SHAREHOLDERS FOR CHANGE AT THE CHILDREN'S PLACE

May 4, 2015

Dear Fellow Stockholders of The Children's Place:

Macellum SPV II, LP ("Macellum") and Barington Companies Equity Partners, L.P. ("Barington" and, collectively with Macellum and the other participants named in this solicitation, "Shareholders for Change at The Children's Place" or "we") are the beneficial owners of an aggregate of 441,670 shares of common stock, par value \$0.10 per share (the "Common Stock") of The Children's Place, Inc., a Delaware corporation ("The Children's Place" or the "Company"), including 92,700 shares of Common Stock underlying certain call options exercisable within sixty (60) days hereof. We have nominated a slate of two (2) highly qualified director candidates for election to the Company's board of directors (the "Board") at The Children's Place's upcoming 2015 annual meeting of stockholders (the "Annual Meeting"). We did so because we believe that the Board must be significantly reconstituted in order to ensure that the Company is being run in a manner consistent with the best interests of stockholders. The individuals we have nominated are highly qualified, capable and ready to serve stockholders to help The Children's Place address the challenges ahead and evaluate open-mindedly all alternative strategies to make The Children's Place a stronger, more profitable, and ultimately more valuable company.

Shareholders for Change at The Children's Place was formed for the purpose of seeking to unlock value at The Children's Place. Our interests are fully aligned with the interests of all stockholders of The Children's Place. We believe that the Company is meaningfully undervalued and that a reconstituted Board is required to enhance stockholder value. We have strong views regarding the future direction of the Company that we have clearly articulated to the Company in conversations with representatives of The Children's Place and in a public letter to the Company.

We tried to work constructively with the Company to reconstitute the Board in a manner that would avoid a proxy contest. Unfortunately, rather than work with us in this regard, the Company rejected our director nominees.

We are therefore seeking your support at the Annual Meeting to elect two (2) highly qualified director candidates with deeply relevant backgrounds for The Children's Place, who would constitute a minority of the Board, if elected, and who are committed to reexamining the Company's current strategy and focusing on specific opportunities to enhance value for stockholders.

The Board is currently composed of eight (8) directors, three (3) of whom are up for election at the Annual Meeting. While the Board is currently divided into three classes, stockholders approved an amendment to the Company's Amended and Restated Certificate of Incorporation to declassify the Board at the Company's 2014 annual meeting of stockholders. The declassification of the Board will be phased in commencing with the Annual Meeting, and will therefore be fully declassified commencing with the 2017 annual meeting of stockholders. We are seeking your support at the Annual Meeting to elect our two (2) nominees in opposition to two (2) of the Company's director nominees. Shareholders for Change at The Children's Place believes that any attempt to increase or decrease the size of the current Board or the number of directors up for election at the Annual Meeting would constitute an improper manipulation of the Company's corporate machinery.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating, and returning the enclosed BLUE proxy card today. The attached Proxy Statement and the enclosed BLUE proxy card are first being furnished to the stockholders on or about May 5, 2015.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating, and returning a later dated proxy or by voting in person at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact D.F. King & Co., Inc., which is assisting us, at its address and toll-free numbers listed below.

Thank you for your support.

2015 ANNUAL MEETING OF STOCKHOLDERS
OF
THE CHILDREN'S PLACE, INC.

PROXY STATEMENT
OF
SHAREHOLDERS FOR CHANGE AT THE CHILDREN'S PLACE

PLEASE SIGN, DATE AND MAIL THE ENCLOSED BLUE PROXY CARD TODAY

Macellum SPV II, LP ("Macellum") and Barington Companies Equity Partners, L.P. ("Barington" and, collectively with Macellum and the other participants named in this solicitation, "Shareholders for Change at The Children's Place" or "we") are significant stockholders of The Children's Place, Inc., a Delaware corporation ("The Children's Place" or the "Company"), who beneficially own in the aggregate approximately 2.1% of the outstanding shares of common stock, par value \$0.10 per share (the "Common Stock"), of the Company.

