Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Appointment of New Director. The board of directors of IDEXX Laboratories, Inc. (the “Company”) elected Joseph V. Vumbacco as a director on February 24, 2010. Mr. Vumbacco’s election fills a vacancy in Class III, the term for which ends at the upcoming 2010 annual meeting of stockholders (the “Annual Meeting”). In connection with the election of Mr. Vumbacco, the board of directors reduced the size of Class II from three to two directors and increased the size of Class III from two to three directors. At the Annual Meeting, Mr. Vumbacco will be considered for election by stockholders as a Class III director with a three-year term expiring in 2013. The board of directors has not yet determined on which committees Mr. Vumbacco will serve.

Mr. Vumbacco will receive the same compensation as is paid to other nonemployee directors of the Company as described in the Company’s Proxy Statement filed with the Securities and Exchange Commission on March 25, 2009, which description is incorporated by reference herein, except for the following changes, which were approved by the board of directors on February 10, 2010:

Cash Compensation. Effective April 1, 2010, the Company will pay a cash fee to each of the Company’s nonemployee directors at an annual rate of \$50,000, which is an increase of \$5,000 over the annual rate of the fee paid to nonemployee directors in 2009 and during the first quarter of 2010. The cash fee to be paid to Mr. Vumbacco for the first quarter of 2010 will be prorated to reflect his election on February 24, 2010.

Equity Compensation. The annual grant of deferred stock units (“DSUs”) (or restricted stock units if the director meets the stock ownership guidelines and elects restricted stock units in lieu of receiving DSUs) granted to each of our nonemployee directors under the Company’s 2009 Stock Incentive Plan (“2009 Plan”) changed from a value of approximately \$45,000 in 2009 to a value of approximately \$27,500 (calculated by rounding to the nearest share on the date of deferral) in 2010. The Black-Scholes value of the annual grant of nonqualified stock options to purchase shares of common stock granted to each of our nonemployee directors under the 2009 Plan changed from \$45,000 in 2009 to \$82,500 in 2010. Annual DSU and stock option grants were made to directors on February 14, 2010. DSUs and stock options will be granted to Mr. Vumbacco on June 1, 2010 and the award values will be prorated to reflect his election on February 24, 2010.
