Item 8.01 Other Events

On July 27, 2018, Quorum Health Corporation (the "Company") announced that it had entered into a definitive agreement with Baptist Memorial Health Care regarding the sale of the physical assets of the 45-bed McKenzie Regional Hospital in McKenzie, Tennessee. The Company expects to complete the transaction by the end of the third quarter of 2018, subject to customary approvals and conditions. In conjunction with the definitive agreement, the Company announced plans to discontinue operations at McKenzie Regional Hospital by September 30, 2018. The Company has preliminarily begun the process of estimating the costs to be incurred as a result of the closure, but is unable at this time to make a good faith estimate of the major types of costs or amount or range of amounts that may be incurred in connection with this closure, or an estimate of the amount or range of amounts of any charges that would result in future cash expenditures, including whether any such charges will be material. As these amounts are still being finalized, if the charges are determined to be material, additional details will be provided in an amendment to this Form 8-K or in another of the Company's filings with the Securities and Exchange Commission.
