Item 9. Regulation FD Disclosure

I. Second Quarter and Full Year 2002

The forecasts for second quarter and full year 2002 set forth below for EOG Resources, Inc. (Company) are given as of the date of this document only and are based on currently

available information and expectations.

The Company does not provide guidance on other income, other expense, or gain or loss on sales of reserves and related assets unless specifically noted.

Estimates are provided in the attached table.

II. 2002 Financial and Physical Contracts

The outstanding Natural Gas Price Swaps, Natural Gas Physical Contracts and Crude Oil Price Swaps for 2002 were delineated in the Company's Form 8-K filing on March 19, 2002.

III. Forward-Looking Statements

This document includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are not guarantees of performance. Although the Company believes its expectations reflected in forward-looking statements are based on reasonable assumptions, no assurance can be given that these expectations will be achieved. Important factors that could cause actual results to differ materially from the expectations reflected in the forward-looking statements include, among others: the timing and extent of changes in commodity prices for crude oil, natural gas and related products and interest rates; the extent and effect of any hedging activities engaged in by the Company; the extent of the Company's success in discovering, developing, marketing and producing reserves and in acquiring oil and gas properties; the accuracy of reserve estimates, which by their nature involve the exercise of professional judgment and may therefore be imprecise; political developments around the world, including terrorist activities and responses to such activities; and financial market conditions. In light of these risks, uncertainties and assumptions, the events anticipated by the Company's forward-looking statements might not occur. The Company undertakes no obligations to update or revise its forward-looking statements, whether as a result of new information, future events or
