ITEM 8.01 - Other Events

On September 27, 2006, the Eberhard Manufacturing Division of The Eastern Company received an addendum to the purchase order reported on an 8-K filed on September 6, 2006. That filing announced a purchase order from Armor Holdings, Inc. for a total of 25,700 door latching system components which would be used in a project to retro-fit 6,425 doors for military Humvees.

The addendum to the above purchase order is to provide an additional 28,000 door latching system components which will result in approximately \$16 million of additional sales for the Eberhard Division during the first quarter of 2007 to retro-fit 7,000 military Humvees.

These systems, in total, will retro-fit 13,425 Humvees as part of the military's up-armor program which will provide additional troop protection. The total purchase orders will result in approximately \$31.5 million in sales for the Eberhard Division between September 2006 and March 2007.
