PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 14, 2003

The accompanying proxy is solicited by and on behalf of the Board of Directors of Markel Corporation (the "Company") for use at the Annual Meeting of Shareholders of the Company to be held May 14, 2003, or any adjournments thereof, for the purposes set forth in this Proxy Statement and the attached Notice of Annual Meeting of Shareholders. This Proxy Statement and the related form of proxy are first being mailed to the shareholders of the Company on or about April 2, 2003. The Board of Directors has fixed the close of business on March 17, 2003, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting and any adjournments thereof. Each holder of record of the Company's Common Stock, no par value (the "Common Stock"), on the record date will be entitled to one vote for each share then registered in his or her name with respect to each matter properly brought before the meeting. As of the close of business on the record date, 9,839,775 shares of Common Stock were outstanding and entitled to vote at the meeting.

If sufficient proxies are not returned in response to this solicitation, supplementary solicitations may also be made by mail, telephone, electronic communication or personal interview by directors, officers and regular employees of the Company, none of whom will receive additional compensation for these services. The Company may retain an outside proxy solicitation firm to assist in the solicitation of proxies, but at this time does not have plans to do so. Costs of solicitation of proxies will be borne by the Company, which will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in forwarding proxy materials to the beneficial owners of shares held by them.

The shares represented by all properly executed proxies received by the Secretary of the Company and not revoked as herein provided will be voted as set forth herein, unless the shareholder directs otherwise in the proxy, in which event such shares will be voted in accordance with such directions. Any proxy may be revoked at any time before the shares to which it relates are voted, either by written notice (which may be in the form of a substitute proxy bearing a later date delivered to the secretary of the meeting) or by attending the meeting and voting in person.

ELECTION OF DIRECTORS

Nominees

A board of ten directors is to be elected at the meeting to serve until the next annual meeting of shareholders and the election and qualification of their successors. The Company's Board of Directors presently consists of the ten directors who are named below as nominees. The size of the Board was increased to ten and Mr. Weinberg was elected to fill the resulting vacancy in March 2003.

Each of the nominees has consented to being named as a nominee in this Proxy Statement, has agreed to serve if elected, and has furnished to the Company the information set forth in the following table as of December 31, 2002.

It is expected that each of the nominees will be able to serve, but in the event that any such nominee is unable to serve for any reason (which event is not now anticipated), the proxies reserve discretion to vote or refrain from voting for a substitute nominee or nominees.

Shareholders may withhold authority to vote for any of the nominees on the accompanying proxy. In the election of directors, the ten nominees receiving the greatest number of votes will be elected even if they do not receive a majority. Abstentions and broker non-votes will count towards a quorum but will have no effect on any action taken at the meeting.

Section 16(a) Beneficial Ownership Reporting Compliance

During 2002, due to inadvertent administrative oversight, each of Paul Springman and Thomas Gayner was late in filing one report under Section 16 of the Securities Exchange Act of 1934 with respect to the acquisition by each of 1,000 shares of Common Stock pursuant to the exercise of employee stock options.

Committees of the Board of Directors

The Board of Directors has a Compensation Committee and an Audit Committee. The Company does not have a nominating committee.

Audit Committee members for 2002 included Mr. Kasen, Mr. Grandis and Mr. Eby, with Mr. Kasen serving as Chairman. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are independent, as defined in the applicable listing standards of the New York Stock Exchange. Compensation Committee members during 2002 were Mr. Kasen (Chairman), Mr. Eby and Mr. Gary Markel.

During 2002 the Board of Directors held four regular meetings. There were seven meetings of the Audit Committee and three meetings of the Compensation Committee during 2002.

Compensation of Directors

Each non-employee director received for services as a director during 2002 an annual fee of \$10,000, plus \$1,250 for each regular director's meeting attended and reimbursement of expenses incurred in connection with attending meetings. Committee members received a fee of \$1,250

Edgar Filing: MARKEL CORP - Form DEF 14A

for each committee meeting attended on a day other than a regularly scheduled board meeting. Non-employee directors are also eligible to participate, up to the total amount of fees received by the director, in the Company's Employee Stock Purchase and Bonus Plan (the "Stock Plan"). Under this plan amounts specified by a director are withheld from a director's fees and forwarded to an independent administrator who purchases shares of the Company's Common Stock on behalf of the director participant. In addition the Company provides a bonus of 10% of the net increase in shares owned under the plan in a calendar year. Mr. Eby participated in the Stock Plan during 2002, purchasing 112 shares for approximately \$22,500. The Company also offers loans to all employees and non-employee directors to facilitate the purchase of shares under this plan. To comply with the requirements of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), effective as of July 30, 2002 executive officers and directors may no longer receive new loans under the Stock Plan. Messrs. Kasen, Grandis and Eby have previously borrowed under the Stock Plan. See "Certain Transactions."

Non-employee Director Stock Option Plan

In 1989, the Company established a Stock Option Plan for Non-Employee Directors (the Directors Plan) which provided for one-time automatic awards to non-employee directors of options to purchase 6,000 shares of the Company's Common Stock. This plan terminated, as to future grants, on December 31, 1998. The Directors Plan was amended in early 1999 to permit participants to defer receipt of shares of Common Stock upon exercise of options. At December 31, 1999, three non-employee directors had exercised options and deferred receipt of shares under the Directors Plan. During 2002, Mr. Gary Markel received 1,250 shares for which receipt had been deferred.

Family Relationships

Anthony F. Markel and Gary L. Markel are brothers, and Steven A. Markel is their first cousin.

