NOAH HOLDINGS LIMITED ANNOUNCES UNAUDITED FINANCIAL RESULTS FOR THE THIRD QUARTER OF 2016

SHANGHAI, November 14, 2016 Noah Holdings Limited (Noah or the Company) (NYSE: NOAH), a leading wealth and asset management services provider with a focus on global services for high net worth individuals and enterprises in China, today announced its unaudited financial results for the third quarter of 2016.

Starting from the fourth quarter of 2015, the Company changed its reporting currency from the U.S. dollar (US\$) to the Renminbi (RMB). The change in reporting currency is to better reflect the Company's performance, as the majority of the Company's operations are conducted in RMB, to align the Company's reporting currency with its underlying operations and to reduce the impact that the increased volatility of the RMB to US\$ exchange rate will have on the Company's reported operating results. This release contains translations of certain RMB amounts into US\$ for convenience purposes only¹. Prior period numbers have been recast into the new reporting currency.

THIRD QUARTER 2016 FINANCIAL HIGHLIGHTS

Net revenues in the third quarter of 2016 were RMB608.5 million (US\$91.2 million), a 16.9% increase from the corresponding period in 2015.

Mr. Kenny Lam, Group President of Noah, commented, "We continue to deliver solid operational results in the context of a structural transition in the domestic economy and uncertain global capital markets. We are very pleased with what we have achieved so far this year. Looking forward, we continue to focus on longer-term value creation for our clients, employees and shareholders. In the last three quarters, we have continued to maintain strong business growth and build on our momentum both domestically in China and globally. With a new license in Jersey Island, a new team in Silicon Valley and continued growth in our Hong Kong office, we now have a strategic global footprint. The capabilities of our asset management business, Gopher Asset Management, were also boosted with the arrival of several industry veterans and the strategic support from Sequoia."

THIRD QUARTER 2016 FINANCIAL RESULTS

Net Revenues

Net revenues for the third quarter of 2016 were RMB608.5 million (US\$91.2 million), a 16.9% increase from the corresponding period in 2015, primarily due to increases in one-time commissions and recurring service fees.

Wealth Management Business

Net revenues from one-time commissions for the third quarter of 2016 were RMB279.3 million (US\$41.9 million), a 59.0% increase from the corresponding period in 2015. The increase was primarily due to the change in the product mix.

Net revenues from recurring service fees for the third quarter of 2016 were RMB174.8 million (US\$26.2 million), an 11.8% increase from the corresponding period in 2015. The increase was mainly due to the cumulative effect of financial products with recurring service fees previously distributed by the Company.

Net revenues from performance-based income for the third quarter of 2016 were RMB1.2 million (US\$0.2 million), compared to RMB33.9 million in the corresponding period in 2015, mainly due to a decrease in performance-based income from secondary market products compared to the corresponding period in 2015.

Net revenues from other service fees for the third quarter of 2016 were RMB19.4 million (US\$2.9 million), up from RMB7.7 million in the corresponding period of 2015, reflecting the growth of other businesses within the wealth management segment.

Asset Management Business

Net revenues from recurring service fees for the third quarter of 2016 were RMB118.6 million (US\$17.8 million), a 16.1% increase from the corresponding period in 2015. The increase was primarily due to the increase in assets under management by the Company.

Net revenues from performance-based income for the third quarter of 2016 were RMB3.5 million (US\$0.5 million), a 86.6% decrease compared with the corresponding period in 2015, mainly due to a decrease in performance-based income from secondary market products compared to the corresponding period in 2015.

Internet Finance Business

Net revenues for the third quarter of 2016 were RMB11.4 million (US\$1.7 million), a 28.4% decrease from the corresponding period in 2015, primarily due to the Company's internet finance business strategic change this year to focus more on standardized wealth management products.

