Item 2.05. Costs Associated With Exit Or Disposal Activities

On September 29, 2009 the Board of Directors of China Direct Industries, Inc. (the "Company"), committed to a plan to sell its interest in Pan Asia Magnesium, Ltd. ("Pan Asia"). Pan Asia owns and operates a magnesium production facility located in Taiyuan, Shanxi Province, China. Yiwei Magnesium is controlled by Yuwei Huang, an executive vice president and member of the Company's board of directors. The Company expects to present Pan Asia as a discontinued operation beginning with its financial statements for the fiscal year ended September 30, 2009.

The Company is unable at this time to provide a good faith estimate of the costs associated with its discontinuance of Pan Asia, or the time for completion of the plan. The Company will file an amended report on Form 8-K under this Item 2.05 at such time as such determination is made.

The information furnished with this Current Report on Form 8-K shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.
