Jack Hardin has served as
Chair since 2017 and as a
non-executive director of our
company since 2014.

Q&A with Chair of Our Board

How has the Company weathered recent market volatility?

During 2018, our common stock dividend remained constant despite volatile market conditions. We also issued an additional 16.1 million shares of our common stock in a public offering resulting in gross proceeds of over \$250 million in February of this year.

How does the Board approach director recruitment?

The Board remains committed to ensuring that it is composed of a highly capable group of directors who are well-equipped to oversee the success of the company and effectively represent the interests of our stockholders. In 2017, we added three new members to the Board, Carolyn Handlon, Dennis Lockhart, and Colin Meadows. The addition of these directors has provided the Board with new qualifications and perspectives and has also increased our diversity. We encourage you to review the qualifications, skills and experience that we have identified as important attributes for directors of our company and how they match up to each of our directors.

Each year the Board, with the assistance of an external advisor specializing in corporate governance, conducts an evaluation of the performance of our Board and each of its committees. Directors participate in one-on-one confidential interviews with the advisor and the Board as a group receives in-person feedback from the advisor based on those interviews. This information assists the Board in assessing how it can continue to improve its performance.

What does it mean to be externally managed?

We pay a fee to our external manager to manage your company; we have no direct employees. Our manager, in turn, manages and determines compensation of its employees, including our executive officers. Our manager does, however, consult with your Board in an annual discussion of the philosophy, process, and structure of compensation. Accordingly, your board has the opportunity to understand the important elements of the compensation philosophy and structure of its executives and satisfy ourselves that they are not inconsistent with stockholder interests.

In addition, each year the Board's independent directors engage in a review of the management agreement with our manager in the context of a review of peer company management fees. The Board is focused on ensuring that the management fee remains appropriate and in-line with market practices.

How do I communicate with the Board?

As we conduct the activities of the Board, a key priority is ensuring robust engagement with you, the owners of the Company. Please continue to share your thoughts with us on any topic as we value your input, investment and support. The Board has established a process to facilitate communication by stockholders with the Board. Communications can be addressed to the Board of Directors in care of the Office of the Secretary, Invesco Mortgage Capital Inc., 1555 Peachtree Street NE, Atlanta, Georgia 30309 or by e-mail to company.secretary@invescomortgagecapital.com.

Where and when is the annual meeting?

Proxy Statement

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Invesco Mortgage Capital Inc. (Board or Board of Directors) for the Annual Meeting of Stockholders to be held on Friday, May 3, 2019, at 1:00 p.m. Eastern Time. Please review the entire Proxy Statement and the company's 2018 Annual Report on Form 10-K before voting. In this Proxy Statement, except where the context suggests otherwise, the terms company, we, us, and our refer to Invesco Mortgage Capital Inc., together with its consolidated subsidiaries, including IAS Operating Partnership LP, which we refer to as our operating partnership ; our manager refers to Invesco Advisers, Inc., our external manager; Invesco refers to Invesco Ltd., together with its consolidated subsidiaries, the indirect parent company of our manager.

Election of Directors

General

Our Board of Directors currently has seven directors, each of whom is serving a term of office that continues until the Annual Meeting in 2019, or until such director's successor has been duly elected and qualified, or such director is removed from office or such director's office is otherwise earlier vacated.

The Board has nominated John S. Day, Carolyn B. Handlon, Edward J. Hardin, James R. Lientz, Jr.,

Dennis P. Lockhart, Gregory G. McGreevey and Colin D. Meadows for election as directors of the company for a term ending at the 2020 Annual Meeting. Further information regarding the nominees is shown on the following pages. Each nominee has indicated to the company that the nominee would serve if elected. We do not anticipate that any of our director nominees would be unable to stand for election, but if that were to happen, the Board may reduce the size of the Board, designate a substitute or leave a vacancy unfilled. If a substitute is designated, proxies voting on the original director candidate will be cast for the substituted candidate.

Under our Bylaws, at any meeting held for the purpose of electing directors at which a quorum is present, each director nominee receiving the affirmative vote of a majority of the total votes cast with respect to such nominee at the meeting will be elected as a director. If a nominee for director who is an incumbent director is not elected and no successor has been elected at the meeting, the director is required under our Bylaws to submit his or her resignation as a director. Our Nomination and Corporate Governance Committee would then make a recommendation to the full Board on whether to accept or reject the resignation. If the resignation is not accepted by the Board, the director will continue to serve until the next annual meeting or until his or her successor is duly elected, or his or her earlier resignation or removal. If the director's resignation is accepted by the Board, then the Board, in its sole discretion, may fill the vacancy or decrease the size of the Board. However, if the number of nominees exceeds the number of positions available for the election of directors, the directors so elected shall be those nominees who have received the greatest number of affirmative votes so long as such nominee also received at least an affirmative majority of the total votes cast in person or by proxy.

Recommendation of the board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION TO THE BOARD OF EACH OF THE DIRECTOR NOMINEES.

This proposal requires the affirmative vote of a majority of votes cast at the Annual Meeting.

Table of Contents

The Nomination and Corporate Governance Committee will consider candidates recommended for nomination to the Board by stockholders of the company. Stockholders may nominate candidates for election to the Board under Maryland law and our Bylaws. Our Bylaws provide that, with respect to an annual meeting of stockholders, nominations of individuals for election to our Board of Directors and the proposal of business to be considered by stockholders may be made only (1) pursuant to our notice of the meeting, (2) by or at the direction of our Board of Directors or (3) by a stockholder who is a stockholder of record both at the time of giving the notice required by our Bylaws and at the time of the meeting, who is entitled to vote at the meeting and who has complied with the advance notice provisions set forth in our Bylaws. The manner in which the committee evaluates candidates recommended by stockholders is generally the same as any other candidate. However, the committee will also seek and consider information concerning any relationship between a stockholder recommending a candidate and the candidate to determine if the candidate can represent the interests of all of the stockholders. The committee will not evaluate a candidate recommended by a stockholder unless the stockholder's proposal provides that the potential candidate has indicated a willingness to serve as a director, to comply with the expectations and requirements for Board service as publicly disclosed by the company and to provide all of the information necessary to conduct an evaluation. For further information regarding deadlines for stockholder proposals, please see the section of this proxy statement below entitled **Important Additional Information – Stockholder Proposals for the 2020 Annual Meeting**.

The Board has adopted Corporate Governance Guidelines.

The company has chosen to separate the chief executive officer and Board chairperson positions.

Our Board has established a Code of Conduct.

Corporate Governance

Corporate governance guidelines

The Board has adopted Corporate Governance Guidelines (Guidelines) which are available in the corporate governance section of the company s website at www.invescomortgagecapital.com (the company s website). The Corporate Governance Guidelines set forth the practices the Board follows with respect to, among other matters, the composition of the Board, director responsibilities, Board committees, director access to officers and independent advisors, director compensation and the performance evaluation of the Board.

Board leadership structure

As described in the Guidelines, the company's business is conducted day-to-day by its officers and its external manager, under the direction of the chief executive officer and the oversight of the Board, to enhance the long-term value of the company for its stockholders. The Board is elected by the stockholders to oversee the officers of the company and our external manager and to seek to assure that the long-term interests of the stockholders are being served. In light of these differences in the fundamental roles of the Board and management, the company has chosen to separate the chief executive officer and Board chairperson positions. The Board believes separation of these roles: (i) allows the Board to more effectively monitor and evaluate objectively the performance of the chief executive officer, such that the chief executive officer is more likely to be held accountable for his performance, (ii) allows the non-executive chairperson to control the Board's agenda and information flow, and (iii) creates an atmosphere in which other directors are more likely to challenge the chief executive officer and other members of our senior management team. For these reasons, the company believes that this board leadership structure is currently the most appropriate structure for the company. Nevertheless, the Board may reassess the appropriateness of the existing structure at any time, including following changes in Board composition, in management, or in the character of the company's business and operations.

Code of conduct

Our Board of Directors has established a code of ethics that applies to our officers, directors and independent contractors and to our manager's officers, directors and personnel when such individuals are acting for or on our behalf (the code of conduct). Among other matters, our code of conduct is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;

Any waiver of the code of conduct for our executive officers or directors may be made only by our Board of Directors or one of our Board committees. Board's role in risk oversight

We believe that risk oversight responsibility rests with the full Board of Directors. Therefore, the Board has principal responsibility for oversight of the company's risk management processes and for understanding the overall risk profile of the company. Though Board committees routinely address specific risks and risk processes within their purview, the Board has not delegated primary risk oversight responsibility to a committee.

The company has in place an enterprise risk management committee consisting of executive and senior management. The committee meets regularly and maintains dialogue with the Board of Directors regarding the top risks of the company and mitigating actions to address them. By receiving regular reports, the Board maintains a practical understanding of the risk philosophy and risk appetite of the company.

In addition, since the company is externally managed by our manager, we rely upon the operational and investment risk oversight functions of our manager and its Invesco affiliates. Our manager's risk management framework provides the basis for consistent and meaningful risk dialogue up, down and across our manager and the company. Our manager's Global Performance and Risk Committee assesses core investment risks, while our manager's Corporate Risk Management Committee assesses strategic, operational and all other business risks. A network of business unit, specific and geographic risk management committees, under the guidance and standards of the Corporate Risk Management Committee, maintains an ongoing risk assessment, management and monitoring process that provides a bottom-up perspective on the specific risk areas existing in various domains of our manager's business.

Through this regular and consistent risk communication, the Board has reasonable assurance that all material risks of the company are being addressed and that the company is propagating a risk-aware culture in which effective risk management is built into the fabric of the business.

