Item 2.02. Results of Operation and Financial Condition

On August 21, 2008, Foot Locker, Inc. (the "Company") issued a press release announcing its operating results for the second quarter of 2008. The press release includes a non-GAAP financial measure of year-to-date net income before the non-cash impairment charge and store closing expenses, which the Company believes is a useful measure to investors because it allows for a more direct comparison of the Company's performance for the year to date with the Company's performance in the prior-year period. A reconciliation schedule to GAAP is provided in the release.

A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