The Company is entitled to a repayment from Mr. Cooke pursuant to tax equalization agreements with him when his calendar year tax returns are completed and filed, and these amounts have been reported as a reduction in this footnote. See Certain Transaction Other Transactions. Mr. Cooke was not an executive officer of Markel Corporation as of the end of 2002.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Messrs. Kasen, Eby and Gary Markel are members of the Compensation Committee of which Mr. Kasen is Chairman. Historically, the Compensation Committee has had responsibility for establishing and reviewing the compensation of the Chairman and CEO, the Vice-Chairman, the President, and the Executive Vice President & Chief Financial Officer (Senior Executive Officers), and administering incentive stock plans. Compensation for other executive officers was recommended by the Vice-Chairman and the President. Beginning in 2003, the Compensation Committee will approve compensation for all other executive officers as well as the Senior Executive Officers.

The Company's compensation packages for Senior Executive Officers for 2002 consisted of base salary, annual performance based bonuses, contributions to retirement plans and in the case of Messrs. Kirshner, Anthony Markel and Steven Markel, deferred compensation benefits.

In general, base salary levels are set at the minimum levels believed by the Committee to be sufficient to attract and retain qualified executives when considered with other components of the Company's compensation structure. Annual base salaries for Senior Executive Officers were set at \$450,000 (\$365,000 for Mr. Martin) effective as of November 1, 2002. Effective in January 2003, base salaries for Messrs. Springman and Gayner were set at \$400,000 each. In establishing salaries, including Mr. Kirshner's salary as Chief Executive Officer, the Committee considers years of service, level of experience and areas of responsibility, the annual rate of inflation and the Company's operating performance.

In addition to base salary, the Company has approved a bonus plan for Senior Executive Officers in which cash bonuses are paid based on increases in the book value of the Company's Common Stock (the Executive Bonus Plan). The Committee believes that consistent increases in book value will enhance the value of the Company and will, over time, result in higher stock prices. Bonuses for other executive officers for 2002 were based primarily on underwriting results for operational officers and a discretionary award based on investment results and advisory fee income for the chief investment officer. Effective for 2003, Mr. Gayner is no longer entitled to receive any bonus derived from the revenues of Markel Gayner Asset Management Company.

Bonus Plan For Senior Executive Officers

Under the Executive Bonus Plan, bonuses for Senior Executive Officers, expressed as a percentage of base salary, are awarded based on a five-year average of the compound growth in book value per share of Common Stock. The five year average growth in book value for the year ended December 31, 2002 was 5% and no bonus was earned by Senior Executive Officers for 2002. For calendar year 2003 the Compensation

Edgar Filing: MARKEL CORP - Form DEF 14A

Committee, after considering the effect of a lower interest rate environment for the past several years, has established the following bonus plan for Senior Executive Officers.

5 Year Average Compound Growth In Adjusted Book Value Per Share	Bonus as % of Base Salary
Under 11%	0%
11%	25%
12%	30%
13%	40%
14%	50%
15%	60%
16%	75%
17%	90%
18%	100%
19%	110%
20%	125%
21%	145%
22%	170%
23%	200%
24%	250%
Over 24%	Discretionary

For purposes of this plan, book value calculations are adjusted to exclude the benefit of issuing equity securities at prices above the preceding year end book value per share and to exclude the goodwill amortization costs resulting from a transaction in which equity securities are issued.

The Committee has not historically made annual stock option grants to executive officers but has made grants from time to time to attract new officers.

Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a \$1,000,000 limit on the amount of U. S. compensation that will be deductible for U. S. tax purposes by the Company with respect to each of the Chief Executive Officer and the four other most highly compensated executive officers. Performance based compensation that meets certain requirements will not be subject to the deduction limit. The Committee, with the assistance of the Company's legal counsel, has reviewed the impact of Section 162(m) on the Company and believes it is unlikely that the U.S. compensation to be paid to any executive officer during the fiscal year ending December 31, 2003 will exceed the limit. The Committee will continue to monitor the impact of the Section 162(m) limit and will attempt to avoid loss of tax deductions in future years as long as doing so is consistent with the Committee's objectives for management compensation.

Employment Agreements

The Company has entered into employment agreements with Mr. Kirshner, Mr. Anthony Markel and Mr. Steven Markel which provide for the employment of those individuals as executive officers. Each agreement has an initial term of one year and is automatically renewed for additional terms of one year unless either party gives 60 days notice of non-renewal. If the Company chooses not to renew, the Company will be deemed to have terminated the executive's employment without cause. The agreements provide for a base annual salary, currently \$450,000 for Messrs. Kirshner, Anthony Markel and Steven Markel. Each executive has agreed to preserve the confidentiality of the Company's proprietary data and has also agreed not to compete with the Company for a period of two years following termination. In the event of an executive's death or disability, the Company will continue to pay base salary and benefits for twelve months. In the event the agreement is terminated by the Company for cause or voluntarily by the executive, the Company's obligations under the agreement will terminate. In the event the agreement is terminated by the Company without cause, the Company will pay the executive his base salary for twenty-four months from the date of termination. The agreements also provide for annual salary reviews, bonuses by the Board of Directors, and certain additional benefits.

The employment agreements also provide each executive with a deferred compensation benefit pursuant to which the Company will set aside annually an amount equal to between 8% and 16% of the executive's base salary plus interest at the rate of 8% per annum on the amount set aside from the date of each installment of base salary. The deferred compensation benefit is payable at a time elected by the executive upon at least six month's advance notice or failing an election upon the executive's death or termination of employment. Payments may be limited to the extent necessary to prevent the payments from becoming non-deductible to the Company under Section 162(m) of the Internal Revenue Code. Amounts accrued for the year ended December 31, 2002, are included in the Summary Compensation Table in the "All Other Compensation" column.

The Company has entered into a similar agreement with Mr. Martin at a current annual base salary of \$365,000. The agreement with Mr. Martin does not provide for deferred compensation benefits.

