Item 1.01 Entry into a Material Definitive Agreement.

Credit Agreement and Term Loan Agreement

On December 17, 2018, Autodesk, Inc. (the “Company”) entered into an Amended and Restated Credit Agreement (the “Credit Agreement”) by and among the Company, the lenders from time to time party thereto and Citibank, N.A. (“Citibank”), as agent, which provides for an unsecured revolving loan facility in the aggregate principal amount of \$650,000,000. On the same date, the Company also entered into a Term Loan Agreement (the “Term Loan Agreement”) by and among the Company, the lenders from time to time party thereto and Citibank, as agent, which provides for a delayed draw term loan facility in the aggregate principal amount of \$500,000,000. As of December 17, 2018, the Company had no outstanding revolving loans under the Credit Agreement and no outstanding term loans under the Term Loan Agreement, which term loans may be borrowed only in connection with the consummation of the PlanGrid acquisition referred to below. The Credit Agreement replaced and terminated the Company’s existing \$400,000,000 Amended and Restated Credit Agreement dated as of May 29, 2015, among the Company, the lenders party thereto and Citibank, N.A., as agent.

The Credit Agreement permits the Company to increase the commitments for revolving loans no more than once a year in minimum increments of \$25,000,000, up to a maximum aggregate principal amount of \$1,000,000,000. Incremental loans are subject to the satisfaction of certain customary conditions, including obtaining additional commitments from the lenders then party to the Credit Agreement or new lenders.

The proceeds of the revolving loans under the Credit Agreement may be used by the Company for working capital and general corporate purposes. Subject to the satisfaction of certain conditions, the Company may use the proceeds from the term loan facility under the Term Loan Agreement solely to finance the Company’s pending Merger (as defined below) of PlanGrid, Inc. (“PlanGrid”) pursuant to that certain Merger Agreement (as defined below), the refinancing of certain indebtedness of PlanGrid, and the payment of fees and expenses incurred in connection with the Merger and the financing thereof. The commitments for the term loan facility terminate on the earlier to occur of (i) July 19, 2019 and (ii) the termination of the Merger Agreement (the “Term Loan Commitment Termination Date”).

Revolving loans may be borrowed, repaid and reborrowed until December 17, 2023, at which time all amounts borrowed must be repaid. The Company may borrow funds under the term loan facility in a single drawing prior to the Term Loan Commitment Termination Date, subject to certain customary conditions. The term loans would mature on December 19, 2020 and would not be subject to amortization prior to their maturity date. Revolving loans and term loans may be prepaid and revolving loan commitments and term loan commitments may be permanently reduced by the Company in whole or in part, subject to certain minimum thresholds, without penalty or premium, subject to customary breakage costs for LIBOR loans.

Revolving loans under the Credit Agreement will bear interest, at the Company’s option, at either (i) a floating rate per annum equal to the base rate plus a margin of between 0.000% and 0.500%, depending on the Company’s Public Debt Rating (as defined in the Credit Agreement) or (ii) a per annum rate equal to the rate at which dollar deposits are offered in the London interbank market, plus a margin of between 0.900% and 1.500%, depending on Company’s Public Debt Rating.

Term loans under the Term Loan Agreement will bear interest, at the Company’s option, at either (i) a floating rate per annum equal to the base rate plus a margin of between 0.000% and 0.625%, depending on the Company’s Public

Debt Rating (as defined in the Term Loan Agreement) or (ii) a per annum rate equal to the rate at which dollar deposits are offered in the London interbank market, plus a margin of between 0.875% and 1.625%, depending on Company's Public Debt Rating.

In both the Credit Agreement and the Term Loan Agreement, base rate is defined as the greatest of (A) Citibank's prime rate, (B) the federal funds rate plus 0.500% or (C) a per annum rate equal to the rate at which dollar deposits are offered in the London interbank market for a period of one month (but not less than zero) plus 1.00%. A default interest rate shall apply on all obligations during a payment event of default under the Credit Agreement or the Term Loan Agreement at a rate per annum equal to 2.000% above the applicable interest rate.

Under the Credit Agreement, the Company will pay to each lender a facility fee on a quarterly basis based on amounts committed (whether used or unused) under the revolving facility of between 0.100% and 0.250% per annum, depending on the Company's Public Debt Rating. Unused commitments under the term loan facility will be subject to a commitment fee, which shall accrue at 0.15% per annum, payable on a quarterly basis from the date that is 45 days after the closing date under the Term Loan Agreement until the earlier of the funding date under the Term Loan Agreement and the Term Loan Commitment Termination Date. The Company is also obligated under both the Credit Agreement and the Term Loan Agreement to pay agent fees customary for credit facilities of these sizes and types. Each of the Credit Agreement and the Term Loan Agreement requires the Company to maintain a maximum leverage ratio and a minimum interest coverage ratio during the term of the credit facility. In addition, each of the Credit Agreement and the Term Loan Agreement contains customary affirmative and negative covenants, including covenants that limit or restrict the ability of the Company and its subsidiaries to, among other things, grant liens on property, enter into certain mergers, dispose of all or substantially all of the assets of the Company and its subsidiaries, taken as a whole, change their accounting or reporting policies, materially change their business and incur subsidiary indebtedness, in each case subject to customary exceptions for a credit facility of this size and type. Each of the Credit Agreement and the Term Loan Agreement includes customary events of default that, include among other things, non-payment of principal, interest or fees, inaccuracy of representations and warranties, violation of covenants, cross default to certain other indebtedness, bankruptcy and insolvency events, material judgments, change of control and certain material ERISA events. The occurrence of an event of default could result in the acceleration of the obligations under each of the Credit Agreement and the Term Loan Agreement.

Citibank and the lender parties to the Credit Agreement and the Term Loan Agreement, and certain of their respective affiliates, have provided, and in the future may provide, financial, banking and related services to the Company. These parties have received, and in the future may receive, compensation from the Company for these services.

The Credit Agreement and the Term Loan Agreement are attached hereto, respectively, as Exhibits 10.1 and 10.2. The above description is qualified in its entirety by reference to such exhibits.
