Edgar Filing: KRAMONT REALTY TRUST - Form DEF 14A

The Company acquired its assets through the merger of the businesses of Kranzco Realty Trust ("Kranzco") and CV Reit, Inc. ("CV Reit") into the Company effective June 16, 2000 (the "Merger").

This Proxy Statement and enclosed form of proxy are being mailed to the shareholders of the Company entitled thereto on or about April 23, 2003.

At the Annual Meeting, the holders of the Common Shares and the B-1 Preferred Shares will be asked to consider and vote upon the following proposals (the "Proposals"):

1. The election of two trustees comprising the class of trustees to be elected for a three-year term expiring 2006 and until their successors are duly elected and qualify;

1

2. The ratification of the appointment of BDO Seidman, LLP as independent public accountants for the Company for the fiscal year ending December 31, 2003; and
3. Such other business as may properly come before the Annual Meeting.

Only the holders of record of the Common Shares and the B-1 Preferred Shares at the close of business on March 26, 2003 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. Holders of the B-1 Preferred Shares have the right to vote together with the holders of the Common Shares as a single class on all actions to be taken by the holders of Common Shares. Each Common Share is entitled to one vote on all matters. Each B-1 Preferred Share is entitled to such number of votes as shall equal the number of Common Shares into which a B-1 Preferred Share is convertible on the Record Date, on all matters. As of the Record Date, 23,358,485 Common Shares were outstanding. As of the Record Date, 1,183,240 B-1 Preferred Shares were outstanding, which shares were in the aggregate convertible into 1,670,064 Common Shares.

The presence at the Annual Meeting, in person or by proxy, of shareholders entitled to cast a majority of the votes entitled to be cast at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting.

In order to be elected as a trustee, a nominee must receive a plurality of all the votes cast at the Annual Meeting (Proposal 1). The affirmative vote of the holders of at least a majority of the votes cast at the Annual Meeting is required to ratify the appointment of BDO Seidman, LLP as the Company's independent public accountants (Proposal 2). For purposes of calculating votes cast with respect to each Proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on either Proposal, although they will count toward the presence of a quorum.

The Common Shares and the B-1 Preferred Shares represented by all properly executed proxies returned to the Company will be voted at the Annual Meeting as indicated or, if no instruction is given, in favor of all Proposals. As to any other business which may properly come before the Annual Meeting, all properly executed proxies will be voted by the persons named therein in accordance with their discretion. The Company does not presently know of any other business which will come before the Annual Meeting. Any person giving a proxy has the right to revoke it at any time before it is exercised (a) by

(B) Based upon the Black-Scholes option pricing model adapted for use in valuing executive stock options. The actual value, if any, that the Named Executive receives will depend on the excess of the stock price at the time of exercise over the exercise or base price on the date the option is exercised. There is no assurance that the value realizable by the Named Executive will be at or near the value estimated by the Black-Scholes model. The estimated values under the model are based on arbitrary assumptions such as interest rates, stock price volatility and future dividend yields. The assumptions used in the model were expected volatility of 30%, risk free interest rate of 4.53%, dividend yield of 8.70% and expected exercise time of ten years after the date of the grant.

AGGREGATED OPTIONS EXERCISED IN LAST FISCAL YEAR END AND FISCAL YEAR END OPTION VALUES

The following table sets forth certain information with respect to the unexercised options held as of the end of such fiscal year by the Named Executives. The fair market value on December 31, 2002 of the Common Shares underlying the options was \$14.65 per Common Share.

The value of unexercised in-the-money options disclosed is based upon the fair market value of the Common Shares underlying the options less the exercise of price of the options. The actual value, if any, that the Named Executive receives will depend on the excess of the stock price at the time of exercise over the exercise or base price on the date the option is exercised.

