The Board of Directors of the Company (the "Board of Directors") has set the close of business on March 1, 2013 as the record date for the determination of stockholders entitled to vote at the Meeting. A stockholder executing and returning a proxy has the power to revoke it at any time before it is exercised by filing a later-dated proxy with, or other communication to, the Secretary of the Company or by attending the Meeting and voting in person.

The proxy will be voted in accordance with your directions to:

1. Consider and act upon a motion to elect three directors;

3. Consider and act upon a motion to amend the Bridgeline Digital, Inc. Amended and Restated Stock Incentive Plan to increase the number of shares of Common Stock available for issuance upon exercise of options granted under the Plan from 3,300,000 shares to 3,900,000 shares;
4. Consider and act upon a motion to ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for its fiscal year ending September 30, 2013;

The Proxy Statement, the attached Notice of Meeting, the enclosed form of proxy and the Annual Report are being mailed to stockholders on or about March 18, 2013. The Company's principal executive offices are located at 80 Blanchard Road, Burlington, Massachusetts 01803 and its telephone number at that location is (781) 376-5555.

The entire cost of soliciting proxies will be borne by the Company. The costs of solicitation will include the costs of supplying necessary additional copies of the solicitation materials and the Company's Annual Report to Stockholders for its fiscal year ended September 30, 2012 (the "Annual Report") to beneficial owners of shares held of record by brokers, dealers, banks, trustees, and their nominees, including the reasonable expenses of such record holders for completing the mailing of such materials and Annual Reports to such beneficial owners. Solicitation of proxies may also include solicitation by telephone, fax, electronic mail, or personal solicitations by Directors, officers, or employees of the Company. No additional compensation will be paid for any such services. The Company may engage a professional proxy solicitation firm to assist in the proxy solicitation and, if so, will pay such solicitation firm customary fees plus expenses.

Only stockholders of record of the Company's 15,332,768 shares of Common Stock outstanding at the close of business on March 1, 2013 will be entitled to vote at the Meeting.

Stockholders may vote by proxy over the Internet, over the telephone or by mail. The procedures for voting by proxy are as follows:

- To vote by proxy over the Internet, go to www.voteproxy.com to complete an electronic proxy card;
- To vote by proxy over the telephone, dial the toll-free phone number listed on your proxy card and following the recorded instructions; or
- To vote by proxy by mail you must complete, sign and date your proxy card and return it promptly in the envelope provided.

Stockholders of record may also vote in person at the annual meeting.

Each share of Common Stock is entitled to one vote. A majority of the outstanding shares of the Common Stock represented in person or by proxy at the Meeting will constitute a quorum at the Meeting. All shares of the Common Stock represented in person or by proxy (including shares which abstain or do not vote for any reason with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Meeting.

Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the number of shares present and entitled to vote with respect to any particular matter, but will not be counted as a vote in favor of such matter. Accordingly, an abstention from voting on a matter has the same legal effect as a vote against the matter.

If a stockholder holds shares beneficially in street name and does not provide its broker with voting instructions, the shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. Brokers that have not received voting instructions from their clients cannot vote on their clients’ behalf on “non-routine” proposals. All proposals, except for Proposal 4, are non-routine proposals. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote and have no effect on the voting on such matter.

The Directors will be elected by a plurality of the votes properly cast at the Meeting. Abstentions and broker non-votes as to this election do not count as votes for or against such election.

The approval of the proposal to amend the Company’s Restated Certificate of Incorporation will require the affirmative vote of the holders of a majority of the Common Stock issued and outstanding as of the record date. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

For the advisory vote on the frequency of holding future say-on-pay votes, the frequency that receives the highest number of affirmative votes cast on the matter shall be deemed approved. Abstentions and broker non-votes will have no effect on the outcome of voting on this matter.

All of the other proposals at the meeting require the favorable vote of a majority of the votes cast on the matter. Abstentions will have the same effect as a vote against the matter, and broker non-votes will have no effect on the outcome of voting on these matters.

During Fiscal 2012, each director attended each meeting, except that each of Mr. Galaznik, Ms. Kahn and Mr. Landers did not attend one meeting. The Chairman was present at all meetings. Messrs. Massie, Cavalier, Coldrick, Hegarty and Landers attended last year's annual meeting. The Company encourages Board members to attend the Annual Meeting.

Structure of the Board of Directors

Mr. Massie serves as our President and Chief Executive Officer and Chairman of the Board of the Directors. The Board of Directors believes this structure provides an efficient and effective leadership model for the Company and fosters clear accountability, effective decision-making and alignment on corporate strategy. This structure also enables Mr. Massie to act as the key link between the Board of Directors and other members of management. In addition, the Board of Directors believes this structure makes sense considering the size of our operations. The Board of Directors has not designated a lead independent director.

The Board of Directors' Role in Risk Oversight

The Board of Directors oversees our risk management process. This oversight is primarily accomplished through the Board of Directors' committees and management's reporting processes, including receiving regular reports from members of senior management on areas of material risk to the company, including operational, financial and strategic risks. The Audit Committee focuses on risks related to accounting, internal controls, and financial and tax reporting and related party transactions. The Audit Committee also assesses economic and business risks and monitors compliance with ethical standards. The Compensation Committee identifies and oversees risks associated with our executive compensation policies and practices.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee assists the Board in the oversight of the audit of our consolidated financial statements and the quality and integrity of our accounting, auditing and financial reporting processes. The Audit Committee is responsible for making recommendations to the Board concerning the selection and engagement of independent registered public accountants and for reviewing the scope of the annual audit, audit fees, results of the audit and auditor independence. The Audit Committee also reviews and discusses with management and the Board such matters as accounting policies, internal accounting controls and procedures for preparation of financial statements. Our Audit Committee is comprised of Mr. Galaznik (Chair), Ms. Kahn and Mr. Landers. Our Board has determined that each of the members of the Audit Committee meet the criteria for independence under the standards provided by the Nasdaq Stock Market. The Board of Directors has adopted a written charter for the Audit Committee. A copy of such charter is available on the Company's website, www.bridgeline.digital.com. The Company's website is not part of this proxy statement. During Fiscal 2012, the Audit Committee met five times. Each member of the Audit Committee attended each such meeting, except that Mr. Landers did not attend one meeting. The Chairman of the Audit Committee was present at all meetings.

Audit Committee Financial Expert. Our Board has also determined that each of Mr. Galaznik and Mr. Landers qualifies as an "audit committee financial expert" as defined under Item 407(d)(5) of Regulation S-K.

Compensation Committee

The Compensation Committee evaluates the performance of our senior executives, considers the design and competitiveness of our compensation plans, including the review of independent research and data regarding compensation paid to executives of public companies of similar size and geographic location, reviews and approves senior executive compensation and administers our equity compensation plans. In addition, the Committee also conducts reviews of executive compensation to ensure compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended. Our Compensation Committee is comprised of Mr. Cavalier (Chair), Mr. Hegarty and Ms. Kahn, all of whom are independent directors. The Board of Directors has adopted a written charter for the Compensation Committee. A copy of such charter is available on the Company's website, www.bridgeline.digital.com. During Fiscal 2012, the Compensation Committee met twice and acted eight times by unanimous written consent.

Nominating and Corporate Governance Committee

The Nominating and Governance Committee identifies candidates for future Board membership and proposes criteria for Board candidates and candidates to fill Board vacancies, as well as a slate of directors for election by the shareholders at each annual meeting. The Nominating and Governance Committee also annually assesses and reports to the Board on Board and Board Committee performance and effectiveness and reviews and makes recommendations to the Board concerning the composition, size and structure of the Board and its committees. Messrs. Hegarty (Chair), Cavalier, and Landers, all of whom are independent directors, are the members of the Nominating and Governance Committee.

