PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

April 27, 2017

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Avalon Holdings Corporation (the “Company”) of proxies in the form enclosed herewith to be voted at the Annual Meeting of Shareholders to be held at The Avalon Inn, located at 9519 East Market Street, Warren, Ohio, on Thursday, April 27, 2017, at 10:00 A.M., local time, and at any adjournment thereof (the “Annual Meeting”), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement is being sent to each holder of the issued and outstanding shares of Class A Common Stock, \$.01 par value, (“Class A Common Stock”) and Class B Common Stock, \$.01 par value, (“Class B Common Stock,” and together with the Class A Common Stock, the “Common Stock”) of the Company entitled to vote at the meeting in order to furnish information relating to the business to be transacted at the meeting. The Company’s Annual Report to Shareholders for the fiscal year ended December 31, 2016, including financial statements, is being mailed to shareholders, together with this Proxy Statement and the accompanying form of proxy, beginning on or about March 20, 2017. Additionally, the Notice of Meeting, Proxy Statement and our Annual Report to Shareholders for the fiscal year ended December 31, 2016 are available on the internet at <http://www.proxyvote.com>.

Any shareholder giving a proxy will have the right to revoke it at any time prior to the voting thereof by giving written notice to the Secretary of the Company, by voting in person at the Annual Meeting, or by execution of a subsequent proxy provided that such action is taken in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the vote is taken. Shares of Common Stock represented by the proxies in the form enclosed, properly executed, will be voted in the manner designated, or if no applicable instructions are indicated, in favor of the Directors named therein and in favor of the Board recommendations. The persons named in the enclosed form of proxy are authorized to vote, in their discretion, upon such other business as may properly come before the meeting and any adjournment thereof. Only those shares represented at the Annual Meeting in person or by proxy shall be counted for purposes of determining the number of votes required for any proposals upon which shareholders of the Company shall be called upon to vote. If shareholders do not give their brokers instructions as to how to vote shares held in street name, the brokers have discretionary authority to vote those shares on “routine” matters, but not on “non-routine” proposals, such as the election of directors and the advisory votes regarding executive compensation. As a result, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote. This is sometimes called a “broker non-vote.” Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers will be counted as present for the purposes of determining whether there is a quorum at the annual meeting, but will not be counted or deemed to be present in person or by proxy for the purposes of determining whether our shareholders have approved that matter. Abstentions and “broker non-votes” shall not be counted as votes for or against any matter upon which shareholders of the Company shall be called upon to vote. The Articles of Incorporation of the Company do not permit cumulative voting in the election of Directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board of Directors has fixed the close of business on March 3, 2017, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the meeting or any adjournment thereof. At the Annual Meeting, the holders of Class A Common Stock will be entitled, as a class, to elect two Directors (“Class A Directors”) and the holders of Class B Common Stock will be entitled, as a class, to elect three Directors (“Class B Directors,” and together with the Class A Directors, the “Directors”).

Except for the election of Directors and as otherwise required by the provisions of the Company's Articles of Incorporation or by law, holders of the Class A Common Stock and Class B Common Stock will vote or consent as a single class on all matters with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share. In the event that the outstanding shares of Class B Common Stock constitute less than 50% of the total voting power of the issued and outstanding shares of Class A Common Stock and Class B Common Stock, the holders of the Class A Common Stock (one vote per share) and Class B Common Stock (ten votes per share) will vote as a single class for the election of Directors. At the close of business on March 3, 2017, the Company had 3,191,100 shares of Class A Common Stock outstanding entitling the holders thereof to 3,191,100 votes in the aggregate and 612,231 shares of Class B Common Stock outstanding entitling the holders thereof to 6,122,310 votes in the aggregate.

Each share of Class B Common Stock is convertible at any time, at the option of the shareholder, into one share of Class A Common Stock. Shares of Class B Common Stock are also automatically converted into shares of Class A Common Stock on the transfer of such shares to any person other than the Company, another holder of Class B Common Stock or a "Permitted Transferee" as defined in the Company's Articles of Incorporation. The Class A Common Stock is not convertible.

The following table sets forth information with respect to beneficial ownership of the Class A Common Stock and Class B Common Stock by each person known to the Company to be the beneficial owner of more than five percent of either class of Common Stock. This information is as of December 31, 2016, unless noted that it is based upon Schedules 13-D or 13-G filed with the Securities and Exchange Commission (the "Commission").

MEETINGS AND COMMITTEES OF THE BOARD

The Board of Directors has established four standing committees to assist in the discharge of its responsibilities. These are the Executive, Audit, Option Plan and Compensation Committees. The Board as a whole nominates directors for election. During 2016, the Board of Directors held four meetings.

Each incumbent Director acted pursuant to all written consents without formal meeting and attended at least 75% of the total number of meetings of the Board of Directors and the committees of the Board on which the respective Directors served during 2016. All of the Board members, with the exception of Messrs. Klingle (Chairman) and Bozanich, attended the prior year's annual meeting.