Operating costs and expenses

Operating costs and expenses include compensation and benefits, selling expenses, general and administrative expenses, other operating expenses and government subsidies. Operating costs and expenses for the third quarter of 2016 were RMB446.0 million (US\$66.9 million), a 29.5% increase from the corresponding period in 2015. The increase was mainly driven by the decrease in government subsidies received and growth in compensation and benefits, higher depreciation and amortization expenses and increased marketing expenses.

Wealth Management Business

Operating costs and expenses for the third quarter of 2016 were RMB331.5 million (US\$49.7 million), a 29.0% increase from the corresponding period in 2015.

Compensation and benefits includes compensation for relationship managers and back-office employees. Compensation and benefits for the third quarter of 2016 were RMB244.8 million (US\$36.7 million), a 14.0% increase from the corresponding period in 2015. In the third quarter of 2016, relationship manager

compensation decreased modestly by 2.0% from the corresponding period in 2015, in line with the relatively stable number of relationship managers. Other compensation for the third quarter of 2016 increased by 39.3% from the corresponding period in 2015, primarily driven by a year-over-year increase in compensation expenses of back-office employees.

Selling expenses for the third quarter of 2016 were RMB70.1 million (US\$10.5 million), a 13.6% increase from the corresponding period in 2015, primarily due to an increase in client marketing initiatives.

General and administrative expenses for the third quarter of 2016 were RMB26.7 million (US\$4.0 million), a 44.4% increase from the corresponding period in 2015, mainly due to an increase in depreciation expenses and consulting fees.

Other operating expenses, which include other costs incurred directly in relation to the Company's revenues, for the third quarter of 2016 were RMB24.9 million (US\$3.7 million), an increase of 143.8% from the corresponding period in 2015. The increase was primarily due to the growth of other businesses within the wealth management segment.

Government subsidies represent cash subsidies received from local governments for general corporate purposes. The Company received RMB35.0 million (US\$5.2 million) in government subsidies for the wealth management business in the third quarter of 2016, compared to RMB48.2 million in the corresponding period of 2015.

Asset Management Business

Operating costs and expenses for the third quarter of 2016 were RMB60.1 million (US\$9.0 million), a 90.2% increase from the corresponding period in 2015.

Compensation and benefits include compensation of investment professionals, fund operation professionals, institutional sales, and other back-office employees. Compensation and benefits for the third quarter of 2016 were RMB38.5 million (US\$5.8 million), a 22.2% decrease from the corresponding period in 2015. The decrease was primarily due to a decrease in performance fee compensation related to performance-based income.

Selling expenses for the third quarter of 2016 were RMB3.8 million (US\$0.6 million), compared with RMB6.6 million in the corresponding period of 2015.

General and administrative expenses for the third quarter of 2016 were RMB21.2 million (US\$3.2 million), a 146.2% increase from the corresponding period in 2015, primarily due to an increase in depreciation of fixed assets, consulting fees and travelling expenses.

Government subsidies represent cash subsidies received from local governments for general corporate purposes. The Company received RMB8.2 million (US\$1.2 million) in government subsidies for the asset management business in the third quarter of 2016, compared to RMB39.0 million in the corresponding period in 2015.

Internet Finance Business

Operating costs and expenses for the third quarter of 2016 were RMB54.3 million (US\$8.1 million), a 2.6% decrease from the corresponding period in 2015. Operating costs and expenses for the third quarter of 2016 primarily consisted of compensation and benefits of RMB35.1 million (US\$5.3 million), selling expenses of RMB3.9 million (US\$0.6 million), general and administrative expenses of RMB6.9 million (US\$1.0 million) and other operating

expenses of RMB8.4 million (US\$1.3 million).

Operating Margin

Operating margin for the third quarter of 2016 was 26.7% compared to 33.9% for the corresponding period in 2015.

Operating margin for the wealth management business for the third quarter of 2016 was 30.1%, compared to 31.2% for the corresponding period in 2015.

Operating margin for the asset management business for the third quarter of 2016 was 50.9%, compared to 75.9% for the corresponding period in 2015.