The Company has an understanding with Mr. Cooke set forth in a memorandum dated August 16, 2000, concerning the terms of his employment. The understanding reflects a commitment on Mr. Cooke's part to serve until at least August 2003 and provide at least nine months notice if he does not intend to serve beyond that date. The Company will provide 12 months notice of termination except in the case of termination for cause. The understanding also provides for a base annual salary, currently \$500,000, payment by the Company of housing costs for Mr. Cooke in the U.K., a tax equalization agreement to reimburse Mr. Cooke for potential adverse tax consequences of his overseas assignment, and certain additional benefits.

Loan Program

In order to encourage employee and director share ownership, the Company's Stock Plan includes a loan program component (the "Loan Program") available to all employees and non-employee directors. As required by the Sarbanes-Oxley Act, effective July 30, 2002, new loans under the Loan Program are no longer available to directors and executive officers. Existing loans to directors and executive officers will continue in accordance with their terms in effect on July 30, 2002. The Loan Program is designed to facilitate the purchase of shares of the Company's Common Stock. The Loan Program also provides for the award of bonus shares to participants at the rate of one bonus share for every 20 new shares purchased through the Loan Program. In 1998, an additional restricted bonus feature was added which awards bonus shares at the same one for 20 share rate, but the restricted shares vest 20% a year commencing on the second anniversary of the purchase. In 2000, the Loan

Edgar Filing: MARKEL CORP - Form DEF 14A

Program was further amended to eliminate the restricted share award feature on a prospective basis and instead to provide for an incentive payment if the Company's growth in book value goals are met. This incentive payment feature was extended to all outstanding loans as well.

The incentive payment feature applicable to the grandfathered loans for executive officers and directors is based on a five-year compound annual growth in book value (Company Incentive Payment) as follows:

5 year Average Compound Annual Growth in Adjusted Book Value Per Share	Company Incentive Payment as % of Original Loan Balance
Under 15%	0%
15%	1.25%
16%	2.0%
17%	2.75%
18%	3.5%
19%	4.25%
20%	5%
21%	5.75%
22%	6.5%
23%	7.25%
24%	8.0%
25%	8.75%
Over 25%	Discretionary

For these purposes, book value is adjusted to exclude the benefit of issuing equity securities at prices above the preceding year end book value per share and to exclude the goodwill amortization costs resulting from a transaction in which equity securities are issued.

The five-year average compound growth in adjusted book value per share for 2002 was 5% and accordingly no Company Incentive Payment was made under the Loan Program.

One-half of the calculated annual incentive payment will be applied to a participant's outstanding indebtedness to reduce the amount of the required balloon payment or the loan balance and one-half of the calculated annual incentive payment, net of taxes required to be withheld on the entire Company Incentive Payment, will be paid directly to the participant by March 31 of a given year.

Messrs. Kasen and Grandis, non-employee directors, participated in the Loan Program in 1997, each borrowing a total of \$500,000 and each purchasing 3,427 shares. They each also received 171 bonus shares with an approximate value at the time of the award of \$25,000. Mr. Eby participated in the Loan Program during 2001, borrowing \$1,000,000 to purchase 5,494 shares. Mr. Eby received 275 bonus shares valued at \$50,000 in connection with this purchase.

All loans made under the Loan Program bear interest at 3% and are generally due and payable within 10 years of the loan date. The unsecured loans are full recourse and are partially amortizing, requiring a balloon payment at maturity in the case of Messrs. Cooke, Gayner, Martin, Springman and Eby and are fully amortizing in the case of Messrs. Grandis and Kasen. The loan may be prepaid at any time, must be repaid in the event of an employee's termination, or in the event a non-employee director ceases to be a director, and the interest rate and payment terms are adjusted to terms comparable to market rates and terms in the event a participant sells or pledges the shares purchased pursuant to the Loan Program (including bonus shares awarded in connection with the Loan Program) without the Company's prior consent.

Edgar Filing: MARKEL CORP - Form DEF 14A

The largest aggregate amount of principal and interest outstanding during 2002 on stock loans made to the named officers and directors was as follows: Jeremy D. Cooke \$233,672; Douglas C. Eby \$1,030,000; Thomas S. Gayner \$309,258; Leslie A. Grandis \$356,229; Stewart M. Kasen \$356,229; Darrell D. Martin \$861,666; Paul W. Springman \$1,167,223.

Other Transactions

In April 2000 the Company made a loan to Mr. Kirshner in the amount of \$859,000. This loan was made to induce Mr. Kirshner to agree to a restructuring of the supplemental retirement benefit accrued under his employment agreement. Had Mr. Kirshner not agreed to such a restructuring, approximately \$660,000 would have been non-deductible compensation expense to the Company. The loan to Mr. Kirshner is in the form of a demand note that bears interest at 8% per annum, the same rate at which interest accrues on the deferred compensation benefits payable to Mr. Kirshner. Mr. Kirshner repaid this loan during 2002. The largest aggregate amount of principal and interest outstanding on this loan during 2002 was \$517,860.

Mr. Kirshner's spouse and son-in-law are each employed by a Company subsidiary on an arm's length basis. For 2002, total compensation to Mr. Kirshner's spouse was less than \$60,000 and total compensation to Mr. Kirshner's son-in-law was approximately \$300,000, which includes a substantial bonus based on underwriting profit. In addition, Cre Run Enterprises, LLC, an entity controlled by Mr. Kirshner, purchased insurance on an arm's length basis from Company subsidiaries during 2002 for total premiums of approximately \$94,000.

In connection with tax equalization agreements, Mr. Cooke became obligated to reimburse the Company \$280,180 during 2002. Mr. Cooke paid this amount in January 2003.

The Company owns a $\frac{1}{7}$ th interest in Dominion Citation Group, L.C. (Dominion), a limited liability company formed to own and operate a private aircraft. The Company's initial investment in Dominion was approximately \$160,000. Steven Markel and Mr. Kirshner also own $\frac{1}{7}$ th interests in Dominion. Ownership interests in Dominion entitle the member to use of the aircraft for a specified number of hours at rates believed to be more favorable than those generally available in the market.

