CUSIP No. M8737E108

This Amendment No. 5 amends and supplements the Schedule 13D originally filed by the reporting persons with the Securities and Exchange Commission (the SEC) on August 4, 2006 (the Original Schedule 13D), as amended by Amendment No. 1 filed with the SEC on October 6, 2006 (Amendment No. 1), Amendment No. 2 filed with the SEC on October 10, 2006 (Amendment No. 2), Amendment No. 3 filed with the SEC on October 19, 2006 (Amendment No. 3), and Amendment No. 4 filed with the SEC on December 24, 2006 (Amendment No. 4, together with the Original Schedule 13D, Amendment No. 1, Amendment No. 2 and Amendment No. 3, collectively, the Schedule 13D). Unless otherwise indicated, each capitalized term used but not defined herein shall have the meaning assigned to such term in the Original Schedule 13D.

Item 3. Source and Amount of Funds or Other Consideration

The response set forth in Item 3 of the Schedule 13D is hereby amended by deleting the text of Item 3 in its entirety and replacing it with the following:

The securities reported herein were acquired with funds of approximately \$36.1 million (including brokerage commissions). All such funds were provided from investment capital of one or more open- or closed-end investment companies or other managed accounts which are managed by Templeton Asset Management Limited (TAML), Franklin Templeton Portfolio Advisors, Inc. and Franklin Advisers, Inc. (the Investment Management Subsidiaries), each of which is a direct or indirect, wholly-owned subsidiary of FRI.

Item 4. Purpose of Transaction

The response set forth in Item 4 of the Schedule 13D is hereby amended by deleting the text of Item 4 in its entirety and replacing it with the following:

The Investment Management Subsidiaries purchased the Ordinary Shares for their investment management clients for the purpose of investment. All such purchases were made in the open market in the ordinary course of the Investment Management Subsidiaries business. None of the Investment Management Subsidiaries, and none of any of the other reporting persons covered by this Schedule 13D, currently has any plans or proposals that relate to or would result in any of the actions described in paragraphs (a) through (j) of the instructions to Item 4 of Schedule 13D, except as otherwise set forth herein. TAML is concerned with the effect on the value of its investment management clients investment in the Issuer of the Issuer s failure to timely file its financial statements for the fiscal year ended December 31, 2005 and the consequential delisting of the Ordinary Shares from The Nasdaq Global Select Market. The explanations publicly announced by the Issuer for its failure to file the financial statements did not allay these concerns. Accordingly, TAML, together with the other reporting persons, filed this Schedule 13D to provide TAML flexibility to explore appropriate action it, alone or together with other shareholders in the Issuer, could take to better evaluate and ultimately rectify their concerns. Such actions may include engaging in discussions with the Issuer, members of its Board of Directors, its officers, shareholders and others. On October 18, 2006, counsel, on behalf of certain reporting persons, sent a letter to the Issuer (through counsel), the English translation of which is incorporated by reference herein as Exhibit

CUSIP No. M8737E108

E, demanding, among other things, that a shareholders meeting be held promptly. On December 24, 2006, counsel, on behalf of certain reporting persons, sent a letter to the Issuer and certain counsel, the English translation of which is incorporated by reference herein as Exhibit F, demanding, among other things, that the Issuer exercise all its rights against officers of the Issuer, against members of the audit committee, against the Issuer s internal auditor, against members of the board of directors and against any other person to recover the Issuer s damages and losses incurred by their acts and omissions, among other things, as specified in the letter and in accordance with any other cause of action available to the Issuer pursuant to a contract or any law.

The Investment Management Subsidiaries investment management clients may in the future acquire additional Ordinary Shares or other securities of the Issuer, in the open market, in privately-negotiated purchases or otherwise, and may also dispose of all or a portion of the Ordinary Shares in one or more transactions. The Investment Management Subsidiaries have purchased and/or disposed of a portion of such Ordinary Shares and may continue to do so. Additionally, the Investment Management Subsidiaries investment management clients reserve the right to exercise any and all of their respective rights as stockholders of the Issuer in a manner consistent with their equity interests and reserve the right from time to time to formulate plans or proposals regarding the Issuer or any of its securities, including without limitation to carry out any of the actions or transactions described in paragraphs (a) through (j) of the instructions to Item 4 of Schedule 13D, to the extent deemed advisable by the Investment Management Subsidiaries.