The Nominating and Corporate Governance Committee may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. Although the Company does not have a formal policy regarding diversity in identifying nominees for directors, for all potential candidates, the Nominating and Corporate Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Nominating and Corporate Governance Committee believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for director for election at the 2014 Annual Meeting of Stockholders, it must follow the procedures described in "Stockholder Proposals and Recommendations for Director."

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of such charter is available on the Company's website, www.bridgeline.digital.com. During Fiscal 2012, the Nominating and Corporate Governance Committee did not hold a formal meeting.

PROPOSAL 2

AMENDMENT THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

Purpose

The Board of Directors has voted to recommend to the stockholders that the Company amend its Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock from 20,000,000 to 30,000,000 shares. The text of the proposed amendment is set forth as Appendix B to this proxy statement.

As of January 28, 2013, there were 15,332,768 shares of our Common Stock issued and outstanding, and we had reserved for future issuance an additional (a) 3,300,000 shares upon exercise of awards granted under our Amended and Restated Stock Incentive Plan, (b) 275,036 shares for issuance under our Employee Stock Purchase Plan, (c) 558,621 shares for issuance as contingent consideration for a previous acquisition, and (d) 267,931 shares upon exercise of outstanding stock purchase warrants. As of January 28, 2013, the Company had 265,644 shares authorized but not issued or reserved as set forth above.

The Board of Directors believes that the increase in the number of authorized shares of Common Stock is in the best interests of our Company and our stockholders. The Board of Directors believes that the authorized Common Stock should be increased to provide sufficient shares for such corporate purposes as may be determined by the Board of Directors. These purposes may include, among others, the issuance of Common Stock to facilitate potential mergers or acquisitions, raising capital through the sale of stock, and/or attracting or retaining valuable employees by the issuance of stock options. Except as described above or elsewhere in this proxy statement, we have no plans, understandings, commitments, agreements or undertakings concerning the issuance of any such additional shares. The Board of Directors, however, considers the authorization of additional shares of Common Stock advisable to ensure prompt availability of shares for issuance should the occasion arise.

Authorized Capital Stock

Common Stock

Holders of our Common Stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and have the right to for the election of directors. Holders of our Common Stock are entitled to receive ratably such dividends, if any, as may be declared by our Board of Directors out of funds legally available therefore, subject to any preferential dividend rights of outstanding Preferred Stock. Upon our liquidation or dissolution, the holders of Common Stock are entitled to receive ratably our net assets available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding Preferred Stock. Holders of our Common Stock have no preemptive, subscription, redemption or conversion rights. The rights, preferences and privileges of holders of our Common Stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of Preferred Stock which we may designate and issue in the future.

Under the Delaware General Corporation Law, the Board of Directors generally may issue authorized but unissued shares of Common Stock without further stockholder approval. The Board of Directors does not currently intend to seek stockholder approval prior to any future issuance of additional shares of Common Stock, unless stockholder action is required in a specific case by applicable law, the rules of any exchange or market on which our securities may then be listed or traded, or our Restated Certificate of Incorporation or By-Laws then in effect. Frequently, opportunities arise that require prompt action, and we believe that delay necessitated for stockholder approval of a specific issuance could be detrimental to our Company and our stockholders.

The additional shares of Common Stock authorized for issuance pursuant to this proposal will have the rights and privileges which the presently outstanding shares of Common Stock possess under our Restated Certificate of Incorporation. Shares of our Common Stock, including the additional shares proposed for authorization, do not have preemptive or similar rights. The increase in authorized shares would not affect the terms or rights of holders of existing shares of Common Stock. The voting, dividend and liquidation rights of the holders of Common Stock, however, may be subordinate to the rights of the holders of the any preferred stock which may be issued from time to time. All outstanding shares of Common Stock would continue to have one vote per share on all matters to be voted on by the stockholders, including the election of directors.

The issuance of any additional shares of Common Stock by our Company may, depending on the circumstances under which those shares are issued, reduce stockholders' equity per share and, unless additional shares are issued to all stockholders on a pro rata basis, will reduce the percentage ownership of Common Stock of existing stockholders. We expect, however, to receive consideration for any additional shares of Common Stock issued, thereby reducing or eliminating any adverse economic effect to each stockholder of such dilution.

The authorized but unissued shares of Common Stock could be used to make a change in control of our Company more difficult. For example, such shares could be sold to purchasers who might side with the Board of Directors in opposing a takeover bid that the Board determines not to be in the best interests of our Company and our stockholders. Such a sale could have the effect of discouraging an attempt by another person or entity, through the acquisition of a substantial number of shares of our Common Stock, to acquire control of our Company since the issuance of new shares could be used to dilute the stock ownership of the acquirer. Our Restated Certificate of Incorporation and By-Laws contain certain provisions, including the grant of authority to the Board of Directors to issue up to 1,000,000 shares of preferred stock in one or more series (with such rights and preferences as the Board may determine), without the approval of stockholders, and certain provisions relating to the calling of stockholder meetings and the conduct of such meetings, that may be considered to have an anti-takeover effect. We are not aware of any pending or threatened efforts to obtain control of our Company, and the Board of Directors has no current intention to use the additional shares of Common Stock to impede a takeover attempt or to propose any additional anti-takeover measures in future proxy solicitations.

Preferred Stock

Our Board of Directors is authorized, subject to certain limitations prescribed by law, without further stockholder approval, to issue from time to time up to an aggregate of 1,000,000 shares of Preferred Stock in one or more series and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each such series thereof, including the dividend rights, dividend rates, conversion rights, voting rights and terms of redemption of shares constituting any series or designations of such series. The rights of the holders of Common Stock will be subject to, and may be adversely affected by, the rights of holders of any Preferred Stock that may be issued in the future. Issuance of Preferred Stock could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from acquiring, a majority of the outstanding voting stock of the Company.

Warrants

On May 31, 2012, the Company issued five year warrants to purchase an aggregate of 217,913 shares of the Company's common stock at a price equal to \$1.40 per share to a placement agent and its affiliates in return for investment banking services related to a private placement.

On October 29, 2010, the Company issued four year warrants to purchase an aggregate of 64,000 shares of the Company's common stock at a price equal to \$1.45 per share to a placement agent and its affiliates in return for investment banking services related to a private placement and the agreement to cancel certain outstanding warrants to purchase shares of the Company's common stock previously issued to such placement agent. These warrants were exercised in December 2012.

On October 21, 2010, the Company issued warrants to purchase 50,000 shares of the Company's common stock to a non-employee consultant as compensation for services rendered. The warrants vested over a one year period and expire on October 15, 2015. Of the warrants issued, 25,000 are exercisable at an exercise price of \$1.00 per share and 25,000 are exercisable at an exercise price of \$2.00 per share.

Required Stockholder Vote to Approve the Proposal

Approval of this amendment will require the affirmative vote of the holders of a majority of the Common Stock issued and outstanding as of the record date. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

The Board of Directors recommends a vote FOR the approval of Proposal No. 2 to approve an amendment to the Restated Certificate of Incorporation in order to increase the number of authorized shares of Common Stock from 20,000,000 to 30,000,000.

PROPOSAL 3

AMENDMENT OF THE BRIDGELINE DIGITAL, INC. AMENDED AND RESTATED STOCK INCENTIVE PLAN TO INCREASE NUMBER OF SHARES

The Board of Directors believes that the future success of Bridgeline Digital depends, in large part, upon the ability of the Company to attract, retain and motivate key employees and that the granting of stock options serves as an important factor in retaining key employees. In addition, the Board of Directors believes it is important to have a pool of options available for issuance as the Company considers potential acquisitions. On January 18, 2012, the Company's Board of Directors approved, subject to stockholder approval, an amendment to the Bridgeline Digital, Inc. Amended and Restated Stock Incentive Plan, as amended (the "Stock Incentive Plan"), to increase the number of shares reserved for issuance under the Stock Incentive Plan from 3,300,000 to 3,900,000 shares. As of January 18, there were 88,081 shares remaining available for issuance under the Stock Incentive Plan.

