PROXY STATEMENT

This proxy statement provides information in connection with the solicitation of proxies by the board of directors of Chuy's Holdings, Inc. Each record holder of common stock on that date is entitled to one vote at the Annual Meeting for each share of common stock held. As of June 5, 2018, there were 16,946,433 shares of common stock outstanding.

You cannot vote your shares unless you are present at the Annual Meeting or you have previously given your proxy.

You can vote by proxy in one of three ways:

- at the discretion of the proxy holders with regard to any other matter that is properly presented at the Annual Meeting.

To be sure your shares are voted in the manner you desire, you should instruct your broker how to vote your shares.

Holders of a majority of the outstanding shares of the Company’s common stock must be present, either in person or by proxy, to constitute a quorum necessary to conduct the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining a quorum and are considered present and entitled to vote.

The following table sets forth the voting requirements, whether broker discretionary voting is allowed and the treatment of abstentions and broker non-votes for each of the matters to be voted on at the Annual Meeting.

Proposal	Vote Necessary to Approve Proposal	Broker Discretionary Voting Allowed?	Treatment of Abstentions and Broker Non-Votes

No. 2 - Approval of the compensation of our named executive officers, as disclosed in this proxy statement	Affirmative vote of the majority of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the matter	No	Abstentions will have the effect of a vote cast against the matter and broker non-votes are not considered votes cast
No. 3 - Advisory vote on the frequency of future votes on the compensation of our named executive officers	Affirmative vote of the majority of the votes of the shares present in person or by proxy at the Annual Meeting and entitled to vote on the matter	No	Abstentions will have the effect of a vote cast against the matter and broker non-votes are not considered votes cast
No. 4 - Ratification of the appointment of RSM US LLP	Affirmative vote of a majority of the shares present, in person or by proxy, at the Annual Meeting and entitled to vote on the matter	Yes	Abstentions will have the effect of a vote cast against the matter

Attendance at the Annual Meeting will be limited to stockholders of record and beneficial owners who provide proof of beneficial ownership as of the record date (such as an account statement, a copy of the voting instruction card provided by a broker, bank, trustee, or nominee, or other similar evidence of ownership).

The Company pays the costs of soliciting proxies. We have engaged Georgeson, Inc. to serve as our proxy solicitor for the Annual Meeting at a base fee of \$7,500 plus reimbursement of reasonable expenses. Georgeson will provide advice relating to the content of solicitation materials, solicit banks, brokers, institutional investors, and hedge funds to determine voting instructions, monitor voting, and deliver executed proxies to our voting tabulator. Our employees also may solicit proxies by telephone or in person. However, they will not receive additional compensation for soliciting proxies. The Company may request banks, brokers, and other custodians, nominees, and fiduciaries to forward copies of these proxy materials to the beneficial holders and to request instructions for the execution of proxies. The Company may reimburse these persons for their related expenses. Proxies are solicited to provide all record holders of the Company’s common stock an opportunity to vote on the matters to be presented at the Annual Meeting, even if they cannot attend the meeting in person.

The board concluded that Jon should serve as a director based upon his knowledge of the restaurant industry and our Company and his financial and leadership experience.

PROPOSAL 2 –
ADVISORY VOTE TO APPROVE THE COMPENSATION OF
OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 14A of the Securities Exchange Act of 1934 (the “Exchange Act”), we are submitting the compensation of our named executive officers as disclosed in this proxy statement to our stockholders for an advisory vote.

As described below under the heading “Executive Compensation,” we seek to provide compensation to each named executive officer that is designed to attract, motivate and retain our executive officers. Our compensation program is designed to reward both individual and company performance, while aligning the financial interests of each named executive officer with the interests of our stockholders. The compensation committee sets compensation for each named executive officer at a level we believe is appropriate considering each named executive officer’s annual review, level of responsibility, awards and compensation paid in the past year and progress toward or attainment of previously set personal and corporate goals and objectives.

The vote on this proposal is not intended to address any specific element of compensation. Rather, the vote relates to the overall compensation of our named executive officers, as described under the heading “Executive Compensation” in this proxy statement. We are asking our stockholders to approve the following advisory resolution at our Annual Meeting:

“RESOLVED, that the compensation of the Company’s named executive officers, as disclosed pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.”

The vote is advisory and is not binding on the Company, our board of directors or the compensation committee.

However, the compensation committee expects to consider the outcome of this advisory vote in evaluating whether any actions are appropriate with respect to our compensation programs for our executive officers.

The board of directors recommends a vote “FOR” the approval of the compensation of our named executive officers.

PROPOSAL 3 –
ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES
ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 14A of the Exchange Act, we are submitting the frequency of advisory votes on the compensation of our named executive officers to an advisory vote of our stockholders. In voting on this proposal, stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation every year, every two years, or every three years. Stockholders also may, if they wish, abstain from voting on this proposal. Our board of directors has determined that an advisory vote each year on executive compensation is the most appropriate approach for the Company and its stockholders. In making its recommendation, our board of directors considered that an annual advisory vote on executive compensation allows our stockholders to provide us with timely and direct input on our compensation policies, programs and practices.

Our board of directors recommends that you vote for an annual advisory vote on executive compensation. This vote is advisory and not binding on the Company or our board of directors. However, our board of directors intends to evaluate the voting results on this proposal in determining how frequently the Company will submit advisory votes on executive compensation to our stockholders.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining). Stockholders are not voting to approve or disapprove the recommendation of the board of directors.

The board of directors unanimously recommends that you vote for a frequency of “1 YEAR.”

PROPOSAL 4 -
RATIFICATION OF APPOINTMENT OF
RSM US LLP AS THE COMPANY'S INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM FOR 2018

The audit committee has appointed RSM US LLP as the Company's independent registered public accounting firm for 2018. The board of directors is asking stockholders to ratify this appointment. Securities and Exchange Commission ("SEC") regulations and the Nasdaq listing requirements require the Company's independent registered public accounting firm to be engaged, retained and supervised by the audit committee. However, the board of directors considers the selection of an independent registered public accounting firm to be an important matter to stockholders. Accordingly, the board of directors considers a proposal for stockholders to ratify this appointment to be an opportunity for stockholders to provide input to the audit committee and the board of directors on a key corporate governance issue.

Representatives of RSM US LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement. They will also be available to respond to appropriate questions. For additional information regarding our independent registered public accounting firm, see "Independent Public Accountants."

The board of directors recommends a vote "FOR" the ratification of RSM US LLP as the Company's independent registered public accounting firm for 2018.

The Board, Its Committees and Its Compensation

Board of Directors

The board of directors presently consists of six members, four of whom are non-employee directors. The board of directors is divided into three classes, with each class serving three-year terms. The term of one class expires at each Annual Meeting of Stockholders.