Information About the Board and Its Committees

Board of directors and committees

Our business is managed by our officers and our manager, subject to the supervision and oversight of our Board of Directors, which has established investment guidelines for our officers and our manager to follow in its day-to-day management of our business. A majority of our Board of Directors is independent, as determined by the requirements of the NYSE and the regulations of the SEC. Our directors keep informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications.

Our Board of Directors has formed an Audit Committee, a Compensation Committee and a Nomination and Corporate Governance Committee and has adopted charters for each of these committees. Each of these committees currently has five directors and the Board has affirmatively determined that each committee consists entirely of independent directors pursuant to rules established by the NYSE and rules promulgated under the Exchange Act. Moreover, the Compensation Committee is composed exclusively of individuals intended to be, to the extent provided by Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act), non-employee directors.

Board meetings and annual meeting of stockholders

During the calendar year ended December 31, 2018, the Board held eight meetings (not including committee meetings). Each director attended at least seventy-five percent (75%) of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees of the Board on which he or she served during 2018. The Board does not have a formal policy regarding Board member attendance at stockholder meetings. Five of the seven directors then in office attended the Annual Meeting of Stockholders in 2018. The non-executive directors (those directors who are not officers or employees of Invesco and who are classified as independent directors under applicable NYSE standards) meet in executive session generally at each of the Board's four in-person meetings each year. Edward J. Hardin, our chairperson and independent director, presides at the executive sessions of the non-executive directors.

The Audit Committee

Under its charter, the committee:

is comprised of at least three members of the Board, each of whom is independent of the company under the NYSE and SEC rules and is also financially literate, as defined under NYSE rules;

members are appointed and removed by the Board;

is required to meet at least quarterly;

periodically meets with the internal auditor and the independent auditor in separate executive sessions without members of senior management present;

has the authority to retain independent advisors, at the company's expense, whenever it deems appropriate to fulfill its duties; and

reports to the Board regularly.

The committee's charter is available on the company's website. The charter sets forth the committee's responsibilities, which include assisting the Board in fulfilling its responsibility to oversee (i) the company's financial reporting, auditing and internal control activities, including the integrity of the company's financial statements, (ii) the independent auditor's qualifications and independence, (iii) the performance of the company's internal audit function and independent auditor, and (iv) the company's compliance with legal and regulatory requirements.

The Compensation Committee

Under its charter, the committee:

is comprised of at least three members of the Board, each of whom is independent of the company under the NYSE and SEC rules;

members are appointed and removed by the Board; and

has the authority to retain independent advisors, at the company's expense, whenever it deems appropriate to fulfill its duties, including any compensation consulting firm.

The committee's charter is available on the company's website. The charter sets forth the committee's responsibilities, which include (i) annually approving the compensation structure for, and reviewing and approving the compensation from the company, if any, of, senior officers, and overseeing the annual process for evaluating their performance, (ii) overseeing the administration of the company's equity-based and other incentive compensation plans, (iii) assisting the Board with executive succession planning, and (iv) determining the compensation for the company's non-executive directors.

The committee meets at least annually to review and make recommendations to the Board on the compensation of the company's non-executive directors.

As a part of its review, the committee periodically engages FTI Consulting, Inc. as a third-party consultant to report on comparable non-executive director compensation practices and levels. The cost of services for work performed for the committee by FTI Consulting related to non-executive director compensation for 2018 amounted to \$27,744. The company, on management's recommendation, retained FTI Consulting to provide certain accounting services for the company in 2018. The costs of such services for 2018 amounted to approximately \$615,782. Neither the committee nor the Board expressly approved the accounting services. After taking into consideration the NYSE's independence standards, the committee determined that the compensation consultant is independent because (i) the compensation consulting team works exclusively for the committee and not for our management; (ii) the compensation consulting practice group does not work with or report to the accounting services practice group, and (iii) the compensation consulting team did not perform any other services on behalf of the company. No executive officer of the company is involved in recommending or determining non-executive director compensation levels. See Director Compensation below for a more detailed discussion of compensation paid to the company's non-executive directors during 2018.

The Nomination and Corporate Governance Committee

Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is independent of the company under the NYSE and SEC rules;
- members are appointed and removed by the Board; and
- has the authority to retain independent advisors, at the company's expense, whenever it deems appropriate to fulfill its duties.

The committee's charter is available on the company's website. The charter sets forth the committee's responsibilities, which include (i) establishing procedures for identifying and evaluating potential nominees for director, (ii) recommending to the Board potential nominees for election and (iii) periodically reviewing and reassessing the adequacy of the Guidelines to determine whether any changes are appropriate and recommending any such changes to the Board for its approval. The candidates proposed for election in Proposal No. 1 of this Proxy Statement were unanimously recommended by the committee to the Board.

Table of Contents

The committee believes there are certain minimum qualifications that each director nominee must satisfy in order to be suitable for a position on the Board, including:

a high degree of personal and professional integrity;

ability to exercise sound business judgment on a broad range of issues;

sufficient experience and professional or educational background to have an appreciation of the significant issues facing public companies that are comparable to the company;

willingness to devote the necessary time to Board duties, including preparing for and attending meetings of the Board and its committees; and

being prepared to represent the best interests of the company and its stockholders and being committed to enhancing stockholder value.

Director compensation

A member of our Board of Directors who is also an employee of Invesco is referred to as an executive director. Executive directors do not receive compensation for serving on our Board of Directors. Under the terms of its charter, the Compensation Committee annually reviews and determines the compensation paid to non-executive directors. In reviewing and making recommendations on non-executive director compensation, the Compensation Committee considers, among other things, the following policies and principles:

that the compensation should fairly pay the directors for the work, time commitment and efforts required by directors of an organization of the company's size and scope of business activities, including service on Board committees;

that a component of the compensation should be designed to align the directors' interests with the long-term interests of the company's stockholders; and

that directors' independence may be compromised or impaired for Board or committee purposes if director compensation exceeds customary levels.

As a part of its annual review, the Compensation Committee engages FTI Consulting, Inc. as a third-party consultant to report on comparable non-executive director compensation practices and levels. This report includes a review of director compensation at peer company mortgage REITs with an investment focus in the company's target assets. Following the review of current market practices for directors of peer public companies, the Compensation Committee determined in May 2018 to make certain changes to the director compensation structure in effect, as set forth below. Each fee component is paid in quarterly installments in arrears.

Base fee	Each non-executive director received an annual base fee for services in the amount of \$70,000, payable in cash.
Equity award	Each non-executive director received an annual equity award of \$90,000, payable in shares of our common stock.
Chairperson fee	The Chairperson of the Board received an additional annual cash fee of \$40,000.
Audit Committee chairperson fee	The chairperson of the Audit Committee received an additional annual cash fee of \$20,000.
Compensation Committee chairperson fee	The chairperson of the Compensation Committee received an additional annual cash fee of \$10,000.
Nomination and Corporate Governance Committee chairperson fee	The chairperson of the Nomination and Corporate Governance Committee received an additional annual cash fee of \$10,000.

We also reimburse each of our non-executive directors for their travel expenses incurred in connection with attendance at Board of Directors and committee meetings. Non-executive directors do not receive any meeting or attendance fees.

Stock ownership policy for non-executive directors All shares awarded to our non-executive directors are subject to the Non-Executive Director Stock Ownership Policy. The policy requires that within five years of the later of the effective date of the policy and the date of such director's first appointment as a non-executive director each non-executive director achieve and thereafter maintain an ownership level of at least 17,500 shares. Until such ownership level is achieved, each non-executive director is required to continue to hold 100% of the shares received as compensation from the company.

The following table shows as of December 31, 2018 the status of our non-executive directors meeting the requirements of the policy.

1 Based on current compensation levels, it is anticipated that Ms. Handlon will attain the share ownership goal within the time period prescribed by the policy.

Executive Compensation

Compensation discussion and analysis

This section presents a discussion and analysis of the philosophy and objectives in the design and implementation of compensation programs for our executive officers. This section is divided into two parts. First, we review key highlights of the relationship with our manager and our management agreement to provide important context regarding our operations, including that all of our executive officers are employed by our manager or one of its affiliates. We then review the compensation program and philosophy of our manager and how compensation decisions are made for our executive officers.

Our management agreement

We are externally managed by Invesco Advisers, Inc., a wholly-owned subsidiary of Invesco Ltd., pursuant to a management agreement, which provides that our manager is responsible for managing our affairs. As highlighted below, we have no employees, including our executive officers. Our executive officers are employees of our manager (or one of its affiliates) and such individuals are engaged in additional capacities for our manager (or one of its affiliates). Our executive officers do not receive compensation from us, nor do we reimburse our manager for any of their compensation. Instead, our manager and its affiliates use the proceeds from the management fee, in part, to pay compensation to its officers and personnel, including our executive officers. No specific portion of the management fee is allocated to the compensation of our executive officers because these individuals manage or are associated with multiple Invesco products, and research and investment strategies employed may impact a number of products for which these individuals are responsible. As such, compensation for our executive officers reflects performance across all the products managed by them, and decisions are based on the principles and factors described below in **Overview of our manager's compensation program and philosophy**. While each of these principles and factors is considered by our manager in making compensation decisions, our manager does not attempt to rank or assign relative weight to any factor but rather applies its judgment in considering them in their entirety.

However, for context of our executive officers' compensation in relation to our management fee, we provide an estimate of aggregate compensation of our executive officers that may reasonably be associated with the approximate total average assets of the company for 2018 compared to total average assets of products the executive officers managed or were associated with for 2018. Applying such methodology to compensation of our executive officers for 2018, the total compensation of the named executive officers reasonably associated with their management of the company is \$2.8 million, which represents 7.1% of the management fee paid by the company to the manager in 2018.