The Board of Directors believes the current number of shares remaining available for issuance under the Stock Incentive Plan is insufficient. Based on the Company's current rate of option grants as well as the Company's anticipated hiring of new employees, the Board of Directors believes the existing share reserve will be exhausted within the next three to six months. Without the ability to provide equity compensation, the Company may be unable to attract and retain key employees. If this proposal is approved, the Company intends to continue to provide equity incentives to existing key employees as well to certain newly-hired employees and outside directors. If this proposal is approved, the Company expects to have sufficient shares available under the Stock Incentive Plan for the next twelve to eighteen months.

The proposed increase of 600,000 shares was determined by comparing the Company's past option grants to key employees and new employees to its current hiring and retention plan. The proposed increase in the number of shares reserved from 3,300,000 to 3,900,000 would increase the Company's overhang from 22% to 25%. The Company's burn rate, net of forfeited and expired shares, has averaged 4% over the past three fiscal years.

The Board of Directors believes that the increase in the number of shares available for issuance under the Stock Incentive Plan is in the best interests of the Company and recommends a vote for this proposal.

Purpose of Stock Incentive Plan

The purpose of the Stock Incentive Plan is to advance the interests of Bridgeline Digital by encouraging equity participation in Bridgeline Digital by directors, officers and employees of Bridgeline Digital through the acquisition of shares of Common Stock upon the exercise of options granted under the Stock Incentive Plan.

General Provisions

The following summary of the Stock Incentive Plan is qualified in its entirety by reference to the Stock Incentive Plan, as proposed to be amended, a copy of which is attached as Appendix C to this Proxy Statement.

Our Stock Incentive Plan, as proposed to be amended, was originally adopted in 2000 and was amended and restated in August 2006 and further amended in April 2007, April 2008, March 2010, March 2011 and April 2012. The Stock Incentive Plan allows us to grant options and other forms of stock-based compensation to our officers, directors, employees and outside consultants and advisors. We have developed this Stock Incentive Plan to align the interests of (i) employees, (ii) non-employee Board members, and (iii) consultants and key advisors with the interests of our shareholders and to provide incentives for these persons to exert maximum efforts for our success and to encourage them to contribute materially to our growth. As of December 15, 2012, there were approximately 158 persons eligible to participate in the Stock Incentive Plan.

The Stock Incentive Plan is not subject to the provisions of the Employment Retirement Income Security Act, as amended (“ERISA”), and is not a “qualified plan” within the meaning of Section 401 of the Internal Revenue Code, as amended (the “Code”).

Shares Subject to the Stock Incentive Plan. Currently, we may issue up to 3,300,000 shares under the Stock Incentive Plan, subject to adjustment to prevent dilution from stock dividends, stock splits, recapitalization or similar transactions. The Board of Directors has approved an amendment, subject to stockholder approval, to increase the number of shares which may be issued under the Stock Incentive Plan to 3,900,000 shares.

Administration of the Stock Incentive Plan. The Stock Incentive Plan is administered by the Compensation Committee. Except for certain non-discretionary option grants to certain of our directors described below, the Compensation Committee selects the individuals to whom options and awards are granted and determines the option exercise price and other terms of each award, subject to the provisions of the Stock Incentive Plan. The Compensation Committee has delegated limited authority to grant a limited number of stock options to a committee comprised of the Company’s Chief Executive Officer and other officers of the Company.

Awards under the Stock Incentive Plan. Under the Stock Incentive Plan, the Compensation Committee may grant awards in the form of incentive stock options, as defined in Section 422 of the Code, options which do not so qualify, stock awards, performance share awards and stock appreciation rights.

Options. The duration of any option shall be within the sole discretion of the Compensation Committee; provided, however, that any incentive stock option granted to a 10% or less stockholder or any nonqualified stock option shall, by its terms, be exercised within 10 years after the date the option is granted and any incentive stock option granted to a greater than 10% stockholder shall, by its terms, be exercised within five years after the date the option is granted. The exercise price of all options will be determined by the Compensation Committee; provided, however, that the exercise price of an option (including incentive stock options or nonqualified stock options) will be equal to, or greater than, the fair market value of a share of our stock on the date the option is granted and further provided that incentive stock options may not be granted to an employee who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all classes of our stock or any parent or subsidiary, as defined in section 424 of the Code, unless the price per share is not less than 110% of the fair market value of our stock on the date of grant.

The Stock Incentive Plan provides that each director who is not an employee of Bridgeline Digital, on the date of each annual meeting or special meeting in lieu thereof, shall automatically receive a grant of a non-statutory option for the purchase of 10,000 shares of Common Stock. Such option shall vest over three years on the anniversary of the date of grant at a rate of 33.33% per year until fully vested. In recent years, the Board of Directors has granted discretionary options to the directors in lieu of automatic grants provided under the Stock Incentive Plan.

Restricted Stock. Restricted stock is common stock that is subject to a risk of forfeiture or other restrictions that will lapse upon satisfaction of specified conditions. Subject to any restrictions applicable to the award, a participant holding restricted stock, whether vested or unvested, will be entitled to enjoy all rights of a shareholder with respect to

such restricted stock, including the right to receive dividends and vote the shares. Any dividends payable on the restricted stock awards will be subject to the same restrictions as the underlying award.

Performance Share Awards. A performance share award is an award entitling the holder to acquire shares of common stock upon the attainment of specified performance goals, as determined by the Compensation Committee.

Stock Appreciation Rights. Stock appreciation rights entitle the holder upon exercise to receive shares of common stock, or cash, or a combination of the two, having a value equal to the product of (i) the excess of the fair market value of the number of shares with respect to which the right is being exercised (which value is based on fair market value at the time of such exercise) over the exercise price applicable to such shares, multiplied by (ii) the number of shares of common stock for which such stock appreciation rights is being exercised.

Termination of Employment. Unless the Compensation Committee provides otherwise in the terms of the award, if the employment or service of a participant is terminated, options granted to such participant prior to August 18, 2006 will immediately cease to be exercisable and any options or other awards granted after that date will cease to be exercisable (i) immediately if the participant's employment or service is terminated for cause or (ii) up to three (3) months after the participant's employment or service is terminated without cause.

Termination or Amendment of the Stock Incentive Plan. Our Board of Directors may at any time terminate the Stock Incentive Plan or make such amendments thereto as it deems advisable, without action on the part of our shareholders unless their approval is required under the law. However, no termination or amendment will, without the consent of the individual to whom any option has been granted, affect or impair the rights of such individual. Under Section 422(b)(2) of the Code, no incentive stock option may be granted under the Stock Incentive Plan more than ten years from the date the Stock Incentive Plan was amended and restated or the date such amendment and restatement was approved by our shareholders, whichever is earlier.

New Plan Benefits

We are unable to determine the dollar value and number of stock awards that may be received by or allocated to (i) any of our named executive officers, (ii) our current executive officers, as a group, (iii) our employees who are not executive officers, as a group, and (iv) our non-executive directors, as a group as a result of the approval of the amendment to the Stock Incentive Plan because at this time we are unable to determine whether any of the current non-executive directors will meet the requirements to receive any automatic grants of options under the Stock Incentive Plan and all other stock awards granted to such persons are granted by the Compensation Committee on a discretionary basis.

