Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In conjunction with the 2015 Annual Meeting of Stockholders (the “Annual Meeting”) of Organovo Holdings, Inc. (the “Company”) held on August 20, 2015, the Company’s stockholders approved an amendment and restatement to the 2012 Equity Incentive Plan (the “Plan”) to (i) amend certain provisions to protect stockholder interests and (ii) increase the number of shares of the Company’s common stock available for issuance under the Plan by 6,000,000 shares (the “Amended and Restated Plan”). The Amended and Restated Plan, among other changes to protect stockholder interests: removes the exchange program in the Plan that previously allowed for the surrender of outstanding awards for other awards and/or cash without the requirement to obtain stockholder approval; provides that any shares withheld by the Company or tendered to the Company to pay taxes and/or the exercise price of an award will not become available for reissuance; removes the ability to reduce the exercise price of any outstanding award without the requirement to obtain stockholder approval; provides that no award shall contain a reload feature that results in a new option granted automatically upon the exercise or settlement of any outstanding award; and provides that all awards granted under the Amended and Restated Plan will be subject to any clawback or recoupment policy adopted by the Company.

The foregoing summary of the Amended and Restated Plan is not complete and is qualified in its entirety by reference to the full text of the Amended and Restated Plan, a copy of which is filed as Exhibit 10.1 to this report and incorporated herein by reference.

Item 5.07 Submission of Matters to a Vote of Security Holders.

The Company held its Annual Meeting on August 20, 2015. Of the 81,592,413 shares of the Company’s common stock outstanding as of the record date, 59,396,099 shares, or 72.8%, were represented at the Annual Meeting either in person or by proxy.

In accordance with the Company’s Bylaws, the presence of the holders of at least a majority of the outstanding shares of common stock at the Annual Meeting, whether in person or by proxy, constituted a quorum for the transaction of business at the Annual Meeting. Votes “For,” “Against,” “Abstentions” and “Broker Non-Votes” were each counted as present at the Annual Meeting for purposes of determining the presence of a quorum. Broker Non-Votes are shares held in street name by brokers, banks or other nominees who were present in person or represented by proxy at the Annual Meeting, but which were not voted on a proposal because the brokers, banks or nominees did not have discretionary authority with respect to that proposal and they had not received voting instructions from the beneficial owner prior to the Annual Meeting. Under the Company’s Bylaws, the Class I directors are elected by a plurality of the votes cast in person or by proxy at the Annual Meeting, which means that the director nominees who received the highest number of “For” votes were elected. Approval of each of the other proposals requires the affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting. Abstentions and Broker Non-Votes are not considered to be votes cast under the Company’s Bylaws, and as a result, have no effect on the outcome of the vote.

A description of each matter voted upon at the Annual Meeting is described in detail in the Company’s definitive proxy statement filed with the Securities and Exchange Commission on July 10, 2015. The number of votes cast For and Against and the number of Abstentions and Broker Non-Votes with respect to each matter voted upon are set forth below.
