PROXY STATEMENT

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Capital, Inc. ("First Capital" or the "Company") to be used at the annual meeting of shareholders of the Company. The Company is the holding company for First Harrison Bank ("First Harrison" or the "Bank"). The annual meeting will be held at the main office of First Harrison, 220 Federal Drive, N.W., Corydon, Indiana, on Wednesday, April 20, 2005, at 12:00 noon, local time. This proxy statement and the enclosed proxy card are being first mailed on or about March 17, 2005 to shareholders of record.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE AT THE MEETING

You are entitled to vote your shares of First Capital common stock if the records of the Company show that you held your shares as of the close of business on March 1, 2005. As of the close of business on March 1, 2005, a total of 2,846,457 shares of First Capital common stock were outstanding. Each share of common stock has one vote. The Company's Articles of Incorporation provide that recordholders of the Company's common stock who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares are not entitled to any vote with respect to the shares held in excess of the 10% limit.

ATTENDING THE MEETING

If you are a beneficial owner of First Capital common stock held by a broker, bank or other nominee (I.E., in "street name"), you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of First Capital common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

VOTE REQUIRED

The annual meeting will be held only if there is a quorum, which is necessary in order to transact business at the annual meeting. A quorum exists if a majority of the outstanding shares of common stock entitled to vote is represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

5

In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. "Plurality" means that the nominees receiving the largest number of votes cast will be elected as directors up to the maximum number of directors to be elected at the meeting, which is four directors. Votes that are withheld and broker

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

non-votes will have no effect on the outcome of the election.

In voting on the approval of the appointment of Monroe Shine & Co., Inc. as independent auditors, you may vote in favor of the proposal, vote against the proposal or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the annual meeting. On this matter, abstentions and broker non-votes will have no effect on the voting.

VOTING BY PROXY

This proxy statement is being sent to you by the Board of Directors of First Capital for the purpose of requesting that you allow your shares of First Capital common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of First Capital common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR AND "FOR" RATIFICATION OF MONROE SHINE & CO., INC. AS INDEPENDENT AUDITORS.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their own judgment as to how to vote your shares. This includes a motion to adjourn or postpone the meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your First Capital common stock may be voted by the persons named in the proxy card on the new meeting date as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Company's Corporate Secretary in writing before your shares have been voted at the annual meeting, deliver valid proxy instructions with a later date, or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If your First Capital common stock is held in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or Internet. Please see the instruction form provided by your bank, broker or other nominee that accompanies this proxy statement.

PARTICIPANTS IN FIRST HARRISON'S ESOP

If you participate in First Harrison's Employee Stock Ownership Plan (the "ESOP"), you will receive a voting instruction form that reflects all shares you may vote under the plan. Under the terms of the ESOP, the ESOP trustees vote all shares held by the ESOP, but each participant in the ESOP may direct the trustees how to vote the shares of Company common stock allocated to his or her account. The ESOP Trustees, subject to the exercise of their fiduciary duties, will vote all unallocated shares of

common stock held by the ESOP and all allocated shares for which no timely voting instructions are received in the same proportion as shares for which the

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

trustees have received valid voting instructions. The deadline for returning your voting instructions to the ESOP Trustees is April 13, 2005.

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

The Audit Committee is responsible for appointing and overseeing the work of the independent auditors and setting the independent auditors' compensation. In accordance with its charter, the Audit Committee approves, in advance, all audit and permissible non-audit services to be performed by the independent auditors. This approval process ensures that the external auditor does not provide any non-audit services to the Company that are prohibited by law or regulation.

9

REPORT OF THE AUDIT COMMITTEE

THE REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THAT THE COMPANY SPECIFICALLY INCORPORATES THIS INFORMATION BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

The Company's management is responsible for the Company's internal control over financial reporting. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal control over financial reporting designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial

statements has been carried out in

10

14

accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent auditors are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Audit Committee has appointed, subject to stockholder ratification, the selection of the Company's independent auditors for the fiscal year ending December 31, 2005.