Director Compensation

The elements of compensation payable to our non-employee directors in 2017 are briefly described in the following table:

Board Service:

Annual cash retainer \$40,000

Annual equity award grant \$40,000

Board Committee Service:

Audit Committee Chair annual cash retainer \$10,000

Compensation Committee Chair annual cash retainer \$5,000

In connection with the appointment of a Lead Independent Director in May 2018, the board determined to pay the Lead Independent Director an additional annual cash retainer equal to \$5,000. Other than described above, the board has not made any additional changes to non-employee director compensation for 2018. We reimburse directors for all expenses incurred in attending board meetings.

Grants of equity awards to members of our board of directors are made under the 2012 Plan. These equity awards vest 25% on each of the first four anniversaries of the grant date subject to the director's continued service on the board.

Director Compensation Table

The following table provides information regarding the compensation of our non-management directors for the year ended December 31, 2017:

(3) John Zapp resigned from the board of directors on May 9, 2018.

The grant date fair value of each award was equal to the closing price of the Company's stock on the date of grant as calculated in accordance with FASB ASC Topic 718 ("Topic 718"). Pursuant to SEC rules, the amounts shown in this column exclude the impact of estimated forfeitures related to service-based vesting conditions. See Note 11 to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for information regarding the assumptions made in determining these values.

The following table provides information regarding the aggregate number of option and restricted stock unit awards held by our non-employee directors as of December 31, 2017:

NAME	AGGREGATE OPTION AWARDS	AGGREGATE RESTRICTED STOCK UNIT AWARDS	TOTAL AGGREGATE NUMBER OF AWARDS	
John Zapp	—	3,361	3,361	(1)
Starlette Johnson	7,250	3,361	10,611	
Saed Mohseni	7,250	3,361	10,611	
Ira Zecher	4,350	3,361	7,711	
Randall DeWitt	—	1,653	1,653	

(1) These restricted stock units were forfeited as a result of Mr. Zapp's resignation on May 9, 2018.

Director Independence

Our board of directors will review at least annually the independence of each director. During these reviews, the board will consider transactions and relationships between each director (and his or her immediate family and affiliates) and our Company and its management to determine whether any such transactions or relationships are inconsistent with a determination that the director is independent. This review will be based primarily on responses of the directors to questions in a directors' and officers' questionnaire regarding employment, business, familial, compensation and other relationships with the Company and our management. Our board of directors has determined that each of Ira Zecher, Starlette Johnson, Saed Mohseni and Randall DeWitt are independent within the meaning of the Nasdaq Marketplace Rules. As required by the Nasdaq Global Select Market, a majority of our directors are independent and our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Corporate Governance

We believe that good corporate governance is important to ensure that, as a public company, we will be managed for the long-term benefit of our stockholders. We and our board of directors have been reviewing the corporate governance policies and practices of other public companies, as well as those suggested by various authorities in corporate governance. We have also considered the provisions of the Sarbanes-Oxley Act and the rules of the SEC and the Nasdaq Global Select Market.

Based on this review, we have established and adopted charters for the audit committee, compensation committee and nominating and corporate governance committee, corporate governance guidelines as well as a code of business conduct and ethics applicable to all of our directors, officers and employees.

Our committee charters, code of business conduct and ethics and corporate governance guidelines are available on our website at www.chuys.com in the Investors section. Copies of these documents are also available upon written request to our Corporate Secretary. We will post information regarding any amendment to, or waiver from, our code of business conduct and ethics on our website in the Investors section.

The board of directors periodically reviews its corporate governance policies and practices. Based on these reviews, the board of directors may adopt changes to policies and practices that are in our best interests and as appropriate to comply with any new SEC or Nasdaq Marketplace Rules.

Board Leadership Structure and Board's Role in Risk Oversight

On May 9, 2018, our President and Chief Executive Officer, Steve Hislop, was appointed by the board of directors as Chairman of the board. Mr. Hislop replaced John Zapp as Chairman of the board. Mr. Zapp resigned from the board on May 9, 2018. Mr. Hislop has served as our President and Chief Executive Officer and a member of the board since July 2007. We believe that the Company and its shareholders are best served by having Mr. Hislop serve in both positions because of his knowledge of the Company's operations, our unique culture and industry, in which we are competing. This leadership structure will strengthen the communication link between the operating organization and the board. It will also foster a collaborative environment that supports effective decision-making around key topics such as strategic objectives, long-term planning and enterprise risk management.

In connection with the board's decision to appoint Mr. Hislop as Chairman of the board in addition to his roles as President and Chief Executive Officer of the Company, the board determined it was appropriate to appoint a Lead Independent Director, who would be elected annually. Mr. Mohseni was elected to serve as our Lead Independent Director.

The role of our Lead Independent Director is to, among other things, preside at executive sessions of independent directors, serve as a liaison between the independent directors and the Chairman, approve board meeting agendas and the information sent to the board, approve meeting schedules to assure that there is sufficient time for discussion of all agenda items, call meetings of independent directors and, if requested by major shareholders, ensure that he or she is available for consultation and direct communication. For further information on our board leadership, including the role of our Lead Independent Director see our corporate governance guidelines, which can be found on our website (www.chuys.com).

Risk is inherent with every business and we face a number of risks as outlined in Item 1A. "Risk Factors" included in the Company's Annual Report on Form 10-K. Management is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through our audit committee, is responsible for overseeing our management and operations, including overseeing its risk assessment and risk management functions. Our board of directors has delegated responsibility for reviewing our policies with respect to risk assessment and risk management to our audit committee through its charter. Our board of directors has determined that this oversight responsibility can be most efficiently performed by our audit committee as part of its overall responsibility for providing independent, objective oversight with respect to our accounting and financial reporting functions, internal and external audit functions and systems of internal controls over financial reporting and legal, ethical and regulatory compliance. Our audit committee will regularly report to our board of directors with respect to its oversight of these areas.

Board Meetings

The board of directors held six meetings during 2017. Each director serving on the board of directors in 2017 attended at least 75% of the total number of meetings of the board of directors and committees on which they served. Under our corporate governance guidelines, each director is expected to devote the time necessary to appropriately discharge his responsibilities and to rigorously prepare for, attend and participate in all board of directors meetings and meetings of committees on which he serves.

Annual Meetings of Stockholders

The Company's directors are encouraged to attend our Annual Meeting of stockholders, but we do not currently have a policy relating to directors' attendance at these meetings. Each director serving on the board of directors in 2017 attended our 2017 Annual Meeting of Stockholders.