Highlights of our management agreement

All of our executive officers are employees of our manager (or one of its affiliates) and are engaged in additional capacities for our manager (or one of its affiliates).

Our manager is responsible for the compensation of our executive officers and other employees of our manager who provide services to the company. We do not pay any cash or equity compensation to our executive officers, do not provide pension benefits, perquisites or other personal benefits, and have no employment agreements or arrangements to make any payments upon termination from service as an officer.

Our manager receives a management fee equal to 1.50% of our stockholders' equity, subject to certain adjustments, which is used, in part, to pay the compensation of our manager's employees who provide services to the company. However, no specific portion of the management fee is allocated to the compensation of our executive officers.

For additional information about our management agreement, see **Certain Relationships and Related Transactions**.

Table of Contents

Our manager makes all decisions relating to the compensation of our executive officers based upon a number of objectives and principles.

Overview of our manager's compensation program and philosophy

Our manager makes all decisions relating to the compensation of our executive officers based on such factors as our manager may determine are appropriate. However, our manager consults with the members of the Compensation Committee concerning the compensation policy of our manager that is applied to the individuals that serve as our executive officers. Our manager has structured its compensation programs at every level to achieve the following objectives:

Alignment: align individual awards with client and stockholder success

Viability: reinforce our manager's commercial viability by closely linking rewards to economic results at every level

Meritocracy: reinforce our manager's meritocracy by differentially rewarding high-performers

Retention: recognize and retain top talent by ensuring a meaningful mix of cash and deferred compensation
With respect to investment professionals, which includes some of our executive officers, our manager applies the following compensation principles in making compensation decisions:

Investment performance

Measure investment performance against indicators of client success on products for which the investment team is responsible

Qualitative assessment

Ensure sufficient flexibility for management to exercise judgment over bonus funding outcomes, to ensure results make sense for Invesco and the team/individual

Financial results

Provide appropriate linkage to our manager's financial results related to the investment team

Risk management

Design plans that do not create risks that are reasonably likely to have a material adverse impact on Invesco

Balance

Balance pay for investment performance with economic outcomes

Components of our executive officers' compensation and their purpose

Our manager utilizes a variety of compensation components to achieve its objectives. Our manager's compensation program that applies to our executive officers consists of base salary and variable incentive compensation. The following table further describes each pay component, as well as its purpose and key measures.

Pay element	What it does	Key measures
Base salary	Provides competitive fixed pay	Experience, duties and scope of responsibility
	Reasonable base compensation for day-to-day performance of job responsibilities	Internal and external market factors
	Evaluated annually, generally remains static unless promotion or adjustment due to economic trends in industry	
Annual cash bonus	Provides a competitive annual cash incentive opportunity	Based upon annual investment performance and financial results of the investment products for which the investment team is responsible
Invesco annual deferral award	Along with annual cash bonus, provides a competitive annual incentive opportunity	Based upon annual investment performance and financial results of

(time-based vesting)	Aligns with Invesco client and stockholder interests	the investment products for which the investment team is responsible
	Encourages retention by vesting in equal annual increments over four years	
Invesco long-term equity awards (time-based vesting)	Recognizes long-term potential for future contributions to Invesco's long-term strategic objectives	Based upon annual investment performance and financial results of the investment products for which the investment team is responsible
	Aligns with Invesco client and stockholder interests	
	Encourages retention by vesting in annual increments over four years	

Table of Contents

Our executive officers' incentive compensation is funded from an incentive pool which is the source of incentive compensation of all employees of Invesco Ltd.

We have an executive officer stock ownership policy to align the interests of our executive officers with our stockholders.

We believe the structure of the management fee does not create an incentive for excessive or unnecessary risk-taking by our management team and reduces the risk of conflicts of interest with our manager.

Our executive officers' annual incentive compensation is funded from an annual incentive pool which is the source of incentive compensation of all employees of Invesco Ltd. and its affiliates. Each year, the Invesco Ltd. compensation committee examines Invesco's progress on multiple operating measures, Invesco's progress toward achieving its long-term strategic objectives and other factors, including pre-cash bonus operating income of Invesco (PCBOI), in setting the size of the incentive pool. The Invesco compensation committee uses a range of 34%-48% of Invesco PCBOI in setting the Invesco-wide incentive pool, though it maintains flexibility to go outside either end of this range in circumstances that it deems exceptional. Our executive officers are paid incentive compensation out of the Invesco-wide incentive pool taking into account the compensation principles set forth above.

For 2018, our executive officers' compensation, in the aggregate, was apportioned 22% to fixed compensation and 78% to variable or incentive compensation.

Executive officer stock ownership policy

In order to encourage the alignment of interests between our executive officers and our stockholders, we maintain an Executive Officer Stock Ownership Policy. The policy requires that, within five years of the date of such executive officer's first appointment:

- the chief executive officer (CEO) achieve an ownership level of at least 60,000 shares;
- the president, chief investment officer, and chief operating officer achieve an ownership level of at least 35,000 shares; and
- the chief financial officer (CFO) achieve an ownership level of at least 7,000 shares.

Our CEO and CFO have achieved their respective ownership level requirements, and we expect our other executive officers will attain their respective ownership requirements within the time period prescribed by the policy.

Insider trading policy

We maintain an insider trading policy, which prohibits short selling, dealing in publicly-traded options, pledging, hedging or monetization transactions in our securities.

Certain risks related to our management fee

Because our management fee is calculated as a percent of stockholders' equity, subject to specified adjustments, we believe the structure of the management fee does not create an incentive for management to take excessive or unnecessary risks and reduces the risk of conflicts of interests with our manager. Stockholders' equity as the basis for the calculation does not result in leveraged pay-out curves, steep pay-out cliffs or set unreasonable goals and thresholds, each of which can promote excessive and unnecessary risks. In addition, the management fee may not be increased or revised without the approval of our independent directors.

Consideration of prior advisory vote

Our Compensation Committee noted the significant support received in the 2018 advisory vote on executive compensation (approximately 98% of votes cast), and therefore it has determined that no changes were advisable based on the outcome of that vote.

The Compensation Committee of the company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the committee recommended to the board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Certain Relationships and Related Transactions

Relationship to our external manager

In 2009 we entered into a management agreement with our manager pursuant to which our manager provides the day-to-day management of our operations. The management agreement requires our manager to manage our business affairs in conformity with the policies and the investment guidelines that are approved and monitored by our Board of Directors. Our manager is entitled to receive from us a management fee. The management fee is equal to 1.50% of the company's stockholders' equity per annum, subject to specified adjustments, which is calculated and payable quarterly in arrears. We are also obligated to reimburse certain operating expenses related to the company incurred by our manager, including directors and officers insurance, accounting services, auditing and tax services, filing fees and miscellaneous general and administrative costs. The management agreement renews for one-year terms unless terminated by either us or our manager. Our manager is entitled to receive a termination fee from us, under certain circumstances.

Our executive officers are employees of Invesco. As a result, the terms of the management agreement between us and our manager were negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to us as if they had been negotiated with an unaffiliated third party. Each year, in connection with the annual renewal of the management agreement, our Audit Committee reviews the management fee in the context of a review of peer company management fees. Our management fee structure, 1.50% of stockholders' equity subject to specified adjustments, is the same as a large majority of the externally managed mortgage REITs we consider to be our peers. With respect to 2018, management fees paid or payable to our manager were approximately \$40.7 million, and we reimbursed our manager approximately \$6.7 million for operating expenses.

Grants of equity compensation to our manager, its personnel and its affiliates

We adopted the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our manager and its

affiliates and personnel of our manager. The Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan provides for grants of stock options, restricted stock, phantom shares, dividend equivalent rights and other equity-based awards.

We grant shares of our common stock to each non-executive director as part of such director's compensation. In addition, we grant equity awards to personnel of our manager who are not our executive officers. We do not intend to grant equity-based awards to our executive officers.

Upon recommendation of the Compensation Committee, the Board adopted the 2009 Equity Incentive Plan as amended and restated on February 14, 2019, subject to stockholder approval, as the plan will terminate on June 30, 2019 under its current terms. The Board recommends that stockholders approve the Equity Plan to permit the Company's continued use of equity-based compensation awards. The material terms of the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan as amended and restated are described in Proposal 3 of this Proxy Statement.

Management is required to present for the approval or ratification of the Audit Committee all material information regarding an actual or potential related person transaction.

Related Person Transaction Policy

The Board of Directors has adopted written Policies and Procedures with Respect to Related Person Transactions to address the review, approval, disapproval or ratification of related person transactions. Related persons include the company's executive officers, directors, director nominees, holders of more than five percent (5%) of the company's voting securities, immediate family members of the foregoing persons, and any entity in which any of the foregoing persons is employed, is a partner or is in a similar position, or in which such person has a 5% or greater ownership interest. A related person transaction means a transaction or series of transactions in which the company participates, the amount involved exceeds \$120,000, and a related person has a direct or indirect interest (with certain exceptions permitted by SEC rules).

Management is required to present for the approval or ratification of the Audit Committee all material information regarding an actual or potential related person transaction. The policy requires that, after reviewing such information, the disinterested members of the Audit Committee will approve or disapprove the transaction. Approval will be given only if the Audit Committee determines that such transaction is in, or is not inconsistent with, the best interests of the company and its stockholders. The policy further requires that in the event management becomes aware of a related person transaction that has not been previously approved or ratified, it must be submitted to the Audit Committee promptly.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires certain officers, directors and persons who beneficially own more than 10% of the company's common stock to file reports of ownership and reports of changes in ownership with the SEC. The reporting officers, directors and 10% stockholders are also required by SEC rules to furnish the company with copies of all Section 16(a) reports they file. Based solely on its review of copies of such reports, the company believes that all Section 16(a) filing requirements applicable to its directors, officers and 10% stockholders were complied with during fiscal year 2018, with one exception. Mr. Phegley received shares through dividend reinvestment programs that in the aggregate exceeded the small transaction amount exempt from filing in October 2018. These shares were not reported until February 2019 on his Form 5.