OPTION PLANS AND INCENTIVE PLANS

In connection with the Merger, all outstanding options under the Option Plans and the 1995 Incentive Plan were assumed by the Company. EXECUTIVE COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Executive compensation is paid by the Company in cash or through grants of awards under the Option Plans or the Incentive Plans. All final decisions regarding the cash component of executive compensation are made by the Board which, in making such determinations, takes into consideration any recommendations of the Executive Compensation Committee as well as the matters considered by and the philosophy applied by such committee, as set forth below. All final decisions regarding grants of awards under the Option Plans and Incentive Plans are made by the Board and/or its Executive Compensation Committee. In making its recommendations to the Board, the Executive Compensation Committee reviews the Company's compensation plans, programs and policies and monitors the performance and compensation of its executive officers. The Executive Compensation Committee is expected to review the compensation for comparable positions at other real estate investment trusts ("REITs") in the comparison peer group in evaluating the Company's compensation plans, programs and policies.

The key elements of the Company's executive compensation package are base salary, annual bonus and equity-based incentives. The policies with respect to each of these elements, as well as the compensation paid to the executive

Edgar Filing: KRAMONT REALTY TRUST - Form DEF 14A

officers of the Company during the fiscal year ended December 31, 2002, are discussed below.

Base Salaries

Base salaries for executive officers are determined by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for executive talents, including a comparison to base salaries for comparable positions at other REITs in the comparison peer group. The base salaries currently are intended to be fixed at the average level of the base salaries paid to executive officers with comparable qualifications, experience and responsibilities at other REITs in the comparison peer group. Annual salary adjustments are determined based on an evaluation of executive officers' responsibilities and performance, as well as a review of the amount of base salaries paid to executive officers with comparable qualifications, experience and responsibilities by other REITs with businesses comparable in the Company's shopping center business and the performance of the Company and other market factors.

Annual Bonus

The Executive Compensation Committee, in determining the aggregate amount of annual bonuses, is expected to review the performance of the Company and, if appropriate, the Common

14

Shares during such fiscal year. The President of the Company, in determining the amount of annual bonuses, if any, to be paid to executive officers, is expected to review the non-financial performance measures, such as the respective executive's performance, effort and role in promoting the long-term strategic growth of the Company, as well as such other matters as the Executive Compensation Committee may deem appropriate.

Long-Term Incentives

Long-term incentives are designed to align the interests of the Company's employees, trustees and other key individuals with those of the Company's shareholders. In awarding options and share appreciation rights under the Incentive Plans to the Company's employees, trustees and other key individuals, and making grants of restricted Common Shares, consideration is given to the number of options previously granted to them and whether any long-term incentives have previously been awarded.

Share options and related share appreciation rights are generally granted with an exercise price equal to the market price of the Common Shares on the date of grant and vest and become exercisable over a period of years based upon continued employment. This is intended to promote shareholder value over the long term, since the full benefit of the compensation package cannot be realized unless share price appreciation occurs over a number of years.

Grants of restricted Common Shares to executive officers may also form a part of the Company's long-term incentive package. Typically, some portion of such grants would vest annually over a period of several years, so long as the executive officer remains employed by the Company. In making grants of restricted Common Shares, the Executive Compensation Committee would consider and give approximately equal weight to an individual's scope of responsibilities, experience, past contributions to the Company and anticipated contributions to the Company's long-term success.

Edgar Filing: KRAMONT REALTY TRUST - Form DEF 14A

Another component of the Company's long-term incentive package in the past has been making loans to employees for the purchase of Common Shares in connection with a share purchase award under the Incentive Plans. During the fiscal year ended December 31, 2002, no such loans were extended and the Company does not intend to extend loans to trustees and employees for the purchase of Common Shares in future years.

The Board and the Executive Compensation Committee believe that share options, share appreciation rights and grants of restricted shares promote loyalty to the Company and encourage recipients to coordinate their interests with those of the shareholders. The Executive Compensation Committee may consider additional types of long-term incentives in the future.

Compensation of Chief Executive Officer

Mr. Meshon's compensation arrangement was established under an employment agreement dated as of June 16, 2000 (the "Meshon Employment Agreement"). The Meshon Employment Agreement commenced on June 16, 2000 and is for a term of five years and

15

continues for successive one-year periods thereafter unless otherwise terminated as provided in the Meshon Employment Agreement.

Base Compensation

The Meshon Employment Agreement provides for annual base compensation of \$325,000. The Board may, in its sole discretion, increase Mr. Meshon's base salary or other compensation.

