**Item 2.02. Results of Operations and Financial Condition**

**Item 7.01. Regulation FD Disclosure**

The following information is furnished pursuant to Item 2.02, “Results of Operations and Financial Condition” and Item 7.01, “Regulation FD Disclosure.”

On April 13, 2006, General Electric Company issued a press release setting forth GE’s first-quarter 2006 earnings. A copy of GE’s press release is attached hereto as Exhibit 99 and hereby incorporated by reference.

**Item 8.01 Other Events**

At its next regularly scheduled board meeting, GE management will recommend to its Board of Directors that it amend its By-Laws to implement its majority vote policy for director elections (Governance Principle # 20). For purposes of this policy, a “compelling reason” could include, without limitation, a situation in which a director nominee was the target of a “vote no” campaign on an illegitimate basis, such as racial discrimination, or on the basis of misinformation – or the resignation would cause the company to be in violation of its constituent documents or regulatory requirements.
