Items 1, 3 through 6, and 8 through 9 are not included because they are not applicable.

**Item 2. Acquisition or Disposition of Assets.**

As previously reported on October 8, 2001, Edison First Power Limited, a wholly-owned subsidiary of Edison Mission Energy, entered into agreements to sell the Ferrybridge and Fiddler's Ferry coal-fired electric generating plants located in the United Kingdom to two wholly-owned subsidiaries of American Electric Power. These agreements were entered into following a competitive bidding process and are attached hereto and incorporated by reference herein as Exhibits 2.12 and 2.13. On December 21, 2001, Edison First Power Limited completed the sale of these generating plants in accordance with the terms and conditions of the sale agreements. Net proceeds from the sales of £643 million were used to repay borrowings outstanding under the existing debt facility related to the acquisition of the plants.

## Edgar Filing: EDISON MISSION ENERGY - Form 8-K

In addition, as part of the transactions, the purchasers acquired other assets and assumed specified liabilities associated with the plants, including coal inventory, energy contracts, and intellectual property.

### Item 7. Financial Statements, Pro Forma Financial Information and Exhibits.

(b) Pro Forma Financial Information. Pro forma financial information with respect to the disposition of the plants to be filed by amendment not later than 60 days after this report on Form 8-K is required to be filed. Pro forma financial information for the nine months ended September 30, 2001 and 2000 are included in Edison Mission Energy's Form 10-Q for the quarter ended September 30, 2001.