Federal Income Tax Consequences

The following summarizes the U.S. federal income tax consequences that generally will arise with respect to awards granted under the Stock Incentive Plan. This summary is based on the tax laws in effect as of the date of this proxy statement. This summary assumes that all awards granted under the Stock Incentive Plan are exempt from, or comply with, the rules under Section 409A of the Internal Revenue Code related to nonqualified deferred compensation. Changes to these laws could alter the tax consequences described below. This discussion is not intended to be a complete discussion of all of the federal income tax consequences of the Stock Incentive Plan or of all of the requirements that must be met in order to qualify for the tax treatment described herein. In addition, because tax consequences may vary, and certain exceptions to the general rules discussed herein may be applicable, depending upon the personal circumstances of individual holders of securities, each participant should consider his personal situation and consult with his own tax advisor with respect to the specific tax consequences applicable to him. No information is provided as to state tax laws. The Stock Incentive Plan is not qualified under Section 401 of the Code, nor is it subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

Incentive Stock Options. A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by the Company at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under "Nonstatutory Stock Options." The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the stock. If a participant sells the stock more than two years after the option was granted and more than one year after the option was exercised, then, if sold at a profit, all of the profit will be long-term capital gain or, if sold at a loss, all of the loss will be long-term capital loss. If a participant sells the stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and the participant will have ordinary income equal to the difference between the exercise price and the fair market value of the underlying stock at the time the option was exercised. Depending on the circumstances of the disqualifying disposition, the participant may then be able to report any difference between the fair market value of the underlying stock at the time of exercise and the disposition price

as gain or loss, as the case may be.

Nonstatutory Stock Options. A participant will not have income upon the grant of a nonstatutory stock option. A participant will have compensation income upon the exercise of a nonstatutory stock option equal to the value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the stock for more than one year and otherwise will be short-term.

Restricted Stock. Generally, restricted stock is not taxable to a participant at the time of grant, but instead is included in ordinary income (at its then fair market value) and subject to withholding when the restrictions lapse. A participant may elect to recognize income at the time of grant, in which case the fair market value of the common stock at the time of grant is included in ordinary income and subject to withholding and there is no further income recognition when the restrictions lapse.

Other Stock-Based Awards. The tax consequences associated with other stock-based awards granted under the Stock Incentive Plan will vary depending on the specific terms of such award. Among the relevant factors are whether or not the award has a readily ascertainable fair market value, whether or not the award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant under the award and the participant's holding period and tax basis for the award or underlying common stock.

Tax Consequences to the Company. There will be no tax consequences to the Company except that the Company will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

The Board of Directors recommends a vote FOR the approval of Proposal No. 3, the amendment to the Bridgeline Digital, Inc. Amended and Restated Stock Incentive Plan.

PROPOSAL 4

RAFTIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has reappointed Marcum LLP to audit the consolidated financial statements of the Company for the fiscal year ending September 30, 2013. Marcum LLP has served as the Company's independent registered public accounting firm since April 2010. A representative from Marcum LLP is expected to be present at the meeting with the opportunity to make a statement if he or she desires to do so and to be available to respond to appropriate questions.

Although stockholder ratification of the appointment is not required by law, the Company desires to solicit such ratification. If the appointment of Marcum LLP is not approved by a majority of the shares represented at the Meeting, the Company will consider the appointment of other independent registered public accounting firms.

The Board recommends a vote FOR the approval of Proposal No. 4, the ratification of the appointment of Marcum LLP as the Company's independent auditors for the fiscal year ending September 30, 2013.

PROPOSAL 5

ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY”)

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we provide our shareholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success, and to reward our named executive officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total shareholder return. We seek to closely align the interests of our named executive officers with the interests of our shareholders, and our Compensation Committee regularly reviews named executive officer compensation to ensure such compensation is consistent with our goals.

Required Vote

This vote is advisory, which means that the vote on executive compensation is not binding on the company, our Board of Directors, or the Compensation Committee of the Board of Directors. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission. To the extent there is a significant vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address our shareholders’ concerns.

Accordingly, we ask our shareholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2013 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table, and the other related tables and disclosure.”

The Board of Directors recommends a vote FOR the approval of the compensation of our named executive officers, as disclosed in this proxy statement.

PROPOSAL 6

ADVISORY VOTE ON THE FREQUENCY OF FUTURE SAY-ON-PAY VOTES

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we provide our shareholders with the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently to hold future say-on-pay votes. Shareholders may indicate whether they would prefer that we conduct future say-on-pay votes once every one, two, or three years. Shareholders also may abstain from casting a vote on this proposal.

The Board of Directors has determined that an annual advisory vote on executive compensation will permit our shareholders to provide direct input on the Company's executive compensation philosophy, policies, and practices as disclosed in the Company's proxy statement, which is consistent with our efforts to engage in an ongoing dialogue with our shareholders on executive compensation and corporate governance matters.

Required Vote

This vote is advisory, which means that the vote on executive compensation is not binding on the company, our Board of Directors, or the Compensation Committee of the Board of Directors. The Company recognizes that the shareholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our shareholders as to their preferences on the frequency of an advisory vote on executive compensation. The Board of Directors and the Compensation Committee will take into account the outcome of the vote; however, when considering the frequency of future say-on-pay votes, the Board of Directors may decide that it is in the best interests of our shareholders and the Company to hold future say-on-pay votes more or less frequently than the frequency receiving the most votes cast by our shareholders.

The proxy card provides shareholders with the opportunity to choose among four options (holding the vote every one, two, or three years, or abstain from voting) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

The Board of Directors recommends a vote FOR the option of an annual vote as the preferred frequency for future say-on-pay votes.

Other Matters

The Board of Directors has no knowledge of any other matters which may come before the Meeting and does not intend to present any other matters. However, if any other matters shall properly come before the Meeting or any adjournment thereof, the persons named as proxies will have discretionary authority to vote the shares of Common Stock represented by the accompanying proxy in accordance with their best judgment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of Securities Exchange Act of 1934 requires the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on its review of the copies of such forms and amendments thereto received by it, the Company believes that during Fiscal 2012 all executive officers, directors and owners of ten percent of the outstanding shares of Common Stock complied with all applicable filing requirements.

Stockholder Proposals and Recommendations for Director

Any stockholder of the Company who wishes to present a proposal to be considered at the next annual meeting of stockholders of the Company and who wishes to have such proposal presented in the Company's Proxy Statement for such meeting must deliver such proposal in writing to the Company at 80 Blanchard Road, 2nd Floor, Burlington, Massachusetts 01803 on or before November 19, 2013. Such proposals may be made only by persons who are shareholders, beneficially or of record, on the date the proposals are submitted and who continue in such capacity through the date of the next annual meeting, of at least 1% or \$2,000 in market value of securities entitled to be voted at the meeting, and have held such securities for at least one year.

For any stockholder proposal that is not submitted for inclusion in the Company's Proxy Statement, but is instead sought to be presented directly at the Annual Meeting, management will be able to vote proxies in its discretion if the Company does not receive notice of the proposal prior to the close of business on February 1, 2014.

Stockholders may recommend individuals to the Board of Directors for consideration as potential director candidates by following the requirements under Article I, Section 10 of the Bylaws. In order to be eligible to nominate a person for election to our Board of Directors a stockholder must (i) comply with the notice procedures set forth in the Bylaws and (ii) be a stockholder of record on the date of giving such notice of a nomination as well as on the record date for determining the stockholders entitled to vote at the meeting at which directors will be elected.

To be timely, a stockholder's notice must be in writing and received by our corporate secretary at our principal executive offices as follows: (A) in the case of an election of directors at an annual meeting of stockholders, not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced by more than 20 days, or delayed by more than 60 days, from the first anniversary of the preceding year's annual meeting, a stockholder's notice must be so received no earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of (x) the 90th day prior to such annual meeting and (y) the tenth day following the day on which notice of the date of such annual meeting was mailed or public disclosure of the date of such annual meeting was made, whichever first occurs; or (B) in the case of an election of directors at a special meeting of stockholders, provided that the board of directors has determined that directors shall be elected at such meeting, not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of (1) the 90th day prior to such special meeting and (2) the tenth day following the day on which notice of the date of such special meeting was mailed or public disclosure of the date of such special meeting was made, whichever first occurs.