Item 5. Interest in Securities of the Issuer

The response set forth in Item 5 of the Schedule 13D is hereby amended by deleting the text of Item 5 in its entirety and replacing it with the following:

(a-b) The 2,934,463 shares of Ordinary Shares of the Issuer (the Securities), representing 9.9% of the outstanding Ordinary Shares, are beneficially owned by one or more open- or closed-end investment companies or other managed accounts that are investment management clients of the Investment Management Subsidiaries (the Investment Management Clients). Investment management contracts grant to the Investment Management Subsidiaries all investment and/or voting power over the securities owned by such Investment Management Clients, except as otherwise disclosed below. Therefore, for purposes of Rule 13d-3 under the Act, the Investment Management Subsidiaries may be deemed to be the beneficial owners of the Securities.

Beneficial ownership by investment management subsidiaries and other affiliates of FRI is being reported in conformity with the guidelines articulated by the SEC staff in Release No. 34-39538 (January 12, 1998) relating to organizations, such as FRI, where related entities exercise voting and investment powers over the securities being reported independently from each other. The voting and investment powers held by Franklin Mutual Advisers, LLC (FMA), an indirect wholly-owned investment management subsidiary of FRI, are exercised independently from FRI and from all other investment

CUSIP No. M8737E108

management subsidiaries of FRI (FRI, its affiliates and the investment management subsidiaries other than FMA are, collectively, FRI affiliates). Furthermore, internal policies and procedures of FMA and FRI establish informational barriers that prevent the flow between FMA and the FRI affiliates of information that relates to the voting and investment powers over the securities owned by their respective investment management clients. Consequently, FMA and the FRI affiliates report the securities over which they hold investment and voting power separately from each other for purposes of Section 13 of the Act.

The Principal Shareholders each own in excess of 10% of the outstanding common stock of FRI and are the principal stockholders of FRI. FRI and the Principal Shareholders may be deemed to be, for purposes of Rule 13d-3 under the Act, the beneficial owners of securities held by persons and entities for whom or for which FRI subsidiaries provide investment management services. The number of shares that may be deemed to be beneficially owned and the percentage of the class of which such shares are a part are reported in Items 11 and 13 of the cover pages for FRI and each of the Principal Shareholders. FRI, the Principal Shareholders and each of the Investment Management Subsidiaries disclaim any pecuniary interest in any of the Securities. In addition, the filing of this Schedule 13D on behalf of the Principal Shareholders, FRI and FRI affiliates, as applicable, should not be construed as an admission that any of them is, and each disclaims that it is, the beneficial owner, as defined in Rule 13d-3, of any of the Securities.

FRI, the Principal Shareholders, and each of the Investment Management Subsidiaries believe that they are not a group within the meaning of Rule 13d-5 under the Act and that they are not otherwise required to attribute to each other the beneficial ownership of the Securities held by any of them or by any persons or entities for whom or for which FRI subsidiaries provide investment management services.

The number of Ordinary Shares as to which each reporting person on this Schedule 13D and other Investment Management Subsidiaries has:

Templeton Asset Management Ltd.: 2,80

Templeton Asset Management Ltd.: 2,808,751
Franklin Advisers, Inc.: 10,070
Franklin Templeton Portfolio Advisors, Inc.^[1]: 115,642

Franklin Templeton Portfolio Advisors, Inc. (FTPA) may beneficially own these securities pursuant to various separately managed account investment management arrangements. Under these arrangements, underlying clients may, from time to time, delegate to FTPA the power to vote such securities, in which case FTPA has sole voting power. To the extent that the underlying client retains voting power over any securities, FTPA disclaims any power to vote or direct the vote of such securities.
