(f) Messrs. DiMaio and Ahmad are citizens of the U.S.A.

Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Persons have acquired an aggregate of 6,493,698 shares of Common Stock (the "Shares"), which are reported herein, through the exchange of senior subordinated debt of SunCom Wireless, Inc. (f/k/a Triton PCS, Inc.) ("Wireless"), an indirect subsidiary of the Issuer, in the aggregate principal amount of \$91,314,000 beneficially owned by Lispenard and Pond View.

Item 4. Purpose of Transaction.

The Reporting Persons acquired the Shares pursuant to an exchange transaction whereby the Issuer contributed Common Stock to its direct subsidiary and the direct parent of Wireless, SunCom Wireless Investment Company LLC ("Investco"), and Investco delivered the Shares to the Reporting Persons in exchange for all of the 9-3/8% Senior Subordinated Notes due 2011 and the 8 3/4 Senior Subordinated Notes due 2011 (collectively, the "Wireless Notes") beneficially owned by the Reporting Persons, as part of a recapitalization by the Issuer (the "Recapitalization").

The Reporting Persons originally acquired Wireless Notes for investment purposes.

On January 31, 2007, DA Capital on behalf of Lispenard and Pond View (collectively, the "DA Capital Entities"), the Issuer and certain other unrelated parties listed on the signature pages thereto entered into an Exchange Agreement (the "Exchange Agreement") pursuant to which, among other things, the parties agreed to effect the Recapitalization. Pursuant to the Exchange Agreement, the parties thereto, including holders of approximately 98.3% of the outstanding Wireless Notes (the "Noteholders"), implemented the Recapitalization through an equity-for-debt exchange (the "Exchange") with a final exchange ratio of 71.114 shares of Company Class A Stock (after giving effect to the Merger (as defined herein)), for each \$1,000 principal amount of Wireless Notes exchanged by the participating Noteholders, including the DA Capital Entities. Based on the DA Capital Entities' ownership of the Wireless Notes immediately prior to the closing of the Exchange, the DA Capital Entities received approximately 6,493,698 shares of Common Stock in the Exchange, which amount reflects the conversion contemplated by the Merger described herein.

To effect the Exchange, the Issuer contributed shares of Common Stock to Investco and Investco delivered such Common Stock to the DA Capital Entities and other consenting Noteholders in exchange for their Wireless Notes in accordance with the exchange ratio and the provisions of the Exchange Agreement. In addition, the holders of its Common Stock at a specially called meeting on April 20, 2007 (the "Special Meeting") approved (i) the Exchange and (ii) the Agreement and Plan of Merger (the "Merger Agreement"), between the Issuer and SunCom Merger Corp., a wholly-owned subsidiary of the Company ("Merger Sub"), entered into concurrently with the execution of the Exchange Agreement pursuant to which, immediately prior to the Exchange, Merger Sub was merged with and into the Issuer (the "Merger") for the purpose of (x) effecting the conversion of each outstanding share of common stock of the Issuer into 0.1 share of Common Stock, (y) effecting certain amendments to the certificate of incorporation of the Company and (z) granting certain additional rights to the holders of Common Stock of the Company immediately prior to the Merger, as more fully described in the Exchange Agreement.

Pursuant to the Exchange Agreement, the DA Capital Entities supported and implemented the Recapitalization. Contemporaneously with the consummation of the Exchange, the size of the board of directors of the Company (the "Board of Directors") was increased to ten and the Board was reconstituted with two of the existing members continuing to serve on the Board, two of the ten members being appointed by the DA Capital Entities and the remaining six of the ten members being appointed by certain other Noteholders who were parties to the Exchange Agreement. One member of the reconstituted Board appointed by the DA Capital Entities is James Volk and the other is yet to be appointed. A copy of the Exchange Agreement is attached hereto as Exhibit 1 and incorporated herein by reference.