We are seeking to elect two (2) nominees to the Company's Board of Directors (the "Board") because we believe that the Board must be significantly reconstituted to ensure that the interests of the stockholders, the true owners of The Children's Place, are appropriately represented in The Children's Place's boardroom. We have nominated directors who have strong, relevant backgrounds and who are committed to fully exploring all opportunities to unlock stockholder value. We are seeking your support at the Company's 2015 Annual Meeting of Stockholders, scheduled to be held on May 22, 2015 at 10:00 a.m., local time at Two Meadowlands Plaza, East Rutherford, New Jersey 07073 (including any adjournments or postponements thereof and any meeting that may be called in lieu thereof, the "Annual Meeting"), for the following:

We are seeking to change a minority of the Board. This proxy statement ("Proxy Statement") is soliciting proxies to elect not only our two (2) Nominees, but also the one candidate who has been nominated by the Company other than Norman S. Matthews and Stanley W. Reynolds. This gives stockholders who wish to vote for our Nominees the ability to vote for a full slate of three (3) nominees in total. There can be no assurance that any of the Company's nominees will serve as directors if our Nominees are elected.

As of the date hereof, the members of Shareholders for Change at The Children's Place collectively beneficially own 441,670 shares of Common Stock (the "Shareholders for Change at The Children's Place Shares"), including 92,700 shares of Common Stock underlying certain call options exercisable within 60 days hereof. We intend to vote all of the Shareholders for Change at The Children's Place Shares that are eligible to vote FOR the election of the Nominees, FOR the ratification of the selection of BDO USA, LLP, as the Company's independent registered public accounting firm for fiscal 2015, and AGAINST the advisory vote to approve the Say on Pay proposal, as described herein.

The Company has set the close of business on April 10, 2015 as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). The mailing address of the principal executive offices of the Company is 500 Plaza Drive, Secaucus, New Jersey 07094. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. According to the Company, as of the Record Date, there were 20,751,651 shares of Common Stock outstanding.

THIS SOLICITATION IS BEING MADE BY SHAREHOLDERS FOR CHANGE AT THE CHILDREN'S PLACE AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY. - In summer of 2014, Jonathan Duskin, a representative of Macellum, called Kenneth Reiss, a member of the Board, pursuant to which Mr. Duskin expressed his concerns with the Company's performance.
- On March 11, 2015, Macellum and Barington delivered a letter to the Company's Chairman, Norman S. Matthews, pursuant to which they expressed their belief, among other things, that despite the Company's leading position in the children's apparel market, the Company's shares trade at a modest valuation due to investors' concern about the Company's deteriorating operating performance since 2010 under the leadership of current Chief Executive Officer, Jane Elfers. In the letter, Macellum and Barington stated that they believe there are multiple ways to improve stockholder value at The Children's Place, including improvements in the Company's sales and margins, inventory management and capital allocation. Macellum and Barington further expressed their belief that there are likely a number of strategic and financial buyers who would be interested in acquiring the Company at a significant premium to its current trading valuation in order to capitalize on the Company's leading position in the children's apparel market, its stable operating cash flow, and substantial opportunities for working capital and operating improvements. Macellum and Barington also issued a press release on March 11, 2015 disclosing the March 11th letter to Chairman Matthews.
- Also on March 11, 2015, Mr. Duskin called Mr. Reiss to notify him of the March 11th letter to Chairman Matthews and expressed his desire to discuss the letter with Mr. Reiss. There was no further contact between Messrs. Duskin and Reiss.

Mitarotonda, a representative of Barington, and Joseph Gromek, a member of the Board, engaged in telephonic discussions during which they discussed the Company and Board composition, as well as Mr. Gromek's investment in a publicly-traded special purpose acquisition vehicle sponsored by Mr. Mitarotonda. Mr. Mitarotonda stated that he preferred to work constructively with the Company and did not intend to engage in a proxy contest.
- On March 24, 2015, Mr. Mitarotonda contacted Mr. Gromek to request a meeting with Mr. Matthews or other representatives of the Company to further discuss the Company. Mr. Gromek recommended that he contact either the Company's management or Mr. Matthews.
- On March 31, 2015, the Company filed a definitive proxy statement with the Securities and Exchange Commission (the "SEC") on Form DEF 14A in connection with the Annual Meeting. In the definitive proxy statement, the Company announced that it scheduled the Annual Meeting for May 22, 2015, which is approximately two (2) to

three (3) weeks prior to the Company's historical annual meeting dates.

