Item 5. Other Events.

On March 7, 2003, NEON announced in a press release attached hereto as Exhibit 99.1 that it has undergone a corporate-wide reorganization of its business to focus on its core Shadow product line. In connection with this reorganization and in response to the changing economic outlook, NEON undertook a reduction in force of approximately 26% of its overall employee base. In connection with such reorganization, NEON will incur employee severance and other restructuring charges in the fiscal quarter ending March 31, 2003.

NEON also announced on March 7, 2003 that beginning March 6, 2003, Louis R. Woodhill had resigned from his positions as President, Chief Executive Officer, and as a member of the Board of Directors of NEON. The NEON Board of Directors appointed Mark Cresswell to serve as President and Chief Operating Officer of the Company. Mr. Woodhill entered into a Separation Agreement with NEON which provides that in consideration of Mr. Woodhill's agreement to provide an orderly transition of management and his general release of NEON from any possible liability arising out of his resignation from employment, NEON would (i) pay him severance in the amount of six-months base salary (\$225,000) and (ii) agree to extend the expiration date on his 124,999 vested options from 90 days after termination of employment to March 5, 2005. The Separation Agreement is attached hereto as Exhibit 99.2.
