

if the particular debt securities are being sold to underwriters, we will have sold to those underwriters the total principal amount or number of those debt securities less the principal amount or number thereof, as the case may be, covered by such arrangements.

Underwriters will not have any responsibility in respect of the validity of these arrangements or the performance by us or institutional investors thereunder.

LEGAL MATTERS

Unless otherwise specified in the prospectus supplement accompanying this prospectus, Olshan Frome Wolosky LLP, New York, New York, will provide an opinion regarding the validity of the debt securities and other legal matters for us, and any underwriters will be advised about the validity of the securities and other legal matters by their own counsel named in the applicable prospectus supplement.

Item 15. Indemnification of Directors and Officers.

The following summary is qualified in its entirety by reference to the complete text of the Company's Restated Certificate of Incorporation, as amended, which is incorporated by reference (the "Charter").

The Company is a Delaware corporation. Pursuant to the Delaware General Corporation Law (the "DGCL"), a corporation may not indemnify any director, officer, employee or agent made or threatened to be made a party to any threatened, pending, or completed proceeding unless such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal proceeding, he or she had no reasonable cause to believe that his or her conduct was unlawful.

In the case of a proceeding by or in the right of the corporation to procure a judgment in its favor (e.g., a stockholder derivative suit), a corporation may indemnify an officer, director, employee or agent if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation;

provided, however, that no person adjudged to be liable to the corporation may be indemnified unless, and only to the extent that, the Delaware Court of Chancery or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court deems proper. A director, officer, employee or agent who is successful, on the merits or otherwise, in defense of any proceeding subject to the DGCL's indemnification provisions must be indemnified by the corporation for reasonable expenses incurred therein, including attorneys' fees.

II-1

Table of Contents

Under the Charter, no director shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under DGCL Section 174 (concerning unlawful distributions to stockholders), or (iv) for any transaction from which the director derived an improper personal benefit. The Charter further provides that if the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Company shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

The Charter also provides that the Company shall indemnify each person made or threatened to be made a party to any proceeding by reason of the fact that he or she is or was a director or officer of the Company to the fullest extent authorized by the DGCL against all expenses, liability and loss (including attorneys' fees, judgments, fines, Employee Retirement Income Security Act (ERISA) excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith. The right to indemnification is a contract right and includes the right to be paid for the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that if the DGCL requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Company of an undertaking by or on behalf of such director or officer to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified. Any person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person, other than a proceeding seeking to enforce such person's right to indemnification, shall be indemnified only if such proceeding (or part thereof) was authorized by the Company's board of directors.

The Charter also provides that if a claim for indemnification is not paid in full by the Company within 30 days, the claimant may sue the Company to recover the unpaid amount, subject to certain defenses and limitations.

The directors and officers of the Company are covered by insurance policies indemnifying them against certain liabilities arising under the Securities Act of 1933, as amended, which might be incurred by them in such capacities.

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