Bonus

The Meshon Employment Agreement provides for an annual performance bonus, determined by the Company and reviewed by the Company's independent auditors, within 100 days of the end of the calendar year. The performance bonus is calculated as follows:

Funds From Operations Per Share	Bonus (\$)
<\$1.30	0
\$1.30 to \$1.49	\$200,000 - \$10,000 for each cent <\$1.50
\$1.50 to \$1.60	\$200,000
\$1.61 to \$1.80	\$200,000 + \$10,000 for each cent > \$1.60
> \$1.80	\$400,000 + \$ 5,000 for each cent > \$1.80

Equity-Based Compensation

The Meshon Employment Agreement further provides for the Company to sell Mr. Meshon 75,000 restricted Common Shares of beneficial interest at a price equal to their fair market value evidenced by a full recourse promissory note that matures after 5 years. The note and the collateral therefor, consisting of the restricted Common Shares and Mr. Meshon's obligations under the note, will terminate on the earliest to occur of: (i) its full satisfaction, (ii) its fifth anniversary (if Mr. Meshon is still employed by the Company) or

Edgar Filing: KRAMONT REALTY TRUST - Form DEF 14A

(iii) the termination of Mr. Meshon's employment following a change of control or the termination of the employment of Mr. Meshon without cause or by Mr. Meshon for good reason or because of Mr. Meshon's death or disability. The Company will pay an amount equal to any taxes payable by him, on a full gross-up basis, at the time his obligations under the note terminate.

Severance Payment

The Meshon Employment Agreement further provides that if Mr. Meshon's employment is terminated due to a change of control, he is entitled to a payment of the greater of (i) the sum of all compensation due to Mr. Meshon during the balance of his term of employment, assuming that annual bonuses payable to him during the period equal the average of the annual bonuses paid to him under the employment agreement prior to the end of his employment or (ii) 199% of his annual salary and bonuses for the year prior to his termination.

16

Compensation of Chairman of the Board

Mr. Kranzdorf's compensation arrangement was established under an employment agreement dated as of June 16, 2000 (the "Kranzdorf Employment Agreement"). The Kranzdorf Employment Agreement commenced on June 16, 2000 and is for a term of five years.

Base Compensation and Severance Payment

The Kranzdorf Employment Agreement provides for annual compensation in the amount of \$350,000 for the first three years and \$175,000 for the last two years. The Board may, in its sole discretion, increase Mr. Kranzdorf's base salary or other compensation. The Kranzdorf Employment Agreement provides for a severance payment in case of a change of control in the amount of \$1,040,000 if it occurs prior to the end of the third year and \$520,000 if after the third year. The Company will also pay taxes payable by Mr. Kranzdorf under section 4999 of the Internal Revenue Code of 1986, as amended, with respect to any "excess parachute payment" within the meaning of the Internal Revenue Code.

Compensation of Other Officers

The Company entered into a three-year employment agreement effective July 1, 2001 with Mr. Demuth. The employment agreement provides for annual base compensation in the amount of \$192,000, to be reviewed periodically, but not less than annually, and which may be increased at the discretion of the Company. Effective July 1, 2002, Mr. Demuth's agreement was amended to provide for an increase in annual base compensation to \$200,000. Mr. Demuth's employment agreement provides for an annual bonus based on certain criteria set forth in the agreement. Mr. Demuth's agreement provides that in the event of a change of control, he is entitled to a payment in the amount of two times the annual base salary plus all accrued but unpaid bonus and extraordinary other awards. Mr. Demuth's agreement also provides that if Mr. Demuth is terminated by the Company without cause, or if he terminates his employment for good reason as set forth in the agreement, the Company will pay him 1) the base salary then in effect for a period of twelve months and all accrued and unpaid bonus and other awards owing as of the termination date and 2) an amount equal to the annual bonus compensation he received during the fiscal year immediately prior to his termination, but not to exceed \$100,000. Effective July 1, 2002, subject to the employment agreement and a restricted share award agreement, Mr. Demuth received a grant of 7,937 restricted shares (see Summary Compensation Table).

