The following document is an offer document (the Offer Document) prepared in connection with a public tender offer (the Offer) by 2016091 Ontario Inc., a wholly-owned subsidiary of Open Text Corporation, to acquire the shares of IXOS Software Aktiengesellschaft. The Offer is being made in accordance with German law, in particular the German Law on Securities Acquisition and Takeovers (the WpUG). The publication of the Offer Document on this website is in compliance with the publication obligations under the WpUG.

### Legal note

The following information is for shareholders of IXOS Software Aktiengesellschaft (IXOS) resident in the United States or Canada.

This exchange offer is made for the securities of a foreign company. The offer is subject to disclosure requirements of a foreign country that are different from those of the United States. Financial statements included in the document, if any, have been prepared in accordance with foreign accounting standards that may not be comparable to the financial statements of United States companies.

It may be difficult for you to enforce your rights and any claim you may have arising under the federal securities laws, since the issuer is located in a foreign country, and some or all of its officers and directors may be residents of a foreign country. You may not be able to sue a foreign company or its officers or directors in a foreign court for violations of the U.S. securities laws. It may be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment.

You should be aware that the issuer may purchase securities otherwise than under the exchange offers, such as in open market or privately negotiated purchases.

This voluntary takeover bid by 2016091 Ontario Inc. (the Bidder), a wholly-owned subsidiary of Open Text Corporation, is a public tender offer to acquire shares under the WpUG. Exemptive relief from the Canadian takeover bid requirements has been granted in connection with this Offer being made to IXOS shareholders resident in the Canadian Provinces of British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, Nova Scotia, Newfoundland, New Brunswick and Prince Edward Island.

The English version of the Offer Document is an English convenience translation of the German language Offer Document, which is being made available to all the shareholders of IXOS and is subject to German law, in particular the WpUG. There is no intention to make a public tender offer under another jurisdiction. No announcements, registrations, authorizations or permits have been applied for or arranged under the Offer Document and/or the Offer outside the Federal Republic of Germany. IXOS shareholders will not, therefore, be able to invoke investor protection legislation of jurisdictions outside Germany.

The Bidder has published this Offer Document in compliance with ss. 14 para. 3 WpUG through an announcement on the Internet at [www.2016091ontario.de](http://www.2016091ontario.de). The Offer Document is also available to IXOS shareholders, free of charge, at Commerzbank Aktiengesellschaft, ZGS-CMAD, DLZ 2, Mainzer Landstrasse 153, 60327 Frankfurt am Main, Fax 069 136-44598. The notice will be published in the Financial Times Deutschland.

## Edgar Filing: OPEN TEXT CORP - Form CB