In addition, a stockholder's notice must contain the information specified in Article I, Section 10 of the Bylaws and must be accompanied by the written consent of the proposed nominee to serve as a director if elected. The stockholder making a nomination must personally appear at the annual or special meeting of stockholders to present the nomination, otherwise the nomination will be disregarded

Stockholders interested in making a nomination should refer to the complete requirements set forth in our By-Laws filed as an exhibit to our Current Report on Form 8-K filed with the Securities and Exchange Commission on January 27, 2011. Provided that the date of next year's annual meeting of stockholders is not advanced by more than 20 days, or delayed by more than 60 days, from the first anniversary of the 2012 annual meeting, any stockholder who wishes to make a nomination to be considered for the next annual meeting must deliver the notice specified by our By-Laws between December 29, 2013 and January 28, 2014. The By-Laws contain a number of substantive and procedural requirements which should be reviewed by any interested stockholder. Any notice should be mailed to: Secretary, Bridgeline Digital, Inc., 80 Blanchard Road, 2nd Floor, Burlington, Massachusetts 01803.

BRIDGELINE DIGITAL, INC.

AMENDED AND RESTATED STOCK INCENTIVE PLAN

As amended on April 23, 2007, April 18, 2008, March 19, 2010, and March 23, 2011, April 12, 2012

As proposed to be amended on April 26, 2013

SECTION 1. General Purpose of the Plan; Definitions.

The name of the plan is the Bridgeline Digital, Inc. Amended and Restated Stock Incentive Plan (the “Plan”). The Plan amends and restates in its entirety the 2000 Stock Option Plan of Bridgeline Digital, Inc. (the “Company”). Any Options or Awards outstanding prior to the date of this amendment and restatement shall be affected by this amendment and restatement only to the extent specifically provided by the Board of Directors of the Company and upon execution of an amendment to such Option. The purpose of the Plan is to encourage and enable officers and employees of, and other persons providing services to, the Company and its Affiliates to acquire a proprietary interest in the Company. It is anticipated that providing such persons with a direct stake in the Company’s welfare will assure a closer identification of their interests with those of the Company and its shareholders, thereby stimulating their efforts on the Company’s behalf and strengthening their desire to remain with the Company.

The following terms shall be defined as set forth below:

“Affiliate” means a parent corporation, if any, and each subsidiary corporation of the Company, as those terms are defined in Section 424 of the Code.

“Award” or “Awards”, except where referring to a particular category of grant under the Plan, shall include Incentive Stock Options, Non-Statutory Stock Options, Restricted Stock Awards, Unrestricted Stock Awards, Performance Share Awards and Stock Appreciation Rights. Awards shall be evidenced by a written agreement (which may be in electronic form and may be electronically acknowledged and accepted by the recipient) containing such terms and conditions not inconsistent with the provisions of this Plan as the Committee shall determine.

“Board” means the Board of Directors of the Company.

“Cause” shall mean, with respect to any Award holder, a determination by the Company (including the Board) or any Affiliate that the Holder’s employment or other relationship with the Company or any such Affiliate should be terminated as a result of (i) a material breach by the Award holder of any agreement to which the Award holder and the Company (or any such Affiliate) are parties, (ii) any act (other than retirement) or omission to act by the Award holder that may have a material and adverse effect on the business of the Company, such Affiliate or any other Affiliate or on the Award holder’s ability to perform services for the Company or any such Affiliate, including, without limitation, the proven or admitted commission of any crime (other than an ordinary traffic violation), (iii) any material misconduct or material neglect of duties by the Award holder in connection with the business or affairs of the Company or any such Affiliate, or (iv) “Cause,” as such term is defined in any employment or other agreement between the Award Holder and the Company (or any such Affiliate).

“Change of Control” shall have the meaning set forth in Section 15.

“Code” means the Internal Revenue Code of 1986, as amended, and any successor Code, and related rules, regulations and interpretations.

“Fair Market Value” on any given date means the closing price per share of the Stock on such date as reported by such registered national securities exchange on which the Stock is listed, or, if the Stock is not listed on such an exchange, as quoted on NASDAQ; provided, that, if there is no trading on such date, Fair Market Value shall be deemed to be the closing price per share on the last preceding date on which the Stock was traded. If the Stock is not listed on any registered national securities exchange or quoted on NASDAQ, the Fair Market Value of the Stock shall be determined in good faith by the Committee; provided, however, that for purposes of a grant of any Award other than an Incentive Stock Option, Fair Market Value shall be determined in a manner consistent with Section 409A Authority.

“Unrestricted Stock Award” means Awards granted pursuant to Section 7.

SECTION 2. Administration of Plan; Committee Authority to Select Participants and Determine Awards.

(a) **Committee.** The Plan shall be administered by a committee of the Board (the “Committee”) consisting of not less than two (2) persons each of whom qualifies as an Independent Director, an Outside Director and a Non-Employee Director, but the authority and validity of any act taken or not taken by the Committee shall not be affected if any person administering the Plan is not an Independent Director, an Outside Director or a Non-Employee Director. Except as specifically reserved to the Board under the terms of the Plan, the Committee shall have full and final authority to operate, manage and administer the Plan on behalf of the Company. In addition, the Board may authorize a committee consisting of members of management of the Company and at least one director of the Company to administer the Plan in the place of the Committee and have all the powers of the Committee enumerated herein, provided however that in authorizing such committee the Board shall specify the total number of options the committee is authorized to grant.

(b) **Powers of Committee.** The Committee shall have the power and authority to grant and modify Awards consistent with the terms of the Plan, including the power and authority:

(i) to select the persons to whom Awards may from time to time be granted;

(ii) to determine the time or times of grant, and the extent, if any, of Incentive Stock Options, Non-Statutory Stock Options, Restricted Stock, Unrestricted Stock, Performance Shares and Stock Appreciation Rights, or any combination of the foregoing, granted to any one or more participants;

(iii) to determine the number of shares to be covered by any Award;

(iv) to determine and modify the terms and conditions, including restrictions, not inconsistent with the terms of the Plan, of any Award, which terms and conditions may differ among individual Awards and participants, and to approve the form of written instruments evidencing the Awards; provided, however, that, except as provided in Section 2(c), no such action shall materially adversely affect rights under any outstanding Award without the participant’s consent;

(v) to accelerate the exercisability or vesting of all or any portion of any Award;

(vi) to extend the period in which any outstanding Stock Option, or Stock Appreciation Right may be exercised; and

(vii) to adopt, alter and repeal such rules, guidelines and practices for administration of the Plan and for its own acts and proceedings as it shall deem advisable; to interpret the terms and provisions of the Plan and any Award (including related written instruments); to make all determinations it deems advisable for the administration of the

Plan; to decide all disputes arising in connection with the Plan; and to otherwise supervise the administration of the Plan.

All decisions and interpretations of the Committee shall be binding on all persons, including the Company and Plan participants. Neither the Company nor any member or former member of the Committee or the Board shall be liable for any action or determination made in good faith with respect to this Plan.

C-3

(c) Section 409A. Awards granted under the Plan are intended either to be exempt from the rules of Section 409A of the Code or to satisfy those rules, and the Plan and such Awards shall be construed accordingly. Granted Awards may be modified at any time, in the Board's discretion, so as to increase the likelihood of exemption from or compliance with the rules of Section 409A of the Code. Notwithstanding the foregoing, neither the Company nor any member or former member of the Committee or the Board shall have any liability if an Award (or any portion thereof), whether prior to or subsequent to any such modification that may be made, is determined to be subject to the provisions of Section 409A of the Code.

SECTION 3. Shares Issuable under the Plan; Mergers; Substitution.