Board Committees

Our board of directors has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The composition and responsibilities of each committee are described below. Members will serve on these committees until their resignation or until otherwise determined by our board of directors.

Audit Committee

Our audit committee is a standing committee of our board of directors. The audit committee met five times in 2017. According to our audit committee charter, the functions of our audit committee include, but are not limited to:

- appointing, retaining and determining the compensation for our independent registered public accounting firm;
- reviewing and overseeing our independent registered public accounting firm;
- reviewing and discussing the effectiveness of internal control over financial reporting;
- reviewing and discussing the annual audited and quarterly unaudited financial statements and the selection, application and disclosures of critical accounting policies used in such financial statements; and
- establishing procedures for the receipt, retention and treatment of complaints regarding internal accounting controls.

Our audit committee currently consists of Ira Zecher, Starlette Johnson and Saed Mohseni, with Ira Zecher serving as chairman. All of our audit committee members are independent as defined by Section 10A(m)(3) of the Exchange Act and the Nasdaq Marketplace Rules. Our audit committee charter also requires us to have at least one audit committee financial expert. Our board of directors has determined that Ira Zecher is an audit committee financial expert. Our board of directors has adopted a written charter under which the audit committee operates. A copy of the charter, which satisfies the applicable standards of the SEC and the Nasdaq Global Select Market, is available on our website. The audit committee has the authority to engage independent counsel and other advisors as the committee deems necessary to carry out its duties.

Compensation Committee

Our compensation committee is a standing committee of our board of directors. The compensation committee met four times in 2017. The compensation committee's functions include:

- reviewing and recommending to our board of directors the salaries and benefits for our executive officers;
- recommending overall employee compensation policies; and
- administering our equity compensation plans.

Our compensation committee currently consists of Saed Mohseni, Ira Zecher and Randall DeWitt, with Saed Mohseni serving as chairman. All members of our compensation committee are independent as defined by Section 10(c) of the Exchange Act, Rule 10C of the Exchange Act Rules and the Nasdaq Marketplace Rules.

Our board of directors has adopted a written charter under which the compensation committee operates. A copy of the charter, which satisfies the applicable standards of the SEC and the Nasdaq Global Select Market, is available on our website. The compensation committee has the sole authority to retain and terminate compensation consultants to assist in the evaluation of director or executive officer compensation and the sole authority to approve the fees and other retention terms of such compensation consultants. The compensation committee may also retain independent counsel and other independent advisors to assist it in carrying out its responsibilities. The compensation committee may also, in its discretion, delegate specific duties and responsibilities to a subcommittee or an individual committee member, to the extent permitted by applicable law.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is a standing committee of our board of directors. The nominating and corporate governance committee met four times in 2017. The functions of our nominating and corporate governance committee include:

- identifying individuals qualified to serve as members of our board of directors;

- recommending to our board nominees for our annual meetings of stockholders;
- evaluating our board's performance;
- developing and recommending to our board corporate governance guidelines; and
- providing oversight with respect to corporate governance and ethical conduct.

Our nominating and corporate governance committee consists of Starlette Johnson and Saed Mohseni, with Starlette Johnson serving as the committee chairman. All members of our nominating and corporate governance committee are independent as defined by the Nasdaq Marketplace rules.

Our board of directors has adopted a written charter under which the nominating and corporate governance committee operates. A copy of the charter, which satisfies the applicable standards of the SEC and the Nasdaq Global Select Market, is available on our website. The nominating and corporate governance committee has the sole authority to retain and terminate any search firm to assist in the identification of director candidates and the sole authority to set the fees and other retention terms of such search firms. The committee may also retain independent counsel and other independent advisors to assist it in carrying out its responsibilities.

Other Committees

Our board of directors may establish other committees as it deems necessary or appropriate from time to time.

Compensation Committee Interlocks and Insider Participation

None of our executive officers have served as a member of the board of directors or compensation committee of any related entity that has one or more executive officers serving on our board of directors or compensation committee.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer, and persons performing similar functions ("covered persons"). A current copy of the code is posted on our website, which is located at www.chuys.com. Any amendments to or waivers from a provision of our code of conduct and ethics that applies to our covered persons and that relates to the elements of Item 406(b) of Regulation S-K will be disclosed on our website promptly following the date of such amendment or waiver.

Qualifications for Director Nominees

The nominating and corporate governance committee is responsible for reviewing with the board of directors, at least annually, the appropriate skills and experience required for members of the board of directors. This assessment includes factors such as judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other board members, and the extent to which the candidate would be a desirable addition to the board of directors and any committees of the board of directors.

Director Candidate Recommendations by Stockholders

The committee will review and evaluate any director nominations submitted by stockholders, including reviewing the qualifications of, and making recommendations to the board of directors regarding, director nominations submitted by stockholders. See "Communications with the Board of Directors" below for additional information on how to submit a director nomination to the board of directors.

Communications with the Board of Directors

Any stockholder or other interested party who wishes to communicate directly with the board of directors or any of its members may do so by writing to: Corporate Secretary, Chuy's Holdings, Inc., 1623 Toomey Road, Austin, TX, 78704. The mailing envelope should clearly indicate whether the communication is intended for the board of directors as a group, the non-employee directors or a specific director.

Executive Compensation

Compensation Discussion and Analysis

This compensation discussion provides an overview of our executive compensation program, together with a description of the material factors underlying the decisions that resulted in the compensation provided to our Chief Executive Officer and Chief Financial Officer and our two other highest paid executive officers during fiscal year 2017 (collectively, the "named executive officers"). During fiscal year 2017, there were only four executive officers of the Company. Subsequent to the end of fiscal year 2017, Sharon Russell resigned from her positions as Chief Administrative Officer and Secretary of the Company effective March 6, 2018. This compensation discussion contains statements regarding our performance targets and goals. These targets and goals are disclosed in the limited context of our compensation program and should not be understood to be statements of management's expectations or estimates of financial results or other guidance. We specifically caution investors not to apply these statements to other contexts.

Objective of Compensation Policy

The objective of our compensation policy is to provide a total compensation package to each named executive officer that will enable us to:

- attract, motivate and retain outstanding individuals;
- reward named executive officers for performance; and
- align the financial interests of each named executive officer with the interests of our stockholders to encourage each named executive officer to contribute to our long-term performance and success.

Overall, our compensation program is designed to reward both individual and company performance. A significant portion of each of our named executive officers' annual compensation is comprised of performance-based bonuses. We also intend to continue to use long-term incentive awards to reward long-term company and individual performance and to promote retention through delayed vesting of awards.

Administration

Our compensation committee, which is comprised exclusively of independent directors, oversees our executive compensation program and is responsible for approving or recommending to the board the nature and amount of the compensation paid to, and any employment and related agreements entered into with, our named executive officers. The committee also administers our equity compensation plans and awards.