- On March 31, 2015, Mr. Duskin called Mr. Matthews and left him a message requesting a phone call with Mr. Matthews.
- On April 1, 2015, Mr. Duskin emailed Mr. Matthews following up on his March 31st request to set up a phone call with Mr. Matthews, which was subsequently scheduled for April 6, 2015.
- On April 6, 2015, Messrs. Mitarotonda and Duskin had a telephone conversation with Mr. Matthews during which they discussed Board composition generally and the addition of representatives of Macellum and Barington to the Board. Mr. Matthews indicated that he would discuss this proposal with the Board.
- On April 7, 2015, Mr. Matthews emailed Mr. Duskin requesting a phone call with Mr. Duskin to be scheduled for April 9, 2015.
- On April 9, 2015, Messrs. Mitarotonda and Duskin had a telephone conversation with Mr. Matthews during which Messrs. Mitarotonda and Duskin were informed by Mr. Matthews that the Board had rejected their request for Board representation. Messrs. Mitarotonda and Duskin informed Mr. Matthews that in order to preserve their rights, they would deliver a nomination letter to the Company by the April 10, 2015 nomination deadline. However, Messrs. Mitarotonda and Duskin also requested an opportunity to engage in further discussions as soon as possible in hopes of reaching a mutually agreeable arrangement with the Company. Mr. Matthews then agreed to a meeting with Messrs. Mitarotonda and Duskin upon his return from vacation in two (2) weeks.
- On April 10, 2015, Macellum and Barington delivered a letter (the “Nomination Letter”) to the Company’s Secretary, in accordance with the Company’s bylaws (the “Bylaws”), nominating Janet E. Grove, Seth R. Johnson and Robert Mettler for election to the Board at the Annual Meeting.
- On April 13, 2015, the Company issued a press release announcing its receipt of the Nomination Letter and the Board’s decision to reject the election of the Nominees to the Board.

REASONS FOR THE SOLICITATION

We are soliciting your support to elect our Nominees at the Annual Meeting because we have been extremely dissatisfied with the performance of the Company under its current Board. We believe that the Board needs to be reconstituted with directors that have the experience, the independence, and the stockholder-oriented mindset to oversee and implement the changes necessary to enhance stockholder value.

We believe The Children's Place is an attractive investment opportunity at its current trading valuation due to its leading market share in the children's apparel market and its large store base coupled with a direct sourcing infrastructure that allows the Company to offer high quality and value products to its customers. We believe the Company also has significant growth opportunities in e-commerce and international markets.

Despite its leading market position, the Company trades at a modest valuation of 6.0x enterprise value to EBITDA.¹ We believe this discounted valuation is due to investors' concern over the Company's deteriorating operating performance since 2010 under the leadership of the current CEO, Jane Elfers. Based on our analysis of publicly available information on the Company, we believe that with the right management team in place, the Company can more than double its earnings per share (EPS) within the next three years compared to the Company's actual results for fiscal 2014 of \$3.05 per share.²

Fiscal Year (\$in millions)	2014	2015E	2016E	2017E
Sales	1,761	1,797	1,832	1,869

Gross Profit	622	644	675	702

EPS	\$3.05	\$3.68	\$4.90	\$6.19
Weighted Average Shares	21.9	20.5	19.5	18.5

We believe these results could be achieved through a combination of reinvigorated sales growth, increased margins, strong free cash flow generation through better inventory management and reduced capital expenditures, aggressive share repurchases and accretively closing underperforming stores.

² Analysis derived from information set forth in Company filings.

WE ARE CONCERNED WITH THE COMPANY'S PROLONGED UNDERPERFORMANCE

We are Concerned with the Company's Poor Stock Price Performance

We are seriously concerned that the Company's stock price has significantly underperformed the S&P 500 Retailing Index, the S&P 500 Index, the Russell 2000 Index and its peer, Carter's Inc.³ over the past one, three and five-year periods prior to the release of our March 11th letter and during Ms. Elfers' tenure, as displayed in the following chart.⁴

	1 Year (3/10/14 - 3/9/15)	3 Years (3/12/12 - 3/9/15)	5 Years (3/10/10 - 3/9/15)	CEO Tenure (1/4/10 - 3/9/15)
The Children's Place	12.0%	13.0%	35.2%	80.7%
S&P 500 Retailing Index	18.7%	86.3%	155.4%	171.7%
S&P 500 Index	13.1%	61.7%	101.7%	104.7%
Russell 2000 Index	3.3%	56.5%	93.8%	104.7%
Carter's, Inc.	16.1%	86.5%	198.6%	242.9%

We believe this stock price underperformance is directly attributable to the Company's poor operating performance, as discussed in more detail below.