The Executive Committee, subject to the restrictions of the Ohio General Corporation Law, may exercise the authority of the Board of Directors in the management of the business and affairs of the Company during intervals between meetings of the Board. During 2016, the Executive Committee held no meetings. The Executive Committee consists of three members, as follows: Messrs. Klingle (Chairman), Gramley and Bozanich.

The Audit Committee is responsible for recommending the firm of independent accountants to be engaged to audit the Company's financial statements, reviewing the scope and results of the audit with the independent accountants, reviewing with management and the independent accountants the Company's interim and year-end operating results, considering the adequacy of the internal accounting controls and procedures of the Company and reviewing the non-audit services to be performed by the independent accountants. During 2016, the Audit Committee held four meetings. The Audit Committee consists of three members, as follows: Messrs. Gramley (Chairman), Bozanich and Gordon. The Board of Directors has determined that each member of the Audit Committee is independent as defined by the Securities and Exchange Commission and NYSE Amex. The Board of Directors has identified Mr. Gramley as the Audit Committee financial expert. The Company has adopted a formal written Audit Committee Charter. The Audit Committee reviews and reassesses the adequacy of the formal written charter on an annual basis.

The Compensation Committee is responsible for reviewing and establishing the compensation arrangements for employees of the Company, including the salaries and bonuses of top management. During 2016, the Compensation Committee held two meetings. The Compensation Committee consists of three members, as follows: Messrs. Saksa (Chairman), Klingle and Gordon. Avalon Holdings Corporation is a controlled company because over 50% of the voting power of the Company is held by Mr. Klingle. As such, the members of the Company's Compensation Committee are not all independent.

The Option Plan Committee determines grants of options to purchase shares under the Company's 2009 Long-Term Incentive Plan (the "Plan") based on recommendations made by the Company's Compensation Committee. During

2016, the Option Plan Committee held no meetings. In 2016, the full Board of Directors discussed and granted stock options to an executive officer. The Option Plan Committee consists of three members, as follows: Messrs. Gordon (Chairman), Gramley and Bozanich.

DIRECTOR NOMINATING PROCESS

Avalon Holdings Corporation is a controlled company because over 50% of the voting power of the Company is held by Mr. Klinge. As such, the Company does not have a Nominating Committee. Because Mr. Klinge holds a majority of the voting power, nominations for Directors are generally based on his recommendations. In general, the Company's Board will nominate existing Directors for re-election unless the Board has a concern about the Director's ability to perform his or her duties. In the event of a vacancy on the Board, potential candidates are evaluated based upon their experience, skills, integrity and background concerning the types of businesses in which the Company operates and how the nominee would complement the existing Board's skills and experience.

The Board of Directors has no formal procedures to be followed in submitting recommendations of candidates for Director. However, nominations for Director may be made by our shareholders, provided such nominations comply with certain timing and information requirements set forth in our bylaws. Nominations should be made via written request to the attention of the Company's Secretary, One American Way, Warren, Ohio 44484.

Audit Committee Report

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the accounting firm that is engaged as the Company's independent registered public accounting firm. The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2016 Annual Report on SEC Form 10-K with Company's management and independent registered public accounting firm. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principals generally accepted in the United States of America.

In the performance of the Audit Committee's oversight function, we have reviewed and discussed with management the Company's audited financial statements for the year ended December 31, 2016 and management's assessment of the effectiveness of the Company's internal control over financial reporting. The Audit Committee discussed with the Company's independent registered public accounting firm, the matters required to be discussed by Public Company Accounting Oversight Board Audit Standard No. 16, Communications with Audit Committees, and such other matters as we have deemed to be appropriate. In addition, the Audit Committee has received and discussed the written disclosures and the letter from the independent registered public accounting firm required by Public Company Oversight Board Rule 3526 (Independence Discussions with Audit Committees) regarding its independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Company's Annual Report on SEC Form 10-K for the year ended December 31, 2016, for filing with the Securities and Exchange Commission.

Executive Compensation

Avalon is a controlled company as defined by the NYSE Amex company guide because over 50% of the voting power is held by Mr. Klingle. During 2016, Mr. Klingle was the Chairman of the Board and Chief Executive Officer and Mr. Sakska was Chief Financial Officer. Both Mr. Klingle and Mr. Sakska were members of the Compensation Committee. As such, the members of the Company's Compensation Committee are not all independent. Although the Company's executive compensation program is established by the Compensation Committee, the Compensation Committee and the Board of Directors, as a whole, discuss the reasonableness of the amounts of compensation received by the Chief Executive Officer and the other executive officers.

The Company maintains a cash compensation program which is designed to motivate, retain and attract management and is comprised of base salary and discretionary bonuses. The purpose of the base salary is to create a secure base of cash compensation for executives that is competitive with the market. Executive salaries do not follow a preset schedule or formula. For the most part, increases in compensation of the Chief Executive Officer and other executive officers are dependent upon discretionary bonuses approved by the Board of Directors.

