Item 1.01. Entry into a Material Definitive Agreement.
Indenture

On March 4, 2015, Juniper Networks, Inc. (the Company) entered into a Third Supplemental Indenture (the Third Supplemental Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), supplementing that certain Indenture, dated as of March 3, 2011 (the Base Indenture and together with the Third Supplemental Indenture, the Indenture), between the Company and the Trustee, relating to the issuance by the Company of \$300 million aggregate principal amount of its 3.300% Senior Notes due 2020 (the 2020 Notes) and \$300 million aggregate principal amount of its 4.350% Senior Notes due 2025 (the 2025 Notes and together with the 2020 Notes, the Notes).

The 2020 Notes bear interest at a rate of 3.300% per annum on the principal amount and the 2025 Notes bear interest at a rate of 4.350% per annum on the principal amount. Interest on the Notes accrues from March 4, 2015 and is payable semiannually in arrears in cash on June 15 and December 15 of each year, beginning on June 15, 2015. The 2020 Notes will mature on June 15, 2020 and the 2025 Notes will mature on June 15, 2025, in each case, subject to earlier repurchase or redemption, as described below.

The Notes are the Company's senior unsecured and unsubordinated obligations, ranking equally in right of payment to all of the Company's existing and future senior unsecured and unsubordinated indebtedness and senior in right of payment to any of the Company's future indebtedness that is expressly subordinated to the Notes. The Notes are effectively subordinated to any of the Company's secured indebtedness to the extent of the value of the collateral securing such indebtedness and are structurally subordinated to all existing and future liabilities of the Company's subsidiaries (including trade payables but excluding intercompany liabilities and liabilities of a type not required to be reflected in a balance sheet in accordance with generally accepted accounting principles).

At any time before May 15, 2020, in the case of the 2020 Notes, and before March 15, 2025, in the case of the 2025 Notes, the Company may redeem the Notes of such series, in whole or in part, at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed or (ii) the sum of the present values of the remaining scheduled principal and interest payments due on such Notes, discounted to the redemption date on a semi-annual basis in accordance with the terms of the Indenture using a discount rate equal to the treasury rate plus 30 basis points, in the case of the 2020 Notes, and 37.5 basis points, in the case of the 2025 Notes, plus, in each case, accrued and unpaid interest to, but not including, the redemption date for such Notes. At any time on or after May 15, 2020, in the case of the 2020 Notes, or on or after March 15, 2025, in the case of the 2025 Notes, Notes of such series shall be redeemable, in whole or in part, at the Company's election, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but not including, the redemption date for such Notes.

Upon the occurrence of a change of control repurchase event, as defined in the Indenture, holders may require the Company to repurchase some or all of their Notes for cash at a price equal to 101% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest, if any.

The Indenture includes certain customary covenants that limit the ability of the Company and its wholly-owned U.S. subsidiaries to, among other things: create specified liens; enter into certain sale and leaseback transactions for the sale and leasing back of property; and consolidate or merge with or into other companies or sell all or substantially all of the Company's assets. The restricted covenants are subject to a number of important exceptions and qualifications set forth in the Indenture.

The Indenture provides for customary events of default, including payment defaults, breaches of covenants, certain payment defaults at final maturity or acceleration of other indebtedness and certain events of bankruptcy, insolvency and reorganization with respect to the Company. If any event of default with respect to the Notes occurs and is

continuing, subject to the terms of the Indenture, the Trustee or the holders of not less than 25% in aggregate principal amount of the then outstanding Notes may, by a notice in writing to the Company (and to the Trustee if given by the holders), declare to be due and payable immediately the principal of, and accrued and unpaid interest if any, on the Notes. In the case of an event of default resulting from certain events of bankruptcy, insolvency or reorganization with respect to the Company, such amounts with respect to the Notes will be due and payable immediately without any declaration or other act on the part of the Trustee or any holder of the Notes.

The description of the Indenture and the Notes is qualified in its entirety by reference to the text of the Base Indenture, which was filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed on March 4, 2011 and is incorporated herein by reference, and the Third Supplemental Indenture and related forms of the 2020 Notes and 2025 Notes, which are filed as Exhibits 4.1, 4.2 and 4.3, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