Process for Setting Total Compensation

At the first meeting of each new fiscal year, our compensation committee sets annual base salaries, determines the amount of performance-based and discretionary bonuses for the prior year, sets performance criteria for our performance-based bonuses for the following year and determines the amount of equity based incentive compensation to grant to our named executive officers. In making these compensation decisions, our compensation committee considers the recommendations of our Chief Executive Officer, particularly with respect to salary adjustments, performance-based and discretionary bonus targets and awards and equity incentive awards of our other named executive officers. Our compensation committee meets with our Chief Executive Officer at least annually to discuss and review his recommendations for compensation of our executive officers, excluding himself. When making individual compensation decisions for our named executive officers, the compensation committee takes many factors into account, including the officer's experience, responsibilities, management abilities and job performance, our performance as a whole, current market conditions and competitive pay levels for similar positions at comparable companies. These factors are considered by the compensation committee in a subjective manner without any specific formula or weighting.

During its annual review process, our compensation committee has set compensation for each named executive officer at a level we believe is appropriate considering each named executive officer's annual review, level of responsibility, the awards and compensation paid to the named executive officer in past years and progress toward or attainment of previously set personal and corporate goals and objectives, including attainment of financial performance goals and such other factors as the compensation committee has deemed appropriate and in our best interests and the best interests of our stockholders. The compensation committee has given different weight at different times to different factors for each named executive officer. Our performance criteria are discussed more fully below under the heading "—Bonus Compensation—Performance-Based Bonus." Other than with respect to our performance-based bonuses, the compensation committee has not relied on predetermined formulas or a limited set of criteria when it evaluates the performance of our named executive officers.

The charter of the compensation committee authorizes the committee to engage independent consultants at the expense of the Company.

Elements of Compensation

Our compensation program for named executive officers consists of the following elements of compensation, each described in greater depth below:

- Base salaries.
- Performance-based and discretionary bonuses.
- Equity-based incentive compensation.
- Severance and change-in-control benefits.
- Perquisites.
- General benefits.
- Employment agreements.

We may, from time to time, enter into written agreements to reflect the terms and conditions of employment of a particular named executive officer, whether at the time of hire or thereafter. We consider entering into these agreements when it serves as a meaningful recruitment and retention mechanism. We currently have employment agreements in place with each of our named executive officers. See "Employment Agreements" for additional information regarding our executive officer's employment agreements.

Base Salary

	2017
NAME	SALARY
	(\$)
Steve Hislop	630,823
Jon Howie	314,962
Michael Hatcher	208,000
Sharon Russell	109,499

We pay base salaries to attract, recruit and retain qualified employees. Our compensation committee reviews and sets base salaries of our named executive officers annually. These salary levels are and will continue to be set based on the named executive officer's experience and performance with previous employers and negotiations with individual named executive officers. The compensation committee may increase base salaries each year based on its subjective assessment of our company's and the individual executive officer's performance and each named executive officer's experience, length of service and changes in responsibilities. The weight given to such factors by the compensation committee may vary from one named executive officer to another.

Bonus Compensation

Performance-Based Bonus

In line with our strategy of rewarding performance, our executive compensation program includes performance-based bonuses to named executive officers under our cash bonus plan. Our compensation committee establishes annual target performance-based bonuses for each named executive officer during the first quarter of the year.

The target and maximum performance-based bonuses have been set at levels our compensation committee believes will provide a meaningful incentive to achieve company and individual goals and contribute to our financial performance. In 2017, the target and maximum performance-based bonus were set at 50% and 100%, respectively, of annual base salary for our Chief Executive Officer and Chief Financial Officer and 30% and 60%, respectively, of annual base salary for our other named executive officers. No bonus is paid if actual Company Adjusted EBITDA is 90% or less of budget Company Adjusted EBITDA. To the extent that actual Company Adjusted EBITDA exceeds 90% of budget Company Adjusted EBITDA, the plan provides that we will pay a bonus based on where performance falls on a linear basis between 90% and 100% of budget Company Adjusted EBITDA and between 100% and 110% of budget Company Adjusted EBITDA. In each circumstance, the compensation committee retains discretion to adjust the amount paid under the plan based on individual and company circumstances. If our budgeted Company Adjusted EBITDA is achieved, each individual will earn 100% of their target bonus.

This performance bonus is determined based primarily on the extent to which we achieve our budget Company Adjusted EBITDA goal. Company Adjusted EBITDA is our earnings before interest, taxes, depreciation and amortization plus any loss on sales of asset (less any gain on a sale of assets) and excludes stock-based compensation and certain non-cash and other adjustments. For each 1.0% that actual Company Adjusted EBITDA is above or below budget Company Adjusted EBITDA, the percentage of the target they receive will increase or decrease by 10%, respectively, of the Company Adjusted EBITDA portion of their target bonus. For example, if actual Company Adjusted EBITDA is 1% above budget Company Adjusted EBITDA, the named executive officers will receive 1.1 times their target bonus. The maximum a named executive officer may receive for Company Adjusted EBITDA performance is 2.0 times their target bonus. We use our Company Adjusted EBITDA, together with financial measures prepared in accordance with GAAP,

such as revenue, net income and cash flows from operations, to assess our historical and prospective operating performance and to enhance our understanding of our core operating performance. We also use our Company Adjusted EBITDA internally to evaluate the performance of our personnel and also as a benchmark to evaluate our operating performance or compare our performance to that of our competitors. The use of Company Adjusted EBITDA as a performance measure permits a comparative assessment of our operating performance relative to our performance based on our GAAP results, while isolating the effects of some items that vary from period to period without any correlation to core operating performance or that vary widely among similar companies.

Target, maximum and actual performance-based bonuses for 2017 for each of the named executive officers are shown in the table above and the actual paid performance-based bonus is shown in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table. For fiscal year 2017, no performance-based bonuses were paid because our actual Company Adjusted EBITDA was less than 90% of our budget Company Adjusted EBITDA.

Discretionary Bonus

Historically, each of our named executive officers has received a \$1,000 holiday bonus each December. The discretionary bonuses awarded to our named executive officers in 2017 are set forth in the "Bonus" column of the Summary Compensation Table.

Equity Compensation

We pay equity-based compensation to our named executive officers because it links our long-term results achieved for our stockholders and the rewards provided to named executive officers, thereby ensuring that such officers have a continuing stake in our long-term success.