(a) Shares Issuable. The maximum number of shares of Stock which may be issued in respect of Awards (including Stock Appreciation Rights) granted under the Plan, subject to adjustment upon changes in capitalization of the Company as provided in this Section 3, shall be 3,900,000 shares. For purposes of this limitation, the shares of Stock underlying any Awards which are forfeited, cancelled, reacquired by the Company or otherwise terminated (other than by exercise), shares that are tendered in payment of the exercise price of any Award and shares that are tendered or withheld for tax withholding obligations shall be added back to the shares of Stock with respect to which Awards may be granted under the Plan. Shares issued under the Plan may be authorized but unissued shares or shares reacquired by the Company.

(b) Limitation on Awards. In no event may any Plan participant be granted Awards (including Stock Appreciation Rights) with respect to more than 500,000 shares of Stock in any calendar year. The number of shares of Stock relating to an Award granted to a Plan participant in a calendar year that is subsequently forfeited, cancelled or otherwise terminated shall continue to count toward the foregoing limitation in such calendar year. In addition, if the exercise price of an Award is subsequently reduced, the transaction shall be deemed a cancellation of the original Award and the grant of a new one so that both transactions shall count toward the maximum shares issuable in the calendar year of each respective transaction.

(c) Stock Dividends, Mergers, etc. In the event that after approval of the Plan by the stockholders of the Company in accordance with Section 17, the Company effects a stock dividend, stock split or similar change in capitalization affecting the Stock, the Committee shall make appropriate adjustments in (i) the number and kind of shares of stock or securities with respect to which Awards may thereafter be granted (including without limitation the limitations set forth in Sections 3(a) and (b) above), (ii) the number and kind of shares remaining subject to outstanding Awards, and (iii) the option or purchase price in respect of such shares. In the event of any merger, consolidation, dissolution or liquidation of the Company, the Committee in its sole discretion may, as to any outstanding Awards, make such substitution or adjustment in the aggregate number of shares reserved for issuance under the Plan and in the number and purchase price (if any) of shares subject to such Awards as it may determine and as may be permitted by the terms of such transaction, or accelerate, amend or terminate such Awards upon such terms and conditions as it shall provide (which, in the case of the termination of the vested portion of any Award, shall require payment or other consideration which the Committee deems equitable in the circumstances), subject, however, to the provisions of Section 15. Unless the Committee determines otherwise, any adjustments pursuant to this Section 3(c) shall be made on terms and conditions consistent with Section 409A of the Code.

(d) Substitute Awards. The Committee may grant Awards under the Plan in substitution for stock and stock based awards held by employees of another corporation who concurrently become employees of the Company or an Affiliate as the result of a merger or consolidation of the employing corporation with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances. Unless the Committee determines otherwise, any substitutions pursuant to this Section 3(d) shall be made on terms and conditions consistent with Section 409A of the Code.

SECTION 4. Eligibility.

Awards may be granted to officers, directors and employees of, and consultants and advisers to, the Company or its Affiliates (“Eligible Persons”).

SECTION 5. Stock Options.

The Committee may grant to Eligible Persons options to purchase Stock. Any Stock Option granted under the Plan shall be in such form as the Committee may from time to time approve.

C-4

Stock Options granted under the Plan may be either Incentive Stock Options (subject to compliance with applicable law) or Non-Statutory Stock Options. Unless otherwise so designated, an Option shall be a Non-Statutory Stock Option. To the extent that any option does not qualify as an Incentive Stock Option, it shall constitute a Non-Statutory Stock Option. Neither the Company nor any member or former member of the Committee or the Board shall have any liability if an Option (or any portion thereof) that is intended to be an Incentive Stock Option is determined not to be a Non-Statutory Option (including, without limitation, due to a determination that the exercise of the Option was less than the Fair Market Value of the Stock subject to the Option as of the grant date).

No Incentive Stock Option shall be granted under the Plan after the tenth anniversary of the date of adoption of the Plan by the Board.

Each Non-Employee Director shall be automatically granted on the date of the Company's annual meeting of stockholders, a Non-Statutory Stock Option to purchase 10,000 shares of Stock at an exercise price per share equal to no less than the Fair Market Value of the Stock on the date of grant, such options to vest over three years on the anniversary of the date of grant at the rate of 33.33% per year until fully vested.

The Committee may also grant additional Non-Statutory Stock Options to purchase a number of shares of Stock to be determined by the Committee in recognition of services provided by a Non-Employee Director in his or her capacity as a director, provided that such grants are in compliance with the requirements of Rule 16b-3, as promulgated under the Securities Exchange Act of 1934, as amended from time to time.

The Committee in its discretion may determine the effective date of Stock Options, provided, however, that grants of Incentive Stock Options shall be made only to persons who are, on the effective date of the grant, employees of the Company or an Affiliate. Stock Options granted pursuant to this Section 5 shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

(a) **Exercise Price.** The exercise price per share for the Stock covered by a Stock Option granted pursuant to this Section 5 shall be determined by the Committee at the time of grant but shall be not less than one hundred percent (100%) of Fair Market Value on the date of grant. If an employee owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company or any subsidiary or parent corporation and an Incentive Stock Option is granted to such employee, the option price shall be not less than one hundred ten percent (110%) of Fair Market Value on the date of grant.

(b) **Option Term.** The term of each Stock Option shall be fixed by the Committee, but no Incentive Stock Option shall be exercisable more than ten (10) years after the date the option is granted. If an employee owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company or any subsidiary or parent corporation and an Incentive Stock Option is granted to such employee, the term of such option shall be no more than five (5) years from the date of grant.

(c) **Exercisability; Rights of a Shareholder.** Stock Options shall become vested and exercisable at such time or times, whether or not in installments, as shall be determined by the Committee. The Committee, in its discretion, may accelerate the exercisability of all or any portion of any Stock Option only in circumstances involving (i) a Change of Control of the Company, (ii) undue hardship, including, but not limited to, death or disability of the option holder, and (iii) a severance arrangement with a departing option holder. An optionee shall have the rights of a shareholder only as to shares acquired upon the exercise of a Stock Option and not as to unexercised Stock Options.

(d) Method of Exercise. Stock Options may be exercised in whole or in part, by delivering written notice of exercise to the Company, specifying the number of shares to be purchased. Payment of the purchase price may be made by delivery of cash or bank check or other instrument acceptable to the Committee in an amount equal to the exercise price of such Options, or, to the extent provided in the applicable Option Agreement, by one or more of the following methods:

C-5

- (i) by delivery to the Company of shares of Stock of the Company that either have been purchased by the optionee on the open market, or have been beneficially owned by the optionee for a period of at least six months and are not then subject to restriction under any Company plan (“Mature Shares”); such surrendered shares shall have a Fair Market Value equal in amount to the exercise price of the Options being exercised; or
- (ii) a personal recourse note issued by the optionee to the Company in a principal amount equal to such aggregate exercise price and with such other terms, including interest rate and maturity, as the Company may determine in its discretion; provided, however, that the interest rate borne by such note shall not be less than the lowest applicable federal rate, as defined in Section 1274(d) of the Code; or
- (iii) if the class of Stock is registered under the Exchange Act at such time, by delivery to the Company of a properly executed exercise notice along with irrevocable instructions to a broker to deliver promptly to the Company cash or a check payable and acceptable to the Company for the purchase price; provided that in the event that the optionee chooses to pay the purchase price as so provided, the optionee and the broker shall comply with such procedures and enter into such agreements of indemnity and other agreements as the Committee shall prescribe as a condition of such payment procedure (including, in the case of an optionee who is an executive officer of the Company, such procedures and agreements as the Committee deems appropriate in order to avoid any extension of credit in the form of a personal loan to such officer). The Company need not act upon such exercise notice until the Company receives full payment of the exercise price; or
- (iv) by reducing the number of Option shares otherwise issuable to the optionee upon exercise of the Option by a number of shares of Common Stock having a Fair Market Value equal to such aggregate exercise price; provided, however, that the optionee otherwise holds an equal number of Mature Shares; or
- (v) by any combination of such methods of payment.