We are externally managed and do not have any employees. Our executive officers are employees of our manager and do not receive compensation from us.

See **Executive Compensation** for additional detail on our Manager's compensation programs related to our executive officers.

Advisory Vote on Executive Compensation

General

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") enables our stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC rules. This proposal, commonly known as a "say-on-pay" proposal, is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

We are externally managed by our manager pursuant to a management agreement, which provides that our manager is responsible for managing our affairs. We have no employees, including our executive officers. Our executive officers, all of whom are employees of our manager (or one of its affiliates) and engaged in additional capacities for our manager (or one of its affiliates), do not receive compensation from us. Instead, we pay our manager a management fee, and our manager and its affiliates use the proceeds from the management fee, in part, to pay compensation to its officers and personnel, including our executive officers. No specific portion of the management fee is allocated to the compensation of our executive officers. Our manager makes all decisions relating to the compensation of our executive officers based on such factors as our manager may determine are appropriate. We did not pay, and do not intend to pay, any cash compensation to our executive officers, nor did we make any grants of plan-based awards, stock options or stock grants of any kind to any person who was then an executive officer for the fiscal year ended December 31, 2018. We do not provide our executive officers with pension benefits, perquisites or other personal benefits. We do not have any employment agreements with any persons and have no arrangements to make cash payments to our executive officers upon their termination from service as our officers or a change in control of the company.

Notwithstanding that we do not pay our executive officers compensation, we are required by the SEC to seek an advisory vote from our stockholders to approve the compensation of our executive officers as disclosed in this proxy statement. Accordingly, we will ask our stockholders to vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory (non-binding) basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the Securities and Exchange Commission's compensation disclosure rules, including the Compensation Discussion and Analysis, the compensation tables and related narrative discussion.

The say-on-pay vote is advisory, and therefore not binding on the company, our Board of Directors or the Compensation Committee. Our Board of Directors and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders' concerns and evaluate whether any actions are necessary to address those concerns. At the 2018 Annual Meeting of Stockholders, 98% of the votes cast were in favor of the advisory proposal to approve our named executive officers' compensation. Under the Board's current policy, stockholders are given an opportunity annually to cast an advisory vote on this topic.

Approval of the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan as Amended and Restated

General

We are asking our stockholders to approve the 2009 Equity Incentive Plan as amended and restated (the **Equity Plan**), which will make 200,000 shares of the company common stock available for issuance to employees, directors and other eligible participants of the company or its affiliates. The Equity Plan was originally approved in 2009 and authorized one million shares. The original plan is scheduled to terminate on June 30, 2019.

Based upon the recommendation of the Compensation Committee , the Board adopted the Equity Plan on February 14, 2019, subject to stockholder approval. The Board recommends that stockholders approve the Equity Plan to permit the company 's continued use of equity-based compensation awards. The material terms of the Equity Plan are described below.

Why should you vote FOR approval of the Equity Plan?

Under NYSE rules, listed companies such as the Company are generally not permitted to grant shares of common stock as compensation except under a plan that is approved by stockholders. The Board recommends a vote FOR the approval of the Equity Plan because it will continue to allow us to achieve important business objectives in ways that are consistent with stockholder interests.

Equity compensation facilitates alignment with stockholder interests.

Consistent with industry practice and accepted good governance, our manager 's compensation philosophy reflects the belief that equity compensation is a critical means of aligning the interests of employees with those of our stockholders. Historically, all equity awards have been made in the form of fully vested shares to our non-executive directors and time-based equity awards to certain employees of our manager who have significant company-related job responsibilities. We believe that this is the best and simplest way to align the interests of our non-executive

directors and manager-employees with the interests of our stockholders.

Equity compensation is an important tool to recruit and retain talent. Our competitors in the industry routinely use equity awards to compensate employees, and our manager's employees who have significant company-related job responsibilities place a high value on equity compensation. Our equity awards are an important component of our manager's compensation program.

The Equity Plan has key features that serve stockholder interests. The Equity Plan includes best practices with respect to governance and administration of equity compensation programs described in more detail below in **Key Features of the Equity Plan**.

Use of full-value awards. Our equity compensation program favors the use of full-value awards for our non-executive directors and certain Invesco employees (as opposed to appreciation awards, such as stock options). This can mitigate the potential dilutive effect of equity compensation, because the same value can be delivered in the form of a stock award using fewer shares than would be needed if delivered in the form of a stock option. Although the Equity Plan provides for stock options and stock appreciation rights, the company has never granted stock options or stock appreciation rights, and it does not intend to do so in the foreseeable future. See **Key Data** below for information on our overhang and run rate.

<p>No loans against or transferability of awards</p>	<p>Prohibits participants from borrowing against or transferring awards.</p>
<p>No excise tax gross ups</p>	<p>Prohibits tax gross ups on awards.</p>

Key data

We believe that our historical share usage and proposed Equity Plan are prudent and in the best interests of our stockholders.

Run rate

Run rate provides a measure of our annual share utilization relative to the number of shares outstanding. As shown in the following table, the company's three-year average run rate was less than one percent (1%).

Table of Contents**Overhang and unvested share awards**

Overhang refers to potential stockholder dilution represented by outstanding employee equity awards and shares available for future grant. Overhang is equal to the sum of outstanding awards plus shares available for grant, divided by common shares outstanding.

	Outstanding awards¹	Shares available for grant²	Common shares outstanding³	Overhang
As of December 31, 2018	11,051	761,746	111,637,035	0.69%

¹ The company has no outstanding stock options or stock appreciation rights.

² Assuming that our stockholders approve the Equity Plan, the number of shares available for grant as of May 3, 2019 will be reduced to 200,000.

³ Represents basic weighted average shares outstanding.

Information regarding other equity compensation plans

The following table sets forth information about common shares that may be issued under our existing equity compensation plans as of December 31, 2018.

Equity compensation plans not approved by stockholders			
Total			761,746

1 Represents the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan

Impact on dilution

As noted above, the Equity Plan will authorize the issuance of up to 200,000 shares, a reduction from the 761,746 shares currently available under the Equity Plan, which represents approximately 0.16% of our outstanding common shares as of March 4, 2019. The Board believes that the potential dilution resulting from these additional shares is reasonable and that the issuance of these additional shares will provide an appropriate incentive for employees to increase the value of the company for stockholders. Based on historical grant levels and the company's current stock price, the company anticipates that the shares available for grant under the Equity Plan will be sufficient to provide projected equity incentives until our 2023 Annual General Meeting.

Summary of terms of the equity plan

The following summary describes the most significant terms of the Equity Plan. This summary is not intended to be complete and is qualified in its entirety by reference to the Equity Plan, a copy of which is attached as Appendix A to this Proxy Statement.

General. Under the terms of the Equity Plan, the Compensation Committee will have the authority to grant restricted stock, restricted stock units, stock options, stock appreciation rights (SARs) and other stock-based awards. We anticipate that we will continue our current practice of granting restricted stock units to select employees of our manager and other stock-based awards to our non-executive directors. We have never granted stock options or SARs.

Eligibility. Awards under the Equity Plan can be made to current and prospective employees of our manager, non-executive directors and consultants of the company or any of its affiliates. There are currently seven employees of our manager that hold equity grants under the Equity Plan. In addition, each of our five non-executive directors receive quarterly stock-based awards under the Equity Plan.

Shares subject to the Equity Plan. The maximum number of common shares of the company that can be issued under the Equity Plan is 200,000.

Shares delivered in connection with awards under the Equity Plan may be shares that are authorized but unissued shares, shares held by the company as treasury shares or, if required by local law, shares delivered from a trust established pursuant to applicable law.

Share Counting. Under the following circumstances, shares that are subject to awards granted under the Equity Plan shall not be counted for purposes of the limits on the total number of shares that can be issued under the Equity Plan or the number of shares that can be issued as incentive stock options in the following circumstances:

The award is forfeited, canceled or terminates, expires or lapses without shares having been delivered;

The award is settled in cash; or

The shares are withheld by the company to satisfy all or part of any tax withholding obligation related to an award of restricted stock or restricted stock units.

Shares tendered or withheld by the company in payment of the exercise price of stock options or SARs or to satisfy all or part of any tax withholding obligation related to such stock option or SAR shall be counted as shares that were

issued under the Equity Plan.

Limits on incentive stock options. The total number of shares that can be issued pursuant to incentive stock options cannot exceed 2,000 under the Equity Plan.

Administration. The Equity Plan will continue to be administered by the Compensation Committee of the Board, unless the Board appoints a different committee. The committee will consist of two or more non-employee directors as defined in Rule 16b-3 under the Exchange Act. The committee is authorized to establish administrative rules and procedures, select the eligible individuals to whom awards will be granted, determine the types of awards and the number of shares covered by the awards and establish the terms and conditions for awards. The committee may delegate its authority to administer the Equity Plan to one or more persons, subject to applicable law. All decisions made by the committee with respect to the Equity Plan will be final and binding on all persons.

Table of Contents

Types of awards. The Equity Plan authorizes awards in the form of restricted stock, restricted stock units, stock options, SARs and other stock-based awards.

Restricted stock. Awards of restricted stock are actual shares of common stock that are issued to a participant, but that are subject to forfeiture if the participant does not remain employed by the company for a certain period of time, certain performance conditions are not met, or both circumstances are not met. Except for these restrictions and any others imposed by the committee, the participant will generally have all of the rights of a stockholder with respect to the restricted stock, including the right to vote the restricted stock and the right to receive dividends and other distributions paid or made with respect to the restricted stock.