Historically, we have granted equity awards to our named executive officers in conjunction with significant transactions and in connection with a named executive officer's initial hire or promotion. Additionally, we have granted equity awards to our named executive officers annually to further align the interests of our executives with those of our stockholders. For information regarding the number and grant date fair value of deferred shares (referred to herein as restricted stock units) granted to our named executive officers during fiscal year 2017, see "—Grants of Plan Based Awards" below.

We have provided this equity compensation to reward performance as well as to promote retention through delayed vesting. However, we believe that by weighting total compensation in favor of performance-based and discretionary bonuses, we have appropriately rewarded individual achievement while at the same time providing incentives to promote Company performance. In addition to stock options and restricted stock units, the 2012 Omnibus Equity Incentive Plan (the "2012 Plan") provides for the issuance of share appreciation rights, restricted shares, performance shares and other share based awards. In the future, we may consider granting other forms of equity to our named executive officers. For additional information regarding our 2012 Plan, see below under the heading "—2012 Omnibus Equity Incentive Plan."

We will make future grants of equity awards to the current named executive officers and other employees under the 2012 Plan. The compensation committee may grant stock options, restricted stock units or a combination of both. We also make grants of equity awards to our named executive officers and other employees because we believe that we should provide our employees an opportunity to share in our success provided they continue to contribute to our success.

Restricted stock units held by each of the named executive officers (and certain of our other salaried employees) vest ratably over a period of four years, subject to the applicable named executive officer remaining employed through each vesting date.

Severance and Change-in-Control Benefits

We currently have employment agreements with each of our named executive officers that provide termination or severance benefits. We agreed to pay termination or severance benefits in the event of an executive's termination by us without cause as a retention incentive. We believe this level of severance benefit provides our executives with the assurance of security if their employment is terminated for reasons beyond their control. For additional information

on the severance benefits provided under the employment agreements with our executive officers see “—Employment Agreements.”

Under the 2012 Plan, a named executive officer's awards granted under that plan will immediately vest in the event a change in control (as defined in the 2012 Plan) occurs and the officer's employment is terminated without cause within 24 months following the change in control.

The amount each named executive would be entitled to receive in the event of a termination is reported below under the heading “—Potential Payments upon Termination or Change in Control.”

Perquisites

In 2017, the aggregate incremental cost to us of the perquisites received by each of the named executive officers did not exceed \$10,000 and, accordingly, this benefit is not included in the Summary Compensation Table below. We provide the named executive officers with complimentary dining privileges at our restaurants. We view complimentary dining privileges as a meaningful benefit to our named executive officers as it is important for named executive officers to experience our products and services in order to better perform their duties for us.

General Benefits

We provide a limited number of personal benefits to our named executive officers. Our named executive officers participate in our health and benefit plans, and are entitled to vacation and paid time off based on our general vacation policies.

The following are standard benefits offered to all of our eligible employees, including the named executive officers.

Retirement Benefits. We maintain a tax-qualified 401(k) savings plan. Employees are eligible after one year of service and may defer up to the maximum amount allowable by the IRS.

Medical, Dental, Life Insurance and Disability Coverage. Active employee benefits such as medical, dental, life insurance and disability coverage are available to all eligible employees, including our named executive officers.

Moving Costs. We will reimburse out-of-pocket moving expenses for eligible executive officers in conjunction with their hiring.

Other Paid Time Off Benefits. We also provide vacation and other paid holidays to all employees, including the named executive officers, which we believe are appropriate for a company of our size and in our industry.

Employment Agreements

We have entered into employment agreements with Messrs. Hislop, Howie and Hatcher and Mrs. Russell. The employment agreements do not provide for fixed terms.

The employment agreements provide that Messrs. Hislop, Howie and Hatcher and Mrs. Russell, will receive an annual base salary of at least \$366,608, \$250,000, \$149,205 and \$167,094, respectively. In 2017, the Company and Mrs. Russell agreed to reduce her salary to \$109,499. Mr. Hislop and Mr. Howie are each eligible to receive a target annual bonus of 50% of their annual base salary, based upon the achievement of goals and objectives determined by our compensation committee with a minimum and maximum bonus of 0% and 100% of their annual base salary, respectively. Mr. Hatcher and Mrs. Russell are eligible to receive a target annual bonus of 30% of their annual base salary, based upon the achievement of goals and objectives determined by our compensation committee with a minimum and maximum bonus of 0% and 60% of their annual base salary respectively. The employment agreements provide that each executive will be eligible to participate in employee plans, including 401(k), medical and dental plans, made available to our other senior executives generally.

Each employment agreement provides for severance benefits if the executive's employment is terminated without cause (as defined in the employment agreement), subject to the executive's compliance with certain confidentiality, non-compete, non-solicitation and non-disparagement obligations and the execution of a general release of claims. In the event Mr. Hislop's employment is terminated without cause, he is entitled to continue to receive his base salary for two years following the termination of his employment. In the event Mr. Howie, Mr. Hatcher or Mrs. Russell is terminated without cause, each is entitled to continue to receive one year's base salary following their termination. In the event of termination, all of our executive officers are entitled to continue to receive the amount that the Company

was subsidizing for the executive and his or her dependents' medical and dental insurance coverage during the same period the executive is entitled to continue to receive his or her base salary after his termination.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code (the "Code") generally limits the tax deductibility of compensation we pay to our executive officers to \$1.0 million in the year the compensation becomes taxable to the executive officers. Historically, there was an exception to the limit on deductibility for "performance-based compensation" that meets certain requirements under Section 162(m) of the Code, but this exception has now been repealed, effective for taxable years beginning after December 31, 2017, unless transition relief for certain compensation arrangements in place as of November 2, 2017 is available. In addition, effective for taxable years beginning after December 31, 2017, the group of executive officers whose compensation is subject to Section 162(m) limitation on deductibility was expanded to include the chief financial officer. As a result, compensation paid to our executive officers in excess of \$1.0 million may not be deductible unless it is "performance-based compensation" that qualifies for certain transition relief. Although deductibility of compensation is preferred, tax deductibility is not a primary objective of our compensation programs. Rather, we seek to maintain flexibility in how we compensate our executive officers so as to meet a broader set of corporate and strategic goals and the needs of stockholders, and as such, we may be limited in our ability to deduct the full amount of such compensation.

Accounting rules require us to expense the cost of our stock option and restricted stock unit awards. Because of option and restricted stock unit expensing and the impact of dilution on our stockholders, we pay close attention to, among other factors, the type of equity awards we grant and the number and value of the shares underlying such awards.

2012 Omnibus Equity Incentive Plan

The purposes of the 2012 Plan are to provide additional incentives to our management, employees, directors, independent contractors and consultants, to strengthen their commitment, motivate them to faithfully and diligently perform their responsibilities and to attract and retain competent and dedicated persons whose contributions are essential to the success of our business and whose efforts will impact our long-term growth and profitability. To accomplish such purposes, the 2012 Plan provides for the issuance of stock options, share appreciation rights, restricted shares, restricted stock units, performance shares and other share-based awards, which we refer to as plan awards.