McGuireWoods LLP, of which Leslie A. Grandis is a partner, provides legal services to the Company.

The Employee Stock Purchase and Bonus Plan ("Stock Plan") provides a method for employees and directors to purchase shares of the Company's Common Stock on the open market. The Stock Plan has not been approved by shareholders. The Stock Plan provides for the award of bonus shares to participants at the rate of 10% of the net increase in the number of shares of Common Stock purchased through the Stock Plan by a participant in a given year.

In order to encourage employee and director share ownership, the Company's Stock Plan includes a loan program component (the "Loan Program") available to all employees and non-employee directors. As required by the Sarbanes-Oxley Act, effective July 30, 2002, new loans under the Loan Program are no longer available to directors and executive officers. Existing loans to directors and executive officers will continue in accordance with their terms in effect on July 30, 2002. The Loan Program also provides for the award of bonus shares to participants at the rate of 5% of the new shares purchased through the Loan Program. The Loan Program also provides for an incentive payment if the Company's growth in book value goals are met.

Octavian Stock Option Plan

In connection with the Company's acquisition of Markel International, the Company provided for the conversion of options under Markel International's Octavian Stock Option Plan ("Octavian Plan") into options to purchase Company Common Stock. The Octavian Plan has not been approved by shareholders. The Octavian Plan provides for the grant of options to former and current members of management of Octavian (now

SELECTION OF AUDITORS

KPMG LLP, independent certified public accountants, has been selected by the Board of Directors as independent auditors of the Company for the current fiscal year, subject to ratification or rejection by the shareholders. Representatives of KPMG LLP are expected to be present at the Annual Meeting of Shareholders and will have an opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions from the shareholders. In the event the shareholders do not ratify the selection of KPMG LLP, the selection of other independent auditors will be considered by the Board of Directors.

Report of the Audit Committee

The Audit Committee acts under a written charter adopted by the Board of Directors. This charter was reviewed and revised in March 2003 and is attached as Appendix A to this Proxy Statement. The Committee's primary function is to assist the Board of Directors in its oversight of the Company's financial reporting process. Management is responsible for the preparation, presentation and integrity of the Company's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors, KPMG LLP, are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

In performing its oversight role, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, and has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. The Audit Committee has considered whether the provision of non-audit services (none of which related to financial information systems design and implementation) by the independent auditors is compatible with maintaining the auditors' independence and has discussed with the auditors the auditors' independence. Based on the review and discussions described in this Report, and subject to the limitations on its role and responsibilities described below and in its charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

The members of the Audit Committee are not experts in accounting or auditing and rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent

basis to determine that the Company's financial statements have been prepared in accordance with generally accepted accounting principles or that the audit of the Company's financial statements by KPMG LLP has been carried out in accordance with generally accepted auditing standards.

The Audit Committee also pre-approves all audit services and permitted non-audit services to be performed by the independent auditors. The Audit Committee may delegate authority for pre-approval to one or more members of the Committee, provided any decision to grant pre-approval is presented to the full Committee at its next scheduled meeting.

APPROVAL OF THE MARKEL CORPORATION OMNIBUS INCENTIVE PLAN

The Company has long provided incentives to increase shareholder value, and to attract, motivate, and retain the highest qualified employees and non-employee directors. The Markel Corporation Omnibus Incentive Plan (Plan) gives the Board of Directors the ability to provide incentives through issuance of cash, stock, restricted stock, and other stock-based awards.

The following summary of the material aspects of the Plan is qualified in its entirety by reference to the full text of the Plan, a copy of which is set forth as Appendix B to this proxy statement. Unless otherwise specified, capitalized terms used in this discussion have the meanings assigned to them in the Plan.

General

The Plan provides for grants or awards of Restricted Stock, Restricted Stock Units, Performance Grants, and Stock Awards (collectively, Incentive Awards). The Plan does not authorize grants of stock options. Present and future employees of the Company and its subsidiaries and the Company's outside directors are eligible to receive Incentive Awards under the Plan.

Stock Subject to Plan; Adjustments

The Board has reserved a total of 150,000 shares of Common Stock for use under the Plan. Shares necessary to satisfy awards under the Plan may be newly issued shares or shares acquired in open market or private transactions. If an Incentive Award expires, terminates without a delivery of shares (e.g., the award is settled in cash) or results in the forfeiture of shares back to the Company, the shares subject to such award will become available for further awards under the Plan.

Shares issued under the Plan through the settlement, assumption, or substitution of outstanding awards or obligations to grant future awards as a condition of acquiring another entity will not reduce the maximum number of shares available under the Plan. In addition, the number of shares subject to the Plan (and the number of shares and terms of any Incentive Award) may be adjusted in the event of any change in the outstanding Common Stock by reason of any stock dividend, spin-off, split-up, stock split, reverse stock split, recapitalization, reclassification, merger, consolidation, liquidation, business combination or exchange of shares or similar transaction.

Limitations on Incentive Awards

No more than 50,000 shares of Common Stock may be allocated to Incentive Awards granted or awarded to any individual Participant during any 36-month period.

The maximum cash payment that can be made for all Incentive Awards granted to any one individual under the Plan will be \$2,000,000 times the number of 12-month periods in any performance cycle for any single or combined performance goals. Any amount that is deferred by a participant is subject to this limit in the year in which the deferral is made but not in any later year in which payment is made.

Administration

The Compensation Committee of the Board of Directors, or a subcommittee of the Compensation Committee (the Committee), administers the Plan. Each member of the Compensation Committee or its subcommittee, which must have at least two members, must meet the standards of independence necessary to be classified as an outside director for purposes of Section 162(m) of the Code and a non-employee director for purposes of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Subject to the terms of the Plan, the Committee will have plenary authority to determine the terms of Incentive Awards.