The delivery of certificates representing shares of Stock to be purchased pursuant to the exercise of a Stock Option will be contingent upon receipt from the Optionee (or a purchaser acting in his stead in accordance with the provisions of the Stock Option) by the Company of the full purchase price for such shares and the fulfillment of any other requirements contained in the Stock Option or imposed by applicable law.

- (e) Non-transferability of Options. Except as the Committee may provide with respect to a Non-Statutory Stock Option, no Stock Option shall be transferable other than by will or by the laws of descent and distribution and all Stock Options shall be exercisable, during the optionee’s lifetime, only by the optionee.
- (f) Annual Limit on Incentive Stock Options. To the extent required for “incentive stock option” treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the time of grant) of the Stock with respect to which Incentive Stock Options granted under this Plan and any other plan of the Company or its Affiliates become exercisable for the first time by an optionee during any calendar year shall not exceed \$100,000.
- (g) Lockup Agreement. Each Option shall provide that the optionee shall agree for a period of time from the effective date of any registration of securities of the Company (upon request of the Company or the underwriters managing any underwritten offering of the Company’s securities) not to sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of, any shares issued pursuant to the exercise of such Option, without the prior written consent of the Company or such underwriters, as the case may be.

SECTION 6. Restricted Stock Awards.

(a) Nature of Restricted Stock Award. The Committee in its discretion may grant Restricted Stock Awards to any Eligible Person, entitling the recipient to acquire, for such purchase price, if any, as may be determined by the Committee, shares of Stock subject to such restrictions and conditions as the Committee may determine at the time of grant (“Restricted Stock”), including continued employment and/or achievement of pre-established performance goals and objectives.

C-6

(b) Acceptance of Award. A participant who is granted a Restricted Stock Award shall have no rights with respect to such Award unless the participant shall have accepted the Award within sixty (60) days (or such shorter date as the Committee may specify) following the award date by making payment to the Company of the specified purchase price, if any, of the shares covered by the Award and by executing and delivering to the Company a written instrument that sets forth the terms and conditions applicable to the Restricted Stock in such form as the Committee shall determine.

(c) Rights as a Shareholder. Upon complying with Section 6(b) above, a participant shall have all the rights of a shareholder with respect to the Restricted Stock, including voting and dividend rights, subject to non-transferability restrictions and Company repurchase or forfeiture rights described in this Section 6 and subject to such other conditions contained in the written instrument evidencing the Restricted Award. Unless the Committee shall otherwise determine, certificates evidencing shares of Restricted Stock shall remain in the possession of the Company until such shares are vested as provided in Section 6(e) below.

(d) Restrictions. Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided herein. In the event of termination of employment by the Company and its Affiliates for any reason (including death, Disability, Normal Retirement and for Cause), the Company shall have the right, at the discretion of the Committee, to repurchase shares of Restricted Stock which have not then vested at their purchase price, or to require forfeiture of such shares to the Company if acquired at no cost, from the participant or the participant's legal representative. The Company must exercise such right of repurchase or forfeiture within ninety (90) days following such termination of employment (unless otherwise specified in the written instrument evidencing the Restricted Stock Award).

(e) Vesting of Restricted Stock. The Committee at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the Restricted Stock and the Company's right of repurchase or forfeiture shall lapse. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed shall no longer be Restricted Stock and shall be deemed "vested." Subject to Section 13, the Committee, in its discretion, may accelerate the exercisability of all or any portion of any Restricted Stock Award only in circumstances involving (i) a Change of Control of the Company, (ii) undue hardship, including, but not limited to, death or disability of the Restricted Stock Award holder, and (iii) a severance arrangement with a departing Restricted Stock Award holder.

(f) Waiver, Deferral and Reinvestment of Dividends. The written instrument evidencing the Restricted Stock Award may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the Restricted Stock.

SECTION 7. Unrestricted Stock Awards.

(a) Grant or Sale of Unrestricted Stock. The Committee in its discretion may grant or sell to any Eligible Person shares of Stock free of any restrictions under the Plan ("Unrestricted Stock") at a purchase price determined by the Committee. Shares of Unrestricted Stock may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration.

(b) Restrictions on Transfers. The right to receive unrestricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution.

SECTION 8. Performance Share Awards.

A Performance Share Award is an award entitling the recipient to acquire shares of Stock upon the attainment of specified performance goals. The Committee may make Performance Share Awards independent of or in connection with the granting of any other Award under the Plan. Performance Share Awards may be granted under the Plan to any Eligible Person. The Committee in its discretion shall determine whether and to whom Performance Share Awards shall be made, the performance goals applicable under each such Award (which may include, without limitation, continued employment by the recipient or a specified achievement by the recipient, the Company or any business unit of the Company), the periods during which performance is to be measured, and all other limitations and conditions applicable to the Award or the Stock issuable thereunder.

C-7

SECTION 9. Stock Appreciation Rights.

The Committee in its discretion may grant Stock Appreciation Rights to any Eligible Person (i) alone, or (ii) simultaneously with the grant of a Stock Option and in conjunction therewith or in the alternative thereto. A Stock Appreciation Right shall entitle the participant upon exercise thereof to receive from the Company, upon written request to the Company at its principal offices, a number of shares of Stock (with or without restrictions as to substantial risk of forfeiture and transferability, as determined by the Committee in its sole discretion), an amount of cash, or any combination of Stock and cash, as specified in such request (but subject to the approval of the Committee in its sole discretion, at any time up to and including the time of payment, as to the making of any cash payment), having an aggregate Fair Market Value equal to the product of (a) the excess of Fair Market Value, on the date of such request, over the exercise price per share of Stock specified in such Stock Appreciation Right or its related Option (which exercise price shall be not less than one hundred percent (100%) of Fair Market Value on the date of grant), multiplied by (b) the number of shares of Stock for which such Stock Appreciation Right shall be exercised. Notwithstanding the foregoing, the Committee may specify at the time of grant of any Stock Appreciation Right that such Stock Appreciation Right may be exercisable solely for cash and not for Stock.

SECTION 10. Termination of Stock Options and Stock Appreciation Rights.

(a) Incentive Stock Options:

(i) Termination by Death. If any participant's employment by the Company and its Affiliates terminates by reason of death, any Incentive Stock Option owned by such participant may thereafter be exercised to the extent exercisable at the date of death, by the legal representative or legatee of the participant, for a period of one year from the date of death, or until the expiration of the stated term of the Incentive Stock Option, if earlier.

(ii) Termination by Reason of Disability or Normal Retirement.

(A) Any Incentive Stock Option held by a participant whose employment by the Company and its Affiliates has terminated by reason of Disability may thereafter be exercised, to the extent it was exercisable at the time of such termination, for a period of one year from the date of such termination of employment, or until the expiration of the stated term of the Option, if earlier.

(B) Any Incentive Stock Option held by a participant whose employment by the Company and its Affiliates has terminated by reason of Normal Retirement may thereafter be exercised, to the extent it was exercisable at the time of such termination, for a period of ninety (90) days (or such longer period as the Committee shall specify at any time) from the date of such termination of employment, or until the expiration of the stated term of the Option, if earlier.

(C) The Committee shall have sole authority and discretion to determine whether a participant's employment has been terminated by reason of Disability or Normal Retirement.

(iii) Termination for Cause. If any participant's employment by the Company and its Affiliates has been terminated for Cause, any Incentive Stock Option held by such participant shall immediately terminate and be of no further force and effect; provided, however, that the Committee may, in its sole discretion, provide that such Option can be exercised for a period of up to thirty (30) days from the date of termination of employment or until the expiration of the stated term of the Option, if earlier.

