George Milling-Stanley... was a key member of the small team that pioneered the launch of the SPDR Gold Shares Investment Vehicle.

Then, of course, there are the people who have never had any exposure to gold because they didn't believe it was an investible asset. I think we solved that problem by the introduction of GLD in 2004, the gold-backed ETF, the SPDR Gold Trust, which has turned gold into an investible asset for many investors who didn't think it was that before. So GLD is one way to do this.