The Compensation Committee discusses and reviews base salaries and discretionary bonuses for all of the executive officers, including Mr. Klingle, the Chief Executive Officer, based upon an evaluation of each individual's performance, any change in responsibilities and their potential to contribute to the success of the Company. No specific weights have been assigned to those factors. Mr. Kenneth McMahon, Chief Executive Officer of American Waste Management Services, Inc. ("AWMS"), received a discretionary bonus, based upon eight percent of the income before taxes of the waste management and brokerage company.

With regard to individual performance of executive officers, other than the Chief Executive Officer, the Compensation Committee relies to a large extent on the Chairman of the Board and Chief Executive Officer's evaluation of each individual executive officer's performance.

In March 2016, the Board of Directors approved and granted 90,000 stock options to Mr. Sakska, Chief Financial Officer.

In November 2016, the Board of Directors voted not to make a discretionary contribution to the Company's 401(k) Profit sharing Plan for the year ended December 31, 2016.

Section 162(m) of the Internal Revenue Code addresses the nondeductibility for federal income tax purposes of certain compensation in excess of \$1 million paid to an employee during the taxable year. As it is highly unlikely that any executive officer or other employee of the Company will be awarded compensation in excess of \$1 million in the foreseeable future, the Compensation Committee has not established a policy with respect to the nondeductibility of such employee compensation.

The Compensation Committee believes that the Chief Executive Officer, as well as, the other executive officers of the Company, are dedicated to achieving significant improvements in the Company's long-term financial performance and that the compensation policies, plans and programs implemented by the Company contribute to achieving those results.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS**Compensation of Executive Officers**

The following information sets forth the compensation of the Company's Principal Executive Officer during 2016 and the Company's two most highly compensated executive officers, other than the Chief Executive Officer, who were serving as executive officers as of December 31, 2016; in each case for services rendered in all capacities to the Company and/or its subsidiaries during the fiscal year ended December 31, 2016.

PROPOSAL #2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide our shareholders with the opportunity to vote to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC.

This advisory vote, commonly referred to as a “say-on-pay” advisory vote, is not binding on the Company, our Board of Directors or our Compensation Committee. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. To the extent there is any significant vote against our named executive officers’ compensation as disclosed in this proxy statement, our Compensation Committee and Board of Directors will consider our shareholders’ concerns and evaluate whether any actions are necessary to address those concerns.

The affirmative vote of a majority of the votes cast in person or by proxy at the annual meeting is required to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement.

Accordingly, we ask our shareholders to vote on the following resolution at our 2017 annual meeting of shareholders:

RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company’s Proxy Statement for the 2017 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission including the Summary Compensation Table and other related tables and disclosures.

The Board of Directors unanimously recommends a vote FOR the approval, on an advisory basis, of the compensation of our named executive officers disclosed in this proxy statement.

Compensation of Directors

Each of the Company's directors who is not an officer or employee of the Company is entitled to receive a retainer fee of \$20,000 per year for Board of Directors membership and a fee of \$1,000 for attendance at each Board of Directors meeting (\$500 for a committee meeting held on a separate day). Officers and employees who serve as directors are not compensated for their services as directors. In accordance with the Avalon Holdings Corporation 2009 Long-Term Incentive Plan, non-employee directors are entitled to receive grants of options to purchase shares of Class A Common Stock as determined by the Board of Directors. All directors are reimbursed for expenses incurred in attending Board of Directors meetings and committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The SEC requires disclosure of any transactions with related parties in which the amount exceeds \$120,000. As defined by the SEC, the term related parties include any director, executive officer, nominee for director or any immediate family member of the director or executive officer, which includes child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law.

In August 2013, Avalon created a new Ohio limited liability company, AWMS Holdings, LLC, to act as a holding company to form and own a series of wholly owned subsidiaries that will own and operate salt water injection wells and facilities (together the “facilities”). AWMS Holdings, LLC, offers investment opportunities to accredited investors by selling membership units of AWMS Holdings, LLC through private placement offerings. The monies received from these offerings, along with internally contributed capital, are used to construct the facilities necessary for the operation of salt water injection wells. AWMS Water Solutions, LLC (formerly American Water Management Services, LLC), a wholly owned subsidiary of Avalon, manages all the salt water injection well operations, including the marketing and sales function and all decisions regarding the well operations for a percentage of the gross revenues. As a result of the private placement offering, Avalon is not the majority owner of AWMS Holdings, LLC; however, due to the managerial control of AWMS Water Solutions, LLC the financial statements of AWMS Holdings, LLC and subsidiaries are included in Avalon’s consolidated financial statements.

Mr. Gramley and Mr. Gordon who are each a current director and nominee for director of the Company and are considered related parties, have purchased membership units in AWMS Holdings, LLC totaling \$450,000 and \$200,000, respectively.