Restricted Stock Awards

The Plan authorizes the grant of Restricted Stock awards on terms and conditions established by the Committee, which may include performance conditions. The terms and conditions will include the designation of a Restriction Period during which the shares are not transferable and are subject to forfeiture.

Restricted Stock Units

Restricted Stock Units may be granted on the terms and conditions established by the Committee, including conditioning the lapse of restrictions on the achievement of one or more performance standards. No shares are

issued at the time of grant of Restricted Stock Units. Rather, upon lapse of the restrictions, a Restricted Stock Unit entitles a participant to receive a share of Common Stock or a cash amount equal to the fair market value of a share of Common Stock on the date the restrictions lapse.

Performance Grants

The Committee may make Performance Grants to any participant. Each Performance Grant will contain performance goals for the award established by the Committee, including the performance criteria to be used, the target and maximum amounts payable, and other terms and conditions. In the case of a participant whom the Committee determines is or may become a covered employee within the meaning of Section 162(m) of the Code during the period of a Performance Grant, performance criteria will consist of one or more of the following as determined by the Committee: underwriting loss ratio; underwriting combined ratio; expense ratio; book value; investment return; return on invested capital (ROIC); free cash flow; value added (ROIC less cost of capital multiplied by capital); total shareholder return; economic value added (net operating profit after tax less cost of capital); operating ratio; cost reduction (or limits on cost increases); debt to capitalization; debt to equity; earnings; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings per share (including or excluding nonrecurring items); earnings per share before extraordinary items; income from operations (including or excluding nonrecurring items); income from operations compared to capital spending; net income (including or excluding nonrecurring items, extraordinary items and/or the accumulative effect of accounting changes); net sales; price per share of Common Stock; return on assets; return on capital employed; return on equity; return on investment; return on sales; and sales volume. For a participant who is not a covered employee, a performance goal may relate to subjective performance factors established by the Committee. Each Performance Grant to a covered employee will be granted and administered to comply with the requirements of Section 162(m) of the Code.

The Committee will make all determinations regarding the achievement of performance goals. The performance goals for any Performance Grant made to a covered employee may be increased, but not decreased, by the Committee during the related performance period. Actual payments to a participant under a Performance Grant will be calculated by applying the achievement of the performance criteria or factors to the performance goal. Performance Grants will be payable in cash, shares of Common Stock or a combination of cash and shares of Common Stock. The Committee may not increase the amount payable upon achievement of the performance goals but may reduce or eliminate such payments except as otherwise provided in the terms of the Performance Grant.

Stock Awards

The Plan authorizes the making of Stock Awards pursuant to which the participant will become entitled to receive shares of Common Stock upon the satisfaction of the terms and conditions of the award. The Committee will establish the number of shares of Common Stock to be awarded and the terms and conditions applicable to each Stock Award, including any performance restrictions.

Grants to Outside Directors

The Board of Directors has the authority to select outside directors to receive Incentive Awards and to determine the type of Incentive Award to be made, the terms and conditions thereof and the number of shares of Common Stock to be allocated thereto.

Change in Control

Edgar Filing: MARKEL CORP - Form DEF 14A

If a participant is involuntarily terminated without Cause, or voluntarily terminates with Good Reason, within 12 months after a Change in Control, all terms and conditions on Restricted Stock and Restricted Stock Units will be deemed satisfied and fully vested, and all Performance Grants and Stock Awards will be deemed to be fully earned and to be immediately payable.

Divisive Transactions

If a participant's employer is involved in a Divisive Transaction, his or her outstanding Incentive Awards will be vested pro rata based on time and service, unless the Committee determines otherwise in its sole discretion.

Duration, Amendment and Termination

Unless sooner terminated by the Board of Directors, the Plan will terminate on March 5, 2013. No Incentive Awards may be made under the plan after its termination.

The Board may amend the Plan as it deems advisable, except that no change may be made that increases the total number of shares of Common Stock reserved for issuance pursuant to Incentive Awards unless such change is authorized by the Company's shareholders (except as described above under "Stock Subject to Plan; Adjustments"). A termination or amendment of the Plan will not, without the consent of the participant, adversely affect a participant's rights under an Incentive Award previously granted to him or her.

Restrictions on Transfer; Deferral

Except as otherwise permitted by the Committee and provided in the Incentive Award, Incentive Awards may not be transferred or exercised by another person except by will or by the laws of descent and distribution. The Committee may permit participants to elect to defer the issuance of common stock or the settlement of awards in cash under the Plan.

New Plan Benefits

Subject to shareholder approval of the Plan, the Committee has made Restricted Stock Unit awards to 14 employees. Under the terms of these awards, participants generally will be entitled to receive in 2004 a number of Restricted Stock Units equal to between one-fourth and three-fourths of the participants' respective bonuses for the current 2003 year divided by the fair market value of the Company's Common Stock on the date the 2003 bonus is determined. The restriction period for such awards is five years from the date of such determination. The number of Restricted Stock Units to be issued pursuant to these awards is dependent upon future events and therefore not determinable at this time. The following table shows the number and value of Restricted Stock Units that would have been awarded this year assuming that (i) the Plan had been in effect last year; (ii) similar Restricted Stock Unit awards had been made to the same employees last year; and (iii) the number of units to be issued pursuant to such hypothetical awards is determined under the formula described above using the employees' bonuses for 2002 and the fair market value of the common stock on December 31, 2002.

Vote Required

Approval of the Markel Corporation Omnibus Incentive Plan requires the affirmative vote of the holders of a majority of the shares of common stock voting at the Annual Meeting.

The Board of Directors recommends a vote FOR this proposal.