Restricted stock units. An award of restricted stock units represents a contractual obligation of the company to deliver a number of shares, an amount in cash or a combination of shares and cash equal to the specified number of shares subject to the award. Restricted stock units are subject to forfeiture if the participant does not remain employed by the company for a certain period of time, certain performance conditions are not met, or both circumstances are not met. The committee may also provide that dividend equivalents will be paid with respect to restricted stock units.

Other stock-based awards. The Equity Plan provides for the award of company shares and other awards that are valued by reference to our shares. Other stock-based awards may only be granted in lieu of compensation that would otherwise be payable to the participant. Non-executive director awards are considered a form of other stock-based awards. Each year, the committee establishes the form and value of such stock-based awards for non-executive directors for the upcoming year. Such awards are subject to the non-executive director stock ownership policy.

Stock options and SARs. A stock option is an award that gives the participant the right, but not the obligation, to purchase a specified number of company shares at a specified price for a stated period of time. Stock options may be granted in the form of incentive stock options, which are intended to qualify for favorable treatment for the recipient under U.S. federal tax law, or as non-qualified stock options, which do not qualify for this favorable tax treatment. SARs represent the right to receive an amount in cash, shares or both equal to the fair market value of the shares subject to the award on the date of exercise minus the exercise price of the award.

As noted above, the Equity Plan provides for stock options and SARs even though the company has never granted stock options or SARs. If stock options or SARs are granted under the Equity Plan, they will be subject to the following limitations:

No discounted stock options or SARs All stock options and SARs must have an exercise price that is not less than the fair market value of the underlying shares on the date of grant.

No reloads The grant of a stock option will not be conditioned on the delivery of shares to the company in payment of an exercise price or satisfaction of a withholding or other payment obligation (i.e., a reload option).

No repricing Repricing of stock options or SARs is not permitted without stockholder approval.

Term The term of a stock option or SAR cannot exceed 10 years.

No liberal share recycling Share recycling for stock options and SARs is prohibited.

Minimum vesting requirements The Equity Plan provides a minimum vesting period of one year for stock options and SARs.

Table of Contents

Minimum vesting requirements

Restricted stock and restricted stock units. Except with respect to the death, disability or involuntary termination (other than for cause or unsatisfactory performance) of a participant or the occurrence of a corporate transaction (including a change of control) or special circumstances determined by the committee, an award of restricted stock or restricted stock units subject solely to continued services shall have a minimum vesting period of not less than two years from the date of grant (permitting pro rata vesting over such time). Time-based and performance-based restricted stock awards and restricted stock units generally vest over a four-year period. In practice, the company has never granted performance-based restricted stock or restricted stock units.

Other stock-based awards. The amount and form of awards granted to non-employee directors are fixed from time-to-time by the committee. It is our practice that non-executive awards are fully vested and of the grant date.

Stock options and SARs. Stock options and SARs are subject to a one year minimum vesting period. As noted above, the company has never granted stock options or SARs.

Termination of employment/services. Except as otherwise provided in an award agreement, all unvested awards under the Equity Plan are forfeited when a participant terminates employment with, or ceases performing services for, the company.

Effect of a change of control. Awards that are not assumed in connection with a change of control will immediately vest at 100 percent. In the event of a change of control, with respect to awards that are assumed by the acquirer, upon the participant's termination of employment during the 24 months following a change in control (i) by the company (other than for cause or unsatisfactory performance) or (ii) by the participant for good reason (as defined in the Equity Plan), awards will vest at 100 percent unless otherwise provided in an award agreement.

Changes in capitalization and other corporate events. In the case of events affecting the capital structure of the company or certain corporate events such as a merger, the committee shall make adjustments and substitutions to shares reserved for issuance, awards limits, the number of shares subject to outstanding awards and the exercise price of outstanding awards under the Equity Plan as it deems equitable and appropriate. The committee may also adjust performance goals to reflect unusual or non-recurring events and extraordinary items and for other similar reasons.

Non-transferability. Awards under the Equity Plan cannot be sold, assigned, transferred, pledged or otherwise encumbered, except by will and the laws of descent and distribution.

Tax withholding; no gross ups. The participant is responsible for all taxes legally due from a participant. Except as otherwise provided in an award agreement, withholding obligations under the Equity Plan may be settled in shares.

Plan amendments and changes. The Board of Directors or the committee may amend, alter or discontinue the Equity Plan, but no change is permitted without a participant's consent to the extent that it would materially impair the participant's rights under an outstanding award unless the change is made to comply with applicable law or stock exchange rules or to prevent adverse tax consequences to the company or a participant. In addition, no amendment will be made without the approval of the company's stockholders if approval is required by applicable law or the listing standards of an applicable exchange.

Effective date. The Equity Plan will be effective on of the date that it is approved by our stockholders, as requested herein, and will terminate on the tenth anniversary of the effective date.

Table of Contents

Certain U.S. federal income tax consequences

The following discussion is intended only as a general summary of the material U.S. federal income tax consequences of awards issued under the Equity Plan for the purposes of stockholders considering how to vote on this proposal. It is not intended as tax guidance to participants in the Equity Plan. This summary does not take into account certain circumstances that may change the income tax treatment of awards for individual participants, and it does not describe the state or local income tax consequences of any award or the taxation of awards in jurisdictions outside of the U.S.

Restricted stock awards and restricted stock units. The fair market value of stock granted under a restricted stock award is generally includable by the participant as ordinary income when the award vests. In the case of restricted stock unit awards, any cash and the fair market value of any stock issued as payment under the awards is includable as ordinary income when paid. Any dividends or dividend equivalents paid on unvested restricted stock and restricted stock units are treated as ordinary income when paid.

Stock options and SARs. The grant of a stock option or SAR generally has no tax consequences for a participant or the company. The exercise of an incentive stock option generally does not have tax consequences for a participant or the company, except that it may result in an item of adjustment for alternative minimum tax purposes for the participant. If a participant holds the shares acquired through the exercise of an incentive stock option for the time specified in the Code, any gain or loss arising from a subsequent disposition of the shares will be taxed as long-term capital gain or loss. If the shares are disposed of before the holding period is satisfied, the participant will recognize ordinary income equal to the lesser of (a) the amount realized upon the disposition and (b) the fair market value of such shares on the date of exercise minus the exercise price paid for the shares.

A participant recognizes ordinary income upon the exercise of a nonqualified stock option equal to the fair market value of the shares minus the exercise price for the shares. Upon the exercise of a SAR, the participant recognizes ordinary income equal to the amount paid to the participant, in cash and shares that represents the excess of the fair market value of a SAR over its exercise price. Any subsequent disposition of shares acquired through the exercise of a nonqualified stock option or a SAR will generally result in capital gain or loss, which may be short- or long-term, depending upon the holding period for the shares.

Deductions by the company. Except as explained below, the company generally is entitled to a deduction equal to the amount included in the ordinary income of participants and does not receive a deduction for amounts that are taxable to participants as capital gain.

Section 409A. The grant of certain types of incentive awards under the Equity Plan may be subject to the requirements of Section 409A of the Code. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, a participant may be subject to tax on all or a portion of the award earlier than the times described above, and additional taxes, penalties and interest could apply. Stock options, SARs and restricted stock awards that comply with the terms of the Equity Plan are intended to be exempt from the requirements of Section 409A. Restricted stock units granted under the Equity Plan may be subject to the requirements of Section 409A but are intended to comply with those requirements to avoid early taxation, additional taxes, penalties and interest. Notwithstanding the foregoing, the company is not responsible for any taxes, penalties or interest imposed with respect to any awards granted under the Equity Plan, including taxes, penalties or interest imposed under Section 409A.

New plan benefits

We currently expect that, if the Equity Plan is approved by our stockholders, the first grants made under the Equity Plan will be to our non-executive directors in May 2019 in connection with the payment of their quarterly stock award. Thereafter, we expect that non-executive directors will continue to receive their quarterly stock awards. See **Director Compensation** above for more information about compensation paid to our directors. The committee has not yet determined, and we cannot now anticipate, what other grants will be made under the Equity Plan if it is approved. It is likely that amounts under the Equity Plan will be made during the next annual incentive compensation cycle to select employees of the manager.

The closing price of our shares on the New York Stock Exchange on March 4, 2019 was \$15.87 per share.

Approval of this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. If the appointment is not approved, the Audit Committee may reconsider the selection of PwC as the company s independent registered public accounting firm. Even if the selection is ratified, the Audit Committee may, in its discretion, select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the company and our stockholders.

Pre-Approval Process and Policy

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditor. The policy is designed to ensure that the auditor's independence is not impaired. The policy sets forth the Audit Committee's views on audit, audit-related, tax and other services. It provides that, before the company engages the independent auditor to render any service, the engagement must either be specifically approved by the Audit Committee or fall into one of the defined categories that have been pre-approved. The policy defines the services and the estimated range of fees for such services that the committee has pre-approved. The term of any such categorical approval is from the date of pre-approval to the next annual update of such pre-approval, unless the committee specifically provides otherwise, and the policy requires the related fee levels to be set annually. Where actual invoices in respect of any service are materially in excess of the estimated range, the committee must approve such excess amount prior to payment. The policy also prohibits the company from engaging the auditor to provide certain defined non-audit services that are prohibited under SEC rules. Under the policy, the Audit Committee may delegate pre-approval authority to one or more of its members, but may not delegate such authority to the company's management. Under the policy, our management must inform the Audit Committee of each service performed by our independent auditor pursuant to the policy. Requests to the Audit Committee for separate approval must be submitted by both the independent auditor and our chief financial officer and the request must include a joint statement as to whether it is deemed consistent with the SEC's and Public Company Accounting Oversight Board's (PCAOB) rules on auditor independence.

