### *A Message from the Chairman of the Putnam Funds*

Dear Fellow Shareholder:

I am writing to ask you, as a shareholder of your Putnam fund, to vote on the sale of Putnam Investments to Great-West Lifeco Inc., a subsidiary of Power Financial Corporation, by approving new management contracts. This proposal will be considered at a special meeting of shareholders called for May 15, 2007. Great-West Lifeco has agreed to acquire Putnam Investments Trust, which owns your fund's investment adviser, Putnam Investment Management, LLC ( Putnam Management ).

The Putnam funds' Board of Trustees has been actively involved in the sale process, and will continue in its role of overseeing the Putnam funds on your behalf. We are asking you to approve a new management contract with Putnam Management that will become effective when the transaction with Great-West Lifeco is completed, so that there will not be any disruption in the investment management or in the services that your fund receives. The Trustees of the Putnam funds unanimously recommend that you vote FOR the approval of a new management contract.

It is important for you, as a Putnam fund shareholder, to know that no changes to the Putnam funds, to the way Putnam manages money, or to the funds' management teams are expected as a result of this transaction. Putnam will continue to operate as a separate company headquartered in Boston, and will retain its name. There will be no change in your fund's fee rates or in the services that your fund receives as a result of the transaction. In addition, the funds will not bear any of the costs associated with this proxy solicitation.

Please vote promptly. When shareholders do not return their proxies in sufficient numbers, follow-up solicitations are required. You can vote by returning your proxy ballot in the envelope provided. Or you can call the toll-free number or visit the Web site address indicated on the ballot.

Your vote is important to us. We appreciate the time and consideration I am sure you will give these important matters. If you have questions about the proposal, please call our proxy information line at 1-866-905-2396.

Sincerely yours,

John A. Hill  
Chairman of the Trustees

### Proxy Statement (Summary)

This document gives you the information you need to vote on the proposal.

Why has a special meeting of shareholders been called?

On January 31, 2007, Marsh & McLennan Companies, Inc. ( Marsh & McLennan ), the ultimate parent company of Putnam Investment Management, LLC ( Putnam Management ), your fund's investment adviser, entered into a Stock Purchase Agreement with Great-West Lifeco Inc. ( Lifeco ). Lifeco is a financial services holding company with operations in Canada, the United States and Europe and is a member of the Power Financial Corporation group of companies. Under the Stock Purchase Agreement, Lifeco will, through a direct or indirect wholly owned subsidiary ( Great-West ), acquire 100% of Putnam Investments Trust, which owns Putnam, LLC (Putnam Investments), the parent company of Putnam Management and the other Putnam companies.

As a result of this transaction, your fund's management contract with Putnam Management will terminate. This is because the Investment Company Act of 1940, as amended (the 1940 Act ), which regulates investment companies such as your fund, requires management contracts to terminate automatically when there is a change of control of a fund's investment adviser. The transaction with Lifeco will result in a change of control of Putnam Management, your fund's investment adviser. Thus, your fund's management contract with Putnam Management will automatically terminate when the transaction closes, and your fund's shareholders must approve a new management contract. We are recommending that you approve a new management contract with Putnam Management so that Putnam Management can continue as your fund's investment adviser after the transaction.

How will the change of control affect Putnam Management?

The change of control is not expected to have a material effect on Putnam Management. Putnam Management will operate as a stand-alone subsidiary of Lifeco and is expected to retain its brand and its existing management, investment and other service teams.

How does the proposed new management contract differ from your fund's current management contract?

The proposed new management contract is substantially identical to the current contract. Although there are some differences between your fund's current management contract and the proposed new management contract, there will be no change in the services that your fund will receive.

Will your fund's total fees for advisory and administrative services change?

No, there will be no change in your fund's total fees for investment management and administrative services.

How do your fund's Trustees recommend that shareholders vote on the proposal?

## Edgar Filing: Putnam RetirementReady Funds - Form DEFA14A

The Trustees unanimously recommend that you vote FOR the proposal.