APPROVAL OF THE AMENDMENT TO THE COMPANY S BYLAWS

The Company s Bylaws currently authorize a number of Directors between three (3) and eleven (11), allowing the Board of Directors to fix the exact number within that range. At present, the Board consists of ten Directors. Increasing the upper end of the range from eleven to fifteen will provide the Company with greater flexibility to comply with the proposed New York Stock Exchange listing standards requiring a majority of independent directors.

As proposed, Article II, Section 2 of the Bylaws would be amended to read as follows:

Section 2. Number. The number of directors of the Corporation shall be not less than three nor more than fifteen, the exact number of directors to be fixed, from time to time, by a resolution of the Board of Directors.

Approval of the proposed amendment to the Company s Bylaws requires the affirmative vote of the holders of a majority of the shares of common stock voting at the Annual Meeting.

The Board of Directors recommends a vote FOR this proposal.

OTHER MATTERS

The Board of Directors knows of no other matters which will be brought before the meeting. However, if any other matters are properly presented, or if any question arises as to whether any matter has been properly presented and is a proper subject for shareholder action, the persons named as proxies in the accompanying proxy intend to vote the shares represented by such proxy in accordance with their best judgment.

SHAREHOLDER PROPOSALS FOR NEXT MEETING

Any shareholder desiring to make a proposal to be acted upon at the next Annual Meeting of Shareholders must present the proposal to the Company at its principal executive offices in Glen Allen, Virginia, no later than December 4, 2003 in order for the proposal to be included in the Company's proxy materials. Any such proposal should meet the applicable requirements of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations thereunder.

For shareholder proposals not included in the Company's proxy statement for the 2004 Annual Meeting, the persons named by the Board of Directors proxy will be entitled to exercise discretionary voting power in the circumstances set forth in Rule 14a-4(c) of the Exchange Act unless the shareholder making a proposal (i) notifies the Company Secretary of the proposal by February 17, 2004 and (ii) otherwise follows the procedures specified in Rule 14a-4(c).

Markel Corporation

Audit Committee Charter

The Audit Committee (the Committee), of the Board of Directors (the Board) of Markel Corporation (the Company), will have the oversight responsibility, authority and specific duties as described below.

Composition

The Committee will be comprised of three or more directors as determined by the Board. The members of the Committee will meet the independence, financial literacy and expertise and other qualification requirements of the federal securities laws and the applicable regulations of the Securities and Exchange Commission and the New York Stock Exchange. The members of the Committee will be elected annually at the meeting of the full Board held in May. One of the members of the Committee will be elected Committee Chair by the Board.

Responsibility

The Committee is a part of the Board. It s primary function is to assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (SEC); (ii) the system of internal controls that management has established; and (iii) the internal and external audit process. In addition, the Committee provides an avenue for communication between internal audit, the independent auditors, financial management and the Board. The Committee should have a clear understanding with the independent auditors that they must maintain an open and transparent relationship with the Committee, and that the ultimate accountability of the independent auditors is to the Committee and the Board as representatives of the shareholders. The Committee will make regular reports to the Board concerning its activities.

Limitations

7. Review the scope of internal audit's work plan for the year and receive a summary report of major findings by internal auditors and how management is addressing the conditions reported.
8. Review the scope and general extent of the independent auditors' annual audit. The independent auditors should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures. The Committee will establish the fee arrangement with the independent auditors with such input from management as the Committee deems appropriate.
9. Inquire as to the independence of the independent auditors and obtain from the independent auditors, at least annually, a formal written statement delineating all relationships between the independent auditors and the Company as contemplated by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.
10. At the completion of the annual audit, review with management, internal audit and the independent auditors the following:

Edgar Filing: MARKEL CORP - Form DEF 14A

and information. Inquire of the independent auditors whether there have been any disagreements with management, which, if not satisfactorily resolved, would have caused them to issue a nonstandard report on the Company's financial statements.

Other communications as required to be communicated by the independent auditors by Statement of Auditing Standards (SAS) 61 as amended relating to the conduct of the audit. Discussions will include the quality, and not just the acceptability, of the Company's accounting principles and the underlying estimates in its financial statements, including the independent auditors' judgement thereon, and audit adjustments.

A-2

11. Understand how management develops interim financial information, and the nature and extent of internal and external audit involvement in reviewing that information.
12. Have a predetermined arrangement with the independent auditors that they will advise the Committee through its Chair and management of the Company of any matters that need to be communicated in accordance with SAS 61 identified through procedures followed for interim quarterly financial statements. Such notification is to be made prior to the related press release or, if not practicable, prior to filing Form 10-Q.
13. Discuss with the independent auditors the quality of the Company's financial, accounting and internal audit personnel. Also, elicit the comments of management regarding the responsiveness of the independent auditors to the Company's needs.
14. Review with management, internal audit and the independent auditors the methods used to establish and monitor the Company's policies with respect to unethical or illegal activities by Company employees that may have a material impact on the financial statements.

The audit committee charter is to be published as an appendix to the proxy statement every three years or whenever changes are made.
17. Review the appointment and replacement of the senior internal audit executive.
18. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls and the confidential anonymous submission by employees of concerns regarding accounting or auditing matters.

(aa) *Stock Award* means Company Stock awarded pursuant to Section 8.

(bb) *Subsidiary* means any corporation or other entity in which Markel directly or indirectly owns stock or ownership interests representing more than 50 percent of the combined voting interests of such entity.