General Information Regarding

the Annual Meeting

Questions and answers about voting your common shares

Q. Why did I receive this Proxy Statement?

You have received these proxy materials because the company's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting on May 3, 2019. This proxy statement includes information that is designed to assist you in voting your shares and information that we are required to provide to you under the rules of the SEC.

Q. What is a proxy?

A proxy is a written authorization from you to another person that allows such person (the proxy holder) to vote your shares on your behalf. The Board of Directors is asking you to allow any of the following persons to vote your shares at the Annual Meeting: Edward J. Hardin, Chairperson of the Board of Directors; John M. Anzalone, Chief Executive Officer; Kevin Collins, President; R. Lee Phegley, Jr., Chief Financial Officer and Robert H. Rigsby, Vice President and Secretary.

Q. Why did I not receive my proxy materials in the mail?

As permitted by rules of the SEC, we are making this Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (Annual Report) available to our stockholders electronically via the Internet. The e-proxy process expedites stockholders' receipt of proxy materials and lowers the costs and reduces the environmental impact of our Annual Meeting.

On March 15, 2019, we mailed to stockholders of record as of the close of business on March 4, 2019 (Record Date) a Notice of Internet Availability of Proxy Materials (Notice) containing instructions on how to access this Proxy Statement, our Annual Report and other soliciting materials via the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in the Proxy Statement and Annual Report. The Notice also instructs you on how you may submit your proxy. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions included in the Notice for requesting such materials.

Q. Who is entitled to vote?

Each holder of record of company common stock on the Record Date is entitled to attend and vote at the Annual Meeting.

Q. What is the difference between holding shares as a stockholder of record and as a beneficial owner ?

Stockholders of record. You are a stockholder of record if at the close of business on the Record Date your shares were registered directly in your name with Computershare, our transfer agent.

Beneficial owner. You are a beneficial owner if at the close of business on the Record Date your shares were held by a brokerage firm or other nominee and not in your name. Being a beneficial owner means that, like most of our stockholders, your shares are held in street name. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will be able to vote your shares with respect to some of the proposals, but not all. Please see [What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?](#) below for additional information.

Table of Contents

The company has requested banks, brokerage firms and other nominees who hold shares of our common stock on behalf of beneficial owners of the shares as of the close of business on the Record Date to forward the Notice to those beneficial owners. The company has agreed to pay the reasonable expenses of the banks, brokerage firms and other nominees for forwarding these materials.

Q. How many votes do I have?

Every holder of a share of common stock on the Record Date will be entitled to one vote per share for each Director to be elected at the Annual Meeting and to one vote per share on each other matter presented at the Annual Meeting. On the Record Date, there were 127,695,497 shares of common stock outstanding and entitled to vote at the Annual Meeting.

Q. What proposals are being presented at the Annual Meeting?

The company intends to present proposals numbered one, two, three and four for stockholder consideration and voting at the Annual Meeting. These proposals are for:

1. Election of seven (7) members of the Board of Directors;
2. Advisory vote to approve the company's executive compensation;
3. Approval of Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan as Amended and Restated; and
4. Appointment of PricewaterhouseCoopers LLP as the company's independent registered public accounting firm.

Other than the matters set forth in this Proxy Statement and matters incident to the conduct of the Annual Meeting, the company does not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the proxies received from our stockholders give the proxy holders the authority to vote on such matter in their discretion.

Q. How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote:

FOR the election of the seven (7) directors nominated by our Board and named in this proxy statement;

FOR the approval, on an advisory basis, of the compensation of our named executive officers;

FOR the approval of the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan as Amended and Restated; and

FOR the appointment of PricewaterhouseCoopers LLP as the company's independent registered public accounting firm.

Q. How do I attend the Annual Meeting?

All stockholders are invited to attend the Annual Meeting. An admission ticket (or other proof of share ownership) and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the Annual Meeting. Only stockholders who own company common stock as of the close of business on the Record Date and invited guests will be entitled to attend the meeting. An admission ticket will serve as verification of your ownership. Registration will begin at 12:00 p.m. Eastern Time and the Annual Meeting will begin at 1:00 p.m. Eastern Time.

Edgar Filing: Invesco Mortgage Capital Inc. - Form DEF 14A

If your company shares are registered in your name and you received or accessed your proxy materials electronically via the Internet, click the appropriate box on the electronic proxy card or follow the telephone instructions when prompted and an admission ticket will be held for you at the check-in area at the Annual Meeting.

If you received your proxy materials by mail and voted by completing your proxy card and checked the box indicating that you plan to attend the meeting, an admission ticket will be held for you at the check-in area at the Annual Meeting.

If your company shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the Annual Meeting if you bring a recent bank or brokerage statement showing that you owned our common stock on the Record Date. You should report to the check-in area for admission to the Annual Meeting.

Q. How do I vote and what are the voting deadlines?

You may vote your shares in person at the Annual Meeting or by proxy. There are three ways to vote by proxy:

Via the Internet: You can submit a proxy via the Internet until 11:59 p.m. Eastern Time on May 2, 2019, by accessing the web site <http://www.envisionreports.com/IVR> and following the instructions you will find on the web site. Internet proxy submission is available 24 hours a day. You will be given the opportunity to confirm that your instructions have been properly recorded.

By telephone: You can submit a proxy by telephone until 11:59 p.m. Eastern Time on May 2, 2019, by calling toll-free 1-800-652-VOTE (8683) (from the U.S. and Canada) and following the instructions.

By mail: If you have received your proxy materials by mail, you can vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your common stock in an account with a bank or broker (i.e. in street name), you can vote by following the instructions on the voting instruction card provided to you by your bank or broker. Proxy cards returned by mail must be received no later than the close of business on May 2, 2019.

Even if you plan to be present at the Annual Meeting, we encourage you to vote your common stock by proxy using one of the methods described above. Stockholders of record who attend the meeting may vote their common stock in person, even though they have sent in proxies.

Q. May I change or revoke my vote?

Yes. You may change your vote in one of several ways at any time before it is cast at the Annual Meeting:

Grant a subsequent proxy via the Internet or telephone;

Submit another proxy card (or voting instruction card) with a date later than your previously delivered proxy;

Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy or, if you hold your shares in street name, follow the instructions on the voting instruction card; or

If you are a stockholder of record, or a beneficial owner with a proxy from the stockholder of record, vote in person at the Annual Meeting.

Q. What will happen if I do not vote my shares?

Stockholders of record. If you are the stockholder of record of your shares and you do not vote in person at the Annual Meeting, or by proxy via the Internet, by telephone, or by mail, your shares will not be voted at the Annual Meeting.

Beneficial owners. If you are the beneficial owner of your shares, your broker or nominee may vote your shares only on those proposals on which it has discretion to vote. Under the rules of the New York Stock Exchange, your broker or nominee has discretion to vote your shares on routine matters, such as Proposal No. 4, but does not have discretion to vote your shares on non-routine matters, such as Proposals No. 1, 2 and 3. Therefore, if you do not

instruct your broker as to how to vote your shares on Proposals No. 1, 2 and 3, this would be a broker non-vote, and your shares would not be counted as having been voted on the applicable proposal. Pursuant to Maryland law, broker non-votes and abstentions are not included in the determination of the shares of common stock voting on such matter, but are counted for quorum purposes. **We therefore strongly encourage you to instruct your broker or nominee on how you wish to vote your shares.**

Table of Contents

Q. What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?

Stockholders of record. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, all of your shares will be voted FOR Proposals No. 1, 2, 3 and 4.

Beneficial owners. If you are a beneficial owner and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under NYSE rules, brokers and other nominees have the discretion to vote on routine matters, such as Proposal No. 4, but do not have discretion to vote on non-routine matters, such as Proposals No. 1, 2 and 3. Therefore, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal No. 4 and any other routine matters properly presented for a vote at the Annual Meeting.

Q. What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials?

It means you own company common stock in more than one account, such as individually and jointly with another person. **Please vote all of your common stock.** Please see the section entitled Householding of Proxy Materials below for information on how you may elect to receive only one Notice.

Q. What is a quorum?

A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting on any matter shall constitute a quorum for the conduct of business.

Q. What vote is required in order to approve each proposal?

For each proposal, the affirmative vote of a majority of the votes cast on such proposal at the Annual Meeting is required. Votes cast include only votes cast with respect to shares present in person or represented by proxy and excludes abstentions and broker non-votes.

Q. How will voting on any other business be conducted?

Other than the matters set forth in this Proxy Statement and matters incident to the conduct of the Annual Meeting, we do not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the persons named as proxies will vote on the matter in their discretion.

Q. What happens if the Annual Meeting is adjourned or postponed?

Your proxy will still be effective and will be voted at the rescheduled Annual Meeting. You will still be able to change or revoke your proxy until it is voted.

Q. Who will count the votes?

A representative of Computershare, our transfer agent, will act as the inspector of election and will tabulate the votes.

Q. How can I find the results of the Annual Meeting?

Preliminary results will be announced at the Annual Meeting. Final results will be published in a Current Report on Form 8-K that we will file with the SEC within four (4) business days after the Annual Meeting.

Stockholder proposals for the 2020 annual meeting

In accordance with the rules established by the SEC, any stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act intended for inclusion in the proxy statement for next year's annual meeting of stockholders must be received by us no later than 120 days before the anniversary of the date of this Proxy Statement (e.g. not later than November 16, 2019). Such proposals should be sent to our Secretary in writing to Invesco Mortgage Capital Inc., Attn: Office of the Secretary, 1555 Peachtree Street N.E., Atlanta, Georgia 30309. To be included in the Proxy Statement, the proposal must comply with the requirements as to form and substance established by the SEC and our Bylaws, and must be a proper subject for stockholder action under Maryland law.