We are Concerned with the Company's Deteriorating Operating Performance

Despite investing over \$399 million in capital expenditures since 2010 under Ms. Elfers' leadership, the Company's EBITDA has declined from \$203.6 million in the fiscal year ended January 2011 to \$151.6 million in the fiscal year ended January 2015, representing a decline of 26%.⁵ Further, the Company has seen its gross margin fall by approximately 480 basis points since 2009. Other key metrics have also declined as shown in the table below.

	2010	2011	2012	2013	2014
Same-Store-Sales Growth	(2.5%)	(2.5%)	2.0%	(2.8%)	0.4%
Gross Margin	39.4%	38.4%	38.2%	37.1%	35.3%
Gross Margin Change, bps		(100)	(20)	(110)	(180)
Inventory Turnover	4.9x	4.7x	4.4x	3.8x	3.7x
EBITDA Margin	12.2%	10.6%	10.0%	9.6%	8.6%

We are concerned that the Board appears unwilling to take any actions to hold management accountable for the Company's underperformance.

We are Concerned with the Deterioration in Same-Store Sales and Profitability

The Company has experienced negative same-store sales growth coupled with a decrease in the number of customer transactions. In fact, The Children's Place has experienced declining gross margins every year that Ms. Elfers has been at the helm of the Company. These declines have been accelerating, culminating this year in the worst gross margin decline during her tenure.

We are Concerned with the Company's Inventory Management

As shown in the table above, the Company's inventory turnover has fallen from 4.9x in fiscal 2010 to 3.7x in fiscal 2014. Ms. Elfers specifically targeted improvement of inventory turnover as one of her five key initiatives during her first earnings call in March 10, 2010, stating:

"The five key initiatives are strengthening the merchandise, accelerating new store growth with the focus on value centers, optimizing inventory management, sharpening our marketing message and driving e-commerce growth."

3 Carters, Inc. is the only comparable publicly traded peer that focuses on selling children's apparel.

4 Source: Company filings.

5 EBITDA is calculated as reported operating income plus asset impairment charges plus depreciation and amortization less other income.

During the same call, she remarked:

“In addition to focusing on getting the right merchandise into the right store at the right time, we’re taking a hard look at how much inventory we need to drive top line sales and how to optimize inventory flow into the store. I have a bias for lean inventories, and there is clearly an opportunity at The Children’s Place to reduce inventory levels and better manage flow to the stores.”

Fast forward to 2014, the Company is carrying 44% more inventory on a comparable sales level in the fourth quarter of 2014 ending January 31, 2015 than it did in the fourth quarter of 2009 ending January 30, 2010, as displayed in the chart below.⁶

For the Fiscal Period

Ending (in thousands)	12 months 01/30/10	12 months 01/29/11	12 months 01/28/12	12 months 02/02/13	12 months 02/01/14	12 months 01/31/15
Cost of goods sold	984,086	1,013,878	1,056,213	1,118,046	1,110,268	1,139,024
Beginning of year inventory	211,227	206,227	210,523	237,786	266,976	322,422
End of year inventory	206,227	210,523	237,786	266,976	322,422	297,631
Average Inventory	208,727	208,375	224,155	252,381	294,699	310,027
Inventory turnover (COGS / Avg. Inventory)	4.7x	4.9x	4.7x	4.4x	3.8x	3.7x

We believe that the Company’s poor inventory management is costing the Company an estimated additional \$65 to \$75 million of working capital. In addition, we believe the Company’s poor inventory management is interrelated with its declining same-store sales and gross margins, as slow turning inventory leads to greater reliance on markdowns.

