On January 28, 2010, GWI presented a letter (“Letter of Interest”) to Mr. Joseph K. Rho, the Chairman of the Board of Directors of the Issuer, informing Mr. Rho of GWI’s interest in exploring an acquisition of equity interests in the Issuer by GWI or one of its affiliates. In the Letter of Interest, GWI proposes making an unspecified investment in the Issuer that would result in GWI holding a majority interest in the Issuer. The Letter of Interest states, among other things, that any formal proposal would be subject to satisfactory completion of due diligence and the valuation of GWI’s proposed investment would be based on the book value of the Issuer adjusted for mark-to-market valuation based on a third-party review of the Issuer’s loan portfolio. The Letter of Interest requests an opportunity to discuss the proposed transaction with the Issuer and its advisors at the Issuer’s earliest convenience and urges the Issuer not to take any

action that might preclude GWI from submitting a formal, competitive offer that could offer an alternative approach which could maximize shareholder value.

Except as set forth above, the GWI Entities and Mr. Mu Hak You have no intention to effect any of the transactions specified in Item 4 of Schedule 13D, and, to the knowledge of the GWI Entities and Mr. Mu Hak You, no other executive officer or director of any GWI Entity has any intention to effect any of the transactions specified in Item 4 of Schedule 13D.

Joseph K. Rho
Chairman of the Board of Directors
Hanmi Financial Corporation
3660 Wilshire Boulevard
Penthouse Suite A
Los Angeles, California 90010

Dear Mr. Rho:

The purpose of this letter is to inform you of our interest in exploring an acquisition of equity interests in Hanmi Financial Corporation (“Hanmi”) by GWI Enterprise Ltd. (“GWI”) or one or more of its affiliates. We believe Hanmi’s core franchise represents a solid foundation to build a successful and profitable bank based upon a return to the straightforward community banking focus on which the bank was founded. We believe the proposal outlined below represents a unique opportunity for Hanmi’s shareholders and employees to maximize value and to position the bank to remain a leader in serving the needs of its community.

We are prepared to move forward in an expeditious manner. We have held preliminary meetings with state and federal regulatory bodies outlining our interests in pursuing a transaction with a California-based community bank and have engaged Dechert LLP as our legal advisor and FBR Capital Markets & Co. as our financial advisor to assist us on the transaction.

Key terms of our proposal are outlined below:

- Investment:** Subject to due diligence, we would propose making an investment that would result in GWI holding a majority interest in Hanmi. We believe that we have sufficient available funds to complete the transaction in an expedited manner.
- Valuation:** We would propose an investment in Hanmi at book value adjusted for mark-to-market valuation adjustments based on third party review of the loan portfolio.
- Timing:** We are prepared to enter into a customary confidentiality agreement immediately to facilitate discussions with management and associated due diligence. We would anticipate delivering a formal proposal within three to four weeks of gaining such access.
- Nonexclusivity:** We recognize that, consistent with your fiduciary duties, you have been and likely will continue to explore all alternatives for raising capital and preserving shareholder value. As such, we would not ask for an exclusivity period while we conduct our diligence.

We and our advisors would appreciate an opportunity to discuss such a potential transaction with you and your advisors at your earliest convenience and would ask that your counsel contact either David Harris or William Tuttle of Dechert LLP at 202.261.3300 and that your financial advisor contact Bob Brown of FBR Capital Markets & Co. at 949.724.4154. In the meantime, we urge you not to take any action that might preclude us from submitting a formal, competitive offer. We believe it is in your shareholders’ best interests to maximize the potential alternatives available to the Company that might prevent a regulatory seizure, and believe we can offer an alternative approach which could maximize shareholder value.

Sincerely yours,

GWI Enterprise Ltd.