As a condition to the DA Capital Entities' participation in the Exchange, the DA Capital Entities and other holders of the Notes have executed "exit consents" that became effective upon the consummation of the Exchange and that remove substantially all of the restrictive covenants from the Wireless Notes remaining after the Exchange. Certain restrictive covenants that may not be amended without the consent of each holder of the Wireless Notes affected, such as those relating to the payment of principal and accrued interest on the Wireless Notes, have not been modified by these exit consents.

In connection with the Exchange and as an inducement for the DA Capital Entities and certain other Noteholders to enter into the Exchange Agreement, the DA Capital Entities, certain holders of Common Stock of the Issuer (the "Lock-up Stockholders") and certain other Noteholders entered into a Lock-up and Voting Agreement simultaneously with the execution of the Exchange Agreement on January 31, 2007 (the "Lock-up Agreement"). Pursuant to the Lock-up Agreement, the Lock-up Stockholders agreed to vote their shares of Common Stock in favor of the Recapitalization, the Exchange Agreement and the Merger until the earliest to occur of (i) the closing of the transactions contemplated by the Exchange Agreement; (ii) the termination of the Exchange Agreement in accordance with its terms, (iii) the written agreement of the Noteholders that are signatories to the Lock-up Agreement to terminate the Lock-up Agreement, and (iv) May 31, 2007. At the Special Meeting and consistent with the Lock-up Agreement, the Lock-up Stockholders voted their shares in favor of the Recapitalization, the Exchange Agreement and the Merger. In addition to the voting agreement, the Lock-up Stockholders agreed to not, directly or indirectly, (i) support, solicit, seek, formulate or encourage any plan that would compete with the Recapitalization, (ii) object, oppose or take any action that may hinder or impair or that is inconsistent with the Recapitalization and (iii) transfer the Lock-up Stockholders' shares of Common Stock unless certain restrictions, including that any transferee would agree in writing to be bound by the terms and conditions of the Lock-up Agreement, are met. As a result of the closing of the transactions contemplated by the Exchange Agreement on May 15, 2007, the Lock-up Agreement is no longer effective. A copy of the Lock-up Agreement is attached hereto as Exhibit 2 and incorporated herein by reference.

In addition, on May 15, 2007, the DA Capital Entities, the Company and the purchasers listed on the signature page thereto entered into a Registration Rights Agreement pursuant to which, among other things, the Company granted certain registration rights to the DA Capital Entities and such purchasers in connection with the shares of Class A Stock issued to the DA Capital Entities and such purchasers in the Exchange. Specifically, the Company has agreed to put in place a "shelf" registration statement covering such Class A Stock and to keep such shelf registration statement in effect until the earlier of three years following the Exchange or the date upon which all securities received by the participating holders of the Wireless Notes in the Exchange may be resold without restriction under Rule 144(K) promulgated under the Securities Act of 1933, as amended. Additionally, the holders of at least 15% of the Class A Stock received by the holders of the Wireless Notes in the Exchange may require the Company to amend the shelf registration statement or to file a prospectus supplement and certain other actions necessary to permit an underwritten offering of the Class A Stock held by such holders. A copy of the Registration Rights Agreement is attached hereto as Exhibit 3 and incorporated herein by reference.

The Reporting Persons continue to review the DA Capital Entities' investment in the Issuer. Certain of the Reporting Persons have in the past and may continue in the future to engage in discussions with management, the Board of Directors, other stockholders of the Issuer and other relevant parties concerning the business, operations, board composition, management, strategy and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and strategic direction, actions taken by the Board of Directors, price levels of the shares of Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, certain of, or all of, the Reporting Persons may in the future take such actions with respect to the DA Capital Entities' investment in the Company as they deem appropriate including, without limitation, purchasing additional shares of Common Stock or selling some or all of the Shares held by some, or all, of the DA Capital Entities, engaging in short selling of or any hedging or similar transactions with respect to the Shares, seeking to influence the management or strategic direction of the Company and/or otherwise changing its intention with respect to any and all matters referred to in Item 4 of Schedule 13D.