Summary of 2012 Plan Terms

We reserved a total of 1,250,000 shares of common stock that are available for issuance under the 2012 Plan. The maximum aggregate awards that may be granted during any fiscal year to any individual will be 200,000 shares, and in the case of options to acquire shares, with a per share exercise price equal to the grant date fair market value of a share. If the shares underlying any plan award are forfeited, canceled, exchanged or surrendered or if a plan award otherwise terminates or expires without a distribution of shares, the shares will again become available under the 2012 Plan provided that shares surrendered or withheld as payment of either the exercise price of an award (including shares otherwise underlying an award of a share appreciation right that are retained by us to account for the grant price of such share appreciation right) and/or withholding taxes in respect of an award will no longer be available for grant under the 2012 Plan, and notwithstanding that a share appreciation right is settled by the delivery of a net number of shares of the full number of shares underlying such share appreciation right will not be available for subsequent awards under the 2012 Plan. In addition, the number of shares for awards that are paid or settled in cash will again be available for grants of awards under the 2012 Plan. Shares underlying awards that can only be settled in cash will not be counted against the aggregate number of shares available for awards under the 2012 Plan.

The 2012 Plan is administered by our compensation committee (the "Plan Administrator"). The Plan Administrator may construe and interpret the 2012 Plan and may adopt, alter and repeal rules and make all other determinations necessary or desirable to administer the 2012 Plan.

The Plan Administrator may select the employees, directors, independent contractors and consultants who will receive plan awards, determine the terms and conditions of those awards, including but not limited to the exercise price, the number of shares of common stock subject to awards, the term of the awards, and the vesting schedule applicable to awards. Unless otherwise determined by the Plan Administrator, all awards that vest solely on a requirement of continued employment or service may not become fully vested prior to the second anniversary of the date upon which the award is granted.

We may issue stock options under the 2012 Plan. All stock options granted under the 2012 Plan are intended to be non-qualified stock options and are not intended to qualify as incentive stock options within the meaning of Section 422 of the Code. The option exercise price of all stock options granted under the 2012 Plan will be determined by the Plan Administrator, but in no event will the exercise price be less than 100% of the fair market value of the common stock on the date of grant. The term of all stock options granted under the 2012 Plan will be determined by the Plan Administrator, but may not exceed ten years from the date of grant. Each stock option will be exercisable at such time

and subject to such terms and conditions as determined by the Plan Administrator in the applicable stock option agreement. Other than equitable adjustments made in connection to a change in capitalization, under no circumstances will an exercise price be reduced following the date of the grant of an option, nor will an option be cancelled in exchange for a replacement option with a lower exercise price without stockholder approval.

Unless the applicable stock option agreement provides otherwise, in the event of an optionee's termination of employment or service for any reason other than for cause, disability or death, such optionee's stock options (to the extent exercisable at the time of such termination) generally will remain exercisable until 30 days after such termination and then expire. Unless the applicable stock option agreement provides otherwise, in the event of an optionee's termination of employment or service due to, disability or death, such optionee's stock options (to the extent exercisable at the time of such termination) generally will remain exercisable until one year after such termination and will then expire. For certain employees, a demotion in position will result in a loss of unvested options. If termination was for any other reason other than for cause, stock options that were not exercisable on the date of termination will expire at the close of business on the date of such termination. In the event of an optionee's termination of employment or service for cause, such optionee's outstanding stock options will expire at the commencement of business on the date of such termination. The Plan Administrator may waive the vesting requirements based on such factors as the Plan Administrator deems appropriate.

Share appreciation rights ("SARs") may be granted under the 2012 Plan either alone or in conjunction with all or part of any stock option granted under the 2012 Plan. A free-standing SAR granted under the 2012 Plan entitles its holder to receive, at the time of exercise, the number of shares, or alternate form of payment determined by the Plan Administrator, equal in value to the excess of the fair market value (at the date of exercise) over a specified price fixed by the Plan Administrator (which shall be no less than fair market value at the date of grant). A SAR granted in conjunction with all or part of an option under the 2012 Plan entitles its holder to receive, upon surrendering of the related option, the number of shares, or alternate form of payment determined by the Plan Administrator, equal in value to the excess of the fair market value (at the date of exercise) over the exercise price of the related stock option. The term of all SARs granted under the 2012 Plan will be determined by the Plan Administrator, but may not exceed ten years from the date of grant. In the event of a participant's termination of employment or service, free-standing SARs will be exercisable at such times and subject to such terms and conditions determined by the Plan Administrator, while SARs granted in conjunction with all or part of an option will be exercisable at such times and subject to terms and conditions applicable to the related option. Other than equitable adjustments made in connection to a change in capitalization, under no circumstances will an exercise price be reduced following the date of the grant of a SAR, nor will a SAR be cancelled in exchange for a replacement SAR with a lower exercise price without stockholder approval.

Restricted shares, restricted stock units and performance shares may be granted under the 2012 Plan. The Plan Administrator will determine the number of shares to be awarded, the purchase price, vesting schedule and performance objectives, if any, applicable to the grant of restricted shares, restricted stock units and performance shares. Participants with restricted shares and performance shares generally have all of the rights of a stockholder and restricted stock units generally do not have the rights of a stockholder. However, during the restricted period, restricted stock units may be paid dividends on the number of shares covered by the restricted stock units if the applicable award agreement so provides. If the performance goals and other restrictions are not satisfied, the restricted shares, restricted stock units and/or performance shares will be forfeited in accordance with the terms of the grant. Subject to the provisions of the 2012 Plan and applicable award agreement, the Plan Administrator has sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in whole or part) under certain circumstances, based upon such factors including, but not limited to, the attainment of certain performance goals, a participant's termination of employment or service or a participant's death or disability. The 2012 Plan also authorizes grants of other share-based awards, such as unrestricted shares, restricted stock units, dividend equivalents or performance units. The Plan Administrator will determine the terms and conditions of such awards, consistent with the terms of the 2012 Plan, at the date of grant or thereafter, including any performance goals and performance periods.