3. *Stock.*

(a) Subject to Section 14 of the Plan, there shall be reserved for issuance under the Plan an aggregate of one hundred fifty thousand (150,000) shares of Company Stock, which shall be authorized, but unissued shares, plus any shares of Company Stock which are forfeited, expire or are cancelled without the delivery

of shares or which result in the forfeiture of shares back to Markel. Shares allocable to Incentive Awards granted under the Plan that expire, are forfeited, otherwise terminate unexercised, or are settled in cash may again be subjected to an Incentive Award under the Plan. Shares issued under the Plan through the settlement, assumption, or substitution of outstanding awards or obligations to grant future awards as a condition of an Employer acquiring another entity shall not reduce the maximum number of shares available for delivery under the Plan.

(b) No more than fifty thousand (50,000) shares may be allocated to the Incentive Awards, including the maximum amounts payable under a Performance Grant, that are granted to any individual Participant during any 36-month period. The maximum cash payment that can be made for all Incentive Awards granted to any one individual shall be \$2,000,000 times the number of 12-month periods in any performance cycle for any single or combined performance goals. Any amount that is deferred by a Participant shall be subject to the limit on the maximum cash payment in the year in which the deferral is made and not in any later year in which payment is made.

4. *Eligibility.*

(a) All present and future employees of Markel, or a Subsidiary at the time of grant shall be eligible to receive Incentive Awards under the Plan. The Committee shall have the power and complete discretion, as provided in Section 15, to select eligible employees to receive Incentive Awards and to determine for each employee the nature of the award and the terms and conditions of each Incentive Award.

(b) The grant of an Incentive Award shall not obligate an Employer to pay an employee any particular amount of remuneration, to continue the employment of the employee after the grant or to make further grants to the employee at any time thereafter.

(c) When granting Incentive Awards to employees of a non-U.S. Subsidiary, the Committee shall have complete discretion and authority to grant such Incentive Awards in compliance with all present and future laws of the country or countries that may apply to the grant of the Incentive Award or the issuance of Company Stock pursuant to the Incentive Award. Such authorization shall extend to and includes establishing one or more separate sub-plans which include provisions not inconsistent with the Plan that comply with statutory or regulation requirements imposed by the foreign country or countries.

5. *Restricted Stock Awards.*

(a) The Committee may make grants of Restricted Stock to Participants. The Committee shall establish as to each award of Restricted Stock the terms and conditions to which the Restricted Stock is subject, including the period of time before which all restrictions shall lapse and the Participant shall have full ownership of the Company Stock (the *Restriction Period*). The Committee in its discretion may award Restricted Stock without cash consideration.

(b) Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated, or otherwise encumbered or disposed of until the restrictions have lapsed or been removed. For certificated shares, Certificates representing Restricted Stock shall be held by Markel until the restrictions lapse and the Participant shall provide Markel with appropriate stock powers endorsed in blank.

6. *Restricted Stock Units.*

Edgar Filing: MARKEL CORP - Form DEF 14A

The Committee may make grants of Restricted Stock Units to Participants. The Committee shall establish as to each award of Restricted Stock Units the terms and conditions to which the Restricted Stock Units are subject. 7. Performance Grants.

(a) The Committee may make Performance Grants to any Participant. Each Performance Grant shall contain the Performance Goals for the award, including the Performance Criteria, the target and maximum

B-4

amounts payable and such other terms and conditions of the Performance Grant. As to each Covered Employee, each Performance Grant shall be granted and administered to comply with the requirements of Code Section 162(m).

(b) The Committee shall establish the Performance Goals for Performance Grants. The Committee shall determine the extent to which any Performance Criteria shall be used and weighted in determining Performance Grants. The Committee may increase, but not decrease, any Performance Goal during a performance period for a Covered Employee. The Performance Goals for any Performance Grant for a Covered Employee shall be made not later than 90 days after the start of the period for which the Performance Grant relates and shall be made prior to the completion of 25 percent of such period.

(c) The Committee shall establish for each Performance Grant the amount of Company Stock or cash payable at specified levels of performance, based on the Performance Goal for each Performance Criteria. The Committee shall make all determinations regarding the achievement of any Performance Goals. The Committee may not increase the amount of cash or Common Stock that would otherwise be payable upon achievement of the Performance Goal or Goals but may reduce or eliminate the payments except as provided in a Performance Grant.

(d) The actual payments to a Participant under a Performance Grant will be calculated by applying the achievement of Performance Criteria to the Performance Goal. The Committee shall make all calculations of actual payments and shall certify in writing the extent, if any, to which the Performance Goals have been met for a Covered Employee.

8. *Stock Awards.* The Committee may make Stock Awards to any Participant. The Committee shall establish the number of shares of Common Stock to be awarded and the terms and conditions applicable to each Stock Award. The Committee will make all determinations regarding the satisfaction of any performance restrictions on a Stock Award. Markel shall issue the Common Stock under a Stock Award upon the satisfaction of the terms and conditions of a Stock Award.

9. *Tax Withholding.* Whenever payment under an Incentive Award is made in cash, the Employer will withhold an amount sufficient to satisfy any Applicable Withholding Taxes. Each Participant shall agree as a condition of receiving an Incentive Award payable in the form of Company Stock, to pay to the Employer, or make arrangements satisfactory to the Employer regarding the payment to the Employer of, Applicable Withholding Taxes. To satisfy Applicable Withholding Taxes and under procedures established by the Committee or its delegate, a Participant may elect to (i) make a cash payment or authorize additional withholding from cash compensation, or (ii) have Markel retain that number of shares of Company Stock (valued at their Fair Market Value) that would satisfy all or a specified portion of the Applicable Withholding Taxes.

10. *Transferability of Incentive Awards.* Incentive Awards shall not be transferable by a Participant and exercisable by a person other than the Participant, except as expressly provided in the Incentive Award.

11. *Deferral Elections.* The Committee may permit Participants to elect to defer the issuance of Company Stock or the settlement of awards in cash under the Plan pursuant to such rules, procedures, or programs as it may establish.

