This Amendment No. 3 to Statement on Schedule 13D relates to the beneficial ownership of common stock, no par value (the "Common Stock"), of Aspyra, Inc., a California corporation (the "Company"). This Amendment No. 3 to Schedule 13D is being filed on behalf of James Shawn Chalmers (the "Reporting Person") and amends and supplements the Schedule 13D originally filed by the Reporting Person on May 23, 2006, as amended by Amendment No.1 thereto filed by the Reporting Person on October 24, 2007 and Amendment No. 2 filed by the Reporting Person on April 3, 2008 (collectively, the "Existing Schedule 13D"). Unless otherwise defined herein, all capitalized terms used herein shall have the respective meanings given such terms in the Existing Schedule 13D.

Item 3 of the Existing Schedule 13D is amended to read in its entirety as follows:

"Item 3. Source and Amount of Funds or Other Consideration.

On September 16, 2005 J&S expended \$9,345 of its investment capital to purchase 3,500 shares of Common Stock.

On May 17, 2006, pursuant to a Common Stock and Warrant Purchase Agreement with the Company dated as of May 4, 2006 (the "Purchase Agreement"), Orion purchased directly from the Company for an aggregate purchase price of \$400,000, an aggregate of 200,000 shares of Common Stock and warrants to purchase for \$3.00 per share an aggregate of 120,000 shares of Common Stock. On August 30, 2007 Orion exercised such warrants in full for \$132,000. The warrants were exercised in connection with the offer by the Company to all such warrant holders of a one-time temporary reduction in the exercise price of the warrants from \$3.00 per share to \$1.10 per share of Common Stock.

On May 17, 2006, pursuant to the Purchase Agreement, the Chalmers Trust purchased directly from the Company for an aggregate purchase price of \$300,000, an aggregate of 150,000 shares of Common Stock and warrants to purchase for \$3.00 per share an aggregate of 90,000 shares of Common Stock. On August 30, 2007 the Chalmers Trust exercised such warrants in full for \$99,000. The warrants were exercised in connection with the offer by the Company to all such warrant holders of a one-time temporary reduction in the exercise price of the warrants from \$3.00 per share to \$1.10 per share of Common Stock.

The source of funds to pay the \$400,000 and \$300,000 purchase prices for the purchases of Common Stock and warrants made by Orion and the Chalmers Trust on May 17, 2006 and the exercise of such warrants as described in the preceding two paragraphs were advances from Harrington Bank under lines of credit maintained by such entities.

On May 22, 2006 Orion purchased in an open market transaction 9,000 shares of Common Stock at \$2.25 per share (an aggregate of \$20,250) and paid \$364.75 as a commission for such purchase.

During the period from May 26, 2006 to August 16, 2006 Orion purchased an aggregate of 59,200 shares of Common Stock in open market transactions for an aggregate purchase price, including commissions, of \$139,294.71. The entire purchase price was paid from the investment capital of Orion.

During the period from July 18, 2006 to September 29, 2006 the Reporting Person purchased an aggregate of 30,000 shares of Common Stock for his children (7,500 for each child) for an aggregate purchase price of \$57,037.00 in open market transactions. The Reporting Person's children used their personal funds to make such purchases.

On March 15, 2007 the Chalmers Trust purchased 2,100 shares of Common Stock in open market transactions for an aggregate purchase price, including commissions, of \$3,419.75. The entire purchase price was paid from the internal funds of the Chalmers Trust.

On October 19, 2007, the Chalmers Trust received a distribution from a limited liability company of which it was a member of an aggregate of 238,723 shares of Common Stock. The Chalmers Trust did not pay any consideration to any person in connection with the distribution to it of such shares.

Orion and the Chalmers Trust effect open market purchases of securities primarily through lines of credit or margin accounts maintained for them with Harrington Bank and Southwest Securities, Inc., which may extend margin credit to Orion and Chalmers Trust as and when required to open or carry positions in the margin accounts, subject to applicable Federal margin regulations, stock exchange rules and the firm's credit policies. In such instances, the positions held in the margin accounts are pledged as collateral security for the repayment of debit balances in the accounts.

On March 26, 2008 the Chalmers Trust purchased for \$750,000 (\$450,000 in cash and a rollover of a bridge note in the principal amount of \$300,000 which evidenced a bridge loan made by the Chalmers Trust to the Company on March 13, 2008), (a) a secured convertible note of the Company in the principal amount of \$750,000 and (b) three year warrants to purchase an aggregate of 1,363,636 shares of Common Stock at an exercise price of \$.55 per share. The note is convertible into Common Stock at a conversion rate of one share for each \$.55 in principal and/or interest converted. The note and warrants contain certain limitations on exercise which provide that the number of shares of Common Stock that may be acquired by the holder of the warrants upon any exercise of the warrant or the holder of the note upon conversion of the note shall be limited to the extent necessary to insure that, following such exercise or conversion the total number of shares of Common Stock then beneficially owned by such holder and the holder's affiliates and any other persons whose beneficial ownership of Common Stock would be aggregated with the holder's for purposes of Section 13(d) of the Securities Exchange Act does not exceed 9.99% of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise or conversion). The source of funds to pay the \$750,000 purchase price (including the original bridge loan) was an advance from Enterprise Bank & Trust Company under a line of credit maintained with such bank.

On February 12, 2009 the Chalmers Trust purchased for \$175,000 in cash (a) a secured convertible note of the Company in the principal amount of \$175,000 and (b) three year warrants to purchase an aggregate of 1,010,484 shares of Common Stock at an exercise price of \$.31 per share. The note is convertible into Common Stock at a conversion rate of one share for each \$.31 in principal and/or interest converted. The note and warrants contain certain limitations on exercise which provide that the number of shares of Common Stock that may be acquired by the holder of the warrants upon any exercise of the warrant or the holder of the note upon conversion of the note shall be limited to the extent necessary to insure that, following such exercise or conversion the total number of shares of Common Stock then beneficially owned by such holder and the holder's affiliates and any other persons whose beneficial ownership of Common Stock would be aggregated with the holder's for purposes of Section 13(d) of the Securities Exchange Act does not exceed 9.99% of the total number of issued and outstanding shares of Common Stock (including for such purpose the shares of Common Stock issuable upon such exercise or conversion). The source of funds to pay the \$175,000 purchase price was an advance from Harrington Bank under a line of credit maintained with such bank.

Without the limitations set forth in the preceding two paragraphs, the Reporting Person would be deemed to beneficially own an aggregate of 5,228,295 shares of Common Stock."

Item 5 of the Schedule 13D is amended to read in its entirety as follows:

"Item 5. Interest in Securities of the Issuer.

(a) As of the date hereof, the Reporting Person may be deemed to beneficially own 1,264,818 shares of the Common Stock representing 9.99% beneficial ownership of the Company's Common Stock. This includes 3,500 shares of Common Stock directly owned by J&S; 388,200 shares of Common Stock directly owned by Orion; 30,000 shares owned by the Reporting Person's children and 843,118 shares of Common Stock directly owned by (or which can be acquired upon exercise of warrants or conversion of a convertible held by) the Chalmers Trust.

(b) The Reporting Person may be deemed to share with the entity directly owning such shares, the power to vote or to direct the vote of, and the power to dispose or direct the disposition of all of the shares of Common Stock reported as beneficially owned by such Reporting Person.

The note is convertible into Common Stock at a conversion rate of one share for each \$.31 in principal and/or interest converted.
