INFORMATION CONTAINED IN THIS FORM 6-K REPORT

DryShips Inc. (the "Company") is furnishing the following information pursuant to certain disclosure requirements contained in its Audit Committee Charter concerning the approval of related-party transactions. On May 29, 2018, the Company announced that it agreed to acquire one 2013-built Newcastlemax drybulk carrier and one 2017-built Suezmax tanker, each constructed in China, from entities that may be deemed to be affiliates of Mr. George Economou, the Company's Chairman, Chief Executive Officer, and majority shareholder, for an aggregate purchase price of \$93.8 million, including the associated bank debt of \$50.3 million. The transaction remains subject to documentation and customary closing conditions, and is expected to close in June 2018.

The Company's Audit Committee and its Board of Directors approved the transaction based on, among other things, the average fair market value of each vessel as determined by independent third party broker valuations. No other financial advisors were retained in connection with the transaction.

Further, attached as Exhibit 99.1 to this Report on Form 6-K is a press release of the Company dated May 29, 2018: DryShips Inc. Announces Agreement to Acquire Two Vessels.

The information contained in this Report on Form 6-K is hereby incorporated by reference into the Company's registration statement on Form F-3 (File No. 333-216826).