We Are Concerned with the Company’s Capital Allocation Decisions

During Ms. Elfers' tenure, capital spending has exceeded depreciation and amortization by \$89 million. Notably, the Company has expanded its store footprint from 947 stores in January 2010 to 1,097 stores in January 2015. While many retailers appear to have been working to shrink their North American store footprints, the Company was accelerating store growth. In fact, when The Children’s Place was already one of the largest specialty retailers in North America, the Company proceeded to grow stores by another 18% since 2010 and as recently as two years ago initiated a plan to grow to 1,250 - 1,300 stores⁷, or 18-22% more than the existing number of stores at the time. However, a mere seven months later in June of 2013, the then Chief Financial Officer of the Company, Michael Scarpa, stated that the Company “. . . made the decision to close approximately 100 underperforming stores through 2016 including 45 this year.” We believe that this abandoned North American expansion plan represented a loss of time, energy and capital expenditure.

We are Concerned with the High Management Turnover at the Company

We are concerned by the significant amount of turnover among top level executives at The Children’s Place. We believe that constant executive turnover has been a major contributor to the Company’s disappointing financial and

stock price performance. In fact, shortly after Ms. Elfers was appointed CEO in 2010, she made a number of management changes to key roles, including Chief Operating Officer, Head Merchant, Head of Design, Chief Marketing Officer, and Head of International. Notably, four of the five key positions are no longer held by the same executives.

Since 2010, the Company is on its fourth CFO, third Head of Design, second Head of Planning and Allocation, third Head of Sourcing, second Head of Merchandising and second Chief Operating Officer. Furthermore, the Chief Marketing Officer and Chief Information Officer, both hired during Ms. Elfers' tenure, have also left the Company and have not been replaced. In light of these significant turnovers, we question Ms. Elfers' managerial expertise and whether she is capable of identifying and retaining the appropriate talent to improve the Company's performance.

We Are Concerned with the Misalignment Between CEO Pay and Company Performance

Despite the Company's poor operating results and stock price underperformance, we believe Ms. Elfers has been excessively compensated at the expense of The Children's Place stockholders. In fact, the two leading independent proxy voting advisory firms, Glass Lewis & Co. ("Glass Lewis") and Institutional Shareholder Services Inc. ("ISS"), share our serious concerns with the Company's executive compensation. In its 2014 report, Glass Lewis stated:

"The Company has been deficient in linking executive pay to corporate performance, as indicated by the 'F' grade received by the Company in Glass Lewis' pay-for-performance model. A properly structured pay program should motivate executives to drive corporate performance, thus aligning executive and long-term shareholder interests. In this case, the Company has not implemented such a program."

ISS agreed, stating in its 2014 report that its "initial quantitative screen has indicated a high concern with respect to the alignment of CEO pay and company performance relative to a peer group of companies similar in size and industry." Importantly, ISS recommended a vote "AGAINST" the Company's executive compensation program in each of the last three years.

We find it remarkable that Ms. Elfers' total compensation over the last four years was \$42.6 million, which, for comparison, was \$12.7 million, or 43%, greater than that of the CEO of Carter's, Inc. ("Carter's").⁸ Perhaps even more concerning is the fact that Carter's has a market capitalization that is nearly four times larger, and its stock outperformed The Children's Place by 185% over this four-year period:⁹

	2011	2012	2013	2014	4-year Total
The Children's Place CEO compensation	\$11.1	\$17.2	\$6.8	\$7.4	\$42.6
The Children's Place total shareholder return	7.0%	-16.6%	28.6%	1.1%	16.0%
Carter's CEO compensation	\$6.0	\$9.8	\$7.6	\$6.3	\$29.9
Carter's total shareholder return	34.9%	39.8%	29.9%	22.8%	200.8%

The CEO Compensation Target was over 2x the Median Target CEO Compensation of the Company's identified peer group in 2012, and Ms. Elfers was the highest paid CEO in the peer group in that year, receiving \$17.2 million. In addition, Ms. Elfers was awarded \$6.8 million of total compensation in 2013 despite missing the Company's original target for adjusted operating income by 9.5%.¹⁰

Further, in 2014, Ms. Elfers was awarded \$7.4 million of total compensation for exceeding an adjusted operating income target which was 14% lower than the actual adjusted operating income reported in 2013.¹¹ It should be noted that the Company uses a peer group that has a median market capitalization of greater than \$2 billion, or almost double The Children's Place's market capitalization.

Despite the Company's underperformance, management has been richly compensated while, we believe, stockholder value has suffered. We think it is time for the Board to be held accountable for its failure to protect the interests of The Children's Place stockholders. Further, we believe that the Company's poor executive compensation practices have contributed to a management and Board culture that seem indifferent to poor financial and operational results.