EMPLOYMENT AGREEMENTS. First Harrison and First Capital maintain employment agreements with William W. Harrod and Samuel E. Uhl. The employment agreements provide for a three-year term which is renewable on an annual basis. The employment agreements provide that each executive's base salary will be reviewed annually. The current base salary under the employment agreements for Mr. Harrod and Mr. Uhl (collectively the "executive") is \$124,280 for both men. In addition to the base salary, the employment agreements provide for, among other things, participation in stock benefits plans and other fringe benefits applicable to executive personnel. The employment agreements provide for termination by First Harrison for cause, as defined in the employment agreements, at any time. If First Harrison chooses to terminate the executive's employment for reasons other than for cause, or if either executive resigns from First Harrison after specified circumstances that would constitute constructive termination, the executive (or, if the executive dies, his beneficiary), would be entitled to receive an amount equal to the payments that executive would have received during the remaining term of his employment agreement, including base salary, bonuses and other cash or deferred compensation paid or to be paid to the executive and contributions that would have been made on the executive's

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

behalf to any employee benefit plans of First Harrison during the remaining term of the employment agreement. First Harrison would also continue to pay for the executive's life, medical, dental and disability coverage for the remaining term of the employment agreement. If the executive terminates his employment with First Harrison due to a "disability" (as defined in the employment agreement) during the term of his employment agreement, the Bank will pay the executive, as disability pay, a bi-weekly payment equal to three-quarters of the executive's bi-weekly rate of salary on the date of his termination. First Harrison will also continue to provide the executive with life, medical, dental and disability coverage. Disability pay and health and welfare insurance coverage will cease upon the earlier of the following: the executive's attainment of age 65, the executive's death, expiration of the term of the employment agreement or his return to full-time employment. Upon the executive's termination of employment for reasons other than cause or a change in control, the executive must adhere to a one-year non-competition agreement.

12

16

The maximum present value of the severance benefits under the employment agreements is 2.99 times the executive's average annual compensation during the five-year period preceding the effective date of the change in control (the "base amount"). The employment agreements provide that the value of the maximum benefit may be distributed, at the executive's election, in the form of a lump sum cash payment equal to 2.99 times the executive's base amount or a combination of a cash payment and continued coverage under First Harrison's life, medical, dental and disability programs for a 36-month period following the change in control, the total value of which does not exceed 2.99 times the executive's base amount. Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's base amount are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the excess payments, and First Capital would not be entitled to deduct the amount of the excess payments.

First Capital guarantees the payments to the executive under the employment agreement if they are not paid by First Harrison. First Capital will pay or reimburse all reasonable costs and legal fees incurred by the executive under any dispute or question of interpretation relating to the employment agreements, if the executive is successful on the merits in a legal judgment, arbitration or settlement. The employment agreements also provide that First Harrison will indemnify the executive to the fullest extent legally allowable for all expenses and liabilities he may incur in connection with any suit or proceeding in which he may be involved by reason of his having been a director or officer of First Harrison or First Capital.

REPORT OF THE COMPENSATION COMMITTEE

THE REPORT OF THE COMPENSATION COMMITTEE SHALL NOT BE DEEMED INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THAT THE COMPANY SPECIFICALLY INCORPORATES THIS INFORMATION BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

The following is the report of the Compensation Committee of the Board of Directors regarding executive compensation. All compensation is paid by the Bank.

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

COMPENSATION POLICIES

The Compensation Committee bases its executive compensation policy on the same principles that guide the Company in establishing all of its compensation programs. The Company designs programs to attract, retain and motivate highly talented individuals at all levels of the organization while balancing the interests of stockholders. The compensation program for executives consists of three key elements:

- o Annual base salary;
- o Performance based annual bonus; and
- o Long-term stock incentive compensation.

