Item 5.02 Departure of Certain Directors or Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.

(e) ARMOUR Residential REIT, Inc. (“ARMOUR” or the “Company”) held its 2014 Annual Meeting of Stockholders on May 8, 2014. At the Annual Meeting, stockholders of ARMOUR voted to approve a proposal for an amendment to ARMOUR's Amended and Restated 2009 Stock Incentive Plan to increase the aggregate number of shares of common stock authorized for issuance thereunder from 2,000,000 shares to 15,000,000 shares (the “Amended Plan”). The Amended Plan is intended to attract, retain and reward directors, officers and other employees, and other persons who provide services to ARMOUR.

The Amended Plan allows for the Board of Directors of the Company (the “Board”) to expand the types of awards available under the Amended Plan. The maximum number of shares that may underlie awards in any one year to any eligible person will be determined by the compensation committee of the Board (the “Compensation Committee”) or the Board. If an award granted under the Amended Plan expires or terminates, the shares subject to any portion of the award that expires or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards.

The Amended Plan provides for grants of common stock, restricted shares of common stock, stock options, performance shares, performance units, stock appreciation rights and other equity-based and cash-based awards.

Upon a change in control, as defined in the Amended Plan, the Compensation Committee may make certain adjustments which it, in its discretion, determines are necessary or appropriate in light of the change in control. These include, accelerating the vesting of some or all of the awards under the Amended Plan, terminating all awards under the Amended Plan (allowing for either the exercise of vested awards or a cash payment in lieu of vested awards), converting the awards to the right to receive proceeds in the event of liquidation, or a combination of any of the foregoing. In the event that the Compensation Committee does not terminate or convert an award upon a change in control, then the award shall be assumed, or substantially equivalent awards shall be substituted, by the acquiring, or succeeding corporation (or an affiliate thereof).

The Board may amend, alter or discontinue the Amended Plan but cannot take any action that would impair the rights of a participant without such participant’s consent. To the extent necessary and desirable, the Board must obtain approval of the Company's stockholders for any amendment that would: (i) other than through adjustment as provided in the Amended Plan, increase the total number of shares of common stock reserved for issuance under the Amended Plan; (ii) change the class of persons eligible to participate in the Amended Plan; (iii) reprice any stock option awards under the Amended Plan; or (iv) otherwise require such approval.

The Compensation Committee may amend the terms of any award granted under the Amended Plan, prospectively or retroactively, but generally may not impair the rights of any participant without his or her consent.

A copy of the Amended Plan is attached as Exhibit 10.1 to this report and is incorporated herein by reference.