A stockholder may otherwise propose business for consideration or nominate persons for election to the Board in compliance with SEC proxy rules, Maryland law, our Bylaws and other legal requirements, without seeking to have the proposal included in the company's proxy statement pursuant to Rule 14a-8 under the Exchange Act. Under our Bylaws, notice of such a proposal must generally be provided to our Secretary not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. The period under our Bylaws for receipt of such proposals for next year's meeting is thus from October 17, 2019 to November 16, 2019. (However, if the date of the annual meeting is advanced or delayed by more than 30 days from such anniversary date, any notice by a stockholder of business or the nomination of directors for election or reelection to be brought before the annual meeting to be timely must be so delivered (i) not earlier than the 150th day prior to such annual meeting and (ii) not later than 5:00 p.m., Eastern Time on the later of (A) the 120th day prior to such annual meeting and (B) the 10th day following the day on which public announcement of the date of such meeting is first made.) SEC rules permit proxyholders to vote proxies in their discretion in certain cases if the stockholder does not comply with these deadlines, and in certain other cases notwithstanding compliance with these deadlines.

Householding of proxy materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for Proxy Statements and Annual Reports with respect to two or more stockholders sharing the same address by delivering a single Proxy Statement and Annual Report addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

A number of banks and brokers with account holders who are beneficial holders of the company's common stock will be householding the company's proxy materials or the Notice. Accordingly, a single copy of the proxy materials or Notice will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials or copies of the Notice, please notify your bank or broker, or contact our Secretary at: company.secretary@invescomortgagecapital.com, or by mail to Invesco Mortgage Capital Inc., Attn: Office of the Secretary, 1555 Peachtree Street N.E., Atlanta, Georgia 30309, or by telephone to 404-892-0896. The company undertakes, upon oral or written request to the address or telephone number above, to deliver promptly a separate copy of the company's proxy materials or the Notice to a stockholder at a shared address to which a single copy of the applicable document was delivered. Stockholders who currently receive multiple copies of the proxy materials or the Notice at their address and would like to request householding of their communications should contact their bank or broker or the Company Secretary at the contact address and telephone number provided above.

If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, Participating Company, or the applicable Affiliate, business division or other operational unit of, or the manner in which any of the foregoing conducts its business, or other events or circumstances render the Performance Goals to be unsuitable, the Committee may modify such Performance Goals or the related minimum acceptable level of achievement, in whole or in part, as the Committee deems appropriate and equitable; provided, however, that no such modification shall be made if the effect would be to cause an Award that is intended to be a Qualified Performance-Based Award to no longer constitute a Qualified Performance-Based Award.

- (f) **Section 409A.** Notwithstanding the foregoing: (i) any adjustments made pursuant to Section 6(e) to Awards that are considered deferred compensation within the meaning of Section 409A of the Code shall be made in compliance with the requirements of Section 409A of the Code; (ii) any adjustments made pursuant to Section 6(e) to Awards that are not considered deferred compensation subject to Section 409A of the Code shall be made in such a manner as to ensure that after such adjustment, the Awards either (A) continue not to be subject to Section 409A of the Code or (B) comply with the requirements of Section 409A of the Code; and (iii) in any event, neither the Committee nor the Board shall have the authority to make any adjustments pursuant to Section 6(e) to the extent the existence of such authority would cause an Award that is not intended to be subject to Section 409A of the Code at the Grant Date to be subject thereto.

The conditions for grant or vesting and the other provisions of Restricted Stock Units (including, without limitation, any applicable Performance Goals) need not be the same with respect to each recipient. Except with respect to the death, Disability or involuntary termination (other than for Cause or unsatisfactory performance) of a Participant, or the occurrence of a corporate transaction (including but not limited to, a Change of Control) or special circumstances determined by the Committee, an Award of Restricted Stock Units subject solely to the continued service of an employee and/or the attainment of Performance Goals shall vest over a period of not less than two years from the date of grant.

An Award of Restricted Stock Units shall be settled as and when the Restricted Stock Units vest or at a later time specified in the Award Agreement or in accordance with an election of the Participant, if the Committee so permits, that meets the requirements of Section 409A of the Code.

- (c) **Dividend Equivalents.** The Committee may, in its discretion, provide for current or deferred payments of cash, Shares or other property corresponding to the dividends payable on the Shares (subject to Section 16(e) below), as set forth in an applicable Award Agreement; provided, however, that no such dividend equivalents shall be paid with respect to Restricted Stock Units that are designated as a Qualified Performance-Based Awards unless and until the Committee has certified that the applicable Performance Goals for such award have been met.
- (d) **Termination of Service.** Except as otherwise provided in the applicable Award Agreement, a Participant's Restricted Stock Units shall be forfeited upon his or her Termination of Service.

(e)

Payment. Except as otherwise provided in the applicable Award Agreement, Shares, cash or a combination of Shares and cash, as applicable, payable in settlement of Restricted Stock Units shall be delivered to the Participant as soon as administratively practicable after the date on which payment is due under the terms of an Award Agreement.

- (f) **No Stockholder Rights.** Except as otherwise provided in the applicable Award Agreement, a Participant shall have no rights as a Stockholder with respect to Shares subject to Restricted Stock Units until such Shares are issued to the Participant pursuant to the terms of the Award Agreement.

- (a) **Awards Not Assumed, Etc. in Connection with Change of Control.** Upon the occurrence of a transaction that constitutes a Change in Control, if any Awards are not assumed, converted or otherwise equitably converted or substituted in a manner approved by the Committee, then such Awards shall vest immediately at 100 percent before the Change in Control.
- (b) **Awards Assumed, Etc. in Connection with Change of Control.** Upon the occurrence of a transaction that constitutes a Change in Control, with respect to any Awards that are assumed, converted or otherwise equitably converted or substituted in a manner approved by the Committee, then, in the event of a Participant's Termination of Service during the twenty-four (24) month period following such Change in Control, (x) by the Company other than for Cause or unsatisfactory performance, or (y) by the Participant for Good Reason:
 - (i) each outstanding Award shall be deemed to satisfy any applicable Performance Goals at 100 percent as set forth in the applicable Award Agreement;
 - (ii) any Options and Stock Appreciation Rights outstanding which are not then exercisable and vested shall become fully exercisable and vested. Any such Option or Stock Appreciation Right held by the Participant as

of the date of the Change in Control that remain outstanding as of the date of such Termination of Service may thereafter be exercised until the earlier of the third anniversary of such Change in Control and the last date on which such Option or Stock Appreciation Right would have been exercisable in the absence of this Section 12(b) (ii) (taking into account the applicable terms of any Award Agreement);

- (iii) the restrictions and deferral limitations applicable to any Shares of Restricted Stock shall lapse and such Shares of Restricted Stock shall become free of all restrictions and become fully vested and transferable;
- (iv) all Restricted Stock Units shall be considered to be earned and payable in full, and any deferral or other restriction shall lapse, and any Restriction Period shall terminate, and such Restricted Stock Units shall be settled in cash or Shares (consistent with the terms of the Award Agreement after taking into account the effect of the Change in Control transaction on the Shares) as promptly as is practicable; and

- (c) **409A Matters.** Notwithstanding the foregoing, if any Award to a Participant who is subject to U.S. income tax is considered a nonqualified deferred compensation plan within the meaning of Section 409A of the Code, this Section 12 shall apply to such Award only to the extent that its application would not result in the imposition of any tax or interest or the inclusion of any amount in income under Section 409A of the Code.
- (d) **Other.** In the event of a Change in Control, the Committee may in its discretion and upon at least ten (10) days advance notice to the affected Participants, cancel any outstanding Awards and pay to the holders thereof, in cash or Shares, or any combination thereof, the value of such Awards based upon the price per Share received or to be received by other Stockholders of the Company as a result of the Change in Control.

13. Qualified Performance-Based Awards; Section 16(b); Section 409A

(a) Qualified Performance-Based Awards.

- (i) The provisions of the Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Participant who is or may be a covered employee (within the meaning of Section 162(m)(3) of the Code) in the tax year in which such Option or Stock Appreciation Right is expected to be deductible to the Company qualify for the Section 162(m) Exemption, that all such Awards shall therefore be considered Qualified Performance-Based Awards, and the Plan shall be interpreted and operated consistent with that intention. When granting any Award other than an Option or Stock Appreciation Right, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that (x) the recipient is or may be a covered employee (within the meaning of Section 162(m)(3) of the Code) with respect to such Award and (y) the Committee wishes such Award to qualify for the Section 162(m) Exemption, and the terms of any such Award (and of the grant thereof) shall be consistent with such designation (including, without limitation, that all such Awards be granted by a committee composed solely of outside directors (within the meaning of Section 162(m) of the Code)).
- (ii) The Committee shall determine whether the applicable Performance Goals for a Qualified Performance-Based Award have been met with respect to a Participant for a Performance Period and, if they have been met, shall so certify and ascertain the amount of the applicable Qualified Performance-Based Award. No Qualified Performance-Based Awards will be paid or granted for a Performance Period until such certification is made by the Committee. The amount of such a Qualified Performance-Based Award designed to qualify for the Section 162(m) Exemption that is actually paid or granted to a Participant may be less than the amount determined by the applicable Performance Goal formula, at the discretion of the Committee, subject to the terms and conditions of the applicable Award Agreement, and shall be paid to the Participant at the time set forth in the applicable Award Agreement.
- (iii) Performance Goals may be applied on a per share or absolute basis and relative to one or more peer group companies or indices, or any combination thereof, and may be measured pursuant to U.S. GAAP, non-GAAP

or other objective standards in a manner consistent with the Company's established accounting policies, all as the Committee shall determine at the time the Performance Goals for a Performance Period are established. In addition, to the extent consistent with the requirements of the Section 162(m) Exemption, the Committee may provide at the time Performance Goals are established for Qualified Performance-Based Awards that the manner in which such Performance Goals are to be calculated or measured may take into account, or ignore, capital costs, interest, taxes, depreciation and amortization and other factors over which the Participant

has no (or limited) control including, but not limited to, restructurings, discontinued operations, impairments, changes in foreign currency exchange rates, extraordinary items, certain identified expenses (including cash bonus expenses, incentive expenses and acquisition-related transaction and integration expenses), the consolidation of investment products, other unusual non-recurring items, industry margins, general economic conditions, interest rate movements and the cumulative effects of tax or accounting changes.