In the case of awards subject to performance goals, such goal may be based on one or more of the following criteria: (a) earnings, including one or more of operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, adjusted EBITDA, economic earnings, or extraordinary or special items or book value per share (which may exclude nonrecurring items); (b) pre-tax income or after-tax income; (c) earnings per share (basic

or diluted); (d) operating profit; (e) revenue, revenue growth or rate of revenue growth; (f) return on assets (gross or net), return on investment, return on capital, or return on equity; (g) returns on sales or revenues; (h) operating expenses; (i) share price appreciation; (j) cash flow, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, or cash flow in excess of cost of capital; (k) implementation or completion of critical projects or processes; (l) cumulative earnings per share growth; (m) operating margin or profit margin; (n) cost targets, reductions and savings, productivity and efficiencies; (o) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals relating to acquisitions, divestitures, joint ventures and similar transactions, and budget comparisons; (p) personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, the development of long term business goals, formation of joint ventures, research or development collaborations, and the completion of other corporate transactions; and (q) any combination of, or a specified increase in, any of the foregoing. Where applicable, a performance goal may be expressed in terms of attaining a specified level of the particular criteria or the attainment of a percentage increase or decrease in the particular criteria, and may be applied to one or more of the company or a company affiliate, or a division or strategic business unit of the company, or may be applied to the performance of the company relative to a market index, a group of other companies or a combination thereof, all as determined by the Administrator. The performance goals may include a threshold level of performance below which no payment may be made (or no vesting may occur), levels of performance at which specified payments may be made (or specified vesting may occur), and a maximum level of performance above which no additional payment shall be made (or at which full vesting may occur). Each of the foregoing performance goals will determine in accordance with generally accepted accounting principles, as applicable, and may be subject to certification by the committee; provided, that the committee shall have the authority to make equitable adjustments to the performance goals, to the extent permitted under Section 162(m) of the Code, if applicable, in recognition of unusual or non-recurring events affecting the company or any company affiliate thereof or the financial statements of the company or any company affiliate thereof, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles.

In the event of a merger, amalgamation, consolidation, recapitalization, reorganization, stock dividend, stock split or other change in corporate structure affecting the common stock, an equitable substitution or proportionate adjustment shall be made, as may be determined by the Plan Administrator, in (a) the aggregate number of shares of common stock reserved for issuance under the 2012 Plan and the maximum number of shares of common stock that may be subject to awards granted to any participant in any calendar year, (b) the kind, number and exercise price subject to outstanding stock options and SARs granted under the 2012 Plan, and (c) the kind, number and purchase price of shares of common stock subject to outstanding awards of restricted shares, restricted stock units, performance shares or other share-based awards granted under the 2012 Plan. In addition, the Plan Administrator, in its discretion, may terminate all outstanding awards for the payment of cash or in-kind consideration. However, no adjustment or payment may cause any award under the 2012 Plan that is or becomes subject to Section 409A of the Code to fail to comply with the requirements of that section.

Unless otherwise determined by the Plan Administrator and evidenced in an award agreement, in the event that a change in control occurs and a participant's employment or service is terminated without cause on or after the effective date of the change in control but prior to 24 months following the change in control, then any unvested or unexercisable portion of any award carrying a right to exercise shall become fully vested and exercisable, and the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to an award granted under the 2012 Plan will lapse and such unvested awards will be deemed fully vested and any performance conditions imposed with respect to such awards will be deemed to be fully achieved at the target level. Under the 2012 Plan, the term change in control generally means: (a) any person other than the company, any company affiliate or subsidiary, becomes the beneficial owner, directly or indirectly, of securities representing 50% or more of our then-outstanding voting power (excluding shares purchased directly from us or our affiliates); (b) a change in the majority of the

membership of our board of directors other than directors approved by two-thirds of the directors (other than directors assuming office in conjunction with an election contest) who constituted the board of directors at the time our IPO was consummated, or whose election was previously so approved; (c) the consummation of a merger, amalgamation or consolidation of us or any of our subsidiaries with any other corporation, other than a merger or amalgamation immediately following which our board

of directors immediately prior to the merger or amalgamation constitute at least a majority of the directors of the company surviving or continuing after the merger or amalgamation or, if the surviving company is a subsidiary, the ultimate parent thereof; or (d) our stockholders approve a plan of complete liquidation or dissolution of our company or there is consummated an agreement for the sale or disposition of all or substantially all of our assets, other than (1) a sale of such assets to an entity, at least 50% of the voting power of which is held by our stockholders following the transaction in substantially the same proportions as their ownership of the company immediately prior to the transaction or (2) a sale or disposition of such assets immediately following which our board of directors immediately prior to such sale constitute at least a majority of the board of directors of the entity to which the assets are sold or disposed, or, if that entity is a subsidiary, the ultimate parent thereof.

Until such time as the awards are fully vested and/or exercisable in accordance with the 2012 Plan, awards may not be sold, assigned, mortgaged, hypothecated, transferred, charged, pledged, encumbrance, gifted, transferred in trust (voting or other) or disposed in any other manner, except with the prior written consent of the administrator, which consent may be granted or withheld in the sole discretion of the Plan Administrator.

The 2012 Plan provides our board of directors with authority to suspend or terminate the 2012 Plan or any award, or revise and amend the 2012 Plan. However, stockholder approval is required for any amendment to the extent it is required to comply with applicable law or stock exchange listing requirements. The 2012 Plan will automatically terminate on the tenth anniversary of the effective date (although awards granted before that time will remain outstanding in accordance with their terms).

The award agreements for the 2012 Plan provide the board of directors and the Plan Administrator with the sole discretion to cancel or require repayments of awards in the event an award recipient engages in certain conduct deemed harmful to the Company.

2006 Stock Option Plan

In connection with the adoption of the 2012 Plan the board of directors terminated the 2006 Stock Option Plan (the "2006 Plan") effective as of July 27, 2012, and no further awards may be granted under the 2006 Plan after such date. However, the termination of the 2006 Plan did not affect awards outstanding under the 2006 Plan at the time of its termination and the terms of the 2006 Plan continue to govern outstanding awards granted under the 2006 Plan. The options granted under the 2006 Plan expire 10 years after the date of grant. The outstanding options under the 2006 Plan were fully vested as of December 31, 2017.

Potential Payments upon Termination or Change in Control

Termination of Employment

We currently have employment agreements with Messrs. Hislop, Howie and Hatcher and Mrs. Russell that would entitle them to severance payments upon termination of employment. Assuming the employment of our executive officers was terminated by us without cause on December 29, 2017, the last business day of fiscal year 2017, Messrs. Hislop, Howie and Hatcher and Mrs. Russell would be entitled to \$1,261,646, \$314,962, \$208,000 and \$109,499 in severance payments, respectively. For information on the severance benefits the executives are entitled to in the event of a termination of employment, under their employment agreements, see “—Employment Agreements.”

Change in Control

Under the 2012 Plan, a named executive officer's awards granted under that plan will immediately vest in the event that a change in control (as defined in the 2012 Plan or a "2012 Change in Control") occurs and the officer's employment is terminated without cause within 24 months following the change in control.