Operating loss for internet finance business for the third quarter of 2016 was RMB43.0 million (US\$6.4 million) compared to RMB39.9 million for the corresponding period of the prior year.

Income Tax Expenses

Income tax expenses for the third quarter of 2016 were RMB34.0 million (US\$5.1 million), a 12.4% decrease from the corresponding period in 2015, primarily as a result of a lower effective tax rate.

Net Income

Net Income

Net income attributable to Noah shareholders for the third quarter of 2016 was RMB155.2 million (US\$23.3 million), a 2.9% increase from the corresponding period in 2015.

Net margin for the third quarter of 2016 was 24.3%, compared to 29.2% for the corresponding period in 2015.

Net income per basic and diluted ADS for the third quarter of 2016 was RMB2.75 (US\$0.41) and RMB2.65 (US\$0.40), respectively, compared to RMB2.68 and RMB2.58, respectively, for the corresponding period in 2015.

Non-GAAP Net Income Attributable to Noah Shareholders

Non-GAAP net income attributable to Noah shareholders for the third quarter of 2016 was RMB179.7 million (US\$26.9 million), an 8.7% increase from the corresponding period in 2015.

Non-GAAP net margin for the third quarter of 2016 was 28.3%, compared to 32.0% for the corresponding period in 2015.

Non-GAAP net income per diluted ADS for the third quarter of 2016 was RMB3.05 (US\$0.46), compared to RMB2.82 for the corresponding period in 2015.

Balance Sheet and Cash Flow

As of September 30, 2016, the Company had RMB1,756.9 million (US\$263.5 million) in cash and cash equivalents, compared to RMB1,788.5 million as of September 30, 2015 and RMB1,398.9 million as of June 30, 2016.

Cash inflow from the Company's operating activities during the third quarter of 2016 was RMB92.2 million (US\$13.8 million), as a result of positive net income and a decrease in other current liabilities.

Cash inflow from the Company's investing activities during the third quarter of 2016 was RMB256.1 million (US\$38.4 million), primarily due to an increase in proceeds from net sales of held-to-maturity securities.

Cash inflow from the Company's financing activities for the third quarter of 2016 was RMB8.6 million (US\$1.3 million).

2016 FORECAST

The Company estimates that non-GAAP net income attributable to Noah shareholders for the full year 2016 will be in the range of RMB690 million to RMB720 million, an increase of 14.4% to 19.4% compared to the full year 2015. This estimate reflects management's current business outlook and is subject to change.

DISCUSSION OF NON-GAAP FINANCIAL MEASURES:

In addition to disclosing financial results prepared in accordance with U.S. GAAP, the Company's earnings release contains non-GAAP financial measures that exclude the effects of all forms of share-based compensation. The reconciliation of these non-GAAP financial measures to the nearest GAAP measures is set forth in the table captioned "Reconciliation of GAAP to Non-GAAP Results" below.

The non-GAAP financial measures disclosed by the Company should not be considered a substitute for financial measures prepared in accordance with U.S. GAAP. The financial results reported in accordance with U.S. GAAP and reconciliation of GAAP to non-GAAP results should be carefully evaluated. The non-GAAP financial measure used by the Company may be prepared differently from, and therefore may not be comparable to, similarly titled measures used by other companies.

When evaluating the Company's operating performance in the periods presented, management reviewed non-GAAP net income results reflecting adjustments to exclude the impact of share-based compensation to supplement U.S. GAAP financial data. As such, the Company believes that the presentation of the non-GAAP net income attributable to Noah shareholders, non-GAAP net income per diluted ADS and non-GAAP net margin provides important supplemental information to investors regarding financial and business trends relating to the Company's financial condition and results of operations in a manner consistent with that used by management. Pursuant to U.S. GAAP, the Company recognized significant amounts of expenses for the restricted shares and share options in the periods presented. The Company utilized the non-GAAP financial results to make financial results comparable period to period and to better understand its historical business operations.
