Statements contained in this Current Report on Form 8-K and the Exhibits to this Current Report on Form 8-K about the Company's outlook and all other statements therein other than historical facts are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and the provisions of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended (which Sections were adopted as part of the Private Securities Litigation Reform Act of 1995). These forward-looking statements and all references to financial estimates rely on a number of assumptions concerning future events and are subject to a number of uncertainties and other factors, many of which are outside the Company's control, which could cause actual results to differ materially from such statements. While the Company believes that the assumptions concerning future events are reasonable, it cautions that there are inherent difficulties in predicting certain important factors. These factors are discussed in the Company's filings with the Securities and Exchange Commission, including the Company's most recent Quarterly Report on Form 10-Q filed on February 4, 2006, under the caption "Risk Factors Related to Our Business," a copy of which may be obtained through the Company without charge. The Company disclaims any intention or obligation to revise any forward-looking statements, including financial estimates, whether as a result of new information, future event, or otherwise.
