Item 7.01 Regulation FD Disclosure

LabCorp® (NYSE: LH), a leading global life sciences company, announced today that its Covance Drug Development (Covance) business has introduced a dedicated offering for biotech, medical device and diagnostics companies from Chiltern®, a Covance® company. This unique offering follows the acquisition of Chiltern, a leading contract research organization with a track record of engagement models that meet the specific needs of these client segments. Through this offering, Chiltern clients will continue to benefit from Chiltern's deep therapeutic expertise and extensive experience in working with biotech, medical device and diagnostics companies. Chiltern's clinical trial solutions now are complemented by Covance's other development services, including nonclinical and first-in-human studies, Phase I development, central laboratory services, and regulatory and market access consulting. The offering also provides a proprietary model for helping biotechs make the right connection with a co-development or investment partner through Covance MarketPlace.
