Item 1.02 Termination of a Material Definitive Agreement.

OncoSec Medical Incorporated (the “Company”) and Rev.1 Engineering Inc. (“Rev.1”) entered into a Research and Development Services Agreement effective March 6, 2015 (the “Agreement”). The Company and Rev.1 entered into an Amendment No. 1 to Research and Development Services Agreement effective February 17, 2016 (the “Amendment,” and collectively with the Agreement, the “Amended Agreement”). Under the Amended Agreement, Rev.1 has provided research and development services to the Company relating to certain Company device development efforts.

As part of the Company’s normal business practice of reviewing the cost and efficiency of its programs, the Company has terminated the Amended Agreement in a notice to Rev.1 dated June 29, 2016. The termination will be effective July 31, 2016 (the “Termination Date”). On the Termination Date, as a termination fee, the Company will forfeit to Rev.1 any remaining portion of the deposit that was pre-paid under the Amended Agreement. As of May 31, 2016, approximately \$203,249 of the deposit remained outstanding. As provided in the Amended Agreement, ten percent of each invoice will continue to be applied against and will thereby reduce the deposit amount that the Company will forfeit on the Termination Date.

The Company will now work with Rev.1 to transition its projects from Rev.1 to the Company in advance of the Termination Date.

The foregoing description of the Amended Agreement does not purport to be complete and is qualified in its entirety by the full text of the Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by this reference, and by the full text of the Amendment, which is attached as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.
