### Series C Preferred Stock and Note Purchase Agreement

-----

On September 27, 2002, the Issuer entered into the Purchase Agreement (a copy of which is incorporated by reference hereto as Exhibit III and is incorporated herein by reference in response to this Item 6) with QIP and SFM Domestic Investments. Pursuant to the terms of the Purchase Agreement, QIP purchased 968.3 shares of Series C Preferred Stock for an aggregate purchase price of \$968,300 and SFM Domestic Investments purchased 31.7 shares of Series C Preferred Stock for an aggregate purchase price of \$31,700. Page 11 of 38 Pages

So long as any shares of Series C Preferred Stock are owned by QIP, SFM Domestic Investments or their respective affiliates, the Issuer has agreed not to take any action to approve or otherwise facilitate certain change of control transactions, including, but not limited to, a merger or consolidation of the Issuer resulting in a change of control or a sale of substantially all the assets of the Issuer, unless provision has been made for the holders of the Shares to receive in connection with such transaction an amount in cash equal to the greater of (i) \$1,000 per share of Series C Preferred Stock plus any accrued and unpaid dividends and (ii) the amount that the holder of such Series C Preferred Stock would receive if it were to convert their share or shares of Series C Preferred Stock (without regard to any limitation on conversion and without actually requiring to be so converted) into Shares (the "Series C Liquidation Preference").

The Issuer, QIP and SFM Domestic Investments amended the definition of "Registrable Securities" under the Investment Agreement (the "Investment Agreement"), dated November 13, 2000 (a copy of which was previously filed as Exhibit LL to Schedule 13D Amendment No. 7 and is incorporated herein by reference in response to this Item 6) in order that certain securities related to the Series C Preferred Stock and Series 2002 Preferred Stock were covered by the registration rights set forth in the Investment Agreement. The amended definition of "Registrable Securities" includes, along with any other securities already included in such definition, the Shares issuable upon conversion of the Series C Preferred Stock and the Series 2002 Preferred Stock (or upon the exercise or conversion of any security issued upon conversion of the Series 2002 Preferred Stock). The foregoing description of the Investment Agreement does not

## Edgar Filing: BLUEFLY INC - Form SC 13D/A

purport to be complete and is qualified in its entirety by the terms of the Investment Agreement.

The Issuer has agreed to put forth proposals seeking stockholder approval of (i) the conversion rights of the Series C Preferred Stock at the Company's next annual or special meeting of stockholders and (ii) the increase in the number of authorized Shares to 92,000,000. The Issuer has agreed to take all reasonable action to convene a meeting of the Issuer's stockholders on or before December 30, 2002.

The foregoing descriptions of the Purchase Agreement, the QIP Note and the SFM Domestic Note do not purport to be complete and are qualified in their entirety by the terms of each such document which are incorporated herein by reference in response to this Item 6.

### Certificate of Powers, Designations, Preferences and Rights of

#### Series C Preferred Stock

Pursuant to the terms of the Certificate of Powers, Designations, Preferences and Rights of Series C Convertible Preferred Stock (the "Series C Preferred Certificate of Designations") (a copy of which is incorporated by reference hereto as Exhibit LLL and is incorporated herein by reference in response to this Item 6) filed by the Issuer with the Delaware Secretary of the State on September 27, 2002, the shares of Series C Preferred Stock are entitled to cumulative dividends at a rate of 8% per annum, compounding annually. The dividends are payable only upon a conversion of the Series C Preferred Stock into Shares, a liquidation, dissolution or winding up of the Issuer or a redemption of the Series C Preferred Stock. Series C Preferred Stockholders are entitled to a preference on a liquidation, dissolution or winding up of the Issuer in an amount per share equal to the Series C Liquidation Preference.

Page 12 of 38 Pages

Holders of Series C Preferred Stock are entitled to vote on all matters submitted to a vote of the Issuer's stockholders, voting as a single class with the holders of Shares, on an as-converted basis. Notwithstanding the foregoing, (i) holders of Series C Preferred Stock are not entitled to vote with respect to the approval of the conversion rights of the Series C Preferred Stock or the Series 2002 Preferred Stock and (ii) until the Issuer's stockholders approve the conversion rights of the Series C Preferred Stock (to the extent such approval is required by the rules of the Nasdaq SmallCap Market or any other national securities exchange or quotation system upon which the Shares may be listed from time to time), the total number of votes cast with respect to the then outstanding shares of Series C Preferred Stock may not exceed 2,077,341 (subject to adjustment to reflect any stock split, stock dividend, reclassification or similar transaction). So long as at least 40% of the shares of Series C Preferred Stock remain outstanding, the Issuer may take the actions enumerated in Section 5.1 of the Series C Preferred Certificate of Designations only with the approval of a majority of the shares of Series C Preferred Stock, voting separately as a class. In addition, so long as any shares of Series C Preferred Stock are outstanding, the approval of the holders of at least 66-2/3% of such shares, voting separately as a class, must be obtained (i) to effect any transaction that would adversely affect the rights, preferences, powers and privileges of the shares of Series C Preferred Stock or (ii) to merge or consolidate with another entity, sell all or substantially all of the Issuer's assets or enter into a transaction resulting in, or facilitating, a change of

control.

