SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement.

On February 3, 2011, Gilead Sciences Limited (GSL), a wholly-owned subsidiary of Gilead Sciences, Inc. (Gilead), and PharmaChem Technologies (Grand Bahama) Ltd. (PharmaChem) entered into an addendum (Addendum) to the Tenofovir Disoproxil Fumarate Manufacturing Supply Agreement dated as of July 17, 2003, as previously amended (Supply Agreement).

Under the Supply Agreement, PharmaChem manufactures and supplies GSL and third parties authorized by GSL with commercial supply of bulk tenofovir disoproxil fumarate, the active pharmaceutical ingredient of Viread® and one of the active pharmaceutical ingredients of Truvada® and Atripla®. The Addendum, among other things, extends the term of the Supply Agreement from December 31, 2012 to December 31, 2016, provides GSL an option to further extend the term to December 31, 2017, and sets forth GSL's minimum total purchase obligations and corresponding pricing projections for the extension period.

The foregoing description of the Addendum contained in this Item 1.01 does not purport to be complete and is qualified in its entirety by reference to the complete text of the Addendum, which will be filed, with confidential terms redacted, with the Securities and Exchange Commission as an exhibit to the registrant's Quarterly Report on Form 10-Q for the period ending on March 31, 2011.
