Item 2.01 Completion of Acquisition or Disposition of Assets

On December 1, 2016, Neogen Corporation (Company) issued a press release announcing that, effective that same date, it had acquired United Kingdom-based Quat-Chem Ltd. a chemical company specializing in the development, manufacture and sale of agricultural, industrial, and food processing biocidal hygiene products, including cleaners and disinfectants. Quat-Chem Ltd. is a 20-year-old company which manufactures a full line of complete disinfectant and cleaner products for dairy hygiene and poultry and swine biosecurity applications. The company sells its products on a global basis, with a focus on the United Kingdom, European Union, Middle East and Asia, including a particular focus on China.

Consideration for the purchase, which was from existing cash balances, was approximately \$20.5 million. Revenues for the acquired business in the past twelve months were approximately \$12 million. Neogen will maintain and operate Quat-Chem's existing manufacturing facilities near Manchester, England.

A copy of the press release is attached as Exhibit 99.1 to this report. This Form 8-K and the attached exhibit shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and are not incorporated by reference into any filing of the Registrant, whether made before or after the date of this report, regardless of any general incorporation language in the filing.