(iv) Other Termination. Unless otherwise determined by the Committee, if a participant's employment by the Company and its Affiliates terminates for any reason other than death, Disability, Normal Retirement or for Cause, any Incentive Stock Option held by such participant may thereafter be exercised, to the extent it was exercisable on

the date of termination of employment, for three (3) months (or such other period as the Committee shall specify) from the date of termination of employment or until the expiration of the stated term of the Option, if earlier.

C-8

(b) Non-Statutory Stock Options and Stock Appreciation Rights. Any Non-Statutory Stock Option, or Stock Appreciation Right granted under the Plan shall contain such terms and conditions with respect to its termination as the Committee, in its discretion, may from time to time determine.

SECTION 11. Tax Withholding.

(a) Payment by Participant. Each participant shall, no later than the date as of which the value of an Award or of any Stock or other amounts received thereunder first becomes includable in the gross income of the participant for Federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Committee regarding payment of any Federal, state, local and/or payroll taxes of any kind required by law to be withheld with respect to such income. The Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant.

(b) Payment in Shares. A Participant may elect, with the consent of the Committee, to have such tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Company to withhold from shares of Stock to be issued pursuant to an Award a number of shares with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the minimum withholding amount due with respect to such Award, or (ii) delivering to the Company a number of Mature Shares of Stock with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the minimum withholding amount due.

(c) Notice of Disqualifying Disposition. Each holder of an Incentive Option shall agree to notify the Company in writing immediately after making a disqualifying disposition (as defined in Section 421(b) of the Code) of any Stock purchased upon exercise of an Incentive Stock Option.

SECTION 12. Transfer and Leave of Absence.

For purposes of the Plan, the following events shall not be deemed a termination of employment:

(a) a transfer to the employment of the Company from an Affiliate or from the Company to an Affiliate, or from one Affiliate to another;

(b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the employee's right to re-employment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Committee otherwise so provides in writing.

SECTION 13. Amendments and Termination.

The Board may at any time amend or discontinue the Plan and the Committee may at any time amend or cancel any outstanding Award (or provide substitute Awards at the same or reduced exercise or purchase price or with no exercise or purchase price, but such price, if any, must satisfy the requirements which would apply to the substitute or amended Award if it were then initially granted under this Plan) for the purpose of satisfying changes in law or for any other lawful purpose, but, except as provided in Section 2(c), no such action shall materially adversely affect rights under any outstanding Award without the holder's consent. In addition, no amendment to this Plan shall modify any outstanding Award except to the extent that the Board shall determine that such modification to an outstanding Award shall not be considered to be a material modification.

This Plan shall terminate as of the tenth anniversary of its Effective Date. The Board may terminate this Plan at any earlier time for any reason. No Award may be granted after the Plan has been terminated. No Award granted while this Plan is in effect shall be altered or impaired by termination of this Plan, except upon the consent of the holder of

such Award. The power of the Committee to construe and interpret this Plan and the Awards granted prior to the termination of this Plan shall continue after such termination.

C-9

SECTION 14. Status of Plan.

With respect to the portion of any Award which has not been exercised and any payments in cash, Stock or other consideration not received by a participant, a participant shall have no rights greater than those of a general creditor of the Company unless the Committee shall otherwise expressly determine in connection with any Award or Awards. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the Company's obligations to deliver Stock or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the provision of the foregoing sentence.

SECTION 15. Change of Control Provisions.

(a) Upon the occurrence of a Change of Control as defined in this Section 15:

(i) subject to the provisions of clause (iii) below, after the effective date of such Change of Control, each holder of an outstanding Stock Option, Restricted Stock Award, Performance Share Award, or Stock Appreciation Right shall be entitled, upon exercise of such Award, to receive, in lieu of shares of Stock (or consideration based upon the Fair Market Value of Stock), shares of such stock or other securities, cash or property (or consideration based upon shares of such stock or other securities, cash or property) as the holders of shares of Stock received in connection with the Change of Control;

(ii) the Committee may accelerate, fully or in part, the time for exercise of, and waive any or all conditions and restrictions on, each unexercised and unexpired Stock Option, Restricted Stock Award, Performance Share Award and Stock Appreciation Right, effective upon a date prior or subsequent to the effective date of such Change of Control, as specified by the Committee; or

(iii) each outstanding Stock Option, Restricted Stock Award, Performance Share Award and Stock Appreciation Right may be cancelled by the Committee as of the effective date of any such Change of Control provided that (x) prior written notice of such cancellation shall be given to each holder of such an Award and (y) each holder of such an Award shall have the right to exercise such Award to the extent that the same is then exercisable or, in full, if the Committee shall have accelerated the time for exercise of all such unexercised and unexpired Awards, during the thirty (30) day period preceding the effective date of such Change of Control.

Unless the Committee determines otherwise, the foregoing actions shall be taken, if at all, on terms and conditions consistent with Section 409A of the Code.

(b) "Change of Control" shall mean the occurrence of any one of the following events:

(i) any "person" (as such term is used in Sections 13(d) and 14(d)(2) of the Exchange Act) becomes, after the Effective Date of this Plan, a "beneficial owner" (as such term is defined in Rule 13d-3 promulgated under the Exchange Act) (other than the Company, any trustee or other fiduciary holding securities under an employee benefit plan of the Company, or any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the combined voting power of the Company's then outstanding securities (other than as a result of (i) an acquisition of securities directly from the Company or (ii) an acquisition of securities by the Company which by reducing the securities outstanding increases the proportionate voting power represented by the securities owned by any such person to fifty percent (50%) or more of the combined voting power of the Company's then outstanding securities); or

(ii) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation or other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or

(iii) the stockholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets.

C-10

SECTION 16. General Provisions.

- (a) **No Distribution; Compliance with Legal Requirements.** The Committee may require each person acquiring shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to distribution thereof. No shares of Stock shall be issued pursuant to an Award until all applicable securities laws and other legal and stock exchange requirements have been satisfied. The Committee may require the placing of such stop orders and restrictive legends on certificates for Stock and Awards as it deems appropriate.
- (b) **Delivery of Stock Certificates.** Delivery of stock certificates to participants under this Plan shall be deemed effected for all purposes when the Company or a stock transfer agent of the Company shall have delivered such certificates in the United States mail, addressed to the participant, at the participant's last known address on file with the Company.
- (c) **Other Compensation Arrangements; No Employment Rights.** Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, including trusts, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of the Plan or any Award under the Plan does not confer upon any employee any right to continued employment with the Company or any Affiliate.
- (d) **Certain Indebtedness to the Company.** No Option or other Award may be exercised at any time after the Committee has determined, in good faith, that the participant is indebted to the Company or any Affiliate for advances of salary, advances of expenses, recoverable draws or other amounts unless and until either (a) such indebtedness is satisfied in full or (b) such condition is waived by the Committee. The period during which any Option or other Award may by its terms be exercised shall not be extended during any period in which the participant is prohibited from such exercise by the preceding sentence, and the neither Company nor any member or former member of the Committee or the Board shall have any if any Option or other Award expires unexercised in whole or in part during such period or if any Option that is intended to be an Incentive Stock Option is deemed to be a Non-Statutory Stock Option because such Option is not exercised within three months after the termination of the participant's employment with the Company or an Affiliate.

SECTION 17. Effective Date of Plan.

This Plan shall become effective upon its adoption by the Company's Board of Directors. If the Plan shall not be approved by the shareholders of the Company within twelve months following its adoption, this Plan shall terminate and be of no further force or effect.

SECTION 18. Governing Law.

This Plan shall be governed by, and construed and enforced in accordance with, the substantive laws of The Commonwealth of Massachusetts without regard to its principles of conflicts of laws.

This Amended and Restated Stock Incentive Plan was approved by the Board of Directors of the Company on August 18, 2006, and was approved by the stockholders of the Company on September 18, 2006.

This Amended and Restated Stock Incentive Plan was amended on each of April 23, 2007, April 18, 2008, March 19, 2010, March 18, 2011, April 12, 2012 and April 26, 2013.