We Believe the Company Should Explore Opportunities for a Sale Transaction

We believe that The Children's Place's market leading position in the children's apparel space and its direct sourcing infrastructure would be of strategic interest to larger companies who could capitalize on efficient low-cost sourcing opportunities. We think a strategic player would be able to improve the Company's cost structure and inventory management as well as rationalize the Company's store base and would likely be willing to pay a significant premium to acquire the Company. We believe private equity buyers would also likely be interested in The Children's Place given the Company's stable operating cash flow and substantial opportunities for working capital and operating improvements.

10 Based on the Company's 2014 proxy statement, the original Adjusted Operating Income target for fiscal 2013 was \$122 million and the Company reported \$110.4 million, 9.5% lower than the original target.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board is currently composed of eight (8) directors, three (3) of whom are up for election at the Annual Meeting. While the Board is currently divided into three classes, stockholders approved an amendment to the Company's Amended and Restated Certificate of Incorporation to declassify the Board at the Company's 2014 annual meeting of stockholders. The declassification of the Board will be phased in commencing with the Annual Meeting, and will therefore be fully declassified commencing with the 2017 Annual Meeting. We are seeking your support at the Annual Meeting to elect our two (2) Nominees in opposition to two (2) of the Company's director nominees to serve a two year term expiring at the 2017 Annual Meeting. If elected, our Nominees will constitute a minority of the Board and there can be no guarantee that our Nominees will be able to implement the actions that they believe are necessary to unlock stockholder value.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, or offices for the past five (5) years of each of the Nominees. The nominations were made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominees should serve as directors of the Company are set forth above in the section entitled "Reasons for the Solicitation" and below. This information has been furnished to us by the Nominees. Both of the Nominees are citizens of the United States.

Seth R. Johnson, age 61, has more than thirty (30) years of apparel retail experience. Mr. Johnson has served as a director of Tilly's, Inc. From 2005 to 2006, he served as the Chief Executive Officer of Pacific Sunwear of California, Inc. ("Pacific Sunwear"). During his tenure, Pacific Sunwear achieved the highest level of net income in its history. From 1999 to 2004, Mr. Johnson was the Chief Operating Officer of Abercrombie & Fitch Co., a specialty retailer ("Abercrombie & Fitch"), and was its Chief Financial Officer from 1992 to 1998. We believe that Mr. Mettler is qualified to serve as a director of the Company based upon, among other things, his executive leadership experience in the retail industry, his public company director experience, and his experience in marketing and merchandising apparel products, which will enable him to contribute important operational, financial and strategic planning insights to the Board.

The principal business address of Mr. Johnson is 646 Vista Lane, Laguna Beach, California 92651. The principal business address of Mr. Mettler is P.O. Box 1209, Rancho Santa Fe, California 92067.

As of the date hereof, Mr. Mettler does not beneficially own any securities of the Company and has not engaged in any transactions in securities of the Company during the past two (2) years.

Shareholders for Change at The Children's Place believes that each Nominee presently is, and if elected as a director of the Company, will be, an "independent director" within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, including Rule 5605(a)(2), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002, as amended. Other than as stated herein, there are no arrangements or understandings among members of Shareholders for Change at The Children's Place and any of the Nominees or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each Nominee to be named in this Proxy Statement and to serve as a director of the Company, if elected as such at the Annual Meeting. None of the Nominees is a party adverse to the Company, or any of its subsidiaries, or has a material interest adverse to the Company, or any of its subsidiaries, in any material pending legal proceeding.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has appointed BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2016. The Company is submitting the appointment of BDO USA, LLP for ratification of the stockholders at the Annual Meeting.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR ITS FISCAL YEAR ENDING JANUARY 31, 2016 AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICERS' COMPENSATION

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to indicate their support for the compensation of the Company's named executive officers. This proposal, commonly known as a Say-On-Pay proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking stockholders to approve, on an advisory basis, the compensation of its named executive officers, as described in the Company's proxy statement pursuant to the compensation disclosure rules of the SEC, including the narrative disclosure, tables and footnotes contained in the Company's proxy statement. Accordingly, the Board is asking stockholders to indicate support for the following resolution:

