Item 1.01 Entry into a Material Definitive Agreement.

On June 26, 2015, Evercore Partners Services East L.L.C. (the "Borrower"), a wholly-owned subsidiary of Evercore Partners Inc. (the "Company"), entered into a Renewal and Modification Agreement (the "Amendment Agreement") and Second Amended and Restated Promissory Note (the "Promissory Note"), amending the terms of the Borrower's line of credit with First Republic Bank ("FRB") under the Loan Agreement dated as of June 27, 2013 (as amended, the "Loan Agreement").

The Amendment Agreement and Promissory Note provide for an increase in the principal amount of the line of credit (which had been increased from \$25 million to \$50 million in 2014) to \$75 million and a one-year extension of maturity so that the facility now matures on June 27, 2016. Proceeds of drawings under the facility may still be used for working capital and general corporate purposes (including, but not limited to, the repurchase of the Company's stock from time to time).

The line of credit continues to be guaranteed by the Company's subsidiaries Evercore LP and Evercore Group Holdings L.P. and continues to be secured by (i) cash and cash equivalents of the Borrower held in a designated account with FRB, (ii) certain of the Borrower's intercompany receivables and (iii) certain third party accounts receivable of the Company's broker-dealer subsidiary Evercore Group L.L.C. Outstanding amounts under the facility remain subject to a borrowing base based on a percentage of certain eligible receivables and certain cash and cash equivalents.

Drawings under the facility continue to bear interest at the prime rate as published in The Wall Street Journal. The facility may be renewed or extended as mutually agreed by the Borrower and FRB. The facility may be terminated by the Borrower at any time (subject to repayment of amounts outstanding plus accrued interest and fees).

The descriptions of the Loan Agreement, the Amendment Agreement and the Promissory Note set forth herein are summary in nature and are qualified in their entirety by reference to the full text of documents, copies of which are attached hereto as Exhibit 10.1, Exhibit 10.2, and Exhibit 10.3 respectively, and are incorporated herein by reference.