- (iv) No delegate of the Committee shall exercise authority granted to the Committee to the extent that the exercise of such authority would cause an Award designated as a Qualified Performance-Based Award not to qualify, or to cease to qualify, for the Section 162(m) Exemption.

(b) Section 16(b).

- (i) The provisions of the Plan are intended to ensure that transactions under the Plan are not subject to (or are exempt from) the short-swing recovery rules of Section 16(b) of the Exchange Act and shall be construed and interpreted in a manner so as to comply with such rules.
- (ii) Notwithstanding any other provision of the Plan to the contrary, if for any reason the appointed Committee does not meet the requirements of Rule 16b-3 of the Exchange Act or Section 162(m) of the Code, such noncompliance with the requirements of Rule 16b-3 of the Exchange Act and Section 162(m) of the Code shall not affect the validity of Awards, grants, interpretations or other actions of the Committee.

(c) Section 409A. It is the intention of the Company that any Award to a Participant who is subject to U.S. income tax that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code shall comply in all respects with the requirements of Section 409A of the Code to avoid the imposition of any tax or interest or the inclusion of any amount in income thereunder, and the terms of each such Award shall be interpreted, administered and deemed amended, if applicable, in a manner consistent with this intention. Notwithstanding the foregoing, neither the Company, a Participating Company, nor any of its Affiliates nor any of its or their directors, officers, employees, agents or other service providers will be liable for any taxes, penalties or interest imposed on any Participant, Beneficiary or other person with respect to any amounts paid or payable (whether in cash, Shares or other property) under any Award, including any taxes, penalties or interest imposed under or as a result of Section 409A of the Code. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award to any Participant who is subject to U.S. income tax that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code:

- (i) any payments (whether in cash, Shares or other property) to be made with respect to the Award upon the Participant's Termination of Service that would otherwise be paid within six months after the Participant's Termination of Service shall be accumulated (without interest, to the extent applicable) and paid on the first day of the seventh month following the Participant's Termination of Service if the Participant is a specified employee within the meaning of Section 409A of the Code (as determined in accordance with the uniform policy adopted by the Committee with respect to all of the arrangements subject to Section 409A of the Code maintained by the Company, a Participating Company and any Affiliates); and
- (ii) any payment to be made with respect to an Award of Restricted Stock Units shall be delivered no later than 60 days after the date on which payment is due under the Award or as otherwise permitted under Treasury Regulations section 1.409A-3(g) for any portion of the payment subject to a dispute.

14. Amendment and Discontinuance

(a) **Amendment and Discontinuance of the Plan.** The Board or the Committee may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which would materially impair the rights of a Participant with respect to a previously granted Award without such Participant's consent, except such an amendment made to comply with applicable law or Applicable Exchange rule or to prevent adverse tax or accounting consequences to the Company or Participants. Notwithstanding the foregoing, no such amendment shall be made without the approval of the Company's Stockholders (i) to the extent such approval is required (A) by applicable law or Applicable Exchange rule as in effect as of the date hereof or (B) under applicable law or Applicable Exchange rule as may be required after the date hereof, (ii) to the extent such amendment would materially increase the benefits accruing to Participants under the Plan, (iii) to the extent such amendment would materially increase the number of securities which may be issued under the Plan or to a Participant or (iv) to the extent such amendment would materially expand the eligibility for participation in the Plan.

(b) **Amendment of Awards.** Subject to Section 8(d), the Committee may unilaterally amend the terms of any Award theretofore granted, but no such amendment shall materially impair the rights of any Participant with respect to an Award without the Participant's consent, except such an amendment made to cause the Plan or Award to comply with applicable law, Applicable Exchange rule or to prevent adverse tax or accounting consequences for the Participant or the Company, a Participating Company, or any Affiliates.

15. Unfunded Status of Plan

It is currently intended that the Plan constitute an unfunded plan. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Shares or make payments; provided, however, that unless the Committee otherwise determines, the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

16. General Provisions

(a) **Conditions for Issuance.** The Committee may require each person purchasing or receiving Shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to the distribution thereof. The certificates or book entry for such Shares may include any legend or appropriate notation that the Committee deems appropriate to reflect any restrictions on transfer, and the Committee may take such other steps as it deems necessary or desirable to restrict the transfer of Shares issuable under the Plan to comply with applicable law or Applicable Exchange rules. Notwithstanding any other provision of the Plan or agreements made pursuant thereto, the Company shall not be required to issue or deliver Shares under the Plan unless such

issuance or delivery complies with all applicable laws, rules and regulations, including the requirements of any Applicable Exchange or similar entity and the Company has obtained any consent, approval or permit from any federal, state or foreign governmental authority that the Committee determines to be necessary or advisable.

(b) **Additional Compensation Arrangements.** Nothing contained in the Plan shall prevent the Company, Participating Company, or any Affiliate from adopting other or additional compensation arrangements for its employees.

(c) **No Contract of Employment.** Neither the Plan nor any Award Agreement shall constitute a contract of employment, and neither the adoption of the

Table of Contents

Plan nor the granting of any Award shall confer upon any employee any right to continued employment. Neither the Plan nor any Award Agreement shall interfere in any way with the right of the Company, a Participating Company, or any Affiliate to terminate the employment of any employee at any time.

(d) **Required Taxes; No Tax Gross Ups.** No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal, state, local or foreign income or employment or other tax purposes with respect to any Award under the Plan, such Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Company, withholding obligations may be settled with Shares, including Shares that are part of the Award that gives rise to the withholding requirement, having a Fair Market Value on the date of withholding equal to the minimum amount required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company, Participating Company, and any Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to such Participant. The Committee may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Shares. Regardless of any arrangements made by the Company, Participating Company, any Affiliate or the Committee with respect to the withholding or other payment of any federal, state, local or foreign taxes of any kind, the liability for all such taxes legally due from a Participant remains the responsibility of the Participant. By accepting an Award, a Participant consents to the methods of tax withholding established by the Committee or otherwise made or arranged by the Company.

(e) **Limitation on Dividend Reinvestment and Dividend Equivalents.** Reinvestment of dividends in additional Restricted Stock at the time of any dividend payment, and the payment of Shares with respect to dividends to Participants holding Awards of Restricted Stock Units, shall only be permissible if sufficient Shares are available under Section 6 for such reinvestment or payment (taking into account then outstanding Awards). In the event that sufficient Shares are not available for such reinvestment or payment, such reinvestment or payment shall be made in the form of a grant of Restricted Stock Units equal in number to the Shares that would have been obtained by such payment or reinvestment, the terms of which Restricted Stock Units shall provide for settlement in cash and for dividend equivalent reinvestment in further Restricted Stock Units on the terms contemplated by this Section 16(e).

(f) **Rights of a Beneficiary.** Any amounts payable and any rights exercisable under an Award after a Participant's death shall be paid to and exercised by the Participant's Beneficiary, except to the extent prohibited by applicable law, Applicable Exchange rule or the terms of an applicable Award Agreement.

(g) **Affiliate Employees.** In the case of a forfeiture or cancellation of an Award to an employee of any Affiliate, all Shares underlying such Awards shall revert to the Company.

(h) **Governing Law and Interpretation.** The Plan and all Awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Georgia, without reference to principles of conflict of laws. The captions of the Plan are not part of the provisions hereof and shall have no force or effect.

(i) **Non-Transferability.** Awards under the Plan cannot be sold, assigned, transferred, pledged or otherwise encumbered other than by will or the laws of descent and distribution, except as provided in Section 6(e).

(j) **Foreign Employees and Foreign Law Considerations.** The Committee may grant Awards to Eligible Individuals who are foreign nationals, who are employed outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause the Company to be subject to) tax, legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan. Notwithstanding any other provision of the Plan, Awards to Participants who are employed and/or otherwise subject to the laws of a jurisdiction outside of the United States shall be subject to such terms and conditions as the Committee shall establish and set forth in an applicable Award Agreement, including any addendum thereto.

(k) **Use of English Language.** The Plan, each Award Agreement, and all other documents, notices and legal proceedings entered into, given or instituted pursuant to an Award shall be written in English, unless otherwise determined by the Committee. If a Participant receives an Award Agreement, a copy of the Plan or any other documents related to an Award translated into a language other than English, and if the meaning of the translated version is different from the English version, the English version shall control.

(l) **Recovery of Amounts Paid.** All Awards granted under the Plan shall be subject to any policy established by the Committee under which the Company may recover from current and former Participants any amounts paid or Shares issued under an Award and any proceeds therefrom. The Committee may apply such policy to Awards granted before the policy is adopted to the extent required by applicable law or Applicable Exchange rule or as otherwise provided by such policy.

(m) **Notices.** A notice or other communication to the Committee shall be valid only if given in the form and to the location specified by the Committee.
