**Item 1.01. Entry into a Material Definitive Agreement.**

On August 2, 2017, Neonode Inc. entered into a purchase agreement (the “Securities Purchase Agreement”) with accredited investors as part of a private placement pursuant to which Neonode agreed to issue a total of 9,750,000 shares of Neonode common stock (the “Shares”) and warrants, as described below, for an aggregate purchase price of \$9.75 million in gross proceeds.

Under the terms of the Securities Purchase Agreement, Neonode will issue warrants (the “Warrants”) to all investors in the private placement to purchase up to a total of approximately 3,250,000 shares of Neonode common stock (the “Warrant Shares”) at an exercise price of \$2.00 per share. The total number of Warrant Shares represents a ratio of warrant coverage to the Shares such that investors will be entitled to receive one Warrant Share upon cash exercise for every three Shares purchased. The Warrants also are not exercisable if Neonode does not have sufficient authorized unissued and unreserved shares of common stock. The exercise price of the Warrants is subject to adjustment for stock splits, stock dividends, recapitalizations, and similar transactions or a “Fundamental Transaction” as provided for in the terms of the Warrants. The holders may exercise Warrants in whole or in part. The Warrants will expire three years from the date of closing of the private placement and are non-exercisable for the first twelve months.

The Securities Purchase Agreement further provides that upon closing, the investors in the private placement that beneficially own at least a majority of the aggregate number of Shares and Warrant Shares may designate up to two individuals to serve as a member of the Board of Directors of Neonode, provided that each board designee is eligible to serve as an independent director under applicable Nasdaq rules and otherwise satisfies all legal and governance requirements regarding service as a director of the company.

Copies of the Securities Purchase Agreement and the form of Warrant are filed as Exhibit 10.1 and Exhibit 4.1 hereto, and are incorporated herein by reference. The foregoing summaries of each of the Securities Purchase Agreement and the Warrant are qualified in their entirety by reference to such documents.

**Item 3.02. Unregistered Sales of Equity Securities.**

Reference is made to the disclosure set forth under Item 1.01 of this Report, which disclosure is incorporated herein by reference.

The Shares, the Warrants, and the Warrant Shares were offered and have been issued pursuant to Rule 506 of Regulation D and/or Section 4(a)(2) of the Securities Act of 1933, as amended, in transactions not involving any public offering or pursuant to Regulation S.

In connection with the closing of the private placement, Neonode will pay an external advisor resident outside the U.S. a fee equal to five percent of the aggregate subscription amount purchased by investors who are not U.S. persons.

**Item 8.01. Other Events.**
