Item 1.01. Entry into a Material Definitive Agreement.

On September 14, 2005, Lawson Products, Inc. (the "Company"), entered into an employment agreement with Kenneth E. Malik, the Company's Group President OEM and International.

The following description of the employment agreement is a summary of the material terms of the agreement and does not purport to be complete, and is qualified in its entirety by reference to the agreement, a copy of which is attached to this Form 8-K as Exhibit 10(c)(19), which is incorporated herein by reference.

Mr. Malik's employment agreement provides that he will receive an annual base salary of \$230,000.00. The Executive's annual base salary may from time to time be increased by the Company's Chief Executive Officer subject to approval of the Compensation Committee of the Board of Directors. The employment agreement provides that the Executive will be eligible for discretionary annual incentive bonuses and to participate in the Company's Long-Term Capital Accumulation Plan, in each case as determined by the Compensation Committee of the Board of Directors of the Company.

The Company may terminate the Executive's employment with or without cause (as defined in the employment agreement). The Executive may terminate his employment with the Company upon sixty (60) days' prior written notice. The Executive's employment will terminate automatically upon his death or permanent disability.

In the event of the Executive's termination of employment without cause, the Company will continue to pay the Executive's base salary and provide him with certain benefits for a period of up to one year. During such salary continuation period, the Executive is obligated to provide certain limited consulting services to the Company. In the event an Executive dies while employed by the Company, the Executive will receive an amount equal to two times the Executive's then current annual base salary.

Pursuant to the terms of the employment agreement, the Executive has agreed not to compete with the Company during the term of the employment agreement, while receiving salary continuation payments, if any, and for a period of two (2) years thereafter. The employment agreement also contains provisions related to return of Company property, non-disclosure of Company confidential information and other restrictive covenants related to non-solicitation of Company employees, agents and customers.

Item 9.01. Financial Statements and Exhibits.
