EXPLANATORY NOTE

Citizens, Inc. (the “Company”) is filing this Amendment No. 1 on Form 10-Q/A (this “Amendment”) to its Quarterly Report on Form 10-Q for the three months ended June 30, 2017, which was originally filed on August 4, 2017 (the “Original Filing”), to amend and restate Item 4 of Part I, “Controls and Procedures.” In the Original Filing, management concluded, based on its evaluation at the time, that the Company’s disclosure controls and procedures were effective, due to the breadth of the Company’s controls and their overall effectiveness in accumulating and communicating information required to be disclosed in the Company’s reports under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). During its most recent evaluation of disclosure controls, however, management re-evaluated those conclusions and concluded that, in light of the unremediated material weaknesses disclosed in the Company’s Annual Report on Form 10-K for the year ended December 31, 2016, the Company’s disclosure controls and procedures as of June 30, 2017 were not effective.

In accordance with Rule 12b-15 under the Exchange Act, this Amendment also amends Part II, Item 6 of the Original Filing to include currently dated certifications from the Company’s Chief Executive Officer and Chief Financial Officer, as required by Sections 302 and 906 of the Sarbanes-Oxley Act of 2002.

Except for the amendments described above, this Amendment does not amend or otherwise update any other information in the Original Filing. This Amendment is not intended to, nor does it, reflect events occurring after the Original Filing, and does not modify or update the disclosures therein in any way other than as required to reflect the changes described above. Information not affected by this Amendment remains unchanged. This Amendment should be read in conjunction with any documents incorporated by reference herein and the Company’s other SEC filings subsequent to the Original Filing

PART I. FINANCIAL INFORMATION

Item 4. CONTROLS AND PROCEDURES

EVALUATION OF DISCLOSURE CONTROLS AND PROCEDURES

Disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and that such information is accumulated and communicated to our management, including our principal executive officer and principal financial officer, to allow timely decisions regarding required disclosures.

Our management, including our principal executive officer and principal financial officer, evaluated the design and operation of our disclosure controls and procedures pursuant to Rules 13a-15(e) and 15d-15(e) under the Exchange Act as of June 30, 2017. Based on such evaluation, our principal executive officer and principal financial officer concluded that our disclosure controls and procedures were not effective due to the material weaknesses in internal control over financial reporting that were reported in the Company's Annual Report on Form 10-K for the year ended December 31, 2016 (“2016 Annual Report”), which remain unremediated as of June 30, 2017.

CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING

During the three months ended June 30, 2017, there were no changes in the Company's internal controls over financial reporting that have materially affected, or are reasonably likely to materially affect, the Company's internal controls over financial reporting (as defined in rules 13a-15(f) and 15d-15(f) under the Exchange Act). The Company is in the process of remediating the material weaknesses identified in our 2016 Annual Report.