The Company also entered into a fifteen-month employment agreement

Edgar Filing: KRAMONT REALTY TRUST - Form DEF 14A

effective April 1, 2002 with Mr. Kraus. The employment agreement provides for annual base compensation in the amount of \$185,000, to be reviewed periodically, but not less than annually, which may be increased at the discretion of the Company. Effective July 1, 2002, Mr. Kraus's contract was amended to provide for an increase in annual base compensation to \$200,000. Mr. Kraus's employment agreement provides that he may be eligible for an annual bonus in an amount equal to \$100,000 to \$200,000 pursuant to certain criteria set forth in his agreement. Mr. Kraus's contract provides that in the event of a change of control, Mr. Kraus is entitled to a payment in the amount of two times the annual base salary and the bonus then in effect, based upon a look-

17

back to the amount paid or earned for the four quarters immediately preceding termination. Mr. Kraus's employment agreement also provides that if prior to expiration of the term of employment, Mr. Kraus is terminated by the Company without cause, or if he terminates his employment for good reason as set forth in the agreement, the Company will pay him the base salary and bonus then in effect, based upon a look-back to the amount paid or earned for the four quarters immediately preceding termination, for a period of twelve months beginning on the date of termination, and all accrued and unpaid bonus and other awards. Effective April 1, 2002, subject to the employment agreement and a restricted share award agreement, Mr. Kraus received a grant of 10,000 restricted shares (see Summary Compensation Table).

The Company entered into a one-year employment agreement effective July 1, 2002 with Ms. Strehle. The employment agreement provides for annual base compensation in the amount of \$155,000. Ms. Strehle's contract provides that in the event of a change of control, she is entitled to a payment in the amount of the annual base salary plus all accrued but unpaid bonus and other awards. Ms. Strehle's employment agreement also provides that if prior to expiration of the term of employment, Ms. Strehle is terminated by the Company without cause, or if Ms. Strehle terminates employment for good reason as set forth in the agreement, the Company will pay her the base salary then in effect, for a period of twelve months beginning on the date of termination, and all accrued and unpaid bonus and other awards. Effective July 1, 2002, subject to the employment agreement and a restricted share award agreement, Ms. Strehle received a grant of 1,905 restricted shares (see Summary Compensation Table).

In addition, the Company entered into one-year employment agreements with eight other employees, which also provide for severance payments in the event of a change in control.

Omnibus Budget Reconciliation Act Implications for Executive Compensation

It is the responsibility of the Executive Compensation Committee to address the issues raised by the provisions in the tax laws, which make certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 non-deductible to the Company. In this regard, the Executive Compensation Committee is responsible for considering whether any actions with respect to this limit should be taken by the Company. No executive officer of the Company received any such compensation in excess of this limit during 2002. The Incentive Plans have been designed in a manner to allow certain grants of options and share appreciation rights to be treated as performance based and, therefore, not subject to the \$1,000,000 limitation. The Executive Compensation Committee is expected to continue to monitor the \$1,000,000 limitation and is expected to make necessary recommendations if it is warranted in the future.

Conclusion

Edgar Filing: KRAMONT REALTY TRUST - Form DEF 14A

The Board's and the Executive Compensation Committee's goal is to enhance the profitability of the Company and, thus, shareholder value, by aligning closely the financial interests of the Company's key executives with those of its shareholders. Specifically, the

18

Executive Compensation Committee and the Board have sought, and will continue to seek, to enhance the Company's ability to attract and retain qualified executive officers, to motivate such executives, to achieve the goals inherent in the Company's business strategy and to emphasize share ownership by such executives, and thereby, tie long-term compensation to increases in shareholder value.

To permit ongoing evaluation of the link between the Company's performance and its executive compensation, the Executive Compensation Committee intends to conduct a periodic review of the Company's executive compensation program (subject to limitations set forth in existing employment agreements).

In addition, while the elements of compensation described above will be considered separately, the Executive Compensation Committee will take into account the full compensation package afforded by the Company to the individual, including pension benefits, supplemental retirement benefits, severance plans, insurance and other benefits. In this regard, it should be noted that the Company currently has a 401(k) retirement plan which covers substantially all officers and employees of the Company. The plan permits participants to defer up to 15% of total compensation, subject to IRS limitations, which deferrals may, in the Company's sole discretion, be matched by the Company in an amount equal to 50% of the first 5% of the employee's compensation. Under the terms of the 401(k) plan, the Company may also, in its sole discretion, make additional profit sharing contributions to such plan. For the year 2002, the Company made total contributions of \$150,993 to the 401(k) plan.

