(the “Partnership”), adopted the Fourth Amended and Restated Agreement of Limited Partnership of the Partnership (the “Partnership Agreement”). The Partnership Agreement was adopted to (i) provide for economic and tax uniformity for the common units issuable upon conversion of Class B Units (as defined in the Partnership Agreement) under certain circumstances and certain other tax law updates and (ii) amend and clarify the earliest date upon which the Class B Units are convertible into common units in certain circumstances.

Amendment to Conversion Mechanic

The mandatory and optional conversion mechanics in the Partnership Agreement were amended to provide that the Class B Units cannot mandatorily convert into common units (except in certain circumstances) prior to the first business day following the record date with respect to the Partnership’s first distribution of Available Cash (as defined in the Partnership Agreement) from Operating Surplus (as defined in the Partnership Agreement) after the Train 3 Substantial Completion Date (as defined in the Partnership Agreement), but in any case no earlier than the first business day following the record date with respect to the Partnership’s distribution of Available Cash from Operating Surplus with respect to the quarter ended June 30, 2017.