If a 2012 Change in Control occurred and the employment of Messrs. Hislop, Howie and Hatcher and Mrs. Russell was terminated on December 29, 2017, the last business day of fiscal year 2017, Messrs. Hislop, Howie and Hatcher and Mrs. Russell would have received \$1,224,187, \$621,504, \$263,306 and \$289,307, respectively, related to accelerated vesting of equity awards outstanding under the 2012 Plan.

The closing price of our common stock on December 29, 2017 was \$28.05 per share.

CEO Pay Ratio

Although we are no longer an “emerging growth company,” we are not yet required to provide information relating to the ratio of total compensation of our Chief Executive Officer to the median of the annual total compensation of all of our employees other than our Chief Executive Officer, as required by Item 402(u) of Regulation S-K.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a summary of transactions that occurred on or were in effect after December 26, 2016 to which we have been a party in which the amount involved exceeded \$120,000 and in which any of our executive officers, directors or beneficial holders of more than 5% of our capital stock had or will have a direct or indirect material interest.

Default License Letter Agreements

We entered into letter agreements in November 2006 with respect to the properties that we lease from Young/Zapp GP, LLC ("Young/Zapp"), an entity owned 47.5% by each of our founders and 5.0% by Sharon Russell, a former executive officer of the Company, and its subsidiaries. Pursuant to these letter agreements, if we default under our lease agreements with Young/Zapp and terminate possession of the lease location, Young/Zapp may operate a Tex-Mex or Mexican food restaurant in that location. However, they may not use our trademarks or trade names or confusingly similar trademarks or tradenames. The approximate dollar value of this agreement was not determinable.

Intellectual Property

We entered into a recipe license agreement with MY/ZP IP Group, Ltd ("MY/ZP IP") in November 2006 to allow the use of certain of our recipes by MY/ZP IP at Shady Grove, Inc. ("Shady Grove"), a restaurant owned by our founders. Shady Grove is a restaurant that serves American and Southwestern cuisine, such as hamburgers, sandwiches, fries, queso, cheese sticks and chili, and for which we provide management and administrative services pursuant to a management agreement with Three Star Management, Ltd. The approximate dollar value of this agreement was not determinable.

Management Agreement

We entered into a management agreement in November 2006 with Three Star Management, Ltd. to provide management services, such as administrative, accounting and human resources support, to Shady Grove. In consideration of the services we provide to Shady Grove, Three Star Management, Ltd. agreed to pay us a monthly fee of \$10,000, a pro rata share of the wages and expenses incurred to provide the services and the reimbursement of reasonable out-of-pocket expenses. Due to a reduction in management services we provide, we agreed to reduce the fee to a \$10,000 quarterly payment.

Management System License Agreement

In November 2006, we entered into a management system license agreement with MY/ZP IP to allow the use of certain of our handbooks, personnel training materials and other materials relating to our business know-how and personnel management know-how by Shady Grove and in any other endeavors of MY/ZP IP, subject to certain conditions. The approximate dollar value of this agreement was not determinable.

Cross-Marketing License Agreement

In November 2006, we entered into a cross-marketing license agreement with MY/ZP IP to allow Shady Grove to market our brand at Shady Grove and allow us to market Shady Grove at our locations. Some cross-promotional activities include selling merchandise and co-branding our website and menus. The approximate dollar value of this agreement was not determinable.

Parade Sponsorship Agreement

We entered into a parade sponsorship agreement in November 2006 with MY/ZP IP to obtain the right to sponsor, manage and operate the "Chuy's Children Giving To Children Parade" and to use MY/ZP IP's trademark in connection with the parade. In addition, we granted MY/ZP IP a limited license to use the Chuy's name in their trademark "Chuy's Children Giving To Children Parade." The approximate dollar value of this agreement was not determinable.

Leases

On December 1, 2016, we entered through our subsidiary Chuy's Opco, Inc. into a sublease with Young Zapp Graceland, Ltd. for additional office space next to the Company's current office space. Young Zapp Graceland, Ltd. is owned by John Zapp and Michael Young, former directors of the Company, and Sharon Russell, a former executive officer of the Company. The audit committee and the disinterested directors of the board approved the transaction after determining that the transaction was in the ordinary course of the Company's business and was on terms as favorable as would have been obtained by the Company in a comparable arm's length transaction with an independent, unrelated third party. The sublease began on January 1, 2017 and has a five-year term with an option to extend for an additional five years. The Company was required to pay rent of \$16,320 per month during the first year. This monthly rent amount increases approximately \$500 each year. The sublease is a triple net lease and the Company is responsible for the taxes, insurance and maintenance costs related to the property.

In addition to our corporate office, we also lease our North Lamar, River Oaks, Highway 183, Round Rock, Shenandoah and Arbor Trails properties from subsidiaries of Young/Zapp. In 2017, we paid Young/Zapp \$337,050, \$293,450, \$431,879, \$513,901, \$545,598, \$302,344, and \$411,465, which includes rent and a percentage of gross sales in excess of our base rent, with respect to our headquarters, North Lamar, River Oaks, Hwy 183, Round Rock, Shenandoah and Arbor Trails locations, respectively.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers. Each indemnification agreement provides that, subject to limited exceptions, and among other things, we will indemnify the director or executive officer to the fullest extent permitted by law for claims arising in his or her capacity as our director or officer and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

Related Party Transactions Policy

Our audit committee reviews certain financial transactions, arrangements and relationships between us and any of the following related parties to determine whether any such transaction, arrangement or relationship is a related party transaction:

- any of our directors, director nominees or executive officers;
- any beneficial owner of more than 5% of our outstanding stock; and
- any immediate family member of any of the foregoing.

Our audit committee reviews any financial transaction, arrangement or relationship that:

- involves or will involve, directly or indirectly, any related party identified above and is in an amount greater than \$120,000;
- would cast doubt on the independence of a director;
- would present the appearance of a conflict of interest between us and the related party; or
- is otherwise prohibited by law, rule or regulation.

The audit committee reviews each such transaction, arrangement or relationship to determine whether a related party has, has had or expects to have a direct or indirect material interest. Following its review, the audit committee will take such action as it deems necessary and appropriate under the circumstances, including approving, disapproving, ratifying, canceling or recommending to management how to proceed if it determines a related party has a direct or indirect material interest in a transaction, arrangement or relationship with us. Any member of the audit committee who is a related party with respect to a transaction under review will not be permitted to participate in the discussions or evaluations of the transaction; however, the audit committee member will provide all material information concerning the transaction to the audit committee. The audit committee will report its action with respect to any related party transaction to the board of directors.