12. *Effective Date of the Plan.* The effective date of the Plan is March 6, 2003. The Plan shall be submitted to the shareholders of Markel for approval. Until (i) the Plan has been approved by Markel's shareholders, and (ii) the requirements of any applicable federal or state securities laws have been met, no Incentive Award shall be awarded that is not contingent on these events.

Edgar Filing: MARKEL CORP - Form DEF 14A

13. *Termination, Modification, Change.* If not sooner terminated by the Board, this Plan shall terminate at the close of business on March 5, 2013. No Incentive Awards shall be made under the Plan after its termination. The Board may amend or terminate the Plan as it shall deem advisable; provided that no change

B-5

shall be made that increases the total number of shares of Company Stock reserved for issuance pursuant to Incentive Awards granted under the Plan (except pursuant to Section 14) unless such change is authorized by the shareholders of Markel. A termination or amendment of the Plan shall not, without the consent of the Participant, adversely affect a Participant's rights under an Incentive Award previously granted to him or her.

14. *Change in Capital Structure.*

(a) In the event of a stock dividend, stock split or combination of shares, share exchange, recapitalization or merger in which Markel is the surviving corporation, spin-off or split-off of a Subsidiary, or other change in Markel capital stock (including, but not limited to, the creation or issuance to shareholders generally of rights, options or warrants for the purchase of common stock or preferred stock of Markel), the number and kind of shares of stock or securities of Markel to be subject to the Plan and to Incentive Awards then outstanding or to be granted, the maximum number of shares or securities which may be delivered under the Plan under Sections 3(a) or 3(b), the exercise price, the terms of Incentive Awards and other relevant provisions shall be adjusted by the Committee in its discretion, whose determination shall be binding on all persons.

(b) If Markel is a party to a consolidation or a merger in which Markel is not the surviving corporation, a transaction that results in the acquisition of substantially all of Markel's outstanding stock by a single person or entity, or a sale or transfer of substantially all of Markel's assets, the Committee may take such actions with respect to outstanding Incentive Awards as the Committee deems appropriate.

(c) Notwithstanding anything in the Plan to the contrary, the Committee may take the foregoing actions without the consent of any Participant, and the Committee's determination shall be conclusive and binding on all persons for all purposes.

15. *Administration of the Plan.*

(a) The Committee shall administer the Plan. The Committee shall have general authority to impose any term, limitation or condition upon an Incentive Award that the Committee deems appropriate to achieve the objectives of the Incentive Award. The Committee may adopt rules and regulations for carrying out the Plan with respect to Participants. The interpretation and construction of any provision of the Plan by the Committee shall be final and conclusive as to any Participant.

(b) The Committee shall have the power to amend the terms of previously granted Incentive Awards so long as the terms as amended are consistent with the terms of the Plan and provided that the consent of the Participant is obtained with respect to any amendment that would be detrimental to him or her, except that such consent will not be required if such amendment is for the purpose of complying with Rule 16b-3 or any requirement of the Code applicable to the Incentive Award.

(c) The Committee shall have the power and complete discretion (i) to delegate to any individual, or to any group of individuals employed by the Company or any Subsidiary, the authority to grant Incentive Awards under the Plan and (ii) to determine the terms and limitations of any delegation of authority.

(d) If the Participant's Employer is involved in a Divisive Transaction, the outstanding Incentive Awards will be vested prorata based on time and service, unless the Committee determines otherwise in its sole discretion.

Edgar Filing: MARKEL CORP - Form DEF 14A

(e) If a Participant or former Participant (1) becomes associated with, recruits or solicits customers or other employees of an Employer, is employed by, renders services to, or owns any interest in (other than any nonsubstantial interest, as determined by the Committee) any business that is in competition with Markel or its Subsidiaries, (2) has his employment terminated by his Employer for Cause, or (3) engages in, or has engaged in, conduct which the Committee determines to be detrimental to the interests of Markel, the Committee may, in its sole discretion, (A) cancel all outstanding Incentive Awards, regardless of whether then exercisable, (B) require the Participant or former Participant to repay any payment received under a Incentive Award within the previous two years, and/or (C) offset any other amounts owed to the Participant by any payment received under an Incentive Award within the previous two years.

B-6

(f) In the event of the death of a Participant, any outstanding Incentive Awards that are otherwise exercisable may be exercised by the Participant's Beneficiary or, if no Beneficiary is designated, by the personal representative of the Participant's estate or by the person to whom rights under the Incentive Award shall pass by will or the laws of descent and distribution.

16. *Change in Control.* Notwithstanding any provision of the Plan or any Incentive Award to the contrary, within 12 months after a Change in Control, if a Participant is involuntarily terminated without Cause or terminates employment for Good Reason, (i) all terms and conditions on Restricted Stock and Restricted Stock Units shall be deemed satisfied and fully vested, and (ii) all Performance Grants and Stock Awards shall be deemed to be fully earned and each shall be immediately issued or paid as the case may be. The Committee may make provision for deferral of any Incentive Award under the provisions of Section 11.

17. *Grants To Outside Directors.* Incentive Awards may be made to directors on the Board if such directors are not employees of Markel or a Subsidiary (Outside Directors). The Board shall have the power and complete discretion to select Outside Directors to receive Incentive Awards. The Board shall have the complete discretion, under provisions consistent with Section 15 as to Participants, to determine the terms and conditions, the nature of the award and the number of shares to be allocated as part of each Incentive Award for each Outside Director. The grant of an Incentive Award shall not obligate Markel to make further grants to the Outside Director at any time thereafter or to retain any person as a director for any period of time.

18. *Interpretation and Venue.* The terms of this Plan shall be governed by the laws of the Commonwealth of Virginia without regard to its conflict of laws rules. The United States District Court for the Eastern District of Virginia or the Circuit Court for the County of Henrico shall have exclusive jurisdiction over any disputes arising out of or related to this Plan or Incentive Awards.