13

17

COMPONENTS OF EXECUTIVE COMPENSATION

BASE SALARY. Salary levels for all employees, including executive officers, are set to reflect the duties and levels of responsibilities inherent in the position and to reflect competitive conditions in the banking business in the Company's market area. In determining the appropriate level of compensation, the Compensation Committee reviewed the total compensation and components of compensation of other financial institutions of similar size and characteristics to ensure that compensation is consistent and competitive with such other financial institutions and that compensation serves as an appropriate incentive for individuals to achieve the Company's objectives. Base salaries for all management and officer positions, including the executive officers, are reviewed annually by the Compensation Committee. In setting base salaries, in addition to reviewing other similarly situated financial institutions, the Compensation Committee also considers a number of factors relating to the particular executive, including individual performance, job responsibilities, level of experience, ability and knowledge of the position. These factors are considered subjectively in the aggregate and none of the factors is accorded a specific weight.

BONUS. During fiscal 2004, bonuses were awarded to all employees based on the Compensation Committee's recognition of the contributions made by the staff that enabled the Company to perform well both financially and operationally despite the very difficult economic environment and based on competitive levels of compensation at similar companies. Cash bonuses are paid pursuant to a Profit Sharing Plan, under which all employees are eligible to receive a percentage of their base salary based on the profitability of the Bank. The maximum eligible bonus for each employee is 15% of the base salary. For 2004, the Bank paid a 9% bonus to each employee and director based on his or her base salary and, if applicable, annual directors' fees.

LONG-TERM INCENTIVE COMPENSATION. Under the Company's 1994 Stock Option Plan and 1999 Stock-Based Incentive Plan, the Compensation Committee is authorized, in its discretion, to grant stock options and restricted stock awards in such proportions and upon such terms and conditions as the Compensation Committee may determine, subject to regulatory limits. All stock options granted have an exercise price equal to the fair market value of the Company's common stock at the time of grant and are exercisable within a ten-year period. In order to assure the retention of high level executives and to tie the compensation of those executives to the creation of long-term value for stockholders, the Compensation Committee requires that stock options granted

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

under the 1994 Stock Option Plan vest proportionately over a five-year period. Except as disclosed under "CORPORATE GOVERNANCE-DIRECTORS' COMPENSATION," no other stock options were granted in 2004.

The awards of restricted stock to executive officers and other key employees represent shares of First Capital common stock that the recipient cannot sell or otherwise transfer until the applicable restriction period lapses. Restricted stock awards are also intended to increase the ownership of executives in the Company, thereby further integrating the compensation of the executive with the creation of long term value for stockholders. The Compensation Committee has provided that restricted stock awards granted under the 1999 Stock-Based Incentive Plan vest in equal portions over five years. No restricted stock awards were granted by the Compensation Committee in 2004.

CHIEF EXECUTIVE OFFICER COMPENSATION

First Capital, First Harrison and Mr. Harrod are parties to an employment agreement. The terms of Mr. Harrod's employment agreement are set forth under "EXECUTIVE COMPENSATION" in this proxy statement. In determining Mr. Harrod's cash compensation for fiscal 2004, the Compensation Committee focused on the Company's financial performance during the prior year, the number of initiatives begun, expanded or completed by the Company since Mr. Harrod's employment began, competitive levels of compensation for Chief Executive Officers managing operations of similar size, complexity and performance level and the importance of retaining a President and Chief Executive Officer with the strategic, financial and leadership skills to ensure the Company's continued growth into the foreseeable future. Under the Profit Sharing Plan adopted for the fiscal year ended December 31, 2004, Mr. Harrod was eligible for a maximum cash bonus of 15% of his base salary, but received a cash bonus of 9% of his base salary. The Compensation Committee believes that Mr. Harrod's total compensation package for 2004 is commensurate with the total compensation for CEOs in its peer group, based on its review of the compensation provided by other similarly situated financial institutions.

OTHER INFORMATION RELATING TO DIRECTORS AND EXECUTIVE OFFICERS

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities Exchange Commission. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers, directors and greater than 10% beneficial owners has complied with applicable reporting requirements for transactions in First Capital common stock during the fiscal year ended December 31, 2004, with the following exceptions:

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

the reporting of stock option grants on Form 4 for each of Messrs. Backherms, Frederick, Thomas, Gerald Uhl and Voyles and Ms. Ernstberger and two Forms 4 reporting stock purchases for Mr. Mark Shireman.

