Item 1.01 Entry into a Material Definitive Agreement.

On February 15, 2007, Polaris Industries Inc. (the "Company") and its Austrian subsidiary entered into a supplement (the "Supplement") to a Share Purchase Agreement dated December 22, 2006 (as amended, the "Share Purchase Agreement"), which was filed as Exhibit 10.gg to the Current Report on Form 8-K filed by the Company on December 22, 2006. The Share Purchase Agreement provides that the Company will sell approximately 1.38 million shares of KTM Power Sports AG ("KTM") to a subsidiary of KTM's largest shareholder, Cross Industries AG ("Cross") for a purchase price of approximately 58.5 million Euros. The terms of the Share Purchase Agreement contemplated that the sale of KTM shares would be completed in two stages with approximately half of the shares to be sold on or before March 15, 2007 and the other half of the shares to be sold on or before June 15, 2007.

The Supplement memorialized that the closing of the sale of 1,106,561 shares of KTM stock would take place on February 20, 2007 and that the closing of the purchase of the remaining 272,000 shares to be purchased under the Share Purchase Agreement would take place on or before June 15, 2007. All other terms and conditions of the original share purchase agreement, dated December 22, 2006, remain in full force and effect.

The foregoing description of the terms of the Supplement is qualified in its entirety by reference to the Supplement, which is attached to this Current Report on Form 8-K as Exhibit 10.hh.

Item 7.01 Regulation FD Disclosure.

On February 20, 2007, the Company issued a news release announcing that its Austrian subsidiary had completed the first closing of its sale of shares of KTM to a subsidiary of Cross, under the terms of the Share Purchase Agreement. Approximately 1.11 million shares were delivered at a purchase price of approximately 47.0 million Euros. The Share Purchase Agreement provides for the completion of the sale of approximately 0.27 million additional shares of KTM stock on or before June 15, 2007. Upon completion of that transaction, Polaris will then hold approximately 0.34 million KTM shares, representing slightly less than 5 percent of KTM's outstanding shares. Polaris intends to utilize the proceeds generated from the closing completed today to reduce the outstanding balance of the Company's revolving credit facility.

The Company also announced today that it is increasing its previously issued guidance for first quarter and full year 2007 earnings per share from continuing operations. Previously issued guidance for 2007 sales growth remains unchanged.

A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