Each share of Series C Preferred Stock is convertible, at the option of the holder thereof, into a number of fully paid and nonassessable Shares obtained by dividing (i) \$1,000 by (ii) \$0.93 (as adjusted, the "Series C Conversion Price"). The Series C Conversion Price may be adjusted upon the occurrence of certain events described in the Series C Preferred Certificate of Designations, including, but not limited to, the issuance by the Issuer of securities at a price per share (the "New Issue Price") less than the Series C Conversion Price in which case the Series C Conversion Price will be adjusted to equal the New Issue Price. Upon conversion, the accrued and unpaid dividends on each share of Series C Preferred Stock are paid, at the option of the Issuer, in cash or in Shares. Notwithstanding the foregoing, (i) until the Issuer's stockholders approve the conversion rights of the Series C Preferred Stock (to the extent such approval is required by the rules of the Nasdaq SmallCap Market or any other national securities exchange or quotation system upon which the Shares may be listed from time to time), no share of Series C Preferred Stock may be converted into Shares to the extent that, after giving effect to such conversion, the total number of Shares issued from and after September 27, 2002 as a result of the conversion of shares of Series C Preferred Stock would exceed 2,077,341 (subject to adjustment to reflect any stock split, stock dividend, reclassification or similar transaction) and (ii) no shares of Series C Preferred Stock are convertible into Shares until the Issuer's stockholders approve the increase in the number of authorized Shares to 92,000,000.

Holders of Series C Preferred Stock are entitled to certain preemptive rights in instances where the Issuer issues any Shares or securities convertible or exchangeable into Shares, subject to certain excluded issuances.

Subject to the fulfillment of certain requirements, the Issuer may redeem for cash all the shares of Series C Preferred Stock at redemption prices equal to multiples of the Series C Conversion Price, as set forth in Section 7 of the Series C Preferred Certificate of Designations.

The foregoing description of the Series C Preferred Certificate of Designations does not purport to be complete and is qualified in its entirety by the terms of the Series C Preferred Certificate of Designations, which is incorporated herein by reference in response to this Item 6.

Convertible Demand Promissory Notes

Each Note bears interest at a rate of 3% per annum, on a cumulative, compounding basis. The outstanding principal balance and accrued and unpaid interest on each Note is payable upon the demand of the holder, but in no event later than March 26, 2003. All or any portion of the Notes are convertible, at the option of the holders thereof, into a number of fully paid and nonassessable shares of Series C Preferred Stock obtained by dividing (i) the aggregate principal amount to be converted plus any accrued and unpaid interest on such principal amount by (ii) \$1,000. The foregoing description of the Notes does not purport to be complete and is qualified in its entirety by the terms of the Notes, which are incorporated herein by reference in response to this Item 6.

Waiver and Consent of the Holders of Series A Preferred Stock,

## Edgar Filing: BLUEFLY INC - Form SC 13D/A

### Series B Preferred Stock and Series 2002 Preferred Stock

-----

On September 27, 2002, QIP and SFM Domestic Investments, along with the other holders, if applicable, of Series A Preferred Stock, Series B Preferred Stock and Series 2002 Preferred Stock executed the Waiver and Consent of the Holders of Series A Convertible Preferred Stock, Series B Convertible Preferred Stock and Series 2002 Convertible Preferred Stock (the "Waiver and Consent") (a copy of which is incorporated by reference hereto as Exhibit MMM and incorporated herein by reference in response to this Item 6). Pursuant to the Waiver and Consent, (i) the holders of Series A Preferred Stock and Series B Preferred Stock waived their preemptive rights with respect to the issuance of the Series C Preferred Stock and the Notes, (ii) the holders of Series B Preferred Stock waived the breach by the Issuer of Section 5.8.9 of the Certificate of Incorporation (a copy of which was previously filed as Exhibit RR to Schedule 13D Amendment No. 8 and is incorporated herein by reference in response to this Item 6), and agreed not to convert any shares of Series B Preferred Stock to the extent that, after giving effect to such conversion, the total number of Shares issued from and after September 27, 2002 as a result of the conversion of shares of Series B Preferred Stock would exceed 13,281,038 (subject to adjustment to reflect any stock split, stock dividend, reclassification or similar transaction) and (iii) the holders of Series 2002 Preferred Stock agreed to waive their rights to convert the Series 2002 Preferred Stock into shares of Series C Preferred Stock in connection with the issuance of the shares of Series C Preferred Stock. The foregoing description of the Waiver and Consent does not purport to be complete and is qualified in its entirety by the terms of the Waiver and Consent, which is incorporated herein by reference in response to this Item 6.

### Conversion Price of Series B Preferred Stock

-----

In connection with the issuance of the Series C Preferred Stock, the conversion price of the Series B Preferred Stock was reduced to \$0.93 per share pursuant to Section 5.8.6 of the Issuer's Certificate of Incorporation. The foregoing description of the Certificate of Incorporation does not purport to be complete and is qualified in its entirety by the terms of the Certificate of Incorporation.

Except as set forth herein, the Reporting Persons do not have any contracts, arrangements, understandings or relationships with respect to any securities of the Issuer.