TRANSACTIONS WITH MANAGEMENT

LOANS TO OFFICERS AND DIRECTORS. The Sarbanes-Oxley Act of 2002 generally prohibits loans by First Capital to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by First Harrison to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. First Harrison is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public. Notwithstanding this rule, federal regulations permit First Harrison to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee.

In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, exceed the greater of \$25,000 or 5% of First Capital's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

OTHER TRANSACTIONS. Director Gerald L. Uhl is a shareholder and the Business Manager of Jacobi Sales, Inc. ("JSI"), a farm implement dealership that has contracted with First Harrison to provide sales financing to customers of JSI. First Harrison does not grant preferential credit under this arrangement. All sales contracts are presented to First Harrison on a 50% recourse basis, with JSI responsible for the sale and disposition of any repossessed equipment. During the fiscal year ended December 31, 2004, First Harrison granted approximately \$1.7 million of credit to JSI customers. At December 31, 2004, seven outstanding loans totaling approximately \$42,000 to JSI customers were delinquent 30 days or more.

NOMINATING COMMITTEE PROCEDURES

GENERAL

It is the policy of the Nominating Committee of the Board of Directors of the Company to consider director candidates recommended by shareholders who appear qualified to serve on the Board of Directors. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Nominating Committee's resources, the Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

PROCEDURES TO BE FOLLOWED BY STOCKHOLDERS

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

To submit a recommendation of a director candidate to the Nominating Committee, a shareholder should submit the following information in writing, addressed to J. Gordon Pendleton, the Chairman of the Nominating Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the shareholder making the recommendation, the name and address, as he or she appears on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address, along with a current written statement from the recordholder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of shareholders, the Nominating Committee must receive the recommendation at least 120 calendar days before the date the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, advanced by one year.

18

22

MINIMUM QUALIFICATIONS

The Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. First, a candidate must meet the age limitation requirements set forth in the Company's Bylaws. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

The Nominating Committee will consider the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its stockholders; independence; and any other factors the Nominating Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

In addition, before nominating an existing director for re-election to the Board of Directors, the Nominating Committee will consider and review an existing director's Board and committee attendance and performance; length of

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

PROCESS FOR IDENTIFYING AND EVALUATING NOMINEES

The process that the Nominating Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

IDENTIFICATION. For purposes of identifying nominees for the Board of Directors, the Nominating Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as its knowledge of members of First Capital's local communities. The Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth above. The Nominating Committee has not used an independent search firm in identifying nominees.

EVALUATION. In evaluating potential candidates, the Nominating Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, the Nominating Committee will conduct a check of the individual's background and interview the candidate.

SUBMISSION OF FUTURE SHAREHOLDER PROPOSALS AND NOMINATIONS

Proposals that shareholders seek to have included in the proxy statement for the Company's next annual meeting must be received by the Company no later than November 18, 2005. If next year's annual meeting is held on a date more than 30 days from April 20, 2006, a shareholder proposal must be received within a reasonable time before the Company begins to print and mail its proxy solicitation materials for such annual meeting. Any such proposals will be subject to the requirements of the proxy rules adopted by the Securities Exchange Commission.

19

23

The Company's Bylaws provide that, in order for a shareholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a shareholder must deliver notice of such nominations and/or proposals to the Corporate Secretary not less than 90 nor more than 120 days before the date of the annual meeting; provided that if less than 100 days' notice of the annual meeting is given to shareholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the annual meeting was mailed to shareholders. A copy of the Bylaws may be obtained from the Company.

STOCKHOLDER COMMUNICATIONS

The Company encourages stockholder communications with the Board of Directors and/or individual directors. Stockholders who wish to communicate with the Board of Directors or an individual director should send their communications to the care of William W. Harrod, President and Chief Executive Officer of First Capital, Inc., 220 Federal Drive, N.W., Corydon, Indiana 47112. In addition to soliciting proxies by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone.
