**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

At its meeting on August 24, 2018, the Compensation and Executive Development Committee (the “Committee”) of the Board of Directors of Twin Disc, Incorporated (the “Company”) approved the base salary and the target bonus for fiscal 2019 of the Company’s principal executive officer, John H. Batten. Mr. Batten’s base salary and target bonus were set as follows:

Name and Position	Base Salary	Target Bonus as % of Base Salary
John H. Batten President and Chief Executive Officer	\$600,000	75%

The base salary represents a 20% increase for Mr. Batten, as the Committee determined that his base salary was below the market median. The increase is effective the first pay period that included October 1, 2018.

The target incentive bonus is based on the FY 2019 Corporate Incentive Plan (“CIP”). The CIP establishes the target bonus based on the following factors and relative weights for each factor: (i) EBITDA (40%); sales revenue (20%); trade working capital as a percentage of sales (20%); and strategic objectives (individual achievement) (20%). In no event will the incentive payment under the CIP exceed 200% of the target. The incentive payment to Mr. Batten under the CIP may be increased or decreased by up to 20%, at the discretion of the Committee.

On August 24, 2018, the Committee also awarded a target number of 18,476 performance stock awards to Mr. Batten under the Twin Disc, Incorporated 2018 Long-Term Incentive Compensation Plan (the “2018 LTI Plan”). The performance shares will be paid out based on the following performance objectives and relative weights for each objective for the three fiscal year period ending June 30, 2021: (i) average return on invested capital (also known as return on total capital) (40%), (ii) average sales revenue (30%), and (iii) average earnings per share (30%). With respect to each performance objective, a value shall be determined as a percentage of the target based on the attainment of the performance objective for the performance period. If the Company does not obtain the threshold for

that performance objective, such percentage shall be 0%. If the Company obtains the threshold for that performance objective, the percentage shall be 50%. If the Company equals or exceeds the maximum for that performance objective, the percentage shall be 150%. Outcomes between the threshold and target will be interpolated linearly between the amount of threshold award and the amount of the target award applicable to that performance objective, and outcomes between target and maximum will be interpolated linearly between the amount of the target award and the amount of the maximum award applicable to that performance objective. The percentage for each performance objective will be multiplied by the weight accorded to that performance objective, and the sum of the weighted percentages for each of performance objectives will be multiplied by the target number of performance shares awarded. The maximum number of performance shares that can be earned by Mr. Batten pursuant to this award is 27,714. All awards of performance shares are contingent upon the approval of the 2018 LTI Plan by the Company's shareholders prior to August 1, 2019, and the awards shall be null and void if such shareholder approval is not obtained. A copy of the form of the Performance Stock Award Grant Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

On August 24, 2018, the Committee also issued 18,476 restricted stock units to Mr. Batten under the 2018 LTI Plan. Each restricted stock unit represents the right to receive one share of common stock of the Company if and when the restricted stock unit vests. The restricted stock units will vest in three years, provided Mr. Batten remains employed as of such vesting date. Subject to obtaining shareholder approval of the 2018 LTI Plan, the restricted stock units will fully vest if Mr. Batten terminates employment due to death or disability, or if, following a change in control of the Company, Mr. Batten is involuntarily terminated without cause or terminates employment for good reason. In conjunction with the restricted stock unit awards, the Committee also granted dividend equivalent awards. If and when Mr. Batten's restricted stock units vest, he shall receive a payment equal to the cash dividends that would have been paid during the restricted period on the shares of stock represented by the restricted stock units (plus interest), as well as any stock dividends that would have been issued during the restricted period on the shares of stock represented by the restricted stock units. All awards of restricted stock units and dividend equivalent awards are contingent upon the approval of the 2018 LTI Plan by the Company's shareholders prior to August 1, 2019, and the awards shall be null and void if such shareholder approval is not obtained. A copy of the form of the Restricted Stock Unit Grant Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference.
