### Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Persons expended an aggregate of approximately \$10,635,133 of its investment capital to purchase the 1,305,802 shares of Common Stock. Such transactions were effected in open market purchases and acquired in the ordinary course of business and are held by SAC Associates in commingled margin accounts, maintained at Goldman Sachs & Co. and Morgan Stanley & Co., which may extend margin credit to the Reporting Persons as and when required to open or carry positions in the margin account, subject to applicable federal margin regulations, stock exchange rules and credit policies. In such instances, the positions held in the margin account are pledged as collateral security for the repayment of debit balances in the account. The margin account may from time to time have debit balances. Since other securities are held in the margin account, it is not possible to determine the amounts, if any, of margin used to purchase the shares of Common Stock reported herein.

### Item 4. Purpose of Transaction.

The Reporting Persons acquired the Common Stock subject to this Schedule 13D for investment purposes, in the ordinary course of business, and not with the purpose nor with the effect of changing or influencing the control or management of the Issuer and without any agreement with any third party to act together for the purpose of acquiring, holding, voting or disposing of equity securities of the Issuer.

On January 16, 2008, the Issuer filed a Form 8-K/A with the Securities and Exchange Commission (the "Issuer 8-K") stating that it had entered into an Agreement and Plan of Merger with Odyssey HealthCare Holding Company and its wholly-owned subsidiary, OHC Investment, Inc., on January 15, 2008, pursuant to which the subsidiary will commence a tender offer to purchase all of the Issuer's outstanding Common Stock.

Depending on various factors, including the Issuer's financial position and strategic direction, the outcome of any discussions referenced above, actions taken by the Board of Directors, price levels of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate with respect to any or all matters referred to in this Item 4 of Schedule 13D. The Reporting Persons may, from time to time, acquire or cause an affiliate to acquire additional Common Stock or dispose of or cause an affiliate to dispose of some or all of their Common Stock, engage in short-selling or hedging or similar transactions with some or all of their Common Stock, or may continue to hold the Common Stock, depending on business and market conditions, their continuing evaluation of the business and prospects of the Issuer, general investment and trading policies of the Reporting Persons, and other factors, including changing their intention with respect to any or all matters referred to in this Item 4 of Schedule 13D. Except as set forth herein, or as would occur upon completion of any of the matters discussed herein, the Reporting Persons have no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D.

Cohen is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock directly beneficially owned by SAC Associates.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Other than as described herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any other person with respect to the securities of the Issuer.

The Reporting Persons may, from time to time, enter into and dispose of cash-settled equity swaps or other similar derivative transactions with one or more counterparties that are based upon the value of shares of Common Stock, which transactions may be significant in amount. The profit, loss and/or return on such contracts may be wholly or partially dependent on the market value of the shares of Common Stock, the relative value of shares of Common Stock in comparison to one or more other financial instruments, indexes or securities, a basket or group of securities in which shares of Common Stock may be included, or a combination of any of the foregoing. These contracts do not give the Reporting Persons direct or indirect voting, investment or dispositive control over any securities of the Issuer and do not require the counterparties thereto to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim any beneficial ownership in any securities

that may be referenced in such contracts or that may be held from time to time by any counterparties to such contracts. As of the close of business on January 23, 2008, an affiliate of the Reporting Persons, S.A.C.
