## Edgar Filing: BofA Finance LLC - Form 424B2

The Starting Value for the notes was defined in the final pricing supplement dated November 2, 2018 (the "Final Pricing Supplement"). The Starting Value was defined as the lowest closing level of the Underlying on any Trading Day (subject to adjustment as described in the pricing supplement) during the Starting Value Determination Period.

The Starting Value Determination Period expired on November 30, 2018. The lowest closing level of the Underlying on any Trading Day during the Starting Value Determination Period (taking into account any such adjustments) was 2,632.56, which was the closing level of the Underlying on November 23, 2018.

Therefore, the Starting Value for the notes is 2,632.56.