"RESOLVED, that, on an advisory basis, the stockholders approve the compensation of the Company's named executive officers for the fiscal year ended January 31, 2016, as disclosed in the Company's Proxy Statement for fiscal 2014 pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

According to the Company's proxy statement, the stockholder vote on the Say-on-Pay proposal is an advisory vote only, and is not binding on the Company, the Compensation Committee or the Board.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS ADVISORY VOTE ON NAMED EXECUTIVE OFFICERS' COMPENSATION AND INTEND TO VOTE OUR SHARES "AGAINST" THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Stockholders are entitled to one (1) vote for each share of Common Stock held of record on the Record Date with respect to each matter to be acted on at the Annual Meeting. Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, Shareholders for Change at The Children's Place believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed BLUE proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees, FOR the ratification of the selection of BDO USA, LLP as the Company's independent registered public accounting firm, and AGAINST the Say on Pay proposal and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting, as described herein.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate three (3) Class III candidates for election at the Annual Meeting. We are seeking to change a minority of the Board. This Proxy Statement is soliciting proxies to elect not only our two Nominees, but also the one candidate who has been nominated by the Company other than Norman S. Matthews and Stanley W. Reynolds. This gives stockholders who wish to vote for our Nominees the ability to vote for a full slate of three (3) nominees in total. The names, backgrounds and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. There can be no assurance that any of the Company's nominees will serve as directors if our Nominees are elected.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at such meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of a majority of votes represented by the shares of Common Stock outstanding as of the Record Date, will be considered a quorum allowing votes to be taken and counted for the matters before the stockholders.

Abstentions are counted as present for purposes of determining a quorum. Shares represented by "broker non-votes" also are counted as present for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under rules of The NASDAQ Stock Market, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a stockholder of record, you must deliver your vote by mail or attend the Annual Meeting in person and vote in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on those proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors The Company has adopted a plurality vote standard for contested director elections. The three (3) nominees receiving the highest number of affirmative votes will be elected as directors of the Company. With respect to the election of directors, only votes cast “FOR” a nominee will be counted. Proxy cards specifying that votes should be withheld with respect to one (1) or more nominees will result in those nominees receiving fewer votes but will not count as votes against the nominees. Neither an abstention nor a broker non-vote will count as a vote cast “FOR” or “AGAINST” a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

Ratification of the Selection of Independent Registered Public Accountants According to the Company’s proxy statement, assuming that a quorum is present, the selection of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ending January 31, 2016 will be deemed to have been ratified if a majority of the votes cast, either in person or by proxy, at the Annual Meeting vote in favor of such ratification. Broker non-votes will have no effect on the ratification of the appointment, but abstentions will act as a vote against ratification of the appointment.

Advisory Vote to Approve the Compensation of the Named Executive Officers According to the Company’s proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on the Company’s named executive officers’ compensation will be approved if a majority of the votes cast, either in person or by proxy, at the Annual Meeting vote in favor of approval of the named executive officers’ compensation. Broker non-votes will have no effect on the approval of the executive compensation program, but abstentions will act as a vote against approval of the Say on Pay proposal.

Under applicable Delaware law, none of the holders of Common Stock is entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your BLUE proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Shareholders for Change at The Children’s Place’s recommendations specified herein and in accordance with the discretion of the persons named on the BLUE proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy that is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Shareholders for Change at The Children’s Place in care of D.F. King & Co., Inc. (“D.F. King”), at the address set forth on the back cover of this Proxy Statement or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Shareholders for Change at The Children’s Place in care of D.F. King at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, D.F. King may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED BLUE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SCHEDULE II

The following table is reprinted from the Company's Definitive Proxy Statement filed with the Securities and Exchange Commission on April 23, 2015.

Stock Ownership of Directors and Executive Officers

The following table shows the beneficial ownership of Common Stock of each director, each director nominee, each of the NEOs appearing in the Summary Compensation Table, and the directors and executive officers (including the NEOs) as a group. For example, a person "beneficially" owns Company stock not only if he or she holds it directly, but also if he or she has (or shares) the power to vote or sell the stock indirectly (for example, through a relationship, a position as a director or trustee, or a contract or understanding). Beneficial ownership also includes shares a person has the right to acquire within 60 days, for example, through the scheduled vesting of an equity award or the exercise of a stock option.