Through the programs described above, a very significant portion of the Company's executive compensation is linked to individual and corporate performance.

The foregoing is furnished by the Board and the Executive Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

H. Irwin Levy/Hilcoast

In 1981, CV Reit sold the recreation facilities at the Century Village in Boca Raton to Mr. Levy for \$18 million, subject to a lease to a corporation currently owned by Mr. Levy. (The annual net rental to Mr. Levy on that lease is \$2.2 million.) At closing, Mr. Levy issued a 30-year non-recourse promissory note to CV Reit in the principal amount of \$12.5 million which bears interest at 13.25% per annum. At December 31, 2002, the outstanding balance on this note was \$9.0 million. During 2002, the Company recognized \$1.2 million in interest income on this note.

Since 1990, companies owned by Mr. Levy and/or certain members of his family have leased, managed and operated the recreation facilities at the Century Villages in West Palm Beach, Deerfield Beach and Boca Raton, which are collateral for certain notes held by the Company with an outstanding balance of \$33.3 million (including the \$9.0 million discussed above) at December 31, 2002.

During 2002, the Company leased approximately 4,600 square feet of office space to those companies and other companies controlled by Mr. Levy on a month-to-month basis and received approximately \$55,000 for payment of rent, utilities and operating expenses.

Louis P. Meshon, Sr.

On June 16, 2000, the Company sold to Louis P. Meshon, Sr. 75,000 restricted Common Shares at the then current market price per Common Share of \$10.16 for a total of \$762,000 evidenced by a full recourse promissory note that matures on June 15, 2005. The note and the collateral therefor consisting of the restricted Common Shares, and Mr. Meshon's obligations under the note, will terminate on the earliest to occur of: (i) the note's full satisfaction, (ii) the note's fifth anniversary (if Mr. Meshon is still employed by the Company), or (iii) the termination of Mr. Meshon's employment following a change of control, the termination of the employment of Mr. Meshon without cause or by Mr. Meshon for good reason or Mr. Meshon's death or disability. The Company will pay to him an amount equal to any taxes payable by him, on a full gross-up basis, at the time his obligations under the note terminate.

Louis P. Meshon, Sr. and Patricia Meshon, in the aggregate, own 99% of the voting stock (a 5% equity interest) in Drexel Realty, Inc. ("Drexel"), the management company in which Montgomery CV Realty L.P. owns 1% of the voting stock and 100% of the non-voting stock (a 95% equity interest). In 2002, Drexel did not make any payments to Mr. Meshon.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's trustees and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission. Trustees, executive officers and greater than 10% beneficial owners are required by regulation of the Securities and Exchange Commission to furnish the Company with copies of all Section 16(a) Forms 3, 4 and 5 they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that all of its trustees, executive officers and greater than 10% beneficial owners were in compliance with the filing requirements with respect to transactions during 2002, except that Mr. Levy filed one report on Form 4 covering one transaction one day late.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Proposals of shareholders intended to be presented at the 2004 Annual Meeting of Shareholders must be received by the Company at its principal executive offices on or before December 25, 2003 for inclusion in the Company's proxy statement and form of proxy relating to that meeting.

In addition, the Bylaws of the Company currently provide that in order for a shareholder to nominate a candidate for election as a trustee at an annual meeting of shareholders or propose business for consideration at such a meeting, notice must be given to the secretary of the Company at the principal executive offices of the Company no more than 120 days nor less than 90 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of the mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from such anniversary date, notice by the shareholder to be timely must be delivered to the secretary of the Company not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which public disclosure of the date of mailing of the notice for such meeting is first made. If we do not receive notice within those dates, or if we meet other requirements of the SEC rules, the persons named as proxies in the proxy materials relating to that annual meeting will use their discretion in voting the proxies if these matters are raised at the annual meeting. The fact that the Company may not insist upon compliance with these requirements should not be construed as a waiver by the Company of its right to do so at any time in the future.
